

March 2, 2020

Dear Sir or Madam:

You are cordially invited to attend the East Mississippi Community College Job Fair, part of the Governor's Job Fair Network, which will be held Thursday, April 02, 2020, 9:00 a.m. to 1:00 p.m. on the Golden Triangle Campus of East Mississippi Community College (EMCC), 8731 South Frontage Road, Mayhew, MS, 39753.

In addition to EMCC's many talented and well-trained career, technical and academic students, the Job Fair will be open to all area college students, alumni, and the general public. We also work closely with the MSU and MUW Career Centers to issue their students and graduates a special invitation.

The EMCC team is committed to making your job fair experience successful. We are grateful that vendors have consistently rated our job fair as one of the best and will strive to continue that tradition this year!

The registration fee is \$150 due on or before March 20, 2020. More details are on the attached registration form. In late March, final information will be sent to all registered vendors.

If you have any questions, please contact any of the Job Fair Committee members:

Michael Busby ([mbusby@eastms.edu](mailto:mbusby@eastms.edu)), or Cynthia Logan ([clogan@eastms.edu](mailto:clogan@eastms.edu)).

We look forward to seeing you April 02!
