

Using the Course listing web page

Links to the application:

- <http://www.eastms.edu/courses>
- <http://www.eastms.edu/schedules>

If you are on our web site (<http://www.eastms.edu>), move your mouse over to the right hand side to the **Quick Links** section of the web page and click on Class Schedules. This will take you to <http://www.eastms.edu/schedules>.

What is this?

This web application searches for courses that are listed within our Datatel Colleague server. The search results are generated by the user's multiple select options. The user must choose four options **TERM**, **LOCATION**, **SCHOOL**, and **SUBJECT** before the application will return a list of courses.

Select Term ▼	Select Location ▼	Select School ▼	Select Subject ▼
---------------	-------------------	-----------------	------------------

TERM

A term is a year and a semester (FALL, SPRING, and SUMMER).

Ex. Fall semester in the year 2009: **2009FA**

A **sub term** is a year, semester, and a sub division within the semester.

Ex. Term 1 within the fall semester of 2009: **2009FA1**

Ex. Term 2 within the fall semester of 2009: **2009FA2**

LOCATION

A location is a collection of physical locations as well as "virtual locations".

Ex. GT - Golden Triangle Campus in Mayhew, MS

Ex. SC - Scooba Campus in Scooba, MS

Ex. VG - Virtual Online course offered from the GT Campus

Ex. VS - Virtual Online course offered from the SC Campus

SCHOOL

A school is a categorization of program types.

1. AC - Academic Programs

2. CT - Career Technical Programs

SUBJECT

A subject is a type of course offered at EMCC.

Ex. MAT - Math

Search Examples

Select Term	Select Location	Select School	Select Subject
-------------	-----------------	---------------	----------------

2009FA1	GT	CT - Career Technical Courses	All
---------	----	-------------------------------	-----

The example above will return **ALL Career Technical** courses offered at the **Golden Triangle** campus during **Fall 2009 Term 1** (2009-08-17 / 2009-10-07).

2009FA	SC	AC - Academic Courses	All
--------	----	-----------------------	-----

The example above will return **ALL Academic** courses offered at the **Scooba** campus during the **Fall 2009** semester (2009-08-17 / 2009-12-11).

2009FA	CB	AC - Academic Courses	MAT
--------	----	-----------------------	-----

The example above will return **ALL Math** courses offered at the **Columbus Air Force Base** campus during the **Fall 2009** semester (2009-08-17 / 2009-12-11).

2009FA	GT	CT - Career Technical Courses	MAT
--------	----	-------------------------------	-----

The example above will return **NOTHING**. The reason being is that **MAT** is not a **CT- Career Technical** course. **MAT** falls under the **AC - Academic** program of study.
