## DEDICATION

The 2017-18 edition of East Mississippi Community College's *Catalog and Student Handbook* is dedicated to the loving memory of Tammy Malachowski, Biology instructor, Scooba Campus, who worked hard to give her students the best science education possible.

## AFFILIATION STATEMENT

East Mississippi Community College (EMCC) is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097 or call (404) 679-4500 for questions about the accreditation of EMCC. The Commission is only to be contacted if there is evidence that appears to support an institution's significant non-compliance with a requirement or standard. All normal inquiries about the institution, such as admission requirements, financial aid, educational programs, and other college related information should be addressed directly to the College and NOT to the office of the Commission on Colleges.

EMCC is also accredited by the Mississippi State Department of Education and by the Mississippi Commission on College Accreditation and is a member of the Mississippi Association of Colleges and Universities, the Mississippi Association of Community and Junior Colleges, the American Association of Community Colleges, and the Council for Higher Education Accreditation.

Additional Specialized Program Accreditations, Certifications and Licensures include:

EMCC is in compliance with the Student Right to Know and Campus Security Act (Public Law 101-542), the Campus SaVE Act, and the Higher Education Technical Amendments of 1991 (Public Law 102-26).

EMCC agrees to comply with The Principles of Accreditation: Foundations for Quality Enhancement and all related stipulations of the Southern Association of Colleges and Schools Commission on Colleges.

### **NOTICE**

East Mississippi Community College reserves the right to add, delete or modify policies and procedures stated herein as determined necessary for the proper functioning and orderly operation of the institution.

### **STATEMENT OF PURPOSE**

#### **HISTORY**

East Mississippi Community College was organized in 1927 following its beginnings in 1912 as Kemper County Agricultural High School. The College serves and is supported by Clay, Kemper, Lauderdale, Lowndes, Noxubee and Oktibbeha counties in east central Mississippi. East Mississippi Community College is one of fifteen state-supported Community Colleges.

The physical plant consists of two principal locations. The Scooba Campus, located at Scooba, Mississippi, in Kemper County and the Golden Triangle Campus, located at Mayhew, Mississippi, in Lowndes County. The College also offers courses at the Columbus Lion Hills Center, Columbus Air Force Base, Macon, Naval Air Station Meridian, and West Point. In 2000, East Mississippi Community College began offering courses through the Mississippi Virtual Community College.

Location Abbreviations: SC - Scooba Campus                      GT - Golden Triangle Campus  
                                 LH - Lion Hills Center                      WP - West Point Center  
                                 NASM –Naval Air Station Meridian  
                                 CAFB – Columbus Air Force Base

#### **VISION**

East Mississippi Community College establishes the standard of excellence for comprehensive community colleges in Mississippi.

#### **THE MISSION OF EAST MISSISSIPPI COMMUNITY COLLEGE**

East Mississippi Community College is a public community college serving six counties in East Central Mississippi, offering university-parallel programs, career-technical programs, and workforce programs. EMCC

is dedicated to improving the quality of life for our students, our community, and our personnel through instructional opportunities, with specific focus on a healthy mind, body, and spirit.

## **VALUES**

1. **Leadership** built on respect for self and others and demonstrated in our local communities
2. **Excellence** in education, service and lifelong learning
3. **Access** to instructional opportunities on campus and online
4. **Freedom** in teaching and learning within a supportive, communicative, diverse, and caring environment

## **EXPECTATIONS OF THE COLLEGE**

Students at East Mississippi Community College who have specialized in an academic area and who have received an associate degree should be prepared to meet the requirements for continuing academic work. Similarly, those students who graduate with an associate of applied science degree or are certified in technical or career training areas should be prepared to succeed in employment opportunities in their field of preparation.

Any person reached by the College through participation in instructional, cultural, or workforce services should be aided in achieving the best quality of life possible. This development of the individual will lead to district citizenry being well prepared to meet the needs and challenges of the region, the nation, and the world.

## **CONTROL AND SUPPORT**

The College is under the direction of the President, who is the chief executive officer, and a Board of Trustees composed of twelve members who are chosen from the six counties which comprise the College's service area. The President of the College is appointed by this board and serves to administer the operations of the College under the direction, advice, and consent of the Board of Trustees. East Mississippi Community College receives financial support from appropriations from the state legislature and through tuition and fees. In addition, there are six counties levying tax support for East Mississippi Community College.

Those counties and their Boards of Supervisors are listed below.

### **BOARDS OF SUPERVISORS**

#### **CLAY COUNTY**

Dist. 1 Lynn Horton  
Dist. 3 R. B. Davis  
Dist. 5 Joe Chandler

Dist. 2 Luke Lummus  
Dist. 4 Shelton L. Deanes

#### **KEMPER COUNTY**

Dist. 1 Pat Granger  
Dist. 3 Justin Creer  
Dist. 5 Christopher Cole

Dist. 2 Johnny B. Whitsett  
Dist. 4 Mike Luke

#### **LAUDERDALE COUNTY**

Dist. 1 Jonathan Wells  
Dist. 3 Josh Todd  
Dist. 5 Kyle Rutledge

Dist. 2 Wayman Newell  
Dist. 4 Joe Norwood

#### **LOWNDES COUNTY**

Dist. 1 Harry Sanders  
Dist. 3 John Earl Holliman  
Dist. 5 Leroy Brooks

Dist. 2 Bill Brigham  
Dist. 4 Jeffery Smith

## **NOXUBEE COUNTY**

Dist. 1 Larry Tate  
Dist. 3 Sherman Patterson  
Dist. 5 Bruce Brooks

Dist. 2 William Oliver  
Dist. 4 Eddie Coleman

## **OKTIBBEHA COUNTY**

Dist. 1 John Montgomery  
Dist. 3 Marvell Howard  
Dist. 5 Joe Williams

Dist. 2 Orlando Trainer  
Dist. 4 Bricklee Miller

## **LOCATION**

**SCOOPA CAMPUS** - The town of Scooba is located in Kemper County, adjacent to the Railroad, U.S. Highway 45, and State Highway 16, 35 miles north of Meridian and 50 miles south of Columbus. The College owns 287 acres of land, 25 of which make up the main campus.

**GOLDEN TRIANGLE CAMPUS (Mayhew)** - The Golden Triangle Campus is located in Mayhew, Mississippi, on 83 acres adjacent to U.S. Highway 182 (Frontage Road) and one mile east of the intersection of Alternate U.S. Highway 45 and U.S. Highway 82. The campus is 10 miles east of Starkville, 10 miles south of West Point, and 12 miles west of Columbus.

**COLUMBUS AIR FORCE BASE EXTENSION** - EMCC offers instructional opportunities, including workforce training, to military personnel and their dependents, in addition to the general public at the Columbus Air Force Base Extension. Library facilities are available.

**NAVAL AIR STATION MERIDIAN EXTENSION** - EMCC offers instructional opportunities, including workforce training, to military personnel and their dependents, in addition to the general public at the Naval Air Station Meridian Extension. Library facilities are available.

**MACON EXTENSION** - EMCC offers instructional opportunities, including workforce training, to the general public in Macon at Noxubee County High School.

**WEST POINT EXTENSION** - EMCC offers instructional opportunities, including workforce training, to the general public at the West Point Center, located adjacent to Alternate U.S. Highway 45, just north of the city of West Point.

**LION HILLS CENTER** - The Lion Hills Center, located at 2331 Military Road, Columbus, offers programs of study in Hotel & Restaurant Management Technology, Culinary Arts, Golf/Recreational Turf Management, and Landscape Management. In addition, the college operates an 18-hole, public golf course, and a clubhouse used for public and private meetings.

## **FINANCIAL INFORMATION**

**ALL FEES ARE DUE IN ADVANCE OR FEE PAYMENT ARRANGEMENTS MUST BE MADE IN ADVANCE.**

All current student fees may be found on the East Mississippi Community College website, [www.eastms.edu](http://www.eastms.edu). Fees are subject to change during the year, based on approval of the College Board of Trustees.

## PAYMENT OF FEES

### ONLINE STUDENTS WHO DO NOT HAVE APPROVED FINANCIAL AID MUST PAY 100% IN ADVANCE.

During registration every student is informed of the total amount of fees. Approved financial aid is deducted from the total, and the student is informed of the balance.

Students having overdue accounts must pay their balance before registering for another semester.

Students not having overdue accounts may pay their fees in full at registration, or fee payments may be made with certain MINIMUM down payments.

Any students seeking administrative credit approval must bring their registration forms to the Business Office and receive a Special Fee Payment Agreement Form to take to the designated administrator. The Business Office will retain the registration forms and complete certain parts of the Special Fee Payment Agreement Form for the student. The students must return the approved forms to the Business Office after meeting with the designated administrator.

Registration fees are non-refundable.

No student will be permitted to receive any type of financial aid for classes being retaken in which the student previously received a grade of C or higher.

## FEE REFUND POLICY

A student who OFFICIALLY AND COMPLETELY WITHDRAWS FROM SCHOOL by completing an EMCC Withdrawal Form before completion of the course will have refundable charges adjusted as follows:

| <b>Tuition/Room/Meals</b>           | <b>% Adjusted or Refunded</b> |
|-------------------------------------|-------------------------------|
| Before scheduled first class        | 100%                          |
| Before completing 2nd week of class | 75%                           |
| Before completing 3rd week of class | 50%                           |
| Before completing 4th week of class | 25%                           |
| No refund after the 4th week        | 0%                            |

Adjustments to tuition and fees for dropping and adding a class will not be made during the semester except for adding 2nd intensive or late term classes. In other words, no adjustments to fees will be made after the semester's official enrollment status date except for late-starting classes.

All textbooks that have been charged to the student's account and not yet paid for are to be returned to the Bookstore for proper adjustment to the student's account. Students who are military personnel and receive orders for mandatory TDY (Detached or Temporary Duty) or PCS (Permanent Change of Station) may receive a full refund of fees.

Refunds for intensive sessions are adjusted based on days rather than weeks.

Room deposits will be refunded in full at the end of May provided the proper check-out/release form has been signed by the dormitory supervisor. A student with room damages may be required to forfeit part or all of his/her room deposit to cover damage costs. A student's room deposit may also be withheld to cover all or

part of any outstanding balance due to the College.

**\*\*Dorm Deposits are refundable until August 1st for students who do not attend. Students must contact the Director of Housing prior to August 1st to request a refund of the deposit.**

The refund policy of East Mississippi Community College for veterans, veterans' widows, or war orphans enrolled under Chapter 34 or 35 is on a pro-rata basis for the number of weeks remaining in the semester. The proper withdrawal procedure must be followed, and the refund must be requested.

## **REFUNDS OF FEDERAL/STATE GRANTS AND STUDENT LOANS**

REFUNDS OF PELL GRANT/STAFFORD LOANS/OTHER FEDERAL AND STATE GRANTS/AND ALL OTHER GIFT AID begins during the 6th week for EMCC scholarships/state grants, 7th week for Direct Loans, and 8th week for Pell Grants. The Summer Semester is an exception with refunds being issued at the end of the 2nd Intensive Session. ***Any charge to the student account (tuition, books, fees, etc.) will be taken from the first type of aid that becomes available.***

ENROLLMENT LEVEL (FULL-TIME/THREE-QUARTER TIME/HALF-TIME) has a direct effect on grant, scholarship, and loan awards. In turn, the enrollment level will have an effect on the refund amount. The enrollment level is established on the Official Enrollment Status Date each semester.

Class withdrawals affect enrollment level and refunds. If a student withdraws from part of his/her schedule, a recalculation of all financial aid and refunds may be necessary. If a student withdraws from all classes, financial aid will definitely be recalculated, refunds will be adjusted or cancelled, and a repayment of Federal or State funds may be necessary. The immediate repayment of federal loan and federal grant monies is a definite possibility when students withdraw completely or drop out.

**Students receiving financial aid should talk with the EMCC Financial Aid Office prior to dropping a class or withdrawing.**

## **REFUND OF TITLE IV FUNDS POLICY**

1. The United States Department of Education specifies how a school must determine the amount of Title IV federal aid that a student earns upon withdrawal, dropping out, or being dismissed prior to completing more than 60% of a payment period. Once the student has completed more than 60% of the payment period, all financial aid assistance is considered to be earned.
2. The amount of federal aid that a student earns is determined on a pro-rata basis.
  - **Percent Earned** = calendar days completed divided by total calendar days in the enrollment period.  
(The total number of calendar days in the enrollment period shall exclude any scheduled breaks that are at least 5 days long. Weekends are included in the definition of calendar days.)
  - **Percent Unearned** = 100% minus percent earned.
3. When a student receives federal financial aid in excess of earned aid:
  - **The school returns the lesser of:**
    - \* total unearned aid, or
    - \* institutional charges multiplied by the unearned percentage
  - **The student returns any remaining unearned aid not covered by the school.**

- \* Any loan funds are repaid in accordance with the terms of the promissory note.
  - \* After allocating unearned aid, any amount owed by the student to a grant program is reduced by 50%.
  - \* Any grant amount the student has to return is a grant overpayment, and arrangements must be made with the school or Department of Education to return the funds.
4. Adjustments of institutional charges will be calculated using the EMCC refund policy published in the College Catalog. All refunds and adjusted bills will be sent to the student's home address on file in the Admissions/Records Office.
  5. Listed below are the Federal Title IV programs and the order in which funds will be returned to the appropriate programs (no program can receive a refund if aid was not received from that program):
    1. Unsubsidized Direct Loans
    2. Subsidized Direct Loans
    3. PLUS Loans for Parents
    4. Federal Pell Grant
    5. Federal SEOG
    6. Other Title IV Programs

Note: Withdrawal date is defined as the actual date the student begins the institution's withdrawal process or officially notifies the institution, in writing or orally, of the intent to withdraw; or the midpoint of the payment/enrollment period for a student who leaves without notifying the institution; or the student's last date of attendance at an academically-related activity (i.e. exam, academic counseling/advisement, attending a study group assigned by EMCC, etc.)

### **Policy on Academic Qualifications for Recipients of Federal Financial Aid**

To receive Student Financial Aid funds, a student must be qualified to study at the post-secondary level. For Student Financial Aid purposes, a student with a high school diploma or its recognized equivalent is considered qualified.

#### High School Diploma or Equivalent

The U.S. Department of Education recognizes several equivalents to the high school diploma:

- General Equivalency Diploma (GED) certificates and state certificates;
- For a student enrolling at the associate-degree level or higher, documentation that the student excelled academically in high school and has met the school's admissions standards;
- A certificate of completion of a home-study program if the program is recognized by the student's home state;
- A student's post-secondary school academic transcript if the student has completed an emphasis of at least two years in length that is acceptable for full credit toward a bachelor's degree.

### **SATISFACTORY ACADEMIC POLICY FOR RECEIPT OF FINANCIAL AID**

East Mississippi Community College (EMCC) has established minimum standards of Satisfactory Academic Progress (SAP) as required by federal regulations to determine eligibility for federal Title IV student financial

aid. SAP standards of academic performance require that all federal financial aid recipients progress satisfactorily toward the completion of a degree or certificate in a chosen academic or career/technical program at East Mississippi Community College. The financial assistance offered at East Mississippi Community College to which these standards apply includes the following federal Title IV programs:

**Federal Pell Grant (PELL)**  
**Federal Supplemental Educational Opportunity Grant (FSEOG)**  
**Federal Subsidized Direct Loan**  
**Federal Unsubsidized Direct Loan**  
**Federal Parent PLUS Loan**  
**Federal Work-Study**

**Standards for Maintaining Satisfactory Academic Progress (SAP)**

- Students must progress qualitatively by earning a required grade point average (GPA).
- Students must progress quantitatively by completing a required percentage of what they take.
- Students must complete their program of study within a required time frame.

| <b><u>Hours Attempted</u></b> | <b><u>% Hours Completed</u></b> | <b><u>Cumulative GPA</u></b> |
|-------------------------------|---------------------------------|------------------------------|
| <b>0 - 31</b>                 | <b>50%</b>                      | <b>1.50</b>                  |
| <b>32 - or more</b>           | <b>67%</b>                      | <b>2.00</b>                  |

**INSTITUTIONAL SCHOLARSHIPS**

East Mississippi Community College awards scholarships in recognition of demonstrated scholastic merit by a student. Scholarships are awarded on a yearly basis to full-time students from Mississippi enrolling in the fall semester at any EMCC Campus. A student must maintain a class load of 15 credit hours as a minimum for scholarships. A listing of institutional scholarships, the eligibility requirements, and an EMCC Scholarship Application can be located at the EMCC WEB site under Financial Aid. The deadline for all scholarships is August 1.

VISUAL ART – These scholarships are awarded through portfolio reviews of student's art work. A 2.00 cumulative GPA must be maintained. Participation in all art department activities is required.

HIGH SCHOOL VALEDICTORY/SALUTATORY SCHOLARSHIPS - Valedictorians and salutatorians from high schools within the Community College district are eligible for these awards. In addition to being named valedictorian or salutatorian, the recipient must maintain a College Grade Point Average of at least 3.00.

INSTITUTIONAL SCHOLARSHIPS - These scholarships will be available to any Mississippi resident who enrolls full-time in an academic emphasis or technical or career program at any EMCC campus or center and has an appropriate composite score on the ACT. The scholarship is awarded for the normal length of the emphasis or program. A 2.50 cumulative Grade Point Average must be maintained for ACT Scores of 20 to 28 and 3.00 for ACT Scores of 29 or above.

ACADEMIC EMPHASIS, CAREER AND TECHNICAL PROGRAM SCHOLARSHIPS - Each emphasis or program may have institutional scholarships available to full-time students showing promise in that field of study. These scholarships are recommended by the division heads and should be applied for by August 1

preceding enrollment in the fall. Recipients of this scholarship must maintain a 2.50 cumulative GPA.

TIC WELDING SCHOLARSHIPS - This scholarship may be offered to incoming freshmen, full-time students enrolled in the welding program on either the Golden Triangle or Scooba Campus. In order to receive the award for a second semester, a 2.5 GPA or better must be maintained. The student may reapply for the scholarship for use in continuing into the Associates Degree Program.

### **MEMORIAL AND OTHER SCHOLARSHIPS**

East Mississippi Community College awards a grant-in-aid to a student on the basis of need and/or because the student demonstrates an ability worthy of development for the good of the College, its environment, or the student.

STENNIS LITTLE MEMORIAL FUND - This fund was established by Mr. James C. Windham as a perpetual memorial to the late Stennis Little, who coached Mr. Windham at East Mississippi Community College. Proceeds of this fund are used to assist students showing special financial need. A 2.50 cumulative GPA must be maintained. To apply a student can receive an application from the Financial Aid Office on the Scooba Campus.

DUFF BROCK MEMORIAL - This scholarship is limited to the Golden Triangle Campus only. You must be an electrical technology student and be recommended by the Electrical Technology Instructor. A 2.50 cumulative GPA must be maintained.

JOSEPH GRADY HOPPER MEMORIAL GRANT - This grant was established through the EMCC Foundation in memory of Joseph G. Hopper, a former student at EMCC. Applicants must have a composite score of 21 on the ACT and have a 3.00 cumulative GPA. Applicants must possess qualities in leadership, character, and academic excellence and must be involved in extra-curricular activities while in school.

EDNA HARBOUR HOLLOWAY SCHOLARSHIP - This scholarship is to go each year to the “outstanding sophomore student in English Literature” to be used toward his or her expenses at the University of the student’s choice.

THE MISSISSIPPI ASSOCIATION OF COUNTY SUPERVISORS SCHOLARSHIP - This fund was established by the State Association of County Supervisors as a scholarship to recognize good character, academic excellence, leadership potential, and future promise. This scholarship is available to freshmen from the EMCC district. The awarding of this scholarship rotates among the six counties comprising EMCC’s district. A 2.5 GPA is required.

COLUMBUS AIR FORCE BASE AWARD - This scholarship is given to each graduate from the CCAF graduation. Each graduate will be awarded free tuition for a 3-hour course to be used during the next two semesters. An EMCC scholarship application must be completed to receive this scholarship.

PUBLIC RELATIONS - This scholarship is limited to the Scooba campus only. These are awarded on the recommendation of the Public Relations Director and an interview. A 2.50 cumulative GPA must be maintained. For more information, contact the Public Relations Director.

EMPLOYEE AND DEPENDENTS - Employees and Dependents will be awarded a grant to cover matriculation fees. For the purpose of this waiver of fees, “dependents” shall be defined as spouse and/or dependent children residing in the home of the employee.

**AMERICA'S JUNIOR MISS SCHOLARSHIP** - This scholarship is awarded to the Junior Miss and the first and second alternates in each county of the tax supporting district. This is a one-year award.

**ONETA P. BAKER SCHOLARSHIP** – This scholarship was established as an endowed fund by Ms. Oneta Baker. A scholarship is awarded yearly to a currently enrolled student working toward an Associate Degree in Liberal Arts. Financial need is a consideration and a 3.00 GPA is required.

**BELLSOUTH ENDOWED SCHOLARSHIP FUND** – This scholarship was established as an endowed fund by Bellsouth Telecommunications, Incorporated. Three scholarships are awarded yearly to currently enrolled students working toward associate degrees or certificates. Applicants must have a 3.00 GPA and show evidence of financial need.

**BESSIE DUKE CARTER AND ANNIE HAUGHEY CARTER MORGAN MUSIC SCHOLARSIP FUND** – This scholarship was established as an endowed fund by the Carter and Morgan families. A scholarship is awarded yearly to an entering Freshman who shows evidence of an ACT of 18 or higher and a high school GPA of 3.00 or higher with plans to major in music.

**T. L. CLOAR, JR. SCHOLARSHIP FUND** – This scholarship was established as an endowed fund by Mr. T. J. Cloar, Jr. A scholarship is awarded yearly to a currently enrolled student working toward an associate degree or certificate. Applicants must have a 3.00 GPA or higher and show evidence of financial need.

**DENNIS D. AND LEOLA K. COWART NURSING SCHOLARSHIP** – This scholarship was established as an endowed fund by members of the Cowart family. A scholarship is awarded yearly to a currently enrolled student in one of the nursing programs offered at EMCC. Award selection is based on financial need and academic performance.

**HOPE DULANEY MEACHAM ENDOWED SCHOLARSHIP** – This scholarship was established as an endowed fund by Mr. John Meacham, Jr. A scholarship is awarded yearly to a currently enrolled student working toward as associate degree or certificate. Financial need and academic performance are considered. Mississippi residence is required.

**RAY GILDON EXCELLENCE IN AUTOMOTIVE TECHNOLOGY ENDOWED SCHOLARSHIP** – This scholarship was established as an endowed fund by Mr. and Mrs. Jimmy Galloway in honor of Mrs. Galloway's father, Mr. Ray Gildon. Entering freshmen or currently enrolled students are considered. Students working toward associate degrees or certificates in the automotive Technology area are considered. Financial need and academic performance are required.

**MISSISSIPPI ORGANIZATION FOR ASSOCIATE DEGREE NURSING (MOADN) SCHOLARSHIP** – This scholarship was established as an endowed fund by MOADN (Mississippi Organization for Associate Degree Nursing). Enrollment in the Associate Degree Program in Nursing is required. Students must present evidence of a 3.00 GPA and financial need.

**MADIE PEDEN LIGHT ENDOWED SCHOLARSHIP** - This scholarship is an endowed fund established by Ms. Margaret P. Light in memory of her mother, Mrs. Madie P. Light. An award is made yearly to a sophomore level student working toward an associate degree. Financial need, Mississippi residence, and a 2.5 GPA are required for consideration.

**PILOT CLUB OF COLUMBUS SCHOLARSHIP** – This scholarship is an endowed fund established by the

Pilot Club of Columbus. A scholarship is awarded annually to an entering freshman interested in a career relating to brain disorders and disabilities. Lowndes County residence is required and the scholarship is available on the GT Campus. Financial need and high school GPA are considered in the selection process.

**SHAKU SHAUNAK VASUDEVA MANUFACTURING EXCELLENCE SCHOLARSHIP** – This scholarship was established by the Shaunak Family as an annual award to an entering freshman or currently enrolled student. Financial need and a 3.00 GPA are required. Applicants must express their reasons/career goals in writing for entering the Advanced Manufacturing/Engineering area and why this scholarship is important to their success.

