SUGGESTED UNIVERSITY-RELATED EMPHASES

The selection of courses and course sequences depends largely upon a student’s career choice. The counselors, the instructional administrators, and the assigned faculty advisor are available to counsel with each student; but it is the student’s final responsibility to choose her or his own course of study.

The three Academic Divisions at EMCC are Social Science and Business, Humanities and Fine Arts, and Mathematics and Science. Each Academic Division provides students ample opportunity to select coursework that will lead to an Associate of Arts Degree that prepares them for transfer to a University.

East Mississippi Community College has designed its basic course requirements so that earned credits can be transferred readily to other accredited institutions. It should be clearly understood, however, that individual senior colleges and professional schools may have individual freshman and sophomore requirements which differ from the following course recommendations. Students contemplating transfer should consult the latest catalog of the institution to which they plan to transfer. If the senior institution requires an arrangement of courses different from any recommended in this section, students may deviate and schedule an arrangement to meet their individual need with their advisor’s authorization.

Students are urged to enroll for no more than a total of 4 credit hours in general activities, varsity sports, etc. Refer to the catalog of the Senior College or University for any different requirements.

GENERAL EDUCATION

<table>

ELEMENTARY EDUCATION

For Mississippi K-6 Licensure in elementary education, the Mississippi Department of Education requires that candidates have completed at least 18 hours, in each of two endorsement areas, with no grade lower than a C. In addition, some IHL universities also offer elementary education programs, K-6 with 2 add on endorsements. In these programs, candidates earn an additional 3 hours, or 21 hours in each of the two endorsement areas, with no grade lower than a C. These programs prepare the students for Mississippi K-6 licensure, with add on licenses for grades 7-12 in the two endorsement areas. English, General Science, Math, and Social Studies are endorsement areas accepted by all eight IHL universities. It is strongly recommended that students complete the Praxis I examination prior to transferring to one of the IHL institutions.

General Education Core
Recommended - ENG 2223, 2233 or 2323, 2333 or 2423, 2433; One 4-hour BIO course and one 4-hour PHY or CHE course

### HEALTH, PHYSICAL EDUCATION, AND RECREATION/HUMAN PERFORMANCE/PHYSICAL EDUCATION

It is strongly recommended that students complete the Praxis I examination prior to transferring (if required). In addition, it is strongly suggested that students seeking a PE Licensure prepare themselves to teach in one additional discipline. The Mississippi Department of Education requires 21 semester hours of prefix-specific courses with grades of “C” or better. Some of the common supplemental endorsement areas are English, Communication, Social Studies, Mathematics, and General Science.

**General Education Core**  
33-35 Semester Hours  
Recommended - PSY 1513; One History Elective; One Literature Elective

### SECONDARY EDUCATION/Biology Education/Business Education/Business Technology Education/English Education/Mathematics Education/Science Education/Social Science Education

**IMPORTANT:** Students desiring to major in Secondary Education should refer to the Articulation Agreement between the Mississippi Community College Board and the Mississippi Institutions of Higher Learning (Four-year universities) to find specific requirements for the university to which they plan to transfer and the teaching area in which they plan to study. The Articulation Agreement can be found under MCCB Publications at www.sbcjc.cc.ms.us. Students who plan to attend a university out of state should consult the requirements for that university and that state’s licensure requirements.

It is **strongly recommended** that students complete the Praxis I examination prior to transferring.
