

EAST MISSISSIPPI COMMUNITY COLLEGE GRADUATES NEARLY 700 STUDENTS

East Mississippi Community College students have graduated and they're ready to take their next step toward excellence, whether it's transferring to a four-year college or university or entering the job market.

Nearly 700 students earned associate's degrees and vocational certificates during three graduation ceremonies held May 7-8. This is about 200 more than last year and, with a 20 percent enrollment increase at the beginning of the 2009-10 academic year, EMCC is the fastest-growing community or junior college in the state of Mississippi.

The Golden Triangle campus in Mayhew held two commencement ceremonies at its Lyceum auditorium. Academic students graduated Friday, May 7, at 2 p.m. Career-technical students graduated the same day at 6 p.m. These ceremonies included students from the Golden Triangle campus, as well as the college's branch locations at Columbus Air Force Base and the EMCC West Point/Clay County Center.

Graduation at the Scooba campus was Saturday, May 8, at 10 a.m. This ceremony also included students from the EMCC branch at Naval Air Station Meridian.

Here's a look at the Class of 2009-10 at East Mississippi Community College. It includes students who earned diplomas in July and December of 2009, and candidates for graduation in May 2010. The list is broken down by county and hometown.