**RICK YOUNG SCHOLARSHIP FOR ELIMINATING BARRIERS TO EDUCATION SCHOLARSHIP** – This scholarship was established as an annual award to an entering freshman or currently enrolled student. Superior academic performance and financial need are primary considerations that applicants must have to receive serious consideration. The scholarship is open to students pursuing associate degrees or certificates.

### **ACTIVITY SCHOLARSHIPS**

**BAND** - These scholarships are awarded on the recommendation of the Band Director. A 2.50 cumulative GPA must be maintained. For more information, contact the Band Director.

**CHEERLEADER** - These scholarships are awarded through tryouts and selection by a panel of judges. A 2.00 cumulative GPA must be maintained. For more information, contact the cheerleader sponsor.

**ATHLETIC** - All athletic scholarships are awarded by respective coaches in football, men's and women's basketball, softball, baseball, rodeo, and golf. The athlete must meet the eligibility requirements of EMCC and the Mississippi Community and Junior College Athletic Association.

**AMBASSADOR** - These scholarships are awarded to select student representatives who participate in recruiting and public functions on behalf of the College. A 3.00 cumulative GPA must be maintained. For more information, contact the campus recruiters.

**REFLECTIONS. MUSIC ENSEMBLE** - These vocal and instrumental scholarships are recommended by the Director of Choral Activities and may be awarded following tryouts, auditions, or interviews.

**CHORAL** - These scholarships are awarded on the recommendation of the Director of Choral Activities. A 2.50 cumulative GPA must be maintained. For information contact the Choral Director.

**SPEECH/DRAMA** - These scholarships are awarded on the recommendation of the Speech/Drama Coordinator and an audition. A 2.00 cumulative GPA must be maintained. Individuals enrolled in drama production should be prepared to attend auditions, rehearsals, and performances at times other than regularly scheduled class meetings. For more information, contact the Speech/Drama Coordinator.

### **OTHER TYPES OF ASSISTANCE**

**VOCATIONAL REHABILITATION** - Students with certain disabilities may obtain grants-in-aid to cover matriculation fees plus books and supplies through the Division of Services of Vocational Rehabilitation. Students who believe they might qualify for this aid may obtain further information by contacting the Director of Vocational Rehabilitation in their area.

**VETERANS ASSISTANCE** - EMCC maintains a Veterans Office in the Office of Financial Aid. Eligible veterans are entitled to benefits which are reflected in the amount of military time served, years of service, number of dependents, type of discharge, and many other factors. Veterans who are interested in claiming benefits under the G.I. Bill should contact the Office of Financial Aid at EMCC. For a schedule of the amounts of the various scholarships, contact the Financial Aid Office at:

EMCC-Scooba Campus  
P.O. Box 158  
Scooba, MS 39358

EMCC-Golden Triangle Campus  
P.O. Box 100  
Mayhew, MS 39753

**DISLOCATED WORKERS** - Dislocated workers may be eligible for short- or long-term education and training funds. For more information, contact the local WIN job center.

## **INSTRUCTIONAL INFORMATION**

### **ADMISSIONS**

East Mississippi Community College ascribes to an “open admissions” policy consistent with all laws.

East Mississippi Community College embraces the philosophy that students be provided the opportunities for learning experiences (e.g., developmental courses, counseling, and tutorial assistance) that will help them succeed in achieving their educational goals.

East Mississippi Community College may use relevant diagnostic instruments to determine the strengths and needs of students in order to assist in the selection of the most appropriate options to ensure student success.

All applicants are notified of their admission status via electronic responses as requested information is received in the Admissions Office. All applicants who have met admission requirements will be accepted to the College. General admission to EMCC does not guarantee admission to a specific program. Additional program requirements may be found by referring to the appropriate program in this catalog, by contacting the Counseling Center, or Program Advisors.

### **LIMITED ENGLISH PROFICIENCY (LEP) POLICY**

If there is an applicant for admission with limited English proficiency, a qualified representative from East Mississippi Community College will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admission process, upon the request of the applicant.

Information on limited English proficiency submitted voluntarily by the applicant for the purpose of receiving assistance and accommodations during the entire application and admission process will not affect the applicant’s admission to the school. Once accepted for admission into the college, services to the person of limited English proficiency will be provided, at the student’s request.

### **ACADEMIC EMPHASES**

Academic students are students who are taking classes that lead to the Associate of Arts degree. In general,

academic students intend to transfer their work completed at EMCC to a College or University and have the work apply toward a Bachelor of Arts or a Bachelor of Science degree. Applicants who feel that they may not meet ACT or other placement requirements are encouraged to seek advisement and placement in the spring or summer session prior to regular admission in the fall. The process for meeting admissions requirement to the College includes:

1. Submit an electronic application for admission through the EMCC website.
2. First time students must submit an official high school transcript reflecting an academic Mississippi High School Diploma from an accredited high school showing date of graduation and principal's signature. Alternatively, the student could submit an official high school transcript showing twenty (20) acceptable high school units or submit an official GED transcript with satisfactory scores. If the high school transcript is from a school that is not accredited, the prospective student must present an official GED transcript with satisfactory scores or submit an ACT composite of 20 or higher.
3. Home schooled students must submit an official transcript with a graduation date from a recognized school agency and signed by an official of that agency or an official transcript signed by a parent with a notarized sworn affidavit stating that the student's record is accurate and complete. The transcript must show all courses completed, grades earned, and number of units. Course descriptions may be required.
4. ACT scores are required of all students under 21 years of age, except transfer students. (The ACT is recommended for all students because ACT scores are required for placement in math, English, some science classes, and some career/technical programs.)
5. All students must also meet placement requirements, including ACT scores (see ACADEMIC PLACEMENT in this catalog) and other requirements as specified by academic counseling.
6. Out of state students must meet the equivalent admission requirements outlined for Mississippi students.

### **CAREER/TECHNICAL PROGRAMS**

Career/Technical students are students who are taking classes that lead to either: the two semester Career Certificate, the three semester Technical Certificate, or the Associate in Applied Science degree. This degree combines intensive technical training in a specific career with relevant academic courses and professional development. The Associate of Applied Science degree is traditionally structured for completion in four semesters by students who are academically prepared for college level work. For students who need developmental courses, a minimum of one additional semester may be needed for successful completion of a program of study. Career/technical education students who enroll at East Mississippi Community College are required to meet the following admission requirements:

1. Submit an electronic application for admission through the EMCC website.
2. First time students must submit an official high school transcript reflecting an academic Mississippi High School Diploma from an accredited high school showing date of graduation and principal's signature. Alternatively, the student could submit an official high school transcript showing twenty (20) acceptable high school units or submit an official GED transcript with satisfactory scores. If the high school transcript is from a school that is not accredited, the prospective student must present an official GED transcript with satisfactory scores or submit an ACT composite of 20 or higher.
3. Home schooled students must submit an official transcript with a graduation date from a recognized school agency and signed by an official of that agency or an official transcript signed by a parent with a notarized sworn affidavit stating that the student's record is accurate and complete. The transcript must show all courses completed, grades earned, and number of units. Course descriptions may be required.
4. Students seeking admission to Career Education Programs must meet specific requirements as outlined in each program. For these requirements, see the appropriate program in this catalog or contact the Counseling Center or Navigators.

5. Students may be admitted to a Career/Technical program on a probationary basis at the discretion of the appropriate division Dean.
6. Some Career/Technical Program ACT score requirements may be waived at the discretion of the appropriate division Dean.

### **READMISSION OF FORMER STUDENTS**

A student who for any reason has remained out of College for one calendar year or two consecutive semesters, excluding the summer semester, must reapply for readmission. An application together with official transcripts of all Colleges attended since last attending East Mississippi Community College must be provided to Admissions.

For Career/Technical students that have a break in enrollment of a period of three years or greater, a technical demonstration and/or a theory validation may be required prior to readmission.

### **TRANSIENT STUDENTS**

Transient students must meet the same admission requirements as transfer students. Transient students should secure permission from the Dean of the College to which they will return to assure that the earned credit will be accepted.

A transient student (aka “guest student”) is a student who is enrolled at one University, and simultaneously taking classes at another College.

### **TRANSFER CREDIT**

An applicant who has previously enrolled in any other College, University, or post-secondary institution must furnish the Registrar with official transcripts of all work previously earned and accepted.

To be eligible for admission to East Mississippi Community College, the student must be eligible for immediate readmission to the College last attended. Up to forty-five (45) semester hours of academic courses and credit other than developmental or remedial can be accepted at full value as they correspond to the curriculum of East Mississippi Community College, provided they are earned at a regionally accredited post-secondary institution. For purposes of determining accreditation status, the U.S. Department of Education database will be consulted. Transfer of technical and career education credits is evaluated on an individual basis by the various Career and Technical program advisors.

Transcripts from other Colleges for transfer students will be distributed to the appropriate individual for evaluation upon arrival. Once evaluated, the student will have access to the transfer credit via their LEO account.

### **CREDIT BY EXAMINATION/MILITARY**

College-Level Examination Program (CLEP) - The College-Level Examination Program (CLEP) allows students to earn College credit by examination. By successfully completing CLEP subject tests, students may earn College credit. Credit is awarded for a scaled score of 50 or above on the subject tests. East Mississippi Community College is not a testing center for CLEP. Academic credits awarded through CLEP will carry a grade of “P” and will not be used in calculating GPA.

Advanced Placement - Credit will be awarded on scores of 3 or higher on AP examinations administered by the College Entrance Examinations Board. Academic credit earned through AP will carry a grade of "P" and will not be used in calculating GPA.

Military Experience - Credit may be earned for military experience as evaluated by the American Council on Education in its annual guides.

Military credit must be directly related to specific courses taught by East Mississippi Community College and is limited to thirty (30) semester hours.

### **CHALLENGE EXAMINATION (EXPERIENTIAL LEARNING)**

East Mississippi Community College believes it is important to recognize that learning takes place both inside and outside of a formal classroom setting, especially industry and the military. In order to provide instructional credit for students who have previously mastered outcomes required in a given course, a Challenge Examination Policy has been developed to allow students an opportunity to pass a challenge examination on the subject matter being taught for which prior experiential learning has occurred. Credit awarded for such Challenge Examinations will be posted to a student's transcript subject to his/her meeting admission requirements and enrolling at the College. The Challenge Examination must be administered by a qualified faculty member or college administrator in accordance with the following:

1. The candidate for the Challenge Examination must be admitted to East Mississippi Community College as a student.
2. The candidate must have discussed his/her interest in taking a Challenge Examination with the appropriate faculty member and demonstrate to that faculty member's satisfaction that he/she has mastered the subject matter in some prior learning environment.
3. The candidate must complete a Challenge Examination Form.
4. The request must be approved by the instructor and Vice President of Instruction before the examination is given.
5. Challenge examinations shall be comprehensive in scope covering content taught in the entire course.
6. If the course being challenged has a laboratory component, the challenge exam must have a performance component which demonstrates mastery of the skills required in the course.

The total credit that may be earned by challenge examinations for any individual program of study may not exceed 15 semester credit hours. Students may take the challenge examination at a cost of \$25. Challenge examination will be administered on pass-fail basis only. A minimum passing score on any challenge examination will be 80% mastery. The successful completion of the challenge examination will result in the posting of a "P" grade to the candidate's transcript. Unsuccessful completion of the challenge examination will result in the student's receiving no grade of any kind. A student may only challenge a given course one time.

### **DUAL ENROLLMENT OF HIGH SCHOOL STUDENTS**

Students attending high school and enrolled in high school courses may be admitted to and allowed to enroll in courses at East Mississippi Community College subject to the following admission requirements:

1. Students must have completed a minimum of fourteen (14) core high school units.
2. Students must have a 2.5 or better Grade Point Average on a 4.0 scale on all high school courses as documented by an official high school transcript; a home-schooled student must submit a transcript

prepared by a parent, guardian, or custodian with a signed sworn affidavit to meet this requirement.

3. Students must have an unconditional written recommendation from their high school principal and/or guidance counselor. A home-schooled student must submit a parent's/guardian's or custodian's written recommendation to meet this requirement.

Students may be admitted through Dual Enrollment who have not completed the fourteen (14) core high school units if they have a minimum ACT composite of thirty (30) or the equivalent SAT score or have the required Grade Point Average and/or recommendations described above. These conditions are subject to the approval of the Vice President for Instruction or his/her designee.

All dually-enrolled students must also meet placement requirements, including appropriate ACT scores for mathematics and English courses, and any other requirements as specified by academic and technical counseling.

Additional varying costs apply to lab-based courses and distance learning courses.

Credit earned during Dual Enrollment periods is recorded on the College transcript and may be released to another institution or used for College graduation requirements only after students have received their high school diploma.

Once the student graduates from high school, the student must have the official high school transcript forwarded to EMCC admissions office showing proof of graduation. If this final/official high school transcript is not received at EMCC, a hold will be placed on the student's record and no records will be released.

A qualified student may enroll in an unlimited number of dual enrolled courses. However, if the course is to be counted for secondary credit, a B average must be maintained during the first two (2) courses and all thereafter. High school students who are interested in program participation should contact the Office of College and Career Planning at 662-243-1908.

## **eLEARNING**

### **eLearning Mission Statement**

East Mississippi Community College seeks to provide eLearning opportunities for its district's constituents who are unable, for a variety of reasons, to attend classes on one of the College's campuses. The eLearning opportunities meet all quality standards set forth for traditional off-campus courses to carry out the mission of the College.

### **eLearning Goals**

- To provide quality educational offerings
- To provide students with greater access to higher education resources
- To reduce focus on place and time restraints for delivery of educational services
- To provide educational/student services equal in content and quality to traditional educational/student services
- To provide opportunities within the courses offered via eLearning for student/faculty interaction
- To ensure comparability to traditional on-campus classes through systematic planning and

EMCC is an active participant in the Mississippi Virtual Community College (MSVCC), an online effort of 15 public Mississippi Community Colleges, and has approved all MSVCC courses as an addendum to courses listed in the EMCC catalog.

Faculty and students participating in eLearning courses interact through phone, e-mail, discussion board, voice board, podcasts and/or chat rooms. These courses meet the same educational requirements as the traditional classroom in a more flexible format.

In order to be awarded a degree from EMCC, a student must meet the graduation requirements as defined in the EMCC catalog for the student's chosen emphasis. Admission/registration requirements for eLearning courses are maintained at the same rate as the traditional classes.

EMCC does not offer or "pull-in" remedial courses in an online format. Students who need remediation should make plans to attend campus classes.

Prior to registering for an eLearning course, EMCC recommends that students visit the eLearning web site at <http://www.eastms.edu/distance-learning/Pages/default.aspx> for important information. EMCC provides advisors to assist the student to determine if eLearning is a viable alternative.

### **Minimum Requirements of Online Classes**

Students must have a computer with a reliable connection to the internet, reflective of current technology. Students must be computer competent and learn to interact using the Canvas medium and various common software packages. Before registering for an online class, a student must have a working email address. Students are discouraged from taking online courses if they do not have daily access to a computer.

### **eLearning Tuition and Fees**

In addition to usual fees and costs associated with online courses, there is a \$30 per course fee for each online class per term. Currently, there are no additional student charges associated with verification of student identity for students enrolled in distance education. Should future changes warrant the addition of additional student charges associated with verification of student identity, the procedure will require fees to be disclosed to the student at the time of enrollment as part of the current catalog.

After the student is registered and fees have been paid, the student must take the student profile to the bookstore for placing book orders. In the event of a textbook delay, the student should notify the instructor of the course.

### **Textbook Information**

#### **EMCC Students taking courses originating at EMCC**

Students taking classes offered through the Mississippi Virtual Community College site, originating at EMCC and taught by an EMCC instructor, can make purchases at either bookstore or order by phone through the Golden Triangle campus bookstore. Phone orders require payment by Visa, MasterCard, money order or personal check. Orders placed with a Visa or MasterCard are shipped immediately via priority mail. Priority mail is guaranteed through the postal service for arrival in 2-3 days. Orders placed with a money order or check are processed and shipped upon receipt of the check or money order. Textbooks can be shipped for an

additional shipping and handling charge per book. Textbooks may also be shipped via UPS at the student's request. EMCC students wishing to have their bookstore charges billed to their account may do so by presenting a bookstore credit slip issued from the business office showing sufficient financial aid.

### **EMCC Students taking courses originating from another College**

EMCC students taking classes offered through MSVCC that are taught by another College can purchase their books through the EMCC GT campus bookstore using either financial aid, cash, or a credit card. Students must take their student profile to the EMCC bookstore to place their order for books. Books ordered from other Colleges are not eligible for EMCC's book buyback.

### **Non-EMCC Students taking courses originating from EMCC**

Students registered at other Colleges who are taking classes offered through the Mississippi Virtual Community College site and taught by an EMCC instructor may call the EMCC Golden Triangle bookstore and place an order for the required text using their Visa, MasterCard, or money order. Orders placed with a Visa or MasterCard are shipped immediately via priority mail. Priority mail is guaranteed through the postal service for arrival in 2-3 days. Orders placed with a money order are processed and shipped upon receipt of the money order. EMCC is not able to charge financial aid for non-EMCC students. Textbooks can be shipped for an additional shipping and handling charge.

### **Placing an order for shipment of books for courses originating at EMCC**

To have your order shipped to you, please call the EMCC Golden Triangle Bookstore at (662) 243-1940. Please have the following information available: Your name, ID number, ISBN number, credit card or financial aid information, and shipping address.

### **Login Information:**

Students will be able to login to their online classes the day that the online classes are scheduled to begin.

### **To login to online courses:**

To access Canvas, log on to LEO and select the link that says Canvas.

If you registered for a class that is not showing in your Canvas listing of classes or have difficulty logging in, contact the Associate Dean of eLearning immediately at 662-476-5347.

Students must log into their online classes during the first week of class.

### **Attendance Policy for Online Classes**

**eLearning Class Attendance Policy:**

All students are expected to attend and participate in class and submit assignments on a regular basis, at least weekly. Attendance is taken regularly each week based on the submission of weekly assignments as noted in the syllabus. In all cases, attendance is taken at least weekly. eLearning students are subject to EMCC's excessive absence policy. If a student is considered absent for a given week by the instructor the student will have accrued one absence. Students in Full term classes will be dropped after accruing three unexcused absences. Students in intensive online classes will be dropped after accruing two unexcused absences.

**Online Testing Information:**

Students taking an online course are required to take one or more proctored exams. The student is responsible for making an appointment with a designated proctor at an approved testing location for taking any proctored exam. Appointments must be made in advance.

**Withdrawal procedure:**

Students who want to withdraw from a class must visit the EMCC campus where the student registered to pay for and complete a withdrawal form.

For students who are unable to visit campus: Call the Business Office to pay for a withdrawal form by credit card and contact the Registrar's Office at your campus to provide course information and a fax number. The Registrar's Office will complete the form and fax a copy to you for your signature. It must be signed and returned by fax to the Registrar's Office for processing. Unless the Registrar's Office receives your signed form, your withdrawal request will not be processed and your class(es) will not be withdrawn.

**EMCC Calendar Dates:**

Students should make note of the established semester withdrawal dates. The online drop/add period ends on the day after the online class begins.

**MSVCC GRIEVANCE POLICIES**

Students who register through the MSVCC will be subject to the disciplinary policies and procedures of the student's host College. (The host College is the institution where the student registers for the class.)

Any student who wishes to make a complaint regarding any aspect of the MSVCC must take the following steps:

1. Discuss the problem with the faculty member, staff member, or administrator involved. Direct communication between the parties usually resolves most of the problems.
2. If informal efforts to resolve the problem are not productive, the complainant should then contact the eLearning Coordinator (eLC) at the student's host College to help in processing the complaint. (Host college is the institution where the student registers for class.)
3. If the complainant, at this point, wishes to file a formal complaint, he or she should express the specific nature of the complaint and the remedy sought in writing to the providing College's eLC with

a copy sent to the host College's eLC (if different). The providing eLC will then refer it to the appropriate person for disposition. A response will be made to the complainant within 15 working days. (The **providing College** is the institution teaching the course.)

4. If the student is not satisfied with the resolution of the grievance, that student must follow the procedures prescribed by the student's providing College in writing. This appeal must be made within five working days.
5. Students who do not submit a written appeal by the appointed date forfeit any further consideration in this matter.
6. No adverse action will be taken against a student for filing a complaint.

## **INTERNATIONAL STUDENTS**

EMCC will admit international students in keeping with the College mission and in accordance with SEVP regulations. International students who are terminated for any EMCC or SEVP policy/regulation violation will not be considered for reinstatement at East Mississippi Community College.

International students with acceptable scholastic records and proven English proficiency will be considered for full-time admission as freshmen or as transfer students. Freshman applicants must be graduates of recognized secondary schools comparable in level to the American high school. Transfer applicants are considered on the basis of secondary school records and records of postsecondary study (college, technical school). Factors considered in making the admission decision are grades earned, subjects taken, ability to carry a full course of studies, satisfactory scores on the East Mississippi Community College placement tests, and proof of financial responsibility.

All entering international student must present Results of an Interferon Gamma Release Assay (IGRA) (a blood assay for *Mycobacterium tuberculosis*: i.e., QuantiFERON TB Gold® or T-Spot®) and a chest x-ray performed within two months prior to beginning class. The blood assay and x-ray must be performed in the United States. (Students with signs or symptoms of TB or an abnormal x-ray will not be allowed to attend class without clearance from the Health Department.) Students are responsible for all costs associated with the tuberculosis screenings.

Applicants, both freshmen and transfer, whose native language is not English are required to submit a score of at least 61 on the IBT or 173 on the computer-based Test of English as a Foreign Language (TOEFL) and must have taken the ACT.

## **ADMISSIONS CONTACT INFORMATION**

The Admissions Office  
East Mississippi Community College  
Scooba Campus  
P.O. Box 158  
Scooba, MS 39358  
Telephone: (662) 476-5275

The Admissions Office  
East Mississippi Community College  
Golden Triangle Campus  
P. O. Box 100  
Mayhew, MS 39753  
Telephone: (662) 243-7477

EMCC-Columbus Air Force Base Extension  
81 Ward Street, Room 14  
Columbus Air Force Base, MS 39710-5000  
Telephone: (662) 434-2660

EMCC-Meridian Naval Air Station Extension  
255 Rosenbaum Avenue  
NAS Meridian, MS 39309-5024  
Telephone: (662) 476-5386

## **ACADEMIC PLACEMENT**

It is essential that students be able to meet basic academic standards before they attempt certain College-credit courses. In an effort to meet the expanded mission of EMCC, certain areas of developmental studies are required.

A student should be placed in English/Reading and Math courses based on ACT scores, Accuplacer or COMPASS scores and/or professional advice. No developmental courses may be counted toward graduation. Successful completion of the appropriate developmental prerequisite courses with a grade of "C" or better is required before moving to the next higher level course.

### **ACCUPLACER**

Accuplacer is a computerized test that evaluates your skills and places you into appropriate level courses. For students who have not taken the ACT, Accuplacer will determine the proper placement level into core college classes such as reading, English, and math. Additionally, Career/Technical students will take the Accuplacer test for placement purposes into various programs. Students receive Accuplacer test results upon completion of testing. The COMPASS test has been discontinued, but the scores will remain valid.

### **CLASS LOAD**

The average student's class load is 15 to 18 semester hours. Twelve hours is necessary to be a full-time student at East Mississippi Community College. Students who wish to enroll in more than 19 hours or take courses through other institutions for transfer credit to EMCC must petition the appropriate instructional dean in advance. Credits taken at other institutions without prior written approval will not be accepted for EMCC credit.

Certain types of institutional financial aid require a minimum of 15 credit hours per semester to maintain eligibility.

It is highly recommended that students take a minimum of 15 semester hours of non-developmental course work each semester in order to stay on track to meet graduation requirements at the end of four semesters.

For summer sessions, the usual load is four classes for the entire summer. A student may take additional classes during the summer with approval from the appropriate instructional dean.

### **STUDENT CLASSIFICATION**

College students with fewer than 30 semester credit hours are classified as freshmen. Those with 30 or more semester credit hours are classified as sophomores.

