NURSING- LICENSED PRACTICAL:
Welcome to East Mississippi Community College. Thank you for your interest in our program. East Mississippi Community College (EMCC) is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097 or call (404) 679-4500 for questions about the accreditation of EMCC. The Commission is only to be contacted if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard. All normal inquiries about the institution, such as admission requirements, financial aid, educational programs, and other college related information should be addressed directly to the College and NOT to the office of the Commission on Colleges.
Accreditation is also maintained through the Mississippi Community College Board. The purpose of the program is to prepare men and women for the role of the Practical Nurse competent to practice under the supervision of a Registered Nurse, Physician or Licensed Dentist.
Graduates of the program receive a certificate in Practical Nursing which meets the educational requirement needed to apply for the National Council of State Boards of Nursing licensure examination for the Practical Nurse (NCLEX-PN®). Successful completion of the nursing program does not guarantee eligibility to sit for the NCLEX-PN® or application for licensure. The Board of Nursing will conduct a criminal background check on each student (at the student’s expense) prior to graduation and may, at its discretion, deny any application to sit for exam or application for licensure due to, but not limited to, conviction of a felony, commission of fraud or deceit in the application process or addiction to alcohol or other drugs. Please see the National Council of State Boards of Nursing website, www.ncsbn.org, for more information.

Please utilize the following admission guidelines when applying.

ADMISSION PROCEDURE:
To be considered for the Practical Nursing program, applicants must complete all testing, meet the minimum requirements, and submit all required paperwork by June 1st each year. Incomplete admission packets will not be considered for admission. Students are allowed to have pre-requisite courses in progress at the time of application. All pre-requisites must be completed with the required grade prior to final acceptance. Any work in progress will not be used in scoring the applicant’s overall GPA.
Please note: Meeting all admission requirements does not guarantee acceptance into the Practical Nursing program. Admission is competitive and enrollment is limited.

1. Go to http://www.eastms.edu/ and select the “Apply Now!” link to submit an online application for admission to East Mississippi Community College. You must indicate nursing under your major. Do not designate RN or Practical Nursing, just “nursing.” Acceptance to East Mississippi Community College does not guarantee acceptance to the Practical Nursing program. Letters of pending acceptance will come from the Director of Nursing and Allied Health.

2. Submit a completed School of Nursing Application to The Allied Health Administrative Assistant.

3. Submit an official high school transcript from an accredited high school showing date of graduation and principal’s signature;
or
Submit an official GED transcript with satisfactory scores.

4. Submit official transcripts from all colleges previously attended. Transcripts cannot be stamped “issued to student”

5. Any applicant who has ever attended another nursing program must have a letter of good standing from their former nursing school director sent directly to the EMCC Director of Nursing and Allied Health. A letter of good standing indicates that the student is eligible for immediate readmission into the former nursing program. Applicants without letters of good standing from previous nursing schools will not be considered for this program. Applicants who have been unsuccessful more than once in any nursing school will not be eligible for admission into the Practical Nursing program at EMCC for a period of five years from last attendance in a nursing program.
6. Applicant must have:
   a. A minimum composite score of 18 with sub score of 18 in reading on the ACT.
   b. A grade of “C” or higher in Anatomy and Physiology I&II-prerequisite science classes must have been completed within the last 5 years.
   c. Cumulative GPA of 2.0 or higher on a 4.0 scale for all previous college work attempted.
   d. A Kaplan Nursing School Admission exam score of at least 50% - APPLICANTS MUST MEET THE MINIMUM ACT SCORE PRIOR TO TAKING THE ENTRANCE TEST. IT IS THE RESPONSIBILITY OF THE APPLICANT TO MAKE SURE THIS REQUIREMENT HAS BEEN MET. Applicants may register to take the Kaplan Nursing School Admission exam with the Allied Health administrative assistant. The cost of the testing must be paid when you register. Entrance tests may be retaken once in order to achieve a higher score. If you would like to prepare for the exam, Kaplan has developed a preparatory book titled Nursing School Entrance Exams (Kaplan Nursing School Entrance Exam) by Kaplan. This book is available on Amazon.com and local book stores.

SELECTION CRITERIA:
If the prospective student fails to complete the application process, is unsuccessful in prerequisite courses, fails to register, or is not accepted into the program, the application process must be repeated for consideration for the next program as a wait list is not maintained.

