Courses are offered in the following Divisions to meet *CCAF degree requirements and are accepted as appropriate transfer credit by most public universities.

*Management
Mathematics and Science
Social Science and Business
Humanities and Fine Arts

Since 1972, we have offered instructional opportunities, (transferable -traditional day, night, online courses) to military personnel, to their dependents, and to the general public.

East Mississippi Community College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Contact Theresa Harpole at (662) 476-5000 or tharpole@eastms.edu with inquiries regarding this policy.
Did you know that ANYONE can attend EMCC at Columbus Air Force Base?

EMCC students taking classes at EMCC’s Columbus Air Force Base Extension, whether active-duty or civilian, can complete registration on Base ... if you do your homework. The way to make sure that happens is to complete all of the steps in our “Before You Ever Leave Home” checklist. EMCC staff will review your application materials and make sure you’ve done everything on the checklist. If you haven’t, some steps can be completed along the way ... it will slow you down, but it can be done. However, if you’re missing these, you can’t proceed at all.

Here’s what happens next. Do these steps in the order they appear because each step depends on the one before it, and it’s no fun standing in the same line twice.

1. Admissions
   Click on “Apply Now!”
   - New students: ACT score and high school transcript
   - Transfer students: Transcripts from the last school you attended
   - Returning students: Contact the office
   - Dual enrolled students: Letter of recommendation, high school transcript, and ACT score

2. Background check
   Because you’ll be entering a U.S. military base during the time you’re taking classes, the Air Force needs to run a background check on you. View www.eastms.edu for a copy of the form which grants permission for the check, and return it to EMCC staff at the extension campus.

3. Driving a car on Base
   The first time you come to the Base, you’ll need to stop by the Visitors’ Center at the main gate and get a Base pass, that is, permission to enter the Base during the time you’re taking classes.

   To do this, you will need:
   - Two forms of ID, one with a photo
   - Current vehicle registration
   - Proof of insurance
   - Valid driver’s license

4. Make out your class schedule
   Discuss what classes you need to take with an EMCC counselor. Classes are offered during the day/night and online in the fall, spring, and summer semesters.

**WHY AREN’T YOU ENROLLED?**

**EMCC @ CAFB OFFERS:**
- Community College of the Air Force Degree Plan, with tuition assistance available
- All Basic Courses for Associate’s Degrees
- Access to all MSVCC online courses