### **CLASS ATTENDANCE**

All students are expected to attend class. If circumstances require an absence, then students should note that all absences are either excused or unexcused. Excused absences are those incurred when students miss class due to personal illness, family death, inclement weather, officially representing the college, serving on jury duty, participating in military activities, or fulfilling approved legal requirements. All excused absences must be verified through proper documentation. Up to 20% of classroom work may be made up within a reasonable time frame for excused absences. Absences for reasons other than those defined above shall be

considered unexcused.

Students who enter a class meeting late during the first 10 minutes will be counted as tardy. Three tardies constitute an unexcused absence. Students who enter a class meeting later than 10 minutes will be assigned an unexcused absence. Likewise, students who leave a class meeting early without the approval of the instructor will be assigned an unexcused absence.

A student will be administratively withdrawn with the instructor notifying the appropriate Office when the total number of unexcused absences per week exceed two for a class that meets once per week or for an intensive class, four for a class that meets twice per week, six for a class that meets three times per week, eight for a class that meets four times per week, ten for a class that meets five times per week, and as prescribed by the nature of other courses not covered above. Students enrolled in Career & Technical Education programs should be aware that most of these programs have additional attendance requirements that are outlined in the respective program guidelines or syllabi.

A student who is administratively withdrawn due to excessive unexcused absences prior to the posted withdrawal date on the academic calendar will be assigned a grade of "W." A student who wishes to appeal an administrative withdrawal due to excessive unexcused absences must do so in writing to the appropriate dean within one week of the withdrawal date.

Some career and technical programs must adhere to strict attendance standards required by the state of Mississippi for certification. For these attendance policies, please see the program or departmental handbooks or syllabi.

## **PROGRAMS WITH SPECIAL ATTENDANCE POLICIES**

### **COSMETOLOGY ATTENDANCE POLICY**

In the Cosmetology program, students are required to have a minimum of 1,500 clock hours of attendance in order to take the Mississippi licensure examination. Due to this requirement, please see the program/departmental handbook for additional information.

### **EMERGENCY MEDICAL SERVICES ATTENDANCE POLICY**

In the two Emergency Medical Services programs, EMT and Paramedic, students are required to meet the clock hours as deemed by the curriculum in order to take the National Registry examination. Due to this requirement, please see the program/departmental handbook for additional information.

### **HEALTH CARE ASSISTANT ATTENDANCE POLICY**

In the Health Care Assistant program, students are required to meet the required clock hours as deemed by the state curriculum. Due to this requirement, please see the program/departmental handbook for additional information.

### **PRACTICAL NURSING ATTENDANCE POLICY**

In the Practical Nursing program, students are required to meet the required clock hours as deemed by the

state curriculum in order to take the Mississippi licensure examination. Due to this requirement, please see the program/departmental handbook for additional information.

### **ASSOCIATE DEGREE NURSING ATTENDANCE POLICY**

In the Associate Degree Nursing program, students are required to meet the clock hours as deemed by the curriculum in order to take the Mississippi licensure examination. Due to this requirement, please see the program/departmental handbook for additional information.

### **NO SHOW POLICY**

A student who fails to attend a particular class within the term's LATE REGISTRATION period or DROP/ADD period shall be listed as a "no show." A student who is "no showed" will be permanently removed from the course and cannot be reinstated. The "No Show" policy is not subject to the rules related to class attendance.

Students are strongly encouraged to withdraw from any class in which they have no plans to attend. Students that become "no showed" from classes will be billed \$10.00 per class.

### **CHANGE IN CLASS SCHEDULE**

Students may add or drop courses, as approved by an advisor/counselor, only during the official "drop-add" period. A fee of \$10.00 is automatically assessed for each "add" and for each "drop" in a completed schedule after late registration and during the term's drop/add period.

### **WITHDRAWAL FROM A CLASS**

Before considering withdrawal from a course, a student should be aware of the following information:

1. Students receiving Financial Aid, Veteran Benefits, Scholarships, or Loans should note that dropping or withdrawing a course(s) may lower benefits or cause repayment to be due immediately.
2. Students must maintain full-time enrollment (12 semester hours on-ground or more) to live in a residence hall.

Students must initiate withdrawals from each/all courses. The required fee for withdrawing from a course is \$10.00 per course and must be paid at the time the completed form is returned to the Registrar's Office to be processed. If appropriate paperwork is completed and submitted on or before the last date for a "W" as specified in the calendar, a "W" will be recorded in the student's permanent record. After the "W" date, a grade of "WP" or "WF" will be assigned by the instructor on student-initiated withdrawals and recorded for courses discontinued after the last day specified in the calendar and before final examinations. It is the student's responsibility to go to the Registrar's office to officially withdraw from a course.

### **WITHDRAWAL FROM COLLEGE**

Students who wish to withdraw from College must complete a Withdrawal Form in the Registrar's Office (Scooba Campus) or the Student Services Office (Golden Triangle Campus). Administration reserves the right to withdraw a student from a course or all courses as deemed necessary by the College.

### **WITHDRAWAL FROM COLLEGE-ACTIVE MILITARY**

Students who are currently enrolled and receive active duty orders must present to the Office of the Registrar the military orders with specific dates for the duty. The orders must be submitted during the semester of the duty or in the immediate following semester.

### **EMCC FORGIVENESS POLICY**

A student may formally request forgiveness for all coursework grades earned during one semester. The student may not choose which course grades are to be forgiven. If a formal request for forgiveness is submitted for a given semester and approved, all course grades for said semester will be forgiven, changed to "W" grades, and the forgiven credit hours will not be calculated in any GPA calculations.

A student may not be approved for forgiveness more than **ONE** time. The forgiveness request form, which can be obtained in the Office of the Registrar, must be presented to the appropriate instructional Vice President. Please note all Financial Aid decisions at EMCC will be made using a cumulative GPA based on all hours attempted (including hours forgiven).

If a forgiveness request is approved, the student is still required to pay all charges incurred for said semester: ie account charges are not forgiven.

Forgiveness cannot be requested for a semester in progress or just concluded. Students on academic suspension must sit out at least one semester before seeking forgiveness.

### **GRADUATION REQUIREMENTS**

Each student must meet the following requirements for graduation:

1. A student in an academic field must have successfully completed sixty (60) semester hours which must include six (6) semester hours of English Composition, three (3) semester hours of Public Speaking (SPT 1113), three (3) semester hours of College Algebra (or above), six to eight (6-8) semester hours of a laboratory science, six (6) semester hours of social/behavioral science, three (3) semester hours of fine arts, and six (6) semester hours of humanities. Students also must complete a graduation exit survey.
2. A student in a technical field must have successfully completed the prescribed program of study as set by the College which may include general education coursework. To be eligible for graduation in any technical field, the student must have successfully completed all program requirements including any occupation specific skills assessment. Student must also complete a battery of assessments as part of the graduation exit exam.
3. A student in a Career program must have successfully completed the prescribed program of study as set by the College, including a college predetermined score on the Accuplacer or COMPASS test, and any occupation specific skills assessment. Students also must complete a battery of assessments as part of the graduation exit exam.
4. The prospective graduate must have a 2.0 or above on the final overall Grade Point Average.
5. For a student to be eligible for graduation, at least 25% of the credit semester hours required must be completed through instruction offered at EMCC.

## GRADUATION WITH HONORS

Students, who meet graduation requirements at EMCC and have a cumulative GPA of the following, will graduate with the following distinctions:

3.20 - 3.59 will graduate ***cum laude*** (with honor)

3.60 - 3.89 will graduate with ***magna cum laude*** (with great honor)

3.90 - 4.00 will graduate with ***summa cum laude*** (with highest honor)

Additionally, members of the Honors Program who have met program requirements will be designated as an ***Honors Scholar***.

## TRANSCRIPT OF CREDITS

### ***Ordering an East Mississippi Community College (EMCC) transcript***

Official transcripts are issued by the Office of Admissions/Registrar. There are several ways to order an official transcript from EMCC.

#### ***Ordering Transcripts Online***

The National Student Clearinghouse ([www.studentclearinghouse.org](http://www.studentclearinghouse.org)) has been authorized by East Mississippi Community College (EMCC) to provide our transcript ordering service via the internet. Current and former students can order transcripts online using a major credit card (VISA, MASTERCARD, or DISCOVER only) at any time of the day or week. Your credit card will only be charged \$5.00 after your order has been completed by EMCC's Office of Admissions/Registrar. Please note that EMCC only processes transcript orders Monday through Friday, from 8:00 AM - 4:30 PM CST on the days that the College is open. Transcripts are not released for students who have not settled all College accounts (financial or otherwise). Online transcript requests submitted while EMCC is closed for the weekend or holidays will be processed in the order that they were received when offices reopen. Students who attended EMCC before 1989 cannot use online services to order a transcript because the records are archived at their campus of attendance. These students should use the two means of receiving transcripts outlined below.

#### ***Ordering Transcripts Directly from EMCC via the US Postal Service***

Current or former student may order copies of their academic coursework at EMCC by sending a written, signed and dated request to the Office of Admissions/Registrar. A \$5.00 charge payable in advance will be assessed for each copy. Transcripts are not released for students who have not settled all College accounts (financial or otherwise).

#### ***Walk in Requests***

Current or former students may request a transcript at the Office of Admissions/Registrar. Office hours are

Monday through Friday from 8:00 AM to 4:30 PM CST on the days that the College is open. If you are coming in person, you will need to provide a picture ID. If a third party will be picking up your transcript, that person must have your written permission to release the transcript. Payment must be made upon receipt of the transcript. Transcripts are not released for students who have not settled all College accounts (financial or otherwise).

### **PRIVACY OF RECORDS**

No personally identifiable information from a student's educational record may be revealed to third parties without the prior written consent of the student. Further information regarding the privacy of student and staff records as outlined by the Buckley Amendment may be obtained through the Office of the Registrar.

### **DEGREES AND CERTIFICATES**

The Associate of Arts degree is awarded to an academic student upon successful completion of all requirements.

The Associate of Applied Science degree is awarded to a technical student upon successful completion of all requirements.

The Technical Certificate of Proficiency is awarded to a career student upon successful completion of all requirements.

The Vocational Certificate of Proficiency is awarded to a career student upon successful completion of all requirements.

### **STUDENT - FACULTY CONFERENCE**

All full-time instructors will schedule office hours for the purposes of advising and class preparation. The hours should be posted outside instructors' offices and in course syllabi. All students, but especially those who encounter special difficulties or who are doing unsatisfactory work, should schedule conferences with instructors during these scheduled times. Each instructor is expected to give students aid as needed. Part-time instructors will be available for conferences with students by appointment.

### **CLASSROOM COMPLAINTS**

Any student who wishes to make a complaint regarding any aspect of instruction should take the following steps:

1. Discuss the problem with the faculty member, staff member or administrator involved. Direct communication between the parties usually resolves most conflicts.
2. If informal efforts to resolve the problem are not productive, the complainant should then contact the appropriate administrator to assist in resolving the issue.
3. If the complainant wishes to file a formal complaint, she/he should express the specific nature of the complaint in writing to the appropriate administrator. The administrator will refer it to the proper authority at the College for disposition; the College grievance policy (p. 222 of this Catalog and Student Handbook) will be followed in all cases in which a formal complaint has been lodged.

## TESTING AND CLASSROOM PROCEDURES

The academic year is divided into two semesters of sixteen weeks each. Mid-term exams are administered each term to track student progress. Students not performing satisfactorily should schedule a conference with the Counseling Center staff. This step aids students in improving their performance. Final examinations are administered at the end of each semester.

Each of the fall and spring semesters is divided into two intensive terms. These classes meet twice the usual time each week.

### GRADING SYSTEM

Grades are based upon proficiency attained by the student demonstrated primarily by the quality of work done in the classroom. Letter grades used and their meaning are as follows:

|         |   |
|---------|---|
| A.....  | Represents superior or outstanding achievement in prescribed work |
| B.....  | Above-average achievement in prescribed work                      |
| C.....  | Average level of achievement                                      |
| D.....  | Below-average achievement (This is the lowest passing grade)      |
| F.....  | Failure to pass prescribed work                                   |
| I.....  | Incomplete (Becomes F - Unless removed within one semester)       |
| W.....  | Withdrawal (No GPA penalty if within the withdrawal date)         |
| WP..... | Withdrawal Passing (After withdrawal date)                        |
| WF..... | Withdrawal Failing (After drop date - penalty to GPA)             |
| AU..... | Audit   |
| P.....  | Pass  |

Some Career/Technical programs have higher grading scales as deemed necessary by their curriculum.

Course Audit must be approved at the time that the student registers for the course. All costs/fees associated with audited courses, remain the same as traditional graded courses.

### QUALITY POINTS

Quality points are assigned for grades earned according to the following schedule:

#### **GRADE**

#### **QUALITY POINTS**

|        |                          |
|--------|--------------------------|
| A..... | 4 for each semester hour |
| B..... | 3 for each semester hour |
| C..... | 2 for each semester hour |
| D..... | 1 for each semester hour |
| F..... | 0 for each semester hour |

The final grade in each course attempted will be counted for quality-point purposes. The formula for computing grade-point average is Total Quality Points divided by Hours Attempted. "WF" grades will count as "F" grades in GPA computation.

Any challenge of a final grade must be initiated by mid-semester of the next term after the grade was

recorded. For purposes of this procedure, the summer is considered a usual term.

Students may repeat courses at East Mississippi Community College to improve their GPAs. All grades earned in attempted courses will appear on the student transcript. However, only the best grade earned in a course will be the official grade used for calculating an overall GPA. This policy does not affect Satisfactory Academic Progress (SAP) as calculated by the Financial Aid Office at EMCC. Likewise, students should be aware that senior institutions may have differing policies on repeat courses and the calculation of a student's transfer GPA.

A student may not register for any course(s) more than once per term without the approval of the Vice President for Instruction. That is, a student may not simultaneously register for the same class two or more times in a single term.

## **HONORS PROGRAM**

The East Mississippi Community College Honors Program is a community of students, faculty, and staff dedicated to the pursuit of academic excellence. The mission of our program is to inspire students' achievement through intellectual challenge. We impart critical thinking skills through both innovative and traditional pedagogies. Furthermore, our community instills a commitment to public service and strives to create true global citizens.

### ***HONORS PROGRAM ELIGIBILITY***

#### **Criteria for Entering Freshmen**

- ACT composite score of 24 or higher

#### **Criteria for students with previous college work**

- ACT composite score of 24 or higher;
- 3.5 cumulative GPA with a minimum of 15 hours of transfer-level work; or
- Recommendations from two faculty members

### ***HONORS PROGRAM REQUIREMENTS***

- Participants must maintain a minimum GPA of a 3.3 with no grade lower than a C
- Any student who drops below a 3.3 but above a 3.0 will be placed on probation for one semester to allow the student to regain the 3.3. Only one probationary semester is allowed.
- Participants must take at least two honors courses each semester (not including the forum courses)

### ***CONTRACT COURSES***

Any regular course can serve as an Honors course if the instructor and student enter into an Honors contract that outlines enrichment activities. The contract must be approved by the Honors Program Directors for the Honors designation to be added to the transcript.

## **HONORS AND DISTINCTIONS**

Full-time academic, career, and technical students having a quality point average of 3.2-3.5 for a semester

will be honored by having their names placed on the Dean's or Director's List for that semester.

Full-time academic, career, and technical students having a quality point average of 3.5 or above for a semester will be honored by having their names placed on the President's List for that semester.

### **ACADEMIC/CAREER/TECHNICAL PROBATION AND SUSPENSION**

Students will be placed on Academic Probation when a regular semester GPA falls below the following criteria:

| <b>EMCC Hours Attempted:</b> | <b>Required GPA</b> |
|------------------------------|---------------------|
| <b>0-31</b>                  | <b>1.50</b>         |
| <b>32 or higher</b>          | <b>2.00</b>         |

Students will be placed on Academic Suspension when a regular semester GPA fails to meet the above criteria while on Academic Probation. A regular semester is defined as a fall or spring semester.

Students who are on an Academic Suspension status cannot attend classes for one semester following their suspension. Summer semesters can be counted for this purpose. There is no appeal for Academic Suspension, except as noted below.

Students who are on academic suspension may appeal to enter a one semester career program. Appeals must be made to the appropriate administrator and include a recommendation, in writing, from a faculty member in the new program. While on academic suspension and enrolled in a career program, the student is prohibited from taking any academic courses, and may require adjustments in financial aid eligibility.

### **HONESTY POLICY**

A hallmark of any profession is integrity and honesty. Academic honesty is expected of all students; therefore, students are expected to accomplish their own individual work. Academic misconduct includes, but is not limited to, deceptive acts such as the following:

- a. plagiarizing from any source
- b. cheating in any manner on tests, papers, reports, etc.
- c. turning in work as their own when, in fact, it was not their work
- d. improperly using technology
- e. stealing, buying, or selling course materials
- f. either impersonating another student during a test or having another person assume one's identity during a test
- g. deliberately conveying false or misleading information
- h. reusing some or all of a paper written for previous or other courses (self-plagiarizing)

### **CONTINUING EDUCATION UNITS**

Non-credit activities organized to provide unified and systematic instruction, measured in duration, subject to performance evaluation of the participant and meeting categorical requirements will be measured in continuing education units (CEU). One CEU is defined as "ten contact hours of participation in an organized continuing education adult or extension experience under responsible sponsorship, capable direction and qualified instruction." The CEU will serve as a unit of measure to give recognition for an individual's

participation in non-credit activities which meet appropriate criteria and will serve as an accounting unit for the institution's non-credit courses. CEUs are maintained through the Office of Workforce Services.

### **OFFICE OF COLLEGE AND CAREER PLANNING**

The EMCC Office of College and Career Planning provides training and services that will equip educators to provide every student an opportunity to participate in a seamless educational system that includes high-level academic and technical preparation for workforce readiness and lifelong learning.

EMCC provides articulation which is a process that allows two or more educational institutions to work together to allow successful transition of students from high school to college/postsecondary education. Students who complete a secondary career/technical program of study and score in the 80 percentile or higher on the Mississippi Career Planning and Assessment System (MS CPAS) in the articulated secondary career/technical program of study qualify for articulated credit. On average, students receive up to 6 hours of college credit by completing an articulated career/technical program of study. For further information, please contact EMCC Office of College and Career Planning at 662-243-1908.

The EMCC Office of College and Career Planning provides assistance to dual enrolled/dual credit students. For further information on dual enrollment/dual credit requirements see page 20 of this catalog.

### **MILITARY COURSES (ROTC)**

EMCC partners with Mississippi State University and the United States Army and Air Force to provide military course experiences (ROTC) for students who enroll at East Mississippi Community College.

## **UNIVERSITY-RELATED EMPHASES**

### **GENERAL INFORMATION**

University related curricula are offered for students planning to transfer to a Senior College and pursue a degree. The Associate of Arts degree is awarded to those students completing a University-related emphasis. The Associate of Arts degree may be earned by completing the general education core and specific courses related to the planned University-level major:

|  |                             |
|--|-----------------------------|
| <b>General Education Core:</b> English Composition I and II..... | 6 Semester Hours            |
| MAT 1313 College Algebra (or higher) .....                       | 3 Semester Hours            |
| SPT 1113 Public Speaking I .....                                 | 3 Semester Hours            |
| Laboratory Science .....   | 6-8 Semester Hours          |
| Social/Behavioral Science .....                                  | 6 Semester Hours            |
| Fine Arts.....   | 3 Semester Hours            |
| Humanities .....   | <u>6 Semester Hours</u>     |
| <b>Total Semester Hours.....</b>                                 | <b>33-35 Semester Hours</b> |

Generally, one-half of the hours required for a bachelor's degree may be transferred from a Community College and applied to that degree at a four-year College or University. The East Mississippi Community College district maintains a close working relationship with all Mississippi Senior Colleges to insure that all academic courses, which are intended for transfer, will do so. In this regard, EMCC is guided by the current Articulation Agreement between Mississippi's Community Colleges (via the State Board for Community and Junior Colleges) and Mississippi's Senior Colleges (via the Board of Trustees of State Institutions of Higher Learning). This Articulation Agreement covers transfer courses between the state's two-year and four-year schools.

#### **LABORATORY SCIENCES**

|     |           |
|-----|-----------|
| BIO | Biology   |
| CHE | Chemistry |
| GLY | Geology   |
| PHY | Physics   |

#### **FINE ARTS**

|     |                      |
|-----|----------------------|
| ART | Art Appreciation     |
| MUS | Music Appreciation   |
| SPT | Theatre Appreciation |

#### **SOCIAL/BEHAVIOR SCIENCES**

|     |                        |
|-----|------------------------|
| CRJ | Criminal Justice       |
| ECO | Economics              |
| EPY | Educational Psychology |
| GEO | Geography              |
| PSC | Political Science      |
| PSY | Psychology             |
| SOC | Sociology              |

#### **HUMANITIES**

|     |                     |
|-----|---------------------|
| ENG | Literature          |
| HIS | History             |
| PHI | Philosophy/Religion |

If specific courses are not listed in a discipline, any courses in the discipline are considered appropriate.

### **SUGGESTED UNIVERSITY-RELATED EMPHASES**

The selection of courses and course sequences depends largely upon a student's career choice. The

counselors, the instructional administrators, and the assigned faculty advisor are available to counsel with each student; but it is the student's final responsibility to choose her or his own course of study.

The three Academic Divisions at EMCC are Social Science and Business, Humanities and Fine Arts, and Mathematics and Science. Each Academic Division provides students ample opportunity to select coursework that will lead to an Associate of Arts Degree that prepares them for transfer to a University.

East Mississippi Community College has designed its basic course requirements so that earned credits can be transferred readily to other accredited institutions. It should be clearly understood, however, that individual senior colleges and professional schools may have individual freshman and sophomore requirements which differ from the following course recommendations. Students contemplating transfer should consult the latest catalog of the institution to which they plan to transfer. If the senior institution requires an arrangement of courses different from any recommended in this section, students may deviate and schedule an arrangement to meet their individual need with their advisor's authorization.

**For best results in planning your transfer to a public Mississippi university or college, consult the Mississippi Articulation and Transfer Tool at <http://www.matttransfertools.com> and "Build Transfer Guide."**

Students are urged to enroll for no more than a total of 4 credit hours in general activities, varsity sports, etc. Refer to the catalog of the Senior College or University for any different requirements.

## GENERAL EDUCATION

|   |                          |
|---|--------------------------|
| English Composition I .....   | 3 Semester Hours         |
| English Composition II .....  | 3 Semester Hours         |
| Public Speaking I (SPT 1113).....                                     | 3 Semester Hours         |
| Literature (1 Year Sequence) .....                                    | 6 Semester Hours         |
| History (1 Year Sequence) .....                                       | 6 Semester Hours         |
| Fine Arts (Music/Art/Theatre Appreciation or Music/Art History) ..... | 3 Semester Hours         |
| Social/Behavioral Sciences .....                                      | 6 Semester Hours         |
| Laboratory Sciences with Lab.....                                     | 12 Semester Hours        |
| Foreign Language (2 Year Sequence) .....                              | 12 Semester Hours        |
| Mathematics (MAT 1313 or 1323 or MAT 1613) .....                      | 3 Semester Hours         |
| General Electives.....  | <u>3 Semester Hours</u>  |
| <b>Total</b>  | <b>60 Semester Hours</b> |

The term Sequence means that a student should be consistent in choosing the specific type of course. For example, a common History sequence is HIS 2213 American History I and HIS 2213 American History II. All courses EMCC provides or hosts are listed in the Uniform Course Numbering System for the community and junior colleges of the state of Mississippi.

| Trigonometry <u>or</u> Calculus I | MAT 1323 <u>or</u> MAT 1613 | 3 |
| Human Growth and Development      | EPY 2533                    | 3 |

**ELEMENTARY EDUCATION**

For Mississippi K-6 Licensure in elementary education, the Mississippi Department of Education requires that candidates have completed at least 18 hours, in each of two endorsement areas, with no grade lower than a "C". In addition, some IHL universities also offer elementary education programs, K-6 with 2 add-on endorsements. In these programs, candidates earn an additional three (3) hours, or twenty-one (21) hours in each of the two endorsement areas, with no grade lower than a "C". These programs prepare the students for Mississippi K-6 licensure, with add-on licenses for grades 7-12 in the two endorsement areas. English, General Science, Math, and Social Studies are endorsement areas accepted by all eight (8) IHL universities. Interdisciplinary programs of study for all elementary education teacher candidates (K-3, K-6) must include at a minimum 15 hours of Reading/Literacy courses. It is strongly recommended that students complete the Praxis Core Academic Skills for Educators (formerly Praxis I) examination prior to transferring (if required).