Selection of applicants is made by using a point system. (The Practical Nursing Applicant scoring sheet is included in this packet for informational purposes only.) Extra points may be earned in one of three ways: Two years of High School Medical Technology with a letter of recommendation from instructor, Current CNA certificate with letter of recommendation from employer, or an Associate degree or higher in another field. Extra points are awarded only if letters of recommendation, current CNA certificate, and/or transcripts are included in required admission paperwork packet. Applicants are ranked numerically and the top ranking students are offered admission pending completion of admission paperwork. The remaining applicants will be placed on the alternate list in rank order. If one of the students offered pending admission does not accept, the alternate applicants, in rank order, will be offered pending admission. Points will be awarded on the following criteria:
- Cumulative GPA from most recent record. (High school or college)
- ACT scores (minimum of 18 with an 18 in reading)
- Admission test score of 50 or greater

If there is a tie, the applicant with the higher GPA will be offered admission first. If there is still a tie, the applicant with the higher ACT score will be offered admission first. Further ties will be decided based on Admission test scores.

All students selected are considered pending admission until all required paperwork is turned in and a “clear” criminal background check is received.

All students meeting the requirements for the program will be sent a letter stating they are pending admission, not accepted, or on the alternate list.

Students pending admission will receive a packet including a health form and CPR information. The health forms must be dated no earlier than 45 days before the first day of class. All health forms, immunization forms, lab results, and proof of CPR certification must be turned in to the nursing Administrative Assistant by the deadline given in letter of pending acceptance. All required paperwork must be submitted as a complete package. INCOMPLETE PACKAGES WILL BE RETURNED TO THE STUDENT. Without completed paperwork, you will not be allowed in class.

1. Each pending student must have a Health Care Provider “C” CPR card. The expiration date must not be earlier than the anticipated date of graduation. CPR certification must be issued by the American Heart Association. Red Cross certification is not acceptable. If you need a CPR class you may contact Amy Thorn at 328-6391 or Brenda Waldrop at 251-2190 to arrange a class. Additionally, you may check with the education department of your local hospital to arrange a CPR class. CPR certification must remain current while enrolled in the program.
2. A history and physical exam including a negative drug screen performed by a qualified medical practitioner.
3. Evidence of measles and mumps vaccination or evidence of immunity documented by having one of the following:
   a. Documentation of having received two (2) live measles vaccinations (MMR) after first birthday.
   b. Documentation of having had physician-diagnosed measles
   c. Laboratory evidence of measles/mumps immunity, or
   d. Birth before 1957 and with Rubella immunity.

4. A negative two step TB skin Test or proof of a previous two step with a current yearly TB skin test. A negative Chest X-ray result in lieu of skin test for students with history of positive skin tests is acceptable. This is a yearly requirement. A copy of the results of the test must be submitted to the Allied Health Administrative Assistant annually. Anyone with a positive TB skin test must be seen by the Employee Health Nurse at North Ms Medical Center prior to any clinical rotations.

5. Proof of vaccination for Hepatitis B or a waiver signed by students who choose not to protect themselves with the vaccination series.

6. Flu vaccines are required by clinical facilities. Students who are unable to or choose not to take the flu vaccine will be required to wear a face mask from October until March when entering a clinical site.

7. Pursuant to Section 37-29-232 of the Mississippi Code of 1972, Annotated, and Section 43-11-13 of the Mississippi Code of 1972, Annotated, nursing and allied health students must submit to a fingerprint background check prior to any clinical activity in a licensed healthcare facility. Each student pending admission must receive a “clear” criminal background check in order to be fully admitted to the program. Payment for the background check is the responsibility of the student. In addition to the disqualifiers listed in section 43-31-13, (f) felony possession of or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, any sex offense listed in Section 45-33-23(f), child abuse, arson, grand larceny, burglary, gratification of lust, aggravated assault, or felonious abuse and/or battery of a vulnerable adult, or that any such conviction or plea was reversed on appeal or a pardon was granted for the conviction or plea.) a healthcare facility has the right to deny any student access to their facility for clinical purposes that they feel is unsuitable for employment or for the clinical setting. If a student is barred from any clinical agency for any reason they will not be eligible to enter or continue in the program.