General Education Core 33-35 Semester Hours

Recommended - ENG 2223, 2233 or 2323, 2333 or 2423, 2433; One 4-hour  
BIO course and one 4-hour PHY or CHE course

|   |                             |       |
|---|-----------------------------|-------|
| American National Government or Sociology                       | PSC 1113 <u>or</u> SOC 2113 | 3     |
| Real Number System  | MAT 1723                    | 3     |
| Geometry, Measurement, and Prob.                                | MAT 1733                    | 3     |
| World Geography   | GEO 1113                    | 3     |
| History Sequence  |                             | 6     |
| General Electives (Should be taken in planned Endorsement Area) |                             | 13-15 |

**EXERCISE SCIENCE**

General Education Core 33-35 Semester Hours

Recommended - HIS 1113, 1123 or HIS 1163, 1173 or HIS 2213, 2223; PSY 1513; SOC 2113

|                               |                             |     |
|-------------------------------|-----------------------------|-----|
| Anatomy & Physiology I, II    | BIO 2514; BIO 2524          | 8   |
| Chemistry                     | CHE 1214                    | 4   |
| Physics                       | PHY 2414                    | 4   |
| First Aid and CPR             | HPR 2213                    | 3   |
| Personal & Community Health I | HPR 1213                    | 3   |
| Trigonometry (or Calculus I)  | MAT 1323 <u>or</u> MAT 1613 | 3   |
| Statistics                    | MAT 2323                    | 3   |
| General Electives             |                             | 5-7 |

Recommended - ENG 2223 or 2233 or 2323 or 2333 or 2423 or 2433

**FAMILY STUDIES**

General Education Core 33-35 Semester Hours

Recommended - History Sequence; BIO 1134; PHY 2244

|                            |          |       |
|----------------------------|----------|-------|
| Literature Elective        |          | 3     |
| Marriage and Family        | SOC 2143 | 3     |
| Human Growth & Development | EPY 2533 | 3     |
| Philosophy                 | PHI 2113 | 3     |
| Computer Applications I    | CSC 1123 | 3     |
| General Electives          |          | 16-18 |

### **GEOGRAPHY**

General Education Core 33-35 Semester Hours  
Recommended - PSY 1513; History Sequence

|                                  |          |      |
|----------------------------------|----------|------|
| Science Elective                 |          | 4    |
| Literature Elective              |          | 3    |
| Introduction to Sociology I      | SOC 2113 | 3    |
| Geography                        | GEO 1113 | 3    |
| Macroeconomics                   | ECO 2113 | 3    |
| American National Government     | PSC 1113 | 3    |
| General Electives                |          | 9-11 |
| Recommended - SOC 2143; ECO 2123 |          |      |

### **HEALTH, PHYSICAL EDUCATION, AND RECREATION/HUMAN PERFORMANCE/PHYSICAL EDUCATION**

In addition, it is strongly suggested that students seeking a Physical Education (P.E.) Licensure prepare themselves to teach in one additional discipline. The Mississippi Department of Education requires 21 semester hours of prefix-specific courses with a grade of "C" or better. Some of the common supplemental endorsement areas are English, Communication, Social Studies, Mathematics, and General Science. It is strongly recommended that students complete the Praxis Core Academic Skills for Educators (formerly Praxis I) examination prior to transferring (if required).

General Education Core 33-35 Semester Hours  
Recommended - PSY 1513; SOC 2113; One History Elective; One Literature Elective

|   |          |       |
|---|----------|-------|
| General Biology I   | BIO 1134 | 4     |
| Anatomy & Physiology I  | BIO 2514 | 4     |
| Personal and Community Health I                                 | HPR 1213 | 3     |
| First Aid and CPR   | HPR 2213 | 3     |
| Intro to Health, Physical Ed, & Recreation                      | HPR 1313 | 3     |
| Marriage and Family   | SOC 2143 | 3     |
| General Electives (Should be taken in planned Endorsement Area) |          | 13-15 |

### **HISTORY**

General Education Core 33-35 Semester Hours

Recommended: HIS 1163, 1173

|                               |                |     |
|-------------------------------|----------------|-----|

| General Electives  |                             | 7-9                  |
| Recommended – One History Elective   |                             |                      |

### SECONDARY EDUCATION/BIOLOGY EDUCATION/BUSINESS EDUCATION/BUSINESS TECHNOLOGY EDUCATION/ENGLISH EDUCATION/MATHEMATICS EDUCATION/SCIENCE EDUCATION/SOCIAL SCIENCE EDUCATION

**IMPORTANT:** Students desiring to major in Secondary Education should refer to the Articulation Agreement between the Mississippi Community College Board and the Mississippi Institutions of Higher Learning (Four-year universities) to find specific requirements for the university to which they plan to transfer and the teaching area in which they plan to study. Students who plan to attend a university out of state should consult the requirements for that university and that state's licensure requirements.

It is **strongly recommended** that students complete the Praxis Core Academic Skills for Educators (formerly Praxis I) examination prior to transferring to one of the IHL institutions.

|                        |                      |

## CAREER AND TECHNICAL PROGRAMS GENERAL INFORMATION

The Career-Technical Division provides students the opportunity to develop their knowledge and skills through occupational preparation programs. These programs include both theory and “hands-on” training to ensure that the graduates are job-ready upon successful completion of instruction.

Outstanding features of the Career-Technical Division are the laboratory and shop facilities and the excellent faculty. The facilities are complemented with up-to-date equipment and relevant technology that mirrors today's business and industrial settings. The Career-Technical faculty represent many years of training and experience in the various occupational fields. In addition to continuous professional development and occupational training, many of the full-time Career-Technical faculty hold graduate degrees in areas of educational and teaching concentrations.

In addition to the Career-Technical programs of study at EMCC, the College offers a variety of support services that help prepare students for the workforce. EMCC provides CTE Support Services and Developmental Education services. In addition, EMCC provides educational career counseling through Counseling and CTE Support Services personnel. Course articulation and academic and Career-Technical integration are provided through College and Career Planning. Opportunities for work-site experiences as part of the program of study and job placement are provided through the EMCC Job Fair and Work-based Learning experiences. For all technical students, assurance is provided of sufficient breadth in general education through a total of 20 hours of coursework requirements to include at least one course from each of the following areas: humanities/fine arts; social/behavioral sciences; and natural science/mathematics.

**CTE SUPPORT SERVICES AND DEVELOPMENTAL EDUCATION** - EMCC provides a full range of services for individuals with disabilities, individuals from economically disadvantaged families, individuals preparing for non-traditional training and employment, single parents, including single pregnant women; displaced homemakers, and individuals with other barriers to educational achievement.

For students scoring less than the desired proficient levels on Accuplacer or ACT, CTE Support Services personnel will work with students to develop an individualized program of study that will focus on English, reading, or mathematics. Study skills and professional development training will also be provided for students enrolled in Career and Technical courses.

**COUNSELING** - Counselors assist students in choosing careers relevant to their interests and abilities. Individual counseling and group employment counseling are available for graduating students seeking full-

time jobs.

**WORK-BASED LEARNING (WBL)** - WBL provides eligible career, technical, and academic students the opportunity to receive supervised, paid, on-the-job training related to their career paths and to earn College credit. Employers who agree to participate in WBL provide College personnel valuable feedback on student performance.

### **BUSINESS AND INDUSTRIAL SERVICES**

Business and industry needs are met through the East Mississippi Community College Workforce Development Service Division, which is located in the Center for Manufacturing Technology Excellence on the Golden Triangle Campus. Workforce Development Services is a catalyst and resource for training in the six county district and across the region. The Center for Manufacturing Technology Excellence (CMTE) was created by a partnership of local industry, education, and economic development organizations and is committed to the development and enhancement of advanced technological skills in the area's workforce. The combination of these two entities leverages not only state and federal funding, but also highly trained professionals who specialize in making educational and training resources available to business and industrial customers. The diversified staff works with business and industry clientele to determine and deliver comprehensive, customized workforce training.

### **CAREER TECHNICAL AAS DEGREE EMPHASES**

#### **GENERAL INFORMATION**

**For each student seeking an Associate of Applied Science degree, each program has a general education component that has a minimum of 15 semester hours with at least one pure course from humanities/fine arts, social/behavioral sciences, and natural science/mathematics.**

#### **Associate of Applied Science (AAS) Degree Options**

| <b>Requirement</b>          | <b>Credit in semester hours</b> |
|-----------------------------|---------------------------------|
| English Composition I       | 3 semester hours                |
| SPT 1113 Public Speaking    | 3 semester hours                |
| Math/Natural Science        | 3 semester hours                |
| Social/Behavioral Science   | 3 semester hours                |
| Humanities/Fine Arts        | 3 semester hours                |
| <b>Total Semester Hours</b> | <b>15 semester hours</b>        |

## AUTOMATION AND CONTROL PROGRAM

Automation and Control Technology is an instructional program that provides the student with the technical knowledge and skills necessary for gaining employment as an automated manufacturing systems technician in maintenance, diagnostics, engineering, or production in an automated manufacturing environment.

The focus of this program is on electricity, electronics, industrial computer programming, pneumatics, hydraulics, robotics, programmable controls, interfacing techniques, instrumentation, and automated machine processes. The curriculum is designed as a two-year program leading to the Associate of Applied Science Degree in Automation and Control Technology. Graduates of the program are qualified to seek entry-level jobs in technically progressive industries such as automotive manufacturing, electrical power, paper manufacturing, plastic molding, materials handling, and energy conservation systems for large buildings such as hospitals and office buildings.

This program offers 3 career paths: (1) 30 hour course selection leading to a Vocational Certificate, (2) 45 hour course selection leading to a Technical Certificate or, (3) 60 hour course selection leading to a degree of Associate of Applied Science.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations.

ELT 2424 Solid State Motor Controls  
ELT 2623 Advanced Programmable Controllers  
IMM 1935 Manufacturing Skills Basic  
ROT 2413 Automated Manufacturing Controls  
ROT 2613 Mechanical Systems  
MFT 2413 Computer Integrated Manufacturing  
ROT 1313 Industrial Robotics  
ROT 1113 Fundamentals of Robotics

Work-based Learning is available as an additional elective based on opportunity and requirements.

### **AUTOMOTIVE TECHNOLOGY PROGRAM**

The Automotive Technology department offers two programs: (1) a nine-month curriculum that leads to a vocational certificate in Automotive Technology, (2) a two-year curriculum that leads to an Associate of Applied Science degree in Automotive Technology, (3) a technical certificate in Automotive Mechanics Technology – see Advisor or Navigator for requirements.

The Automotive Technology program provides the graduate with the basic skills and technical knowledge to properly diagnose and repair late model vehicles, along with problem solving techniques and computer diagnosis.

Students are taught in modern, well-equipped labs utilizing late model vehicles for repair procedures as well as electronic diagnostics. Practical experience is given in the following automotive service and repair areas as recognized by ASE and NATEF: Engine repair, Automotive Transmissions, Manual drive trains and axles, Suspension and Steering, Brakes, Electrical/Electronic Systems, Heating and Air Conditioning Systems, and Engine Performance systems. Classes are held 6 1/2 hours a day, five days a week for 9 months in a modern Career-Technical complex with facilities designed especially for this program.

All necessary tools for the minimum laboratory experiences will be provided by the College; however, for job placement and the completion of live work, students in this program are required to furnish their own set of tools by the second semester of the program. A complete list of tools will be provided by the program instructor.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. A passing score of 55% on the BMCT (Bennett Mechanical Comprehension Test) is also required. Please see the program advisor or a counselor for additional information regarding testing times, locations.

## **BUSINESS AND MARKETING MANAGEMENT TECHNOLOGY PROGRAM**

Business and Marketing Management Technology prepares the graduate for careers in marketing research, sales, advertising, management, public relations, merchandising, and buying. The primary objective of any firm, agency, or business, is to market its product or services profitably. Marketing research helps to determine the demand for products and services. This is vital to the success of the company. A manager must oversee all of these activities and support services in order to maintain efficiency and profitability of the business.

The abilities to plan merchandise assortment and properly display the goods are essential skills for a manager. Students will develop these skills as well as learn to plan sales forecasts, prepare budgets, and effectively utilize various types of advertising media. These skills not only allow a manager to maximize their effectiveness but will provide the entrepreneur with tools necessary for a successful business.

This program requires a particular score on the ACT, Accuplacer, or COMPASS test for program entrance. Please see the program advisor or a counselor for additional information regarding testing times, locations, and minimum scores. Admission will be granted to a student that completes a certificate option in Business and Marketing Management Technology with an overall GPA of 2.00 or higher.

A Career Certificate will be awarded upon completion of the required courses for the Career Certificate option

in Marketing Management. Admission to the Associate of Applied Science degree option will be granted to any student that completes the Career and Technical certificate programs with an overall GPA minimum of 2.00.

### **BUSINESS AND OFFICE TECHNOLOGY PROGRAM**

The Business and Office program includes a basic core of courses designed to prepare a student for a variety of entry-level positions through selections of a concentration of 60 semester credit hours in the following areas:

- Administrative Office Technology
- Medical Billing and Coding Technology
- Accounting Technology
- Business Management Technology
- Computer Technology

Business and Office Technology requires courses in the career-technical core, designated areas of concentration, and the academic core. Students who successfully complete 30 semester hours as outlined in the program of study may be awarded a career certificate. Students who successfully complete 45 semester hours as outlined in the program of study may be awarded a technical certificate. Students who successfully complete 60 semester hours as outlined in the program of study may be awarded an Associate of Applied Science degree.

To receive the Associate of Applied Science Degree, a student must complete all of the required coursework found in the Career Certificate option, Technical Certificate option and a minimum of 15 semester hours of General Education Core. The courses in the General Education Core may be spaced out over the entire length of the program.

The Administrative Office Technology Program is an instructional program designed to prepare and train students for entry-level training in administrative office procedures, integrated computer applications, business financial systems, communication, accounting clerks, records clerks, transcriptionists, word processing specialists and to fill other positions requiring computer skills such as database management, Web design and desktop publishing.

The Medical Billing and Coding Technology program of study is designed to prepare students to work in office positions in hospitals, doctors' offices, health clinics, insurance companies, and other health-related organizations. The student will develop skills using medical terminology, accounting, transcription, coding, and computer software applications. The curriculum complies with the American Association for Medical Transcription Exam Specifications for Certified Medical Transcriptionist, and the American Health Information Management Association Certified Coding Associate Competency Statements.

The Accounting Technology program is designed to prepare students for entry-level accounting positions in accounts payable, accounts receivable, payroll, and inventory as well as enhance the skills of persons currently employed in accounting who wish to advance. Upon successful completion, students should be prepared for accounting positions in business and industry, governmental agencies, and public accounting firms.

The Business Management Technology program provides students with a relevant professional management education and effective approaches to technology, entrepreneurship, human resource, and management information. The student will develop skills in innovative aspects of technology and business management with an emphasis on project-based learning and field externships.

The Computer Technology program is an instructional program that prepares individuals for entry-level positions in managing computer operations in an office environment. Software configuration, troubleshooting, network administration and system operations are included in the program.

Students enrolling in any Business and Office Technology degree program must present proof of a minimum ACT score of 14 in English, 14 in Math, and 14 in Reading or equivalent Accuplacer or COMPASS scores for program entrance or be admitted to the MiBest program. Please see the program advisor or counselor for additional information regarding testing times and locations. As part of these degree programs, students will be required to take Office Proficiency Assessment and Certification (OPAC) national certification exams.

## COMPUTER TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE DEGREE

### **COSMETOLOGY PROGRAM THREE SEMESTER CERTIFICATE GOLDEN TRIANGLE CAMPUS**

The Cosmetology program is a minimum of 1500 hours and is a three-semester curriculum leading to a vocational certificate in cosmetology. In addition to the general admission requirements, successful applicants to the cosmetology program will be required to provide a particular score on the ACT, Accuplacer, or COMPASS test for program entrance and a Cosmetology pre-test. Please see the program advisor or a counselor for additional information regarding testing times, locations and minimum scores. Students are admitted to the program based on ranked scores and date of application, after admission requirements are met.

This program prepares individuals to care for hair, nails, and skin with emphasis on hygiene, sanitation, customer relations, and salon management. Satisfactory completion of the course of study qualifies students for the Mississippi State Board of Cosmetology certification examination.

Actual experience is provided in all areas of modern cosmetology. Classes are held from 8:00 a.m. to 4:30 p.m. five days a week in a modern facility especially designed for the program.

|     |      |                               | 12 Semester Hours       |

Work-based Learning is available as an additional elective based on opportunity and requirements.

## **CULINARY ARTS PROGRAM**

### **LION HILLS CENTER**

The Culinary Arts Technology concentration provides a solid foundation in the methods and science of cooking through exposure to classical, American, and international cuisine as well as the art of baking and pastries. Special emphasis is placed on culinary tools, equipment, techniques, and specialty ingredients. The heart of the Culinary Arts Technology program is hands-on lab instruction by a chef instructor in a commercial kitchen. A one-year certificate in Culinary Arts: Food Preparation option may be awarded after successful completion of the courses listed in the certificate sequence. Completion of the two-year program leads to an Associate of Applied Science degree. In addition, students completing this program will be eligible to obtain ServSafe Sanitation certification from the National Restaurant Association.

## DIESEL MECHANICS ONE-YEAR VOCATIONAL CERTIFICATE GOLDEN TRIANGLE CAMPUS

The Diesel Mechanics Certificate program offers a nine-month curriculum that leads to a vocational certificate in Diesel Mechanics. The program provides the graduate with the basic skills and technical knowledge to properly diagnose and repair diesel vehicles, along with problem solving techniques and computer diagnosis.

Students are taught in modern, well-equipped labs using heavy duty diesel vehicles for repair procedures as well as electronic diagnostics. Practical experience is given in the following service and repair areas as recognized by ASE and NATEF: Diesel Engines, Drive Train, Brakes, Suspension and Steering, Electrical/Electronic Systems, Heating, Ventilation and A/C. Classes are held 6 1/2 hours a day, four days a week for 9 months in a modern Career-Technical complex with facilities designed especially for this program.

Students are required to furnish their own set of tools for the program. A complete list of tools will be provided by the program instructor.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. A passing score of 55% on the BMCT (Bennett Mechanical Comprehension Test) is also required. Please see the program advisor or a counselor for additional information regarding testing times, locations.

|     |      |   | 15 Semester Hours       |

Work-based Learning is available as an additional elective based on opportunity and requirements.

### **ELECTRICAL TECHNOLOGY PROGRAM**

The Electrical Technology department offers a one-year vocational certificate option, a technical certificate (see Advisor or Navigator for requirements), and a two-year Associate of Applied Science degree option. The one-year program is two semesters in length and prepares graduates to become employed in residential, commercial, and industrial electricity settings. Graduates of the program will possess the knowledge and skills necessary to plan, install, maintain, and troubleshoot various electrical systems. Students will study such topics as blueprint reading, residential/commercial industrial wiring, job cost estimation, electrical power, and programmable logic controllers. The Electrical program embeds opportunities to acquire multiple credentials through the National Center for Construction Education and Research (NCCER).

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations.

## **ELECTRO-MECHANICAL TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE DEGREE GOLDEN TRIANGLE CAMPUS**

The Electromechanical associate of applied science degree prepares graduates to enter the job market in many different areas or continue their education at a 4-year institution. This program offers a one-year vocational certificate option, a technical certificate (see Advisor or Navigator for requirements), and a two-year Associate of Applied Science degree option. Electromechanical technicians are responsible for assembling, installing, and maintaining/repairing machinery used in the manufacturing or industrial environment as well as troubleshooting of electrical and mechanical systems. Students receive basic instruction in a wide variety of areas including safety, machinery maintenance and troubleshooting/service, blueprint reading, basic

machining, fundamentals of industrial electricity, CAD, fluid power, Industrial Controls and PLC programming. The Electromechanical curriculum embeds opportunities to acquire multiple credentials through the National Center for Construction Education and Research (NCCER).

This program requires an ACT Score of 16 Composite and 19 Math as well as a Silver Certificate on the Workkeys exam. A passing score of 55% on the BMCT (Bennett Mechanical Comprehension Test) is also required. Please see the program advisor or a counselor for additional information regarding testing times, locations.

## EMERGENCY MEDICAL SERVICES PROGRAM

### EMERGENCY MEDICAL TECHNICIAN ONE SEMESTER CERTIFICATE GOLDEN TRIANGLE CAMPUS

The 135-hour course is offered by the State Bureau of Vocational, Technical, and Adult Education, with the cooperation of the Governor's Highway Safety Program, the Mississippi State Department of Health, and the American College of Surgeons-Mississippi Committee on Trauma, through the Community/Junior College system.

**PURPOSE:** This course is designed to cover a combination of subject matter and experiences to prepare technicians to become members of the health team responsible to professional members. Subject matter covered prepares the individual to respond to medical emergency calls, evaluate the nature of the emergency, take appropriate prompt action to reduce the medical hazards, transport to the receiving station, and serve as technical assistant to the emergency room staff of general hospitals. Specific course content is based on the National Department of Transportation and the National Standards Curriculum.

The curriculum consists of classroom & clinical experience, with eight semester hours credit awarded.

|     |      |           |                         |
|-----|------|-----------|-------------------------|
| EMS | 1118 | EMT ..... | <u>8 Semester Hours</u> |
|     |      |           | 8 Semester Hours        |

Upon successful completion of the course, the student will be eligible to take the National Registry Examination.

#### **Priorities for Admission:**

- |                                      |                              |
|--------------------------------------|------------------------------|
| 1. Ambulance Personnel               | 2. Rescue Personnel          |
| 3. Hospital Emergency Care Personnel | 4. Fire Department Personnel |
| 5. Law Enforcement Personnel         | 6. Civil Defense Workers     |

Please see the program advisor or a counselor for an application packet.

The number of students accepted into each class may be limited due to available space, equipment, funds, etc. Because of this, it is important to be prompt in meeting deadlines on required paperwork.

**\*\*EMT-Basic Refresher Training**, a periodically-required review course for Registered Emergency Medical Technicians, and **Emergency Medical Responder Training**, a course designed to provide training in all aspects of emergency medical care required by the first person (First Responder) at the scene of an accident or sudden illness, are offered through EMCC Workforce Services.

### PARAMEDIC ASSOCIATE OF APPLIED SCIENCE DEGREE OPTION

## GOLDEN TRIANGLE CAMPUS

The Paramedic Program is a two (2) year Associate Degree program that prepares the student for service in the pre-hospital emergency medical setting. The Paramedic Program is accredited by the Commission on Accreditation of Allied Health Education Programs. Course topics include emergency pharmacology, cardiology, 12 lead EKG interpretation, invasive procedures, advanced cardiac life support, and pediatric advanced life support. On successful completion of the course of study students will be eligible to sit for the National Registry of Emergency Medical Technicians examination.

Classroom instruction is comprehensive including a working knowledge of all anatomy, physiology, and pathophysiological processes as well as competency-based instruction in assessment and management skills required for treatment of life-threatening problems in the adult, pediatric, and geriatric patient. Clinical internship requires participation in care of patients in a hospital emergency department that provides medical control to Advanced Life Support providers in the field and, according to availability, Critical Care Unit, Intensive Care Unit, labor and delivery suite, operating room, psychiatric, pediatric, and geriatric wards. Field internship is with local Advanced Life Support Ambulance services.

A student successfully completing the program will receive an Associate of Applied Science degree from the College and be eligible to take the National Registry Exam as an EMT-Paramedic. This training program is sanctioned by the Mississippi State Board of Health. The course meets or exceeds those standards established by the National Highway Traffic Safety Administration/U.S. Department of Transportation.

### **Paramedic Certificate Program Option:**

An optional pathway to obtain certification is to become a Paramedic through the EMCC Certificate program. By following the Certificate route, the student is required to meet the prerequisites for the program. They must then complete the three semester Paramedic program. Upon successful completion of the program the Paramedic candidate will receive a certificate which will certify the candidate to take the National Registry exam for Paramedics.

### **ADMISSION REQUIREMENTS:**

In order to be considered for admission to this class you must have the following information on file in the Admission Counselor's Office:

1. A completed EMCC application
2. A copy of your valid driver's license showing you to be 18 years of age (or older) by the beginning date of the course
3. All official College transcripts
4. An official high school transcript showing date of graduation or official passing GED scores
5. Students must have a 16 or higher ACT Composite score for admission into the program. Please see the program advisor or a counselor for additional information regarding testing times, locations and minimum scores.
6. A current copy of your national Registry EMT-Basic certification.

7. A copy of your current and valid CPR (Health Care Provider Level) Certification Card
8. Physical examination by physician of choice. The physical must be dated within six months prior to the beginning of the EMT course. The student must also sign a statement agreeing to take the hepatitis B vaccination, the tuberculin test, or declines to take them. Students that agree to take the injection(s) must furnish written proof of each vaccination.
9. Drug screen within 10 working days prior to beginning of class with negative results
10. Must have completed Anatomy and Physiology I within the last 5 years with a grade of C or better prior to entry into the Paramedic program.

Alternate entrance requirements are available for currently licensed paramedics. Please see the program director or counselor for further information.

| ENG | 1113 | Written Communication Elective.....     | <u>3 Semester Hours</u> |
|     |      |   | 12 Semester Hours       |

Current nationally licensed paramedics may complete the degree option by taking EMT 2923 - Professional Development Seminar in addition to college required academic class work. For admission requirements for this option, please see a counselor for additional information.

Work-based learning is available as an additional elective based on opportunity and requirements.

### **ENGINEERING TECHNOLOGY, DRAFTING AND DESIGN PROGRAM ASSOCIATE OF APPLIED SCIENCE GOLDEN TRIANGLE CAMPUS**

The Engineering Technology, Drafting and Design curriculum prepares the student for employment in the field of technical graphical representation. The classroom training provides a sound foundation in the basics of drafting practice and is closely related to actual industrial standards. The areas taught include architectural drafting, machine drafting, surveying, civil drafting, and computer-aided drafting. In order to meet industrial demands, computer aided drafting is the basis of all courses. Completion of the two-year program leads to an Associate's of Applied Science degree. As part of this degree program, students will also be able to take the Autodesk Certified User Exam.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations.

#### **TECHANCIAL ELECTIVE:**

IMM-1935 Manufacturing Skills Basic

Work-based learning is available as an additional elective based on opportunity and requirements.

\* English Composition I and College Algebra will depend on ACT/Placement test scores and completion of any required prerequisite developmental courses.

## **FORESTRY TECHNOLOGY PROGRAM**

### **ASSOCIATE OF APPLIED SCIENCE**

#### **SCOOBA CAMPUS**

Forestry Technology is an instructional program that prepares individuals to produce, protect, and manage timber and other forest crops. Students enrolled in the program will participate in a variety of learning experiences related to land and forest measurements, growth processes of timber stands, tree identification, timber and forest products harvesting, timber stand management, forest protection, and forest products utilization. Emphasis is placed on the development of job skills that allow students to enter employment. The latest technologies and computer application skills are incorporated into courses. The program combines lecture-based activities with laboratory field experiences.

Forestry Technology is a two-year technical program. An Associate of Applied Science degree is awarded upon successful completion of the curriculum.

Enrollment is open in either the fall or spring semesters. Job openings often occur with forestry industries, state and federal agencies, and private consultants.

**FUNERAL SERVICE TECHNOLOGY PROGRAM**  
**ASSOCIATE OF APPLIED SCIENCE**  
SCOOBA CAMPUS

The Funeral Service Technology degree program at East Mississippi Community College is accredited by the American Board of Funeral Service Education (ABFSE), 992 Mantua Pike, Suite 108, Woodbury Heights, NJ 08097 (816) 233-3747, website: [www.abfse.org](http://www.abfse.org). The curriculum is a two-year program of study leading to an Associate of Applied Science degree in Funeral Service Technology. The graduate, with successful achievement on the National Board Examination and/or State Board examination and completion of one-year apprenticeship, is qualified to practice as a licensed Funeral Director/Embalmer in the State of Mississippi. The graduate, with successful achievement on the National Board Examination, may become eligible for licensure in other states contingent upon completion of the particular requirements of each.

Students may initially enroll in the Funeral Service Technology program only at a Fall Semester. **However, a student may enroll in any remedial or appropriate academic courses during a previous semester.** The Block Class Schedule of the Funeral Service Technology program allows a full-time student to attend classes on campus only two (2) days per week. Students who are employed with a funeral home establishment, or who work at another job, may be able to utilize the Block Class Schedule in order to permit them to attend classes and continue working. Students who prefer to remain on campus all week may take the Funeral Service Technology classes under the Block Class Schedule while taking their academic classes under a traditional class schedule or online.

Admission to the Funeral Service Technology Program at East Mississippi Community College requires all applicants to have acquired either a GED or high school diploma. The program further requires all applicants to have achieved either a score of 17 or higher on the ACT or alternate placement test. Please see the program advisor or a counselor for additional information regarding testing times, locations and minimum scores. To complete the program, students must complete all Funeral Service Technology courses with a minimum grade of "C."

A student who has taken one or more Funeral Service Technology courses, but who withdraws from the program and does not return for a three (3) years or six (6) semesters excluding summer semesters, must re-enroll under the current Funeral Service Technology curriculum at the time of re-enrollment and must re-take all required Funeral Service Technology courses.

Coursework that is taken at any accredited funeral service program and is transferred for credit to EMCC will be evaluated and considered for acceptance in meeting the curriculum of the Funeral Service Technology program. However, no course in Comprehensive Review or a similar course designed for preparation for the National Board Examination as administered by the International Conference of Funeral Service Examining Boards will be accepted for transfer credit.

**STATEMENT OF PROGRAM AIMS AND OBJECTIVES** – The program in Funeral Service Technology has as its central aim recognition of the importance of Funeral Service personnel as (1) members of a human services profession; (2) members of the community in which they serve; (3) participants in the relationship between bereaved families and those engaged in the funeral service profession; (4) professionals knowledgeable of and compliant with federal, state, provincial/territorial, and local regulatory guidelines in the geographic area where they practice as well as (5) professionals sensitive to the responsibility for public health, safety, and welfare in caring for human remains. The Funeral Service Technology Program has the objectives of (1) to enlarge the background and knowledge of students about the funeral service profession; (2) to educate students in every phase of funeral service and to help enable them to develop proficiency and

skills necessary for the profession, as defined in the Preamble of the accreditation standards of the ABFSE; (3) to educate students concerning the responsibilities of the funeral service profession to the community at large; (4) to emphasize high standards of ethical conduct; (5) to provide a curriculum at the post- secondary level of instruction; and (6) to encourage student and faculty research in the field of funeral service.

**National Board Examination pass rates, graduation rates, and employment rates for this and other ABFSE-accredited programs are available at <http://www.abfse.org>. To request a printed copy of this program's rates, go to Funeral Service Technology Office, Room 27A, Hawkins Building, Scooba Campus or by email at [odickerson@eastms.edu](mailto:odickerson@eastms.edu) or by telephone (662) 476-5101.**

#### **GOLF/RECREATIONAL TURF MANAGEMENT AND LANDSCAPE MANAGEMENT PROGRAMS**

##### **GOLF/RECREATIONAL TURF MANAGEMENT TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE DEGREE OPTION LION HILLS CENTER**

The Golf/Recreational Turf Management Technology program is designed to prepare individuals to establish, maintain, and manage turf areas for golf/recreational and other purposes. The curriculum includes instruction in business management, design, turfgrass management, irrigation, and operation/maintenance of equipment and machinery.

Priority admission into the Golf/Recreational Management Technology program is given to applicants who score a composite of 15 on the ACT, or equivalent score on the Accuplacer or COMPASS tests. Conditional admission may be granted to students scoring less than the entrance requirements, if space is available.

## HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY PROGRAM LION HILLS CENTER

The Hotel and Restaurant Management concentration provides specialized occupational instruction in all phases of hotel and restaurant management to prepare students for careers as managers and supervisors in the hospitality and tourism industry. A one-year certificate in Hotel and Restaurant Management may be awarded after successful completion of the courses listed in the certificate sequence. Completion of the two-year program leads to an Associate of Applied Science degree. In addition, students completing this program will be eligible to obtain ServSafe Sanitation certification from the National Restaurant Association.

## INDUSTRIAL MAINTENANCE TECHNOLOGY PROGRAM

The Industrial Maintenance curriculum is a technical program designed to prepare students for entry-level

employment as multi-skilled maintenance technicians. Industrial maintenance technicians are responsible for assembling, installing, and maintaining/repairing machinery used in the manufacturing or industrial environment.

This program offers a one-year vocational certificate option, a technical certificate (see Advisor or Navigator for requirements), and a two-year Associate of Applied Science degree option. Students receive instruction in a wide variety of areas including safety, machinery maintenance and troubleshooting/service, blueprint reading, basic welding and cutting operations, machining operations, pipefitting, mechanical systems and industrial electricity.

The Industrial Maintenance curriculum embeds opportunities to acquire multiple credentials through the National Center for Construction Education and Research (NCCER).

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. A passing score of 55% on the BMCT (Bennett Mechanical Comprehension Test) is also required. Please see the program advisor or a counselor for additional information regarding testing times, locations.

### **MANUFACTURING DISCOVERY ONE SEMESTER PROGRAM GOLDEN TRIANGLE CAMPUS**

The Manufacturing Discovery program provides an entry point into Manufacturing programs. Students that complete this semester will be eligible for entry-level operator jobs with local industries. Those that wish to continue onto a one or two year program should have a seamless transition given the semester's coursework.

## **INFORMATION SYSTEMS TECHNOLOGY PROGRAM**

### **COMPUTER NETWORKING TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE DEGREE OPTION GOLDEN TRIANGLE CAMPUS**

The Computer Networking Technology program involves building computer networks from the ground up. This process involves evaluating protocols, operating systems, hardware components, networking devices, and software tools to make a network run efficiently. Students have the opportunity to learn in a hands-on environment with a wide variety of classes that will benefit them after completing their degree. The program is also privileged to be a Cisco® Networking Academy Program and a CompTIA® Academy. The program's website can be found at [ciscoserver.eastms.edu](http://ciscoserver.eastms.edu).

Students can begin this program at the beginning of the fall or spring semesters. Completion of the two-year program leads to an Associates of Applied Science degree. As part of this degree program, students will also be required to take the A+ and Network+ certifications. Students are also prepared to sit for the following non-required certifications: CCNA, Server+, Security+, MCP, Server+, Cloud+, and Linux+.

Minimum admission requirements: Obtain the following ACT scores: Math - 15, Reading - 15, Composite - 15. If a student does not have ACT scores they may use Accuplacer and qualify with a score 75 on Reading Comprehension and 37 on Elementary Algebra.

Computer Networking is an ever-evolving field of study. Information Technology changes rapidly and requires students to be life-long learners with the ability to incorporate ever-changing technologies into their skill set. IT is one field of study which has not suffered any economic downturns. The need for well-trained IT personnel is present in every industry from healthcare to manufacturing.

**MECHATRONICS TECHNICIAN  
ADVANCED TECHNICAL CERTIFICATE OPTION  
GOLDEN TRIANGLE CAMPUS**

The Mechatronics Technician advance technical certificate prepares graduates to enter the job market in many different areas or continue their education at a 4-year institution. Mechatronics technicians are responsible for assembling, installing, and maintaining/repairing machinery used in the manufacturing or industrial environment as well as troubleshooting, repair and programming of automated systems. Students receive Mechatronics programming, robotics, process control, CNC/CAM, mechatronics troubleshooting, data acquisition and industrial communications.

**This program requires successful completion of the Associate of Applied Science degree option in the Electro-Mechanical Technician program.** Please see the program advisor or a counselor for additional information regarding testing times, locations.

Work-Based Learning is available as an additional elective based on opportunity and requirements.

Exit of the Mechatronics Technician Advanced Technical Certificate

### **NURSING PROGRAMS**

#### **PRACTICAL NURSING**

#### **ONE-YEAR CERTIFICATE**

#### **GOLDEN TRIANGLE CAMPUS**

This one-year program is a course of study designed to prepare qualified men and women to become Practical Nurses. Upon successfully completing the program, graduates will receive a Vocational Certificate of Proficiency for Practical Nursing and will be prepared to write the National Council for Licensure for Practical Nurses (NCLEX-PN®). Please Note: Successful completion of the nursing program does not guarantee eligibility to sit for NCLEX-PN®. A Board of Nursing may, at its discretion, refuse to accept the licensure application of any person who has been convicted of a felony or misdemeanor or has charges pending on such issues. Accreditation for this Practical Nursing program is maintained through the Mississippi Community College Board, 3825 Ridgewood Road, Jackson, MS 39211.

## ADMISSION PROCEDURE:

To be considered for the Practical Nursing program, applicants must complete all testing, meet the minimum requirements, and submit all required paperwork by June 1st each year. Incomplete admission packets will not be considered for admission. The applicant is responsible for ensuring that the data in the file is received, correct, and complete. Please note: Meeting all admission requirements does not guarantee acceptance into the Practical Nursing program. Admission is competitive and enrollment is limited. The number of applicants accepted is limited due to the nature of the program. Students are not chosen with regard to sex, age, race, creed, ethnic origin, or marital status.

1. Go to [Apply Now](#) to submit an online application for admission to East Mississippi Community College. You must indicate nursing under your major. Do not designate RN or Practical Nursing under your major, just "Nursing." Acceptance to East Mississippi Community College does not guarantee acceptance to the Practical Nursing program. Letters of pending acceptance will come from the Director of Nursing and Allied Health.
2. Submit a completed application for admission to the School of nursing to the Nursing Administrative Assistant.
3. Submit an official high school transcript from an accredited high school showing date of graduation and principal's signature; or submit an official GED transcript with satisfactory scores.
4. Submit official transcripts from all colleges previously attended. Transcripts cannot be stamped "issued to student."
5. Any applicant who has ever attended another nursing program must have a letter of good standing from their former nursing school director sent directly to the EMCC Director of Nursing and Allied Health. A letter of good standing indicates that the student is eligible for immediate readmission into the former nursing program. Applicants without letters of good standing from previous nursing schools will not be considered for this program. Applicants who have been unsuccessful more than once in any nursing school will not be eligible for admission into the Practical Nursing program at EMCC for a period of five years from last attendance in a nursing program.
6. Applicants must have:
  - a. A minimum composite score of 16 with a 16 in reading on the ACT.
  - b. A grade of "C" or higher in Anatomy and Physiology I & II is required prior to admission. Classes must be within the past 5 years.
  - c. Cumulative GPA of 2.0 on a 4.0 scale for all previous college work attempted.
  - d. A Kaplan Nursing School Admission exam score of at least 50%. Applicants may register to take the Kaplan Nursing School Admission exam with the Allied Health administrative assistant. The cost of the testing must be paid when you register. Entrance tests may be retaken once in order to achieve a higher score. If you would like to prepare for the exam, Kaplan has developed a preparatory book titled Nursing School Admission Entrance Exams (Kaplan Nursing School Entrance Exam)

### PROGRAM OF STUDY:

The Practical nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological sciences, and of nursing procedures that do not require the skills, judgement, and knowledge of a registered nurse. This care is performed under the direction of a registered nurse, licensed physician, or dentist.

The Practical Nursing Student will gain classroom and laboratory instruction in such areas as: vocational adjustments, basic nursing skills, nutrition, anatomy and physiology, human growth and development, pharmacology, maternal child nursing, emotional and mental illness, and medical/surgical nursing.

**A student must apply to the program, meet all requirements and be selected in order to register for Nursing Courses.** Pre-requisites are listed below. See the East Mississippi Community College Catalog for description of pre-requisites. All science courses must have been completed within the last 5 years. Students must receive a "C" or higher in all pre-requisites.

### PRE-REQUISITES:

|                           |      |                                 |                         |
|---------------------------|------|---------------------------------|-------------------------|

## **ASSOCIATE DEGREE NURSING**

### **GOLDEN TRIANGLE CAMPUS**

The purpose of the Associate of Applied Science in nursing degree program is to prepare men and women for the role of the registered nurse, competent to function as a professional and valuable member of the health care team in providing care for individuals, groups and families.

This nursing education unit is accredited by the Accreditation Commission for Education in Nursing (ACEN). Information about the Accreditation of EMCC's Associate Degree Nursing program with ACEN can be obtained from their website <http://www.acenursing.org/>, by emailing Dr. Marsal P. Stoll, Chief Executive Officer of ACEN at [mstoll@acenursing.org](mailto:mstoll@acenursing.org) or by writing to Accreditation Commission for Education in Nursing, 3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326. Graduates of the program receive the Associate of Applied Science in Nursing Degree which meets the educational requirement needed to apply for the National Council of State Boards of Nursing licensure examination for the Registered Nurse (NCLEX-RN®). Please Note: Successful completion of the nursing program does not guarantee eligibility to sit for NCLEX-RN®. A Board of Nursing may, at its discretion, refuse to accept the licensure application of any person who has been convicted of a felony or misdemeanor or has charges pending on such issues.

Please utilize the following admission guidelines when applying:

### **ADMISSION PROCEDURE:**

To be considered for the ADN program, applicants must complete all testing, meet the minimum requirements, and submit all required paperwork by October 1st of each year for spring admission. Incomplete admission packets will not be considered for admission. All pre-requisites must be completed with the required grade prior to the October 1 deadline. The applicant is responsible for ensuring all required documents are received, correct, and complete.

Please note: Meeting all admission requirements does not guarantee acceptance into the ADN program. Admission is competitive and enrollment is limited. The number of applicants accepted is limited due to the nature of the program.

1. Go to **Apply Now** to submit an online application for admission to East Mississippi Community College. Acceptance to East Mississippi Community College does not guarantee acceptance to the ADN program. Letters of pending acceptance will come from the Director of Nursing and Allied Health.
2. Submit a completed School of Nursing Application to the Allied Health Administrative Assistant.
3. Submit an official high school transcript from an accredited high school showing date of graduation and principal's signature; or submit an official GED transcript with satisfactory scores.
4. Submit official transcripts from all colleges previously attended. Transcripts cannot be stamped "issued to student."
5. Any applicant who has ever attended another nursing program must have a letter of good standing

from their former nursing school director sent directly to the EMCC Director of Nursing and Allied Health. A letter of good standing indicates that the student is eligible for immediate readmission into the former nursing program. Applicants without letters of good standing from previous nursing schools will not be considered for this program. Applicants who have been unsuccessful more than once in any nursing school will not be eligible for admission into the Nursing program at EMCC for a period of five years from last attendance in a nursing program .

6. Applicants must have:

- a. A minimum composite score of 19 with a subscore of 19 in reading on the ACT.
- b. A grade of "C" or higher in College Algebra, Microbiology, and Anatomy and Physiology I & II. Pre-requisite - science classes must have been completed within the last 5 years.
- c. Cumulative GPA of 2.5 or higher on a 4.0 scale for all previous college work attempted.
- d. Students with less than the required ACT composite score must have completed a minimum of 12 semester hours, including Anatomy and Physiology, with a 2.5 grade point average before being admitted. They must have made at least a grade of "C" in Anatomy and Physiology courses.
- e. Students who have previously earned a baccalaureate or higher degree may enter without an ACT by completing all the course prerequisites to the nursing major with a grade of "C" or better and having an overall grade point average of 2.5.
- f. Take the Kaplan Nursing School Admission Exam with a score of at least 50%. You must meet the minimum ACT score prior to taking the Kaplan Exam. It is the responsibility of the applicant to make sure this requirement has been met. Applicants may register to take the Kaplan Exam with the Allied Health administrative assistant. The cost of testing must be paid when you register. The entrance test may be re-taken once in order to achieve a higher score. Kaplan has developed a preparatory book titled Nursing School Admission Exams (Kaplan Nursing School Entrance Exam) by Kaplan. This book is available now on Amazon.com and local book stores.

### PROGRAM OF STUDY:

The Associate of Applied Science Degree is a 76-hour program. The program consists of 36 hours of general academic classes and 40 hours of nursing classes. The program is designed to be completed within two years of entrance into the first nursing class. All students must take nursing classes in sequential order.

### PRE-REQUISITES:

|                           |      |                               |                         |

**OPHTHALMIC TECHNOLOGY PROGRAM**  
**ASSOCIATE OF APPLIED SCIENCE**  
SCOOBA CAMPUS

Ophthalmic Technology is a two-year technical program. Upon successful completion of the program, the student is awarded the Associate of Applied Science Degree. The curriculum requires a minimum of 69 semester hours of courses. The minimum requirements are 47 semester hours of Career-Technical courses in ophthalmic technology and 20 hours of academic courses.

Opticianry is defined as “the art and science of optics as applied to compounding, filling, and adapting of ophthalmic prescriptions, products and accessories.” Opticianry describes the preparation (making) of ophthalmic lenses, setting them into spectacle frames, and dispensing (fitting and delivering) them to the wearer. These acts include a large number of activities or trades, ranging from the mechanical act of lens grinding to the personal service of the selection, fitting, and adjusting of a pair of glasses to an individual's face, selling, and public relations.

Potential positions may be found in doctor's offices, retail optical stores, wholesale optical laboratories, and optical manufacturing companies.

## PRECISION MANUFACTURING AND MACHINING TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE GOLDEN TRIANGLE CAMPUS

The Precision Manufacturing and Machining Technology program offers a one-year vocational certificate option and a two-year Associate of Applied Science degree option. The first year of the course consists of hands-on operation of machine shop equipment and classroom theory covering such areas as safety, blueprint reading, lathe and milling machine operation, theory and operation of basic Computer Numerical Control (CNC) equipment, metallurgy and shop math. In the second year of study the student learns advanced operation of Computer Numerical Control (CNC) equipment, CAD/CAM, and production methods along with the development of more advanced hands-on skills. Throughout the program, students will have the opportunity to acquire National Institute for Metalworking Skills (NIMS) credentials.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations.

### First Semester

|     |      |                                |                         |

## SUPERVISION AND MANAGEMENT TECHNOLOGY ASSOCIATE OF APPLIED SCIENCE GOLDEN TRIANGLE CAMPUS

Supervision and Management Technology is offered in the evening program and online, and leads to an Associate of Applied Science Degree. The sixty-eight credit hour curriculum is designed for students who aspire to become qualified or more qualified for management and supervisory positions in business, industry, and government. Courses are offered on a rotating basis. Students should speak with a counselor concerning an appropriate program plan.

### CURRICULUM:

|   |                         |
|---|-------------------------|
| ACC 2213 Principles of Accounting I .....                             | 3 Semester Hours        |

\*\* English Composition I and College Algebra depend on ACT/Placement Test scores and completion of any required prerequisite developmental courses.

Work-based learning is available as an additional elective based on opportunity and requirements.

## **UTILITY LINeworker TECHNOLOGY PROGRAM ONE SEMESTER CERTIFICATE SCOوبا CAMPUS**

The Lineworker Program is a one semester program that teaches theory and principles of basic linework, such as climbing, first aid, CPR, forklift operation (leading to certification), truck driving (leading to Class A CDL), basic tool, material, pole framing, and RUS specification. It also provides instruction in fundamentals of electricity, AD/DC circuits, and mathematics.

Admission to the Lineworker Program is limited to fifteen students; therefore, entry is highly competitive and based on specific criteria. First, the minimum academic preparation required will be a high school diploma or GED, but preference will be given to applicants holding an associate degree or higher. Second, this program requires a particular score on the Accuplacer or COMPASS tests for program entrance. Please see the program advisor or a counselor for additional information regarding testing times, locations and minimum scores. Third, applicants must pass a Department of Transportation (DOT) physical and drug screening for admission in to the ULT program. Finally, applicants must hold a valid driver's license from their state of residence.