STUDENTS SEEKING READMISSION:

If the student leaves the program after successfully completing the first semester and desires readmission, he/she must:

1. Request readmission in writing to the Director of Nursing and Allied Health.
2. The student will be given credit for any semester satisfactorily completed within the previous twelve (12) months, but will be required to repeat all courses within the semester during which the student was terminated. The student seeking readmission must pass a competency test for all previous nursing theory, including Pharmacology content and must show competency in previous lab skills. In order to be considered for readmission, the student must complete all requirements with at least an 80% on the first attempt. The student must complete the remaining semester(s) during this enrollment or become ineligible for readmission for a period of five years.
3. Readmission will be dependent on whether there are openings in the class. Applicants demonstrating competency in theory and skills will be ranked using the Practical Nursing applicant scoring sheet included in this packet. If there are more applicants than space, the highest ranked applicant will be offered admission first. If there is a tie, the applicant with the highest GPA will be offered admission first. If there is still a tie, the applicant with the higher ACT score will be offered admission first.
4. Applicants who have been unsuccessful more than once in any nursing school (including EMCC) will not be eligible for readmission into the Practical Nursing program at EMCC for a period of five years from last attendance in a nursing program.
5. For consideration for readmission to the program after being terminated due to drug or alcohol problems, a lapse of two (2) years, documentation of completion of a certified rehab/detox program, and repeating all previous levels of the program will be required. **Successful completion of the nursing program does not guarantee eligibility to sit for the NCLEX-PN®. A Board of Nursing may, at its discretion, refuse to accept the licensure application of any person who has been convicted of a felony or misdemeanor or has charges pending on such issues.**
All students selected are considered pending admission until all required paperwork is turned in and a “clean” criminal background check is received.
All students meeting the requirements for readmission will be sent a letter stating they are pending admission, or were not accepted.

After an unsuccessful attempt during the first semester, those seeking readmission must follow regular admission guidelines.

PROGRAM OF STUDY:

The Practical Nursing Program is a twelve-month course of study designed to prepare individuals to become a Licensed Practical Nurse. The program is designed to be completed within 12 months of admission. All students must maintain full time status once beginning the program.
The Practical Nurse will gain classroom and laboratory instruction in such areas as: vocational adjustments, basic nursing skills, nutrition, anatomy and physiology, human growth and development, pharmacology, maternal child nursing, emotional and mental illness, and medical/surgical nursing. Affiliating hospitals and healthcare agencies provide clinical experiences.

A student must apply to the program, meet all requirements and be selected in order to register for Nursing Courses. Pre-requisites are listed below. See the East Mississippi Community College Catalogue for description of pre-requisites. All science courses must have been completed within the last 5 years. Students must receive a C or higher in all prerequisites.

STEP 1
Go to http://www.eastms.edu/ and select the “Apply Now!” link to submit an online application for admission to East Mississippi Community College. Acceptance to East Mississippi Community College does not guarantee acceptance to the Practical Nursing program. Letters of pending acceptance will come from the Director of Nursing and Allied Health.

STEP 2
Fill out an application for the School of Nursing (included in this packet). This application should be returned to the Allied Health Administrative Assistant. Make sure to include letters of recommendation, letters of good standing from former nursing directors, and copy of CNA certification if applicable.

STEP 3
Request transcripts to be sent to EMCC from all other educational institutions you have attended- this includes high school. (Transfer Request Form included in this packet). Make sure you request transcripts from all schools attended.

STEP 4
Make sure your ACT scores (minimum composite score 18 with a subscore of 18 in Reading) are on file in the admissions office or schedule and take your ACT before the Oct. 1 deadline.

STEP 5
After you have obtained the minimum ACT score, you may see the Allied Health Administrative Assistant to schedule your Nursing School Admission test. Please be sure you have met the ACT requirement prior to scheduling your test.

STEP 6
The cost of the nursing entrance test must be paid when you register for the test. Payment should be made at EMCC Business Office. The Entrance test may be retaken once in order to achieve a higher score. The book: Nursing School Entrance Exams (Kaplan Nursing School Entrance Exam) by Kaplan can be ordered from Amazon and other book stores if you would like a study guide for the entrance test.

STEP 7
After the deadline you will be notified if you have been selected for pending admission. If you accept a slot in the program, you will be sent an information packet to complete. EMCC does not keep a wait list for admission. If you are not chosen for the program, you will have to reapply the next time a class starts. Nursing entrance test scores are good for 1 year. It is your responsibility to be sure that all of your paperwork is on file prior to the deadline. Remember, just because you request a document to be sent to EMCC does not mean that it was actually sent or received.