To secure placement in the Lineworker program, prospective students are encouraged to take the Accuplacer, COMPASS (if available), or ACT as soon as possible to determine score eligibility. If entry-level requirements are not met, applicants may re-test before class begins.

#### **Admission Requirements:**

1. Submit EMCC Application for Admission;
2. Submit official high school transcript showing date of graduation, or submit an official GED transcript with satisfactory scores;
3. Submit official college transcripts if applicable;
4. Submit a score on Accuplacer or COMPASS or score of 15 on ACT;
5. Submit a completed signed DOT Physical Form, including a drug screen, and a card to be kept on your person from an approved MDOT medical provider;
6. Submit a copy of your valid driver's license.

#### **FIRST SEMESTER**

|     |      |   |                          |
|-----|------|---|--------------------------|
| ULT | 1122 | Line Worker Safety .....  | 2 Semester Hours         |
| ULT | 1413 | Pole Climbing.....  | 3 Semester Hours         |

| TMA | 1023 | Basic Technical Math.....   | 3 Semester Hours         |
| ULT | 1232 | Electric Power &Transformer Banking for Line Workers .....  | 2 Semester Hours         |
| LLS | 1711 | Job Search Skills .....   | <u>1 Semester Hours</u>  |
|     |      |   | <b>22 Semester Hours</b> |

\* Students who lack entry level skills in math, English, science, etc. will be provided related studies.

\*\* Students who can document mastery of these competencies should not receive duplicate instruction.  
Students who cannot demonstrate mastery will be required to do so.

\*\*\* DC Circuits (EET 1114) **AND** AC Circuits (EET 1123) may be taken instead of AC/DC Circuits for Electrical Technology (ELT 1144) **AND** may be used as a 3 hour elective.

Work-based Learning is available as an additional elective based on opportunity and requirements.

## **WELDING PROGRAM**

### **WELDING AND INDUSTRIAL FABRICATION ONE-YEAR CERTIFICATE OPTION GOLDEN TRIANGLE CAMPUS**

The Welding and Industrial Fabrication program prepares graduates to enter the job market in many different areas. Welding is utilized in manufacturing, structural construction, custom job shops, and as an integral part of many businesses. The Welding and Industrial Fabrication Program offers two options of study: a) a nine-month curriculum that leads to a certificate and the opportunity to acquire the American Welding Society (AWS) Schools Excelling through National Skill Standards Education (SENSE) Level I certification, National Center for Construction Education and Research (NCCER) Core, Level I Welding, Level II Welding, and b) a two-year curriculum that leads to an Associate of Applied Science degree in Welding and Metal Fabrication Technology.

Students will be provided instruction in the correct methods of Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW). Other components of metal fabrication along with special emphasis on safety in the work place, relations with others in the work place, and the importance of regular and timely attendance will also be covered.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations. Students completing all requirements of the one-year certificate in Welding & Industrial Fabrication, and who meet the general admission requirements of the College for the associate of applied science degree, will be eligible to enter the second year of the program.

#### **First Semester**

ONE-YEAR CERTIFICATE OPTION  
SCOOBA CAMPUS**

The Welding and Fabrication program prepares graduates to enter the job market in many different areas. Welding is utilized in manufacturing, structural construction, custom job shops, and as an integral part of many businesses. The Welding and Fabrication Program offers two options of study: a) a nine month curriculum that leads to a certificate and the opportunity to acquire the American Welding Society (AWS) Schools Excelling through National Skill Standards Education (SENSE) Level I certification; and b) a two-year curriculum that leads to an Associate of Applied Science in Welding and Fabrication Technology. Students will be provided instruction in the correct methods of Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW). Other components of metal fabrication along with special emphasis on safety in the work place, relations with others in the work place and the importance of regular and timely attendance will also be covered. Students completing all requirements of the one-year certificate in Welding and Fabrication and who meet the general admission requirements of the College for the associate of applied science degree will be eligible to enter the second year of the program.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations. Students completing all requirements of the one-year certificate in Welding & Fabrication, and who meet the general admission requirements of the College for the associate of applied science degree, will be eligible to enter the second year of the program.

**First Semester**

|  |                         |
|--|-------------------------|
| WLT 1114 Shielded Metal Arc Welding I.....       | 4 Semester Hours        |
| WLT 1224 Shielded Metal Arc Welding II.....      | 4 Semester Hours        |
| WLT 1313 Cutting Processes.....                  | 3 Semester Hours        |
| WLT 1173 Introduction to Welding and Safety..... | 3 Semester Hours        |
| LLS 1711 Job Search Skills.....                  | <u>1 Semester Hours</u> |
|  | 15 Semester Hours       |

**Second Semester**

|   |                         |
|---|-------------------------|
| WLT 1123 Gas Metal Arc Welding (GMAW).....              | 3 Semester Hours        |
| WLT 1134 Gas Tungsten Arc Welding (GTAW).....           | 4 Semester Hours        |
| WLT 1142 Flux Cored Arc Welding.....                    | 2 Semester Hours        |
| WLT 1155 Pipe Welding.....                              | 5 Semester Hours        |
| WLT 1231 Drawing and Welding Symbol Interpretation..... | <u>1 Semester Hours</u> |
|   | 15 Semester Hours       |

(CERTIFICATE PROGRAM EXIT POINT)

**WELDING TECHNOLOGY  
ASSOCIATE OF APPLIED SCIENCE DEGREE OPTION  
GOLDEN TRIANGLE CAMPUS**

The Welding Technology program prepares graduates to enter the job market in many different areas. Welding is utilized in manufacturing, structural construction, custom job shops, and as an integral part of many businesses. The Welding Technology Program offers a one-year vocational certificate option, a technical certificate (see Advisor or Navigator for requirements), and a two-year Associate of Applied Science degree option that leads to a certificate and the opportunity to acquire the American Welding Society (AWS) Schools Excelling through National Skill Standards Education (SENSE) Level I and Level II certification, National Center for Construction Education and Research (NCCER) Core, Level I Welding, Level II Welding.

Students will be provided instruction in the correct methods of Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW). Other components of metal fabrication along with special emphasis on safety in the work place, relations with others in the work place, and the importance of regular and timely attendance will also be covered.

This program requires an ACT Score of 16 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations. Students completing all requirements of the one-year Welding and Industrial Fabrication certificate, and who meet the general admission requirements of the College for the associate of applied science degree, will be eligible to enter the second year of the program.

## **FRESHMAN YEAR**

### **First Semester**

|  |                         |
|--|-------------------------|
| WLT 1114 Shielded Metal Arc Welding I.....       | 4 Semester Hours        |
| WLT 1224 Shielded Metal Arc Welding II.....      | 4 Semester Hours        |
| WLT 1312 Cutting Processes.....                  | 2 Semester Hours        |
| WLT 1172 Introduction to Welding and Safety..... | 2 Semester Hours        |
| IMM 1935 Manufacturing Skills Basic.....         | <u>5 Semester Hours</u> |
|  | 17 Semester Hours       |

### **Second Semester**

|  |                         |
|--|-------------------------|
| WLT 1123 Gas Metal Arc Welding (GMAW).....           | 3 Semester Hours        |
| WLT 1134 Gas Tungsten Arc Welding (GTAW).....        | 4 Semester Hours        |
| WLT 1142 Flux Cored Arc Welding.....                 | 2 Semester Hours        |
| WLT 1231 Drawing and Weld Symbol Interpretation..... | 1 Semester Hour         |
| WLT 1155 Pipe Welding.....                           | <u>5 Semester Hours</u> |
|  | 15 Semester Hours       |

## **SOPHOMORE YEAR**

### **First Semester**

|  |                           |
|--|---------------------------|
| WLT 1253 Advanced Pipe Welding.....          | 3 Semester Hours          |
| WLT 2813 Welding Metallurgy.....             | 3 Semester Hours          |
| English Elective.....                        | 3 Semester Hours          |
| Humanities/Fine Arts Elective.....           | 3 Semester Hours          |
| Mathematics or Natural Science Elective..... | <u>3-4 Semester Hours</u> |

## Second Semester

|   |                         |
|---|-------------------------|
| Technical Elective.....                 | 6 Semester Hours        |
| WLT 2913 Weld Code & Certification..... | 3 Semester Hours        |
| SPT 1113 Public Speaking I.....         | 3 Semester Hours        |
| Social/Behavioral Science Elective..... | <u>3 Semester Hours</u> |
|   | 15 Semester Hours       |

Work-based learning is available as an additional elective based on opportunity and requirements.

Technical Electives:

WLT 1426 Basic Fabrication for Pipe Fitting

WLT 1913 Special Problems in Welding

## WELDING AND MANUFACTURING TECHNICIAN ASSOCIATE OF APPLIED SCIENCE DEGREE OPTION GOLDEN TRIANGLE CAMPUS

The Welding and Manufacturing Technician program prepares graduates to enter the job market in many different areas. Welding is utilized in manufacturing, structural construction, custom job shops, and as an integral part of many businesses.

The Welding and Manufacturing Technician Program offers a curriculum that leads to an associates of applied science degree and the opportunity to acquire the American Welding Society (AWS) Schools Excelling through National Skill Standards Education (SENSE) Level I and Level II certification, National Center for Construction Education and Research (NCCER) Core, Level I Welding, Level II Welding, Level I Pipe Fitting and Level II Pipefitting, OSHA 10-hour, First Aid/CPR and advanced manufacturing topics.

Students will be provided instruction in the correct methods of Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), and Gas Tungsten Arc Welding (GTAW), Advanced Pipe Welding, Welding Metallurgy, Welding Code, Computer-Aided Design and other components of manufacturing along with special emphasis on safety in the work place, relations with others in the work place, and the importance of regular and timely attendance will also be covered.

This program requires an ACT Score of 18 in the Composite and Math areas as well as a Silver Certificate on the Workkeys exam. Please see the program advisor or a counselor for additional information regarding testing times, locations. Students completing all requirements of the one-year Welding and Industrial Fabrication certificate, and who meet the general admission requirements of the College for the associate of applied science degree, will be eligible to enter the second year of the program.

## FRESHMAN YEAR

### First Semester

|  |                         |
|--|-------------------------|
| WLT 1114 Shielded Metal Arc Welding I.....       | 4 Semester Hours        |
| WLT 1224 Shielded Metal Arc Welding II.....      | 4 Semester Hours        |
| WLT 1312 Cutting Processes.....                  | 2 Semester Hours        |
| WLT 1172 Introduction to Welding and Safety..... | 2 Semester Hours        |
| IMM 1935 Manufacturing Skills Basic.....         | <u>5 Semester Hours</u> |
|  | 17 Semester Hours       |

### **Second Semester**

|  |                         |
|--|-------------------------|
| WLT 1123 Gas Metal Arc Welding (GMAW).....           | 3 Semester Hours        |
| WLT 1134 Gas Tungsten Arc Welding (GTAW).....        | 4 Semester Hours        |
| WLT 1142 Flux Cored Arc Welding.....                 | 2 Semester Hours        |
| WLT 1231 Drawing and Weld Symbol Interpretation..... | 1 Semester Hour         |
| WLT 1155 Pipe Welding.....                           | <u>5 Semester Hours</u> |
|  | 15 Semester Hours       |

### **Summer Semester**

|                               |                  |
|-------------------------------|------------------|
| MAT 1313 College Algebra..... | 3 Semester Hours |
| English Elective.....         | 3 Semester Hours |

## **SOPHOMORE YEAR**

### **First Semester**

|  |                         |
|--|-------------------------|
| MAT 1323 Trigonometry.....                       | 3 Semester Hours        |
| WLT 1426 Basic Fabrication for Pipe Fitting..... | 6 Semester Hours        |
| WLT 1253 Advanced Pipe Welding.....              | 3 Semester Hours        |
| WLT 2813 Welding Metallurgy.....                 | 3 Semester Hours        |
| Humanities/Fine Arts Elective.....               | <u>3 Semester Hours</u> |
|  | 18 Semester Hours       |

### **Second Semester**

|  |                         |
|--|-------------------------|
| CHE 1214 or PHY 2414 General Chemistry or Physics..... | 4 Semester Hours        |
| WLT 2913 Weld Code & Certification.....                | 3 Semester Hours        |
| SPT 1113 Public Speaking I.....                        | 3 Semester Hours        |
| Social/Behavioral Science Elective.....                | 3 Semester Hours        |
| WLT 1913 Special Problems in Welding.....              | <u>3 Semester Hours</u> |
|  | 16 Semester Hours       |

Work-based learning is available as an additional elective based on opportunity and requirements.

## **ACADEMIC COURSE DESCRIPTIONS**

## **ACCOUNTING**

### **ACC 2213--PRINCIPLES OF ACCOUNTING I**

Study of the fundamentals and application of financial accounting principles that relate to business. The topics to be covered include the accounting cycle and the accounting systems for service and merchandising businesses. (3 semester hours credit).

### **ACC 2223--PRINCIPLES OF ACCOUNTING II**

A continuation of ACC 2213. The topics to be covered include corporate accounting concepts, managerial accounting concepts and internal business decision making.  
Prerequisite: Pass ACC 2213 with a grade of "C" or higher. (3 semester hours credit)

## **ART**

### **ART 1113--ART APPRECIATION**

A course designed to provide an understanding and appreciation of the visual arts. (3 semester hours credit.)

### **ART 1313--DRAWING I**

Includes the study of the basic elements and principles of organization in two dimensions and the selection, manipulation and synthesis of these components to create an organized visual expression. Black and white media will be stressed. (3 semester hours credit)

### **ART 1323--DRAWING II**

Continuation of rendering skills introduced in Drawing I with emphasis on color, composition and creative expression. Prerequisite: ART 1313. (3 semester hours credit)

### **ART 1383--PHOTOGRAPHY I**

An introduction to the theory, practice, and history of black and white photography, with emphasis on the basic camera processes, developing, printing, composition, and presentation. (3 semester hours credit)

### **ART 1433--DESIGN I**

To provide students with an understanding of the elements and principles of design to enable development of an informed, intuitive sense as well as a highly informed skills base/methodology involving black and white design problems which apply principles and elements of visual design. (3 semester hours credit)

### **ART 1443--DESIGN II**

To provide students with an understanding of color theory and applications of color so that there begins to be an informed as well as intuitive sense of seeing, mixing, and applying color and light to design problems. Prerequisite: ART 1433. (3 semester hours credit)

### **ART 1453--THREE DIMENSIONAL DESIGN**

To provide students with an understanding of spatial form in three dimensions through the use of applied design elements and principles to studio problems in mixed media. Pre-requisite: ART 1433. (3 semester hours credit)

### **ART 1513--COMPUTER ART**

An introduction to the theory and practice of using the computer to create art. A study of methods and applications utilizing the computer and selected software applications. (3 semester hours credit)

### **ART 1811/1821--EXHIBITION CLASS I & II**

Attendance at 75% of all college art exhibitions during the semester student is enrolled. The intended requirement is for art majors to monitor and encourage independent research in career practices and

promotion. Submission of individual art work to at least one local, regional, or national exhibition is required. Required of all art majors. Co-requisite for ART 1811/1821 - Any studio art class.  
Prerequisite for ART 1821 - ART 1811. (1 semester hour credit)

**ART 1913--ART FOR ELEMENTARY TEACHERS**

Development of essential concepts of children's art education in compliance with the National Standards for Arts Education. (3 semester hours credit)

**ART 2513--PAINTING I**

Techniques used in painting media in a variety of subject matter. (3 semester hours credit)

**ART 2523--PAINTING II**

Advanced problems in painting media. Prerequisite: ART 2513. (3 semester hours credit)

**ART 2613--CERAMICS I**

This course is directed toward an introduction to different aspects and materials of ceramic design. Instruction covers forming and shaping by hand and mechanical means, various kiln operations, understanding the nature of clay and glazes and an appreciation of functional and non-functional forms.(3 semester hours credit)

**ART 2623--CERAMICS II**

Continuation of skills introduced in Ceramics I. Emphasis on individual problem solving.  
Prerequisite: ART 2613. (3 semester hours credit)

**ART 2633--SCULPTURE I**

Study of 3-D media and methods exploring subtractive and additive sculpture process.  
Prerequisite: ART 2613. (3 semester hours credit)

**ART 2713--ART HISTORY I**

Survey course of the historical background of art forms from Prehistoric to Renaissance. Emphasis is on painting, architecture, and sculpture as related to history. (3 semester hours credit)

**ART 2723--ART HISTORY II**

Survey courses of historical background of art forms from Renaissance to present with special emphasis on contemporary expression. (3 semester hours credit)

**ART 2811--EXHIBITION CLASS III**

A continuation of ART 1821. Prerequisite: ART 1821. Co-requisite: Any studio art class. (1 semester hour credit)

**ART 2821--EXHIBITION CLASS IV**

A continuation of ART 2811. Prerequisite: ART 2811. Co-requisite: Any studio art class. (1 semester hour credit)

**ART 2913--SPECIAL STUDIO**

Independent study in an area of special interest. Course designed for the exceptional student. Instructor approval dependent on discipline. Can only take twice. Prerequisite: Six (6) semester hours of work in related studio. (3 semester hours credit)

**BIOLOGY**

**BIO 1114--PRINCIPLES OF BIOLOGY I**

A combined lecture and laboratory course for non-science majors that provides an introduction to the basic principles of modern biology, and their relevance to modern life. Emphasis is placed on the nature and history of scientific thought, basic biological chemistry, cell structure and processes, genetics. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture, 2 hours lab) (4 semester hours of credit)

- BIO 1124--PRINCIPLES OF BIOLOGY II**  
A combined lecture and laboratory course for non-science majors that emphasize the survey of the diversity of life, ecology, evolution, and an overview of organ systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture, 2 hours lab) (4 semester hours of credit)
- BIO 1134--GENERAL BIOLOGY I**  
A combined lecture and laboratory course for science majors that covers the major themes of biology, the scientific method, chemistry relevant to biological systems, cell processes including photosynthesis and cellular respiration, cell division, genetics, and molecular genetics. (3 hours lecture and 2 hours of lab) (4 semester hours of credit)
- BIO 1144--GENERAL BIOLOGY II**  
A combined lecture and laboratory course for science majors that reinforces themes and concepts introduced in BIO 1134 General Biology I, while emphasizing the diversity of life. Topics covered include evolution, classification, ecology, detailed consideration of major groups of organisms, viruses, and the study of animals and plants including their anatomy and physiology. Prerequisite: Pass BIO 1134 with a grade of "C" or higher grade. (3 hours lecture and 2 hours of lab) (4 semester hours of credit)
- BIO 1214--ENVIRONMENTAL SCIENCE**  
A combined lecture and laboratory course covering the relevance of ecological principles to environmental problems and the relationship of humans to their environment with emphasis on preservation of environmental quality. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture, 2 hours lab) (4 semester hours of credit)
- BIO 1314--BOTANY I**  
A combined lecture and laboratory course covering the representative groups of the plant kingdom, their anatomy, physiology, taxonomy, and economic importance. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture and 2 hours of lab) (4 semester hours of credit)
- BIO 1534--SURVEY OF ANATOMY & PHYSIOLOGY**  
A combined lecture and laboratory course covering essential principles of human anatomy and physiology are presented, including basic chemistry, cell and tissue studies, and an overview of the body systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture, 2 hours lab) (4 semester hours of credit)
- BIO 1613--NUTRITION**  
A lecture course covering the nutrients for normal growth and reducing risks of major chronic diseases, and applied to the selection of food for ingestion, the process of digestion, assimilation, absorption, and their applications for healthcare providers. (3 semester hours of credit)
- BIO 2414--ZOOLOGY I**  
A combined lecture and laboratory course that includes in-depth studies of phylogeny and classification systems, protozoa, and major invertebrate phyla. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: None. (3 hours lecture, 2 hours lab) (4 semester hours of credit)
- BIO 2424--ZOOLOGY II**  
A combined lecture and laboratory course that includes in-depth studies of vertebrate taxonomy and animal systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: None. (3 hours lecture, 2 hours lab) (4 semester hours of credit)
- BIO 2434--GENERAL ZOOLOGY**  
A combined lecture and laboratory course that covers phylogeny and classification systems and

studies of the invertebrate and vertebrate taxa. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (3 hours lecture, 2 hours lab.) (4 semester hours of credit)

**BIO 2514--ANATOMY AND PHYSIOLOGY I**

A combined lecture and laboratory course that covers the anatomical and physiological study of the human body as an integrated whole. The course includes detailed studies of: biological principles; tissues; and the integumentary, skeletal, muscular and nervous systems. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: ACT Composite 20+ or pass any 4-hour BIO course with a grade of "C" or higher. (3 hours lecture, 2 hours lab.) (4 semester hours of credit.)

**BIO 2524--ANATOMY AND PHYSIOLOGY II**

A combined lecture and laboratory course that includes detailed studies of the anatomy and physiology of human special senses, endocrine, cardiovascular, lymphatic and immune, respiratory, digestive, and urinary systems, as well as reproduction and development. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: Pass BIO 2514 with a "C" or higher grade. (3 hours lecture, 2 hours lab.) (4 semester hours of credit.)

**BIO 2924--MICROBIOLOGY**

A combined lecture and laboratory course providing a comprehensive study of microbial agents to include taxonomy, metabolism, physiology and genetics, concepts of pathogenesis and immunity. Labs in this course provide experiments that reinforce principles introduced in the lecture to include fundamental laboratory techniques in lab safety, microscopy, culturing and identification of microbes, and effectiveness of antimicrobial agents. Prerequisite: ACT Composite 20+ or pass any 4-hour BIO course with a grade of "C" or higher. (3 hours lecture, 2 hours lab.) (4 semester hours of credit.)

**BUSINESS ADMINISTRATION**

**BAD 2323--BUSINESS STATISTICS**

Introduction to statistical methods of collecting, presenting, analyzing, and interpreting data for business management and control. Topics include: central tendency and dispersion; probability; discrete and continuous distributions; estimation and hypothesis testing. Prerequisite: Pass MAT 1313 with a "C" or better grade. (3 semester hours credit.)

**BAD 2413--LEGAL ENVIRONMENT OF BUSINESS I**

An introduction to interrelationships of law and society, jurisprudence and business. Topics include an introduction to law, law of contracts, agency, and employment. (3 semester hours credit)

**CHEMISTRY**

**CHE 1114--CHEMISTRY SURVEY**

A combined lecture and laboratory basic chemistry course that covers terminology, measurements, atomic structure, nomenclature, chemical equations and basic stoichiometry. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. (4 semester hours credit.)

**CHE 1214--GENERAL CHEMISTRY I**

A combined lecture and laboratory course that covers the fundamental principles of chemistry and their application. Chemical nomenclature, chemical reactions, stoichiometry, atomic structure, bonding theories, energy, periodic properties, and gas laws are among the topics discussed in depth. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Pre/Co-requisite: MAT 1313. (4 semester hours credit.)

**CHE 1224--GENERAL CHEMISTRY II**

A combined lecture and laboratory course that covers solutions, kinetics, equilibria, thermodynamics, acid-base chemistry, and electrochemistry. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: Pass CHE 1214 with a "C" or higher grade. (4 semester hours credit.)

**CHE 2414--INTRODUCTORY ORGANIC CHEMISTRY**

A combined lecture and laboratory course for students requiring one semester of organic chemistry that covers the fundamentals, which include nomenclature, structure, properties and reactions. (4 semester hours of credit.)

**CHE 2424--ORGANIC CHEMISTRY I**

A combined lecture and laboratory course that covers carbon chemistry, bonding structure and behavior, aliphatic compounds, stereochemistry, reaction mechanisms, and an introduction to spectroscopic methods. Labs associated with this course acquaint students with important manipulations and procedures, and the preparation and study of organic compounds. Prerequisite: Pass CHE 1224 with a "C" or better grade. (4 semester hours credit.)

**CHE 2434--ORGANIC CHEMISTRY II**

A combined lecture and laboratory course that covers spectroscopy, aromatic compounds, carbonyl compounds, and other complex compounds with emphasis on reactions and their mechanisms. Labs associated with this course acquaint students with important manipulations and procedures, as well as the preparation and study of aromatic and complex organic compounds. Prerequisite: Pass CHE 2424 with a "C" or better grade. (4 semester hours credit.)

**COMMUNICATION**

**COM 1113--PUBLIC SPEAKING I**

Study and practice in making speeches for a variety of public forums. Major emphasis is placed on speech preparation and delivery. Prerequisite: ACT subscore of 17 in English or successful completion of ENG 0123/0124 - Intermediate English. (3 semester hours credit)

**COM 1413--FUNDAMENTALS OF BROADCASTING**

A course designed to acquaint the student with the basic techniques of radio and television broadcasting with practice before microphone and camera. (3 semester hours credit)

**COM 1423--INTRODUCTION TO BROADCASTING**

A historical overview of the development and operation of electronic and film media including a brief survey of mass communication theory and effects research. (3 semester hours credit)

**COM 1433--ANNOUNCING FOR RADIO AND TELEVISION**

To provide the student with the basic skills of the radio and television announcer. Diction, pronunciation, and reading will be studied on an individual and group basis. Utilization of equipment emphasized. (3 semester hours credit)

**COM 1443--RADIO PRODUCTION**

Introductory course in radio production covering control room on-air production and off-air program production. (3 semester hours credit)

**COM 1511--RADIO/TV PRODUCTION LAB**

Lab experience in radio or television production. (1 semester hour credit)

**COM 1521--RADIO/TV PRODUCTION LAB II**

Lab experience in radio or television production. (1 semester hour credit)

**COM 2173--INTERPERSONAL COMMUNICATION**

Theory and Analysis of dyadic relationships (one-on-one interactions). The course explores topics such as perception, listening, conflict management, relationship building and maintenance, and

relational power. (3 semester hours)

**COM 2463--WRITING FOR THE ELECTRONIC MEDIA**

Introductory course to teach the basic skills of broadcast writing, reporting and production. (3 semester hours credit)

**COM 2483--INTRODUCTION TO MASS COMMUNICATIONS**

A study of the history, organization, and mechanics of various mass media. Designed to help the student understand the roll of mass media in life and in society. (3 semester hours credit)

**COM 2511--RADIO/TV PRODUCTION LAB III**

Lab experience in radio or television production. (1 semester hour credit)

**COM 2521--RADIO/TV PRODUCTION LAB IV**

Lab experience in radio or television production. (1 semester hour credit)

## **COMPUTER SCIENCE**

**CSC 1113--COMPUTER CONCEPTS**

This is an introductory digital competency course which includes concepts, terminology, operating systems, electronic communications, security risks, digital ethics, and applications. Concepts are demonstrated and supplemented by hands-on computer use. (3 hr lecture) (3 semester hours credit)

**CSC 1123--COMPUTER APPLICATIONS I**

This course is designed to teach computer applications to include word processing, electronic spreadsheets, database management, presentation design, and electronic communications. (3 hr lecture). (3 semester hours credit)

**CSC 1213--VISUAL BASIC COMPUTER PROGRAMMING I**

This course is designed to introduce the writing of event-driven programs using the Visual Basic computer programming language with emphasis on problem solving, documentation, program statements, algorithms, and common routines. Course has lecture with integrated lab components. (3 hr lecture). (3 semester hours credit )

**CSC 1613--COMPUTER PROGRAMMING I**

Introduction to problem-solving methods and algorithm development; designing, debugging, branching, looping, scope rules, functions, input/output manipulation (to include text files), simple arrays, and a variety of applications in an object-oriented programming language. Course has lecture with integrated lab components. (3 hr lecture) (3 semester hours credit )

**CSC 2134--PROGRAMMING I WITH "C++"**

An introduction to problem solving methods, algorithm development, designing, debugging, and documentation in C++ language with a variety of applications including I/O statements, operators, conditional, looping, methods/functions, and array processing. (Course has a required lab component.) (3 hr lecture) (4 semester hours credit)

**CSC 2144--PROGRAMMING II WITH "C++"**

This course is designed to be a continuation of program and algorithm development and analysis, search/sort methods, dynamic memory management, abstract data types and object-oriented design, designing and debugging larger programs. (Course has a required lab component.)  
Prerequisite: Pass CSC 2134 with a grade of "C" or higher (3 hr lecture) (3 semester hours credit )

**CSC 2623--COMPUTER PROGRAMMING II**

This course is a continuation of the object-oriented language from CSC 1613. This includes advanced program development, algorithm analysis, string processing, recursion, internal search/sort methods,

simple data structures, debugging, and testing of large programs. (Course has lecture with integrated lab components.) Prerequisite: CSC 1613 (3 hr lecture) (3 semester hours)

## **CRIMINAL JUSTICE**

### **CRJ 1313--INTRODUCTION TO CRIMINAL JUSTICE**

History, development, and philosophy of law enforcement in a democratic society, introduction to agencies involved in the administration of criminal justice; career orientation. (3 semester hours credit)

### **CRJ 1323--POLICE ADMINISTRATION AND ORGANIZATION**

Principles of organization and administration in law enforcement as applied to law enforcement agencies; introduction to concepts of organizational behavior. (3 semester hours credit.)

### **CRJ 1363--INTRODUCTION TO CORRECTIONS**

An overview of the correctional field; its origins, historical and philosophical background, development, current status, relationship with other facets of the criminal justice system and future prospects. (3 semester hours credit)

### **CRJ 1383--CRIMINOLOGY**

The nature and significance of criminal behavior. Theories, statistics, trends, and programs concerning criminal behavior. (3 semester hours credit.)

### **CRJ 2313--POLICE OPERATIONS**

A study of the operation and administration of law enforcement agencies. Particular emphasis is placed on the functions of the patrol division. (3 semester hours credit.)

### **CRJ 2333--CRIMINAL INVESTIGATION**

Principles of investigation, search and recording, collection and preservation of evidence, finger printing, photography, sources of information, interviews, interrogation, and investigative problems in major crimes.(3 semester hours credit.)

### **CRJ 2413--ADMINISTRATION OF CRIMINAL JUSTICE**

A study of the legal concepts and procedures, including laws of arrest and search warrant procedures, beginning with the issuance of legal process to ultimate disposition, including information, indictments, arraignments, preliminary hearings, bail, juries and trial and penal conditions. (3 semester hours credit.)

### **CRJ 2513--JUVENILE JUSTICE**

Organization, functions, and jurisdiction of juvenile agencies. Processing, detention, and disposition of cases. Statutes and court procedures applied to juveniles. (3 semester hours credit.)

### **CRJ 2713--FOUNDATIONS OF TERRORISM**

Survey of the role of the criminal justice professional in combating terrorism in the modern world. (3 semester hours credit.)

## **ECONOMICS**

### **ECO 2113--PRINCIPLES OF MACROECONOMICS**

The study of a nation's economy to include the following topics: supply and demand, production possibilities, monetary and fiscal policies, factors of production, GDP/business cycles and economic growth and circular flow of market economies.

Prerequisite: ACT math subscore of 15 or pass MAT 0124 with a "C" or equivalent Accuplacer or COMPASS score. (3 semester hours credit)

### **ECO 2123--PRINCIPLES OF MICROECONOMICS**

The study of firms, industries and consumers to include the following topics: supply and demand, elasticity of demand and supply, consumer choice theory, production and cost theory and market structures.

Prerequisite: ACT math sub score of 15 or pass MAT 0124 with a "C" or equivalent Accuplacer or COMPASS score. (3 semester hours credit.)

## **EDUCATION**

### **EDU 1613--FOUNDATIONS IN EDUCATION**

Survey of the history and philosophies of American education with special emphasis on current issues and problems in education. Includes a minimum of 30 hours field experience. (3 semester hours credit.)

### **EDU 2513--INTRODUCTION TO ELEMENTARY EDUCATION**

An introduction to elementary schools and the role of teachers. Study of and formulation of philosophical thought in relation to educational assumptions, questions, problems and alternatives. Includes a minimum of 30 hours field experience in the elementary schools and/or middle schools. (3 semester hours credit)

## **EDUCATIONAL PSYCHOLOGY**

### **EPY 2513--CHILD PSYCHOLOGY**

A study of the various aspects of human growth and development during childhood. Topics include physical, psychosocial and cognitive development from conception into emerging adolescence. (3 semester hours credit)

### **EPY 2523--ADOLESCENT PSYCHOLOGY**

A study of human growth and development during adolescence. This includes physical, cognitive, and psychosocial development. (3 semester hours credit)

### **EPY 2533--HUMAN GROWTH & DEVELOPMENT**

A study of human growth and development from conception through late adulthood, including death and dying. Topics include physical, psychosocial and cognitive development. (3 semester hours credit)

## **ENGINEERING**

### **EGR 1113--INTRODUCTION TO ENGINEERING**

This course is designed to provide students with an introduction to engineering as a profession. Students will be familiarized with the various career pathways in engineering as well as planning for success in their chosen field. (3 semester hours credit)

### **EGR 1123--INTRODUCTION TO ENGINEERING DESIGN**

This course is designed to provide students with an overview of the engineering process ranging from design and planning to construction and testing through projects and mentoring. (3 semester hours credit)

### **EGR 2413--ENGINEERING MECHANICS I: STATICS**

A lecture course covering the equilibrium of point objects and extended objects in two and three dimensions using vector algebra. Also discussed are distributed forces, structures, friction, and moments of inertia in two and three dimensions. Prerequisite: Pass MAT 1623 and PHY 2514 with a "C" or better grade. (3 semester hours credit)

### **EGR 2433--ENGINEERING MECHANICS II: DYNAMICS**

A lecture course that covers kinematics of particles and rigid bodies, kinetics of particles and rigid bodies using force-mass acceleration, energy, and momentum methods. Prerequisite: Pass MAT 2613 and EGR 2413 with a "C" or better grade. (3 semester hours credit)

**EGR 2453--MECHANICS OF MATERIALS**

A lecture course covering free body diagrams, equilibrium of simple structures, shear and moment bending diagrams, analysis of stress and strain, and deflections of beams. Prerequisite: Pass MAT 2613 and EGR 2413 with a "C" or better grade. (3 semester hours credit)

**ENGLISH**

**ENG 0121--ENGLISH AND READING LAB 2**

Opportunity to provide supplemental instruction/practice/support in a structured lab environment. Lab may accompany ENG 0124. This lab is for institutional credit only. (1 semester hour) Credit hours do not transfer or count toward graduation.

**ENG 012(3-5)--INTERMEDIATE ENGLISH AND READING**

ENG 0123 is an integrated course designed to advance students to college level writing skills and reading strategies. Prerequisite: None (3, 4, or 5 semester hours) Students who score 15-16 in English on the ACT can petition to take ENG 1113 with conditions. Please see an advisor for this option. Credit hours do not transfer or count toward graduation.

**ENG 0131--ENGLISH AND READING LAB 3**

Opportunity to provide supplemental instruction/practice/support in a structured lab environment. Lab may accompany ENG 1113. This lab is for institutional credit only. (1 semester hour) Credit hours do not transfer or count toward graduation.

**ENG 0143--COMPOSITION COMPANION**

A companion course to ENG 1113 designed to provide direct support and scaffolding exercises for specific projects in the credit bearing course. Peer collaboration and one-on-one instructional support through the writing process are emphasized. Three lecture hours; for institutional credit only. Hours do not count toward graduation and will not transfer.

**ENG 1113--ENGLISH COMPOSITION I**

ENG 1113 prepares the student to think critically and compose texts for academic and professional rhetorical situations. Prerequisite: ACT 17 or higher in English or Pass ENG 012(3-5) with a "C" or higher grade or equivalent Accuplacer or COMPASS score. Students who score 15-16 in English on the ACT can petition to take ENG 1113 with conditions. Please see an advisor for this option. (3 semester hours credit.)

**ENG 1123--ENGLISH COMPOSITION II**

ENG 1123 is a continuation of ENG 1113 with emphasis on research, argumentation, and composition. Readings, essays, and a research paper are required. Prerequisite: Pass ENG 1113 with a "C" or higher grade. (3 semester hours credit)

**ENG 2133--CREATIVE WRITING I**

ENG 2133 involves reading and writing poetry, short fiction, creative nonfiction, and/or drama. Prerequisite: Pass ENG 1113 with a "C" or higher grade. (3 semester hours credit)

**ENG 2143--CREATIVE WRITING II**

ENG 2143 is a continuation of reading and writing poetry, short fiction, creative nonfiction, and/or drama Prerequisite: ENG 2133. (3 semester hours credit.)

**ENG 2153--TRADITIONAL GRAMMAR**

ENG 2153 focuses on the basic elements of English grammar and mechanics.

**ENG 2223--AMERICAN LITERATURE I**

ENG 2223 surveys representative prose and poetry of the United States from its beginnings to the Civil War. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit.)

**ENG 2233--AMERICAN LITERATURE II**

ENG 2233 surveys representative prose and poetry of the United States from Civil War to the present. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit)

**ENG 2323--BRITISH LITERATURE I**

ENG 2323 surveys British literature from the Anglo-Saxon Period through the Restoration and Eighteenth Century. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit.)

**ENG 2333--BRITISH LITERATURE II**

ENG 2333 surveys British literature from the Romantic Period to the present. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit)

**ENG 2423--WORLD LITERATURE I**

ENG 2423 surveys texts representative of global and historical diversity from the ancient world through the early modern world. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit)

**ENG 2433--WORLD LITERATURE II**

ENG 2433 surveys texts representative of global and historical diversity from the Enlightenment Period to the present. Prerequisite: Pass ENG 1123 with a "C" or higher grade. (3 semester hours credit)

**ENG 2913--OCCUPATIONAL WRITING**

The course begins with an assessment of the student's career goals and current on-the-job demands. An individualized writing program is planned to complement career goals and to raise on-the-job writing efficiency. A wide range of types of writing may be covered, such as minutes of business meetings, instruction manuals, brochures, book reviews, observation/academic/research articles, and articles for local, regional, and national periodicals. (3 semester hours credit)

**ENG 2923--WRITING FOR PUBLICATION**

ENG 2923 is designed for students who are interested in writing for publication. Emphasis is given to meeting specific publishing requirements for novels, short fiction, poetry, drama, television scripts, and newspaper and magazine articles. Prerequisite: ENG 2143. (3 semester hours credit.)

**FAMILY CONSUMER SCIENCE**

**FCS 1253--NUTRITION**

A lecture course covering the nutrients for normal growth and reducing the risks of major chronic diseases, and applied to the selection of food for ingestion, the processes of digestion, assimilation, absorption, and the applications for healthcare providers. (3 semester hours credit)

**GEOGRAPHY**

**GEO 1113--WORLD REGIONAL GEOGRAPHY**

A regional survey of the basic geographic features and major new developments of the nations of the world. (3 semester hours credit)

**GEO 1213--INTRODUCTION TO METEOROLOGY**

Descriptive study of weather with the objective of gaining appreciation of the variety of atmospheric phenomena. The effect of weather and climate on man and his activities. (3 semester hours credit)

**GEO 1233--INTRODUCTION TO CLIMATOLOGY**

A non-technical introduction to the climates of the earth. Topics include climatic controls, climate classification, climate zones of the world, climate change, and people's interaction with climate. (3 semester hours credit)

**HEALTH, PHYSICAL EDUCATION, & RECREATION**

**HPR 1111--GENERAL PHYSICAL EDUCATION ACTIVITIES I**

This course is designed to give students a current concept of physical education and recreation by developing body skills while engaging in various anaerobic and aerobic activities. (1 semester hour credit.)

**HPR 1121--GENERAL PHYSICAL EDUCATION ACTIVITIES II**

This course is designed to give students a current concept of physical education and recreation by developing body skills while engaging in various anaerobic and aerobic activities. Prerequisite: HPR 1111. (1 semester hour credit)

**HPR 1131--VARSITY SPORTS I**

Participation in \_\_\_\_Varsity sport (name sport). (1 semester credit hour)

**HPR 1141--VARSITY SPORTS II**

Participation in \_\_\_\_Varsity sport (name sport). (1 semester credit hour)

**HPR 1213--PERSONAL AND COMMUNITY HEALTH**

Application of principles and practices of healthful living to the individual and community; major health problems and the mutual responsibilities of home, school, and health agencies. (3 semester credit hours)

**HPR 1313--INTRODUCTION TO KINESIOLOGY/HEALTH, PHYSICAL EDUCATION AND RECREATION**

Introduction to the principles, literature, and organizations of the profession. Analysis of successful teaching with and discussion of the responsibilities and opportunities of professional personnel. Orientation of student to opportunities in the field. (3 semester credit hours)

**HPR 1511--TEAM SPORTS I**

Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)

**HPR 1521--TEAM SPORTS II**

Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)

**HPR 1531--INDIVIDUAL AND DUAL SPORTS I**

Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)

**HPR 1541--INDIVIDUAL AND DUAL SPORTS II**

Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)

**HPR 1551--FITNESS AND CONDITIONING TRAINING I**

Instruction and practice of basic principles of fitness and conditioning through a variety of exercises and activities. (1 semester credit hour)

**HPR 1561--FITNESS AND CONDITIONING TRAINING II**

Instruction and practice of basic principles of fitness and conditioning through a variety of exercises and activities. (1 semester credit hour)

**HPR 1591--HEALTH CONCEPTS OF PHYSICAL ACTIVITY AND WELLNESS**

This course is designed to help students develop an understanding of physical fitness and nutrition as they contribute to a healthy lifestyle and a reduced risk of disease. The student will better understand wellness concepts and engage in assessments with emphasis on personal fitness, disease prevention, nutrition, and weight control. (1 semester credit hour)

- HPR 1613--PHYSICAL EDUCATION AND THE ELEMENTARY SCHOOL**  
This is a study of the growth and development of children including their interests and tendencies as it relates to elementary physical education. Educational and physical education philosophy and objectives are stressed, as well as methods of teaching. Emphasis is placed on creating developmentally appropriate physical education for elementary students. Theory and laboratory. (3 semester credit hours)
- HPR 1711--SPORTS APPRECIATION**  
This course is designed to develop spectator awareness and appreciation of the major sports in our society. Material will include a brief history of sport, rules, equipment, and etiquette associated with the sport. (1 semester credit hour)
- HPR 2111--GENERAL PHYSICAL EDUCATION ACTIVITIES III**  
This course is designed to give students a current concept of physical education and recreation by developing body skills while engaging in various anaerobic and aerobic activities. Prerequisite: HPR 1121 (1 semester credit hour)
- HPR 2121--GENERAL PHYSICAL EDUCATION ACTIVITIES IV**  
This course is designed to give students a current concept of physical education and recreation by developing body skills while engaging in various anaerobic and aerobic activities. Prerequisite: HPR 2111. (1 semester credit hour)
- HPR 2131--VARSITY SPORTS III**  
Participation in \_\_\_\_Varsity sport (name sport). (1 semester credit hour)
- HPR 2141--VARSITY SPORTS IV**  
Participation in \_\_\_\_Varsity sport (name sport). (1 semester credit hour)
- HPR 2213--FIRST AID AND CPR**  
Instruction and practice in methods prescribed in the American Red Cross or American Heart Association standard and advanced courses. (3 semester credit hours)
- HPR 2323--RECREATIONAL LEADERSHIP**  
Planning and leadership techniques for conducting community recreation centers, playgrounds, parks, and school recreation programs. (3 semester credit hours)
- HPR 2413--INDIVIDUAL AND TEAM SPORTS OFFICIATING**  
Rules, interpretations, officiating techniques, and tournament organizations for individual and team sports for men and women. Open primarily to physical education majors. (3 semester credit hours)
- HPR 2423--FOOTBALL THEORY**  
Explores the theories, practices, tactics and strategies involved in coaching football. Emphasis will be placed upon the objectives, rules, regulations, and policies of competitive athletics, as well as on individual skills, team tactics, organization and management practices. (3 semester credit hours)
- HPR 2433--BASKETBALL THEORY**  
Explores the theories, practices, tactics and strategies involved in coaching basketball. Emphasis will be placed upon the objectives, rules, regulations, and policies of competitive athletics, as well as on individual skills, team tactics, organization and management practices. (3 semester credit hours)
- HPR 2453--BASEBALL THEORY**  
Explores the theories, practices, tactics and strategies involved in coaching baseball. Emphasis will be placed upon the objectives, rules, regulations, and policies of competitive athletics, as well as on individual skills, team tactics, organization and management practices. (3 semester credit hours)
- HPR 2511--TEAM SPORTS III**  
Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)

- HPR 2521--TEAM SPORTS IV**  
Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)
- HPR 2531--INDIVIDUAL AND DUAL SPORTS III**  
Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)
- HPR 2541--INDIVIDUAL AND DUAL SPORTS IV**  
Rules, techniques, participation and equipment in (activities) (name sport). (1 semester credit hour)
- HPR 2551--FITNESS AND CONDITIONING TRAINING III**  
Instruction and practice of basic principles of fitness and conditioning through a variety of exercises and activities. (1 semester credit hour)
- HPR 2561--FITNESS AND CONDITIONING TRAINING IV**  
Instruction and practice of basic principles of fitness and conditioning through a variety of exercises and activities. (1 semester credit hour)
- HPR 2712--ATHLETIC TRAINING TERMINOLOGY**  
Course to develop students' knowledge of musculoskeletal and orthopedic terminology related to therapeutic athletic training and other related health professions. (2 semester credit hours)
- HPR 2723--PREVENTION AND CARE OF ATHLETIC INJURIES**  
Theory and practice for the prospective athletic trainer or coach in the prevention and care of athletic injuries. (3 semester credit hours)
- HPR 2733--INTRODUCTION TO ATHLETIC TRAINING**  
Introduction to the profession, including but not limited to procedural aspects of the athletic training room operations, role delineations, preparation and competencies with 100 observational/experience hours under a Board of Certification (BOC) certified athletic trainer. This course is recommended for Athletic Training majors. Pre-requisite: Pass any 4-hour BIO course with a "C" or better. (3 semester credit hours)

## HISTORY

- HIS 1113--WESTERN CIVILIZATION I**  
This is a general survey of Western Civilization from ancient times to mid-seventeenth century. (3 semester credit hours)
- HIS 1123--WESTERN CIVILIZATION II**  
This is a general survey of Western Civilization since the seventeenth century. (3 semester credit hours)
- HIS 1163--WORLD CIVILIZATIONS I**  
This is a general survey of world history from ancient times to the 1500s. (3 semester credit hours)
- HIS 1173--WORLD CIVILIZATIONS II**  
This is a general survey of world history from the 1500s to modern times. (3 semester credit hours)
- HIS 2213--AMERICAN (U.S.) HISTORY I**  
This is a survey of American (US) history to 1877. (3 semester credit hours)
- HIS 2223--AMERICAN (U.S.) HISTORY II**  
This is a survey of American (U.S.) history since 1877. (3 semester credit hours)

## HONORS

**HON 1911--HONORS FORUM I**

Admission is by invitation only. Interdisciplinary studies of selected issues confronting the individual and society with discussions led by scholars, faculty, and/or students. (1 semester hour credit)

**HON 1913--HONORS LEADERSHIP I**

Admission by faculty consent. This course has as its central focus the development of leadership skills. It is designed to provide a basic understanding of leadership and group dynamics theory and to assist the student in developing a personal philosophy of leadership, an awareness of the moral and ethical responsibilities of leadership, and an awareness of one's own style of leadership. This course integrates readings from the humanities, classic works of literature, and experiential learning exercises with readings and discussions of traditional theories. (3 semester hours credit)

**HON 1921--HONORS FORUM II (with Lab)**

Admission is by invitation only. Interdisciplinary studies of selected issues confronting the individual and society with discussions led by scholars, faculty, and/or students. Prerequisite: HON 1911. (1 semester hour credit)

**HON 2911--HONORS FORUM III**

Admission is by invitation only. Interdisciplinary studies of selected issues confronting the individual and society with discussions led by scholars, faculty, and/or students. Prerequisite: HON 1921. (1 semester hour credit)

**HON 2921--HONORS FORUM IV**

Admission is by invitation only. Interdisciplinary studies of selected issues confronting the individual and society with discussions led by scholars, faculty, and/or students. Prerequisite: HON 2911. (1 semester hour credit)

**HUMANITIES**

**HUM 1113--HUMANITIES I**

Humanities I provides an overview of history's most memorable achievements spanning the major world civilizations of Africa, the Americas, Asia, Europe, and the Middle East from the Prehistoric Era to the Renaissance. A global perspective is presented through a survey of history, literature, music, philosophy, and the visual arts. (3 semester hours credit)

**HUM 1123--HUMANITIES II**

Humanities II, a continuation of Humanities I, provides an overview of history's most memorable achievements spanning the major world civilizations of Africa, the Americas, Asia, Europe, and the Middle East from the Renaissance to present day. A global perspective is presented through a survey of history, literature, music, philosophy, and the visual arts. (3 semester hours credit)

**JOURNALISM**

**JOU 1111--COLLEGE PUBLICATIONS I**

The laboratory course is designed to give practical experience in working with college newspaper and yearbook production. News, feature, and editorial writing, make-up and layout, editing, advertising, and photography will be emphasized according to student need. (1 semester hour credit)

**JOU 1121--COLLEGE PUBLICATIONS II**

A continuation of JOU 1111. Prerequisite: JOU 1111. (1 semester hour credit)

**JOU 1313--NEWS WRITING AND REPORTING I**

An introductory course in journalism designed to teach news writing and reporting, the construction of the news article with an emphasis on source news, features, sports, and interview stories and editorials. (3 semester hours credit)

**JOU 1323--NEWS WRITING AND REPORTING II**

An advanced journalism course designed to teach news writing and editing with an emphasis on news, features, sports, and editorials. (3 semester hours credit)

**JOU 2111--COLLEGE PUBLICATIONS III**

Open to students who have successfully completed JOU 1111, 1121, 1313, and 1323, or with consent of instructor. Prerequisite: JOU 1121. (1 semester hour credit)

**JOU 2121--COLLEGE PUBLICATION IV**

Open to students who have successfully completed JOU 1111, 1121, 1313, 1323, and 2111, or with consent of instructor. Prerequisite: JOU 2111. (1 semester hour credit)

**LEADERSHIP**

**LEA 1811--LEADERSHIP AND ORGANIZATION SKILLS I**

A study of leadership styles and skills, roles and functions of officers of student organizations. Includes parliamentary procedure, chain of command, communication, conducting effective meetings, role of constitution/by-laws, principle of ethics, etiquette, and working with volunteers. (1 semester hour credit)

**LEA 1821--LEADERSHIP AND ORGANIZATION SKILLS II** - Continued study of LEA 1811, ice breakers; non-verbal communication; role of functions in groups; power; time management; stress management; role of constitution; Personal Style type indicator; planning and goal setting; leadership mentoring. Prerequisite: LEA 1811. (1 semester hour credit)

**LEA 1911--LEADERSHIP AND COMMUNICATION SKILLS DEVELOPMENT - RECRUITING AND PUBLIC RELATIONS I**

This course familiarizes the student with his/her responsibilities as a member of the recruiting/public relations team. It explores leadership skills, communication, and factual information about the college. Through this course the student will be able to function as a representative in recruitment and in public relations. (1 semester hour credit)

**LEA 1921--LEADERSHIP AND COMMUNICATION SKILLS DEVELOPMENT - RECRUITING AND PUBLIC RELATIONS II**

A continuation of LEA 1911. Prerequisite: LEA 1911. (1 semester hour credit)

**LEA 2811--LEADERSHIP AND ORGANIZATION SKILLS III** - Continued study of LEA 1811, LEA 1821; participates fully in class; experiential roles chairing committees and events; lead decision making techniques; consensus, brain storming; observe and give feedback to group on role functions in group; lead planning and goal setting groups; and presentation of leadership topics. Prerequisite: LEA 1821. (1 semester hour credit)

**LEA 2821--LEADERSHIP AND ORGANIZATION SKILLS IV** - A continuation of activities and events of LEA 1811, LEA 1821, and LEA 2811; emphasizing servant leadership. Prerequisite: LEA 2811. (1 semester hour credit)

**LEA 2911--LEADERSHIP AND COMMUNICATION SKILLS DEVELOPMENT - RECRUITMENT AND PUBLIC RELATIONS III**

A continuation of LEA 1921. Prerequisite: LEA 1921. (1 semester hour credit)

**LEA 2921--LEADERSHIP AND COMMUNICATION SKILLS DEVELOPMENT - RECRUITING AND**

## **PUBLIC RELATIONS IV**

A continuation of LEA 2911. Prerequisite: LEA 2911. (1 semester hour credit)

### **LEARNING AND LIFE SKILLS**

- LLS 1152--COLLEGE LIFE** – College Life offers group experiences in study skills and career exploration. This course is designed to assist the first time student in achieving academic success. (2 semester hours credit)
- LLS 1212--SELF-AFFIRMATION** – This course is designed to help students increase self-awareness and to see the power of thoughts-both positively and negatively-to improve self-concepts. (2 semester hours credit)
- LLS 1223--LIFE SKILLS DEVELOPMENT**  
This course is designed to aid students in stress and anger management, and promote self-awareness. (3 semester hours credit)
- LLS 1323--CAREER EXPLORATION**  
This course is designed to assist students in determining career goals. Interest tests, personality inventories, and aptitude tests are given to help students determine career choices. (3 semester hours credit)
- LLS 1423--COLLEGE STUDY SKILLS**  
An advanced course in study skills that fosters insight and practice of critical reading skills and study techniques needed for efficient and effective perusal mastery of college-level courses, both undergraduate and graduate. (3 semester hours credit)
- LLS 1711--JOB SEARCH SKILLS**  
This course is designed to prepare students for job networking skills, completing applications, resume writing, interviewing, and job attitude. (1 semester hour credit)

### **LIBRARY AND SCIENCE**

- LIS 1122--BASIC LIBRARY RESEARCH**  
Students will learn the skills necessary to navigate various information resources and evaluate materials found. This includes using state-provided resources like MAGNOLIA and MELO. The course will focus on the paper writing process by finding and evaluating sources, discussing plagiarism and copyright, citing information, and annotating bibliographies. (2 semester hours credit)

### **MATHEMATICS**

- MAT 0111--MATH LAB 1**  
Opportunity to provide supplemental instruction/practice/support in a structured lab environment. Lab may accompany MAT 0123. This lab is for institutional credit only. (1 semester credit hour)
- MAT 0121--MATH LAB 2**  
Opportunity to provide supplemental instruction/practice/support in a structured lab environment. Lab may accompany MAT 1233. This lab is for institutional credit only. (1 semester credit hour)
- MAT 012(3-4)--BEGINNING ALGEBRA**  
A course in algebra to include operations with real numbers, linear equations, the coordinate system, linear inequalities, laws of exponents, operations with polynomials, and factoring. Prerequisite: ACT Math score 1-15, Accuplacer Elementary Algebra score 20-69, or equivalent COMPASS score. (3 or 4 semester hours credit) Credit hours do not transfer or count toward graduation.

- MAT 0131--MATH LAB 3**  
Opportunity to provide supplemental instruction/ practice/support in a structured lab environment. Lab may accompany MAT 1313 or higher. This lab is for institutional credit only. (1 semester credit hour)
- MAT 123(3-4)--INTERMEDIATE ALGEBRA**  
The topics include linear equations and their graphs; inequalities and number line graphs; rational expressions; factoring; laws of exponents; radicals; polynomials. Prerequisite: ACT Math score of 16-18, Accuplacer Elementary Algebra 70-87 or pass MAT 0124 with a "C" or better grade or equivalent COMPASS score. Students who score 17-18 in Math on the ACT can petition to take MAT 1313. Please see an advisor for this option. (3 or 4 semester hours credit) Credit hours do not transfer or count towards graduation.
- MAT 1313--COLLEGE ALGEBRA**  
This course includes inequalities; functions; linear and quadratic equations, circles, and their graphs; rational, radical, and higher-order equations: applications; polynomial and rational functions; logarithmic and exponential functions; systems of equations. Prerequisite: ACT Math score of 19, Accuplacer Elementary Algebra 88-120, or pass MAT 1233/1234 with a "C" or equivalent COMPASS score. Students who score 17-18 in Math on the ACT can petition to take MAT 1313. Please see an advisor for this option. (3 semester hours credit)
- MAT 1323--TRIGONOMETRY**  
This course includes trigonometric functions and their graphs; trigonometric identities; trigonometric equations; radian measurement; solutions of right and oblique triangles; inverse trigonometric functions; applications. Prerequisite: ACT Math score of 24 or pass MAT 1313 with a "C" or better grade. (3 semester hours credit)
- MAT 1333--FINITE MATHEMATICS**  
An introduction to sets, functions, matrices, linear programming, and probability with applications in business decision making and behavioral sciences. Prerequisite: ACT math subscore of 24 or pass MAT 1313 with a "C" or better grade. (3 semester hours credit)
- MAT 1513--BUSINESS CALCULUS I**  
A study of functions, limits, continuity, derivatives, and their applications to business and economics. Prerequisite: ACT Math score of 24 or pass MAT 1313 with a "C" or better grade. (3 semester hours credit)
- MAT 1613--CALCULUS I**  
This course includes the following topics: limits; continuity; the definition of the derivative; differentiation; applications; anti-derivatives. Prerequisite: ACT Math score of 26 or pass MAT 1323 with a "C" or better grade. (3 semester hours credit)
- MAT 1623--CALCULUS II**  
This course includes the following topics: the definite integral; differentiation and integration of transcendental functions, techniques of integration; applications. Prerequisites: Pass MAT 1613 with a "C" or better grade. (3 semester hours credit)
- MAT 1723--THE REAL NUMBER SYSTEM**  
Designed for elementary and special education majors, this course includes set theory, numeration systems, foundations of number theory, and properties and operations of real numbers. Pre/Corequisite: MAT 1313 or ACT Math score of 24. (3 semester hours credit)
- MAT 1733--GEOMETRY, MEASUREMENT AND PROBABILITY**  
Designed for elementary and special education majors, this course includes geometric definitions, shapes, and formulas; linear and angular measurements; unit conversions, statistics and probability. Pre/Co-requisite: MAT 1313 or ACT Math score of 24. (3 semester hours credit)
- MAT 1743--PROBLEM SOLVING WITH REAL NUMBERS**

Designed for elementary and special education majors, this course includes logic, applications of real numbers, probability, and statistics. Pre/Co-requisite: MAT 1313 or ACT Math score of 24. (3 semester hours credit)

**MAT 1753--QUANTITATIVE REASONING**

Designed for students who need only three hours of unspecified mathematics. Includes basic mathematical concepts from logic, algebra, set theory, probability, descriptive statistics, and finance. (3 semester hours credit)

**MAT 2113--INTRODUCTION TO LINEAR ALGEBRA**

This course includes the following topics: systems of linear equations; matrices; determinants; vector spaces; orthogonality; linear transformations; applications; eigenvalues and eigenvectors. Prerequisite: Pass MAT 1623 - Calculus II with a "C" or better grade. (3 semester hours credit)

**MAT 2323--STATISTICS**

Introduction to statistical methods of describing, summarizing, comparing, and interpreting data to include probability distributions, sampling, estimation, confidence intervals, and hypothesis testing. Prerequisite: Pass MAT 1313 with a "C" or better grade. (3 semester hours credit)

**MAT 2613--CALCULUS III**

This course includes the following topics: analytical geometry; parametric equations; polar coordinates; improper integrals, infinite series; vectors and geometry of space. Prerequisite: Pass MAT 1623 with a "C" or better grade. (3 semester hours credit)

**MAT 2623--CALCULUS IV**

This course includes the following topics: partial differentiation; optimization; multiple integration; vector calculus; quadric surfaces and line integrals; divergence theorem; Stokes' Theorem. Prerequisite: Pass MAT 2613 with a "C" or better grade. (3 semester hours credit)

**MAT 2913--DIFFERENTIAL EQUATIONS**

This course includes the following topics; solution of first and higher order differential equations, existence theorems, Laplace transforms; applications. Pre/Co-requisites MAT 2613 and Calculus IV. (3 semester hours credit)

**MILITARY SCIENCE**

**(AIR FORCE)**

**AFR 1111--IN DEFENSE OF OUR NATION I**

A survey course designed to be an introduction to the Air Force Reserve Officers Training Corps and the Air Force. (1 semester hour credit)

**AFR 1121-- IN DEFENSE OF OUR NATION I LAB**

An integral part of the program that provides the opportunity for cadets to practice officership skills and develop leadership and management techniques. This class centers on the organized cadet wing where activities are planned and conducted by cadets and supervised by detachment officers. This course also builds esprit de corps within the cadet organization and allows cadets to make errors and be given feedback on how they can correct them without serious consequences. (1 semester hour credit)

**AFR 1211--IN DEFENSE OF OUR NATION II**

A survey course designed to be an introduction to the Air Force Reserve Officers Training Corps and the Air Force. (1 semester hour credit)

**AFR 1221-- IN DEFENSE OF OUR NATION II LAB**

An integral part of the program that provides the opportunity for cadets to practice officership skills and develop leadership and management techniques. This class centers on the organized cadet wing where activities are planned and conducted by cadets and supervised by detachment officers. This course also builds esprit de corps within the cadet organization and allows cadets to make errors and be given feedback on how they can correct them without serious consequences. (1 semester hour credit)

**AFR 2111--DEVELOPMENT OF AIR POWER I**

This course is designed to examine general aspects of air and space power through a historical perspective. (1 semester hour credit)

**AFR 2121-- DEVELOPMENT OF AIR POWER I LAB**

An integral part of the program that provides the opportunity for cadets to practice officership skills and develop leadership and management techniques. This class centers on the organized cadet wing where activities are planned and conducted by cadets and supervised by detachment officers. This course also builds esprit de corps within the cadet organization and allows cadets to make errors and be given feedback on how they can correct them without serious consequences. (1 semester hour credit)

**AFR 2211--DEVELOPMENT OF AIR POWER II**

This course is designed to examine general aspects of air and space power through a historical perspective. (1 semester hour credit)

**AFR 2221-- DEVELOPMENT OF AIR POWER II LAB**

An integral part of the program that provides the opportunity for cadets to practice officership skills and develop leadership and management techniques. This class centers on the organized cadet wing where activities are planned and conducted by cadets and supervised by detachment officers. This course also builds esprit de corps within the cadet organization and allows cadets to make errors and be given feedback on how they can correct them without serious consequences. (1 semester hour credit)

**(ARMY)**

**AMR 1111—FOUNDATIONS OF OFFICERSHIP LECTURE AND LAB**

Introduction to the personal challenges and competencies which are critical for effective leadership in the Armed Forces. Students will examine the role of leadership, officership, and the Army profession as well as develop life skills such as goal settings, time management, physical fitness, and stress management. The focus is on developing basic knowledge and comprehension of Army leadership dimensions. Includes a leadership lab and physical training. (1 semester hour credit)

**AMR 1121—BASIC LEADERSHIP LECTURE AND LAB**

Fundamental leadership and training techniques with exposure to setting direction, map reading, problem-solving, presenting briefs and using effective writing skills. Students will explore dimensions of leadership attributes and core leader competencies in the context of practical, hands-on, and interactive exercises. Considerable attention is also placed on improving physical fitness. Includes a leadership lab and physical training. (1 semester hour credit)

**AMR 2112--INDIVIDUAL LEADERSHIP STUDIES**

Develop effective military leadership skills: problem analysis, decision making, planning and organizing, delegation and control, and interpersonal conflict resolution. Includes a leadership lab and physical training. (2 semester credit hours)

**AMR 2122--LEADERSHIP AND TEAMWORK**

An application of leadership skills with an emphasis on: beliefs, values, ethics, counseling techniques, map reading, land navigation, basic first aid, and group interaction. Includes a leadership lab and physical training. (2 semester credit hours)

## MODERN AND FOREIGN LANGUAGE

**MFL 1113--FRENCH I**

MFL 1113, an oral-aural approach, stresses conversation, pronunciation; comprehension, reading, writing and functional grammar with emphasis on the practical aspects of the language. (3 semester hours credit)

**MFL 1123--FRENCH II**

MFL 1123 continues MFL 1113 with wider vocabulary and more complex structures and functions. Prerequisite: Pass MFL 1113 with a "C" or higher grade. (3 semester hours credit)

**MFL 1213--SPANISH I**

MFL 1213, an oral-aural approach stresses conversation, pronunciation, listening comprehension, reading, writing, and functional grammar with emphasis on communication. (3 semester hours credit)

**MFL 1223--SPANISH II**

MFL 1223 continues MFL 1213 with wider vocabulary and more complex structures and functions. Prerequisite: Pass MFL 1213 with a "C" or higher grade. (3 semester hours credit)

**MFL 1713--ITALIAN I**

MFL 1713 is an oral-aural approach to the Italian language that stresses conversation, pronunciation, comprehension, reading, writing, and functional grammar with emphasis on practical aspects and applications of the language. (3 semester hours credit)

**MFL 1723--ITALIAN II**

MFL 1723 continues MFL 1713 that incorporates a broader vocabulary base and usage of more complex structures and functions. Prerequisite: Pass MFL 1713 with a "C" or higher grade. (3 semester hours credit)

**MFL 2113--FRENCH III**

MFL 2113 continues MFL 1123 with additional materials of literary and cultural value. Prerequisite: Pass MFL 1123 with a "C" or higher grade. (3 semester hours credit)

**MFL 2123--FRENCH IV**

MFL 2123 continues MFL 2113 with additional literary and cultural readings and compositions as well as a review of essential elements of grammar. Prerequisite: Pass MFL 2113 with a "C" or higher grade. (3 semester hours credit)

**MFL 2213--SPANISH III**

MFL 2213 continues MFL 1223 with additional materials of literary and cultural value. Prerequisite: Pass MFL 1223 with a "C" or higher grade. (3 Semester hours credit)

**MFL 2223--SPANISH IV**

MFL 2223 continues MFL 2213 with additional literary and cultural readings and compositions as well as a review of essential elements of grammar. Prerequisite: Pass MFL 2213 with a "C" or higher grade. (3 semester hours credit)

**MFL 2613--FOREIGN LANGUAGE STUDY ABROAD**

MFL 2613 is a unique language and culture learning opportunity designed and provided by individual colleges. Location, duration, and requirements may vary by institution.

**MFL 2713--ITALIAN III**

MFL 2713 continues MFL 1723 to include additional materials of literary and cultural value. Prerequisite: Pass MFL 1723 with a "C" or higher grade. (3 semester hours credit)

**MFL 2723--ITALIAN IV**

MFL 2723 continues MFL 2713 that provides the students with additional exposure to literary and cultural readings, as well as, challenging students to produce compositions.

Prerequisite: Pass MFL 2713 with a "C" or higher grade. (3 semester credit hours)

## **MUSIC APPLIED**

### **(Brass, Guitar, Percussion, Piano, Strings, Voice and Woodwinds)**

A minimum of three hours practice per week per credit hour required. Ten hours per week recommended for major instrument for Music Education students.

- MUA 1111, 1121, 2111, 2121 CLASS BRASS I, II, III, & IV – Brass Instruction for music majors**  
Brass Instruction for music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of brass instruction and performance.
- MUA 1141, 1151, 2141, 2151--ELECTIVE BRASS I, II, III, & IV**  
Brass instruction for non-brass/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing.
- MUA 1172, 1182, 2172, 2182--BRASS FOR MUSIC EDUCATION MAJORS I, II, III, & IV**  
Brass instruction for music education majors and advanced non-music majors with an emphasis on brass instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability.
- MUA 1173, 1183, 2173, 2183--BRASS FOR MUSIC MAJORS I, II, III, & IV**  
Brass instruction for performance majors. Designed to teach the fundamental principles of playing, explore advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability.
- MUA 1211, 1221, 2211, 2221--CLASS GUITAR I, II, III, & IV**  
Instruction for beginning guitar players that includes basic accompanying styles and an introduction to classical guitar technique.
- MUA 1241, 1251, 2241, 2251--ELECTIVE GUITAR I, II, III, & IV**  
Guitar instruction for non-music majors and music majors who wish to take guitar as an elective. Introduction to classical guitar technique, literature, and performance of standard literature.
- MUA 1272, 1282, 2272, 2282--GUITAR FOR MUSIC EDUCATION MAJORS I, II, III & IV**  
Guitar for music education majors with guitar as their area of emphasis. Introduction to guitar technique, literature and performance of standard literature.
- MUA 1411, 1421, 2411, 2421--CLASS PERCUSSION I, II, III, & IV**  
Percussion instruction for music majors and non-music majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing.
- MUA 1441, 1451, 2441, 2451--ELECTIVE PERCUSSION I, II, III, & IV**  
Percussion instruction for non-percussion/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing.
- MUA 1472, 1482, 2472, 2482--PERCUSSION FOR MUSIC EDUCATION I, II, III, & IV**  
Percussion instruction for music majors, with an emphasis on percussion instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature and develop the student's interest in playing.
- MUA 1473, 1483, 2473, 2483--PERCUSSION FOR MUSIC MAJORS I, II, III, & IV**

Percussion instruction for music majors. Designed to teach the fundamental principles of playing, explore advanced levels of literature and develop the student's interest in playing.

**MUA 1541, 1551, 2541, 2551--PIANO FOR NON-MUSIC MAJORS I, II, III, & IV**

Individual piano instruction for non-music majors.

**MUA 1572/1582--PIANO FOR KEYBOARD MAJORS (MUSIC EDUCATION) I & II**

Individual piano instruction including technique, appropriate repertoire, and memorization.

**MUA 1573, 1583, 2573, 2583--PIANO FOR KEYBOARD MAJORS (PERFORMANCE) I, II, III, & IV**

Intensive individual piano instruction including technique, appropriate repertoire, and memorization.

**MUA 1611, 1621, 2611, 2621--CLASS STRINGS I, II, III, & IV**

Group instruction in tone production, bowings, fingerings, and positions for bowed string instruments.

**MUA 1641, 1651, 2641, 2651--STRINGS FOR NON MAJORS (Elective Strings) I, II, III, & IV**

Bowed string instrument instruction for music majors with strings as a secondary area of emphasis. Introduction to tuning, tone production, bowings, fingerings, and positions.

**MUA 1672, 1682, 2672, 2682--STRINGS FOR MUSIC EDUCATION MAJORS I, II, III, & IV**

Bowed string instrument instruction for music majors with strings as their area of emphasis. Introduction to string technique, literature, etudes and performance standard literature.

**MUA 1711, 1721, 2711, 2721--CLASS VOICE I, II, III, & IV**

Class voice is designed to teach the fundamental principles of singing, explore elementary to moderate levels of vocal literature and develop and improve the student's vocal ability in a group setting.

**MUA 1741, 1751, 2741, 2751--VOICE FOR NON-VOCAL MAJORS I, II, III, & IV**

Voice for non-vocal majors is designed to teach the fundamental principles of singing, explore moderate levels of vocal literature and develop and improve the student's vocal ability.

**MUA 1772, 1782, 2772, 2782--VOICE FOR VOCAL MUSIC EDUCATION MAJORS I, II, III, & IV**

Voice for vocal music majors is designed to teach the fundamental principles of singing, explore varied vocal literature, and develop and improve the student's vocal ability.

**MUA 1811, 1821, 2811, 2821--CLASS WOODWINDS I, II, III, & IV**

Woodwind instruction for music majors and non-music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature, and develop the student's knowledge of woodwind instruction and performance.

**MUA 1841, 1851, 2841, 2851-- ELECTIVE WOODWINDS I, II, III, & IV**

Woodwind instruction for non-woodwind/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature, and develop the student's interest in playing.

**MUA 1872, 1882, 2872, 2882--WOODWINDS FOR MUSIC EDUCATION MAJORS I, II, III, & IV**

Woodwind instruction for music education majors with an emphasis on woodwind instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing, and strengthen the student's playing ability.

## **MUSIC FOUNDATIONS**

**(Education, History, Literature, & Theory)**

**MUS 1113--MUSIC APPRECIATION**

A course designed to give the student, thorough listening and written work, the ability to understand, appreciate, and evaluate music of Western Culture. (3 semester hours credit)

**MUS 1123--MUSIC SURVEY (MAJORS)**

Advanced listening course, designed to acquaint the music major with a broad overview of musical style and repertoire from antiquity to the present. (3 semester hours credit)

**MUS 1211--MUSIC THEORY I, LAB** – Lab instruction. Sight-singing, ear training and dictation.  
(1 semester hour credit)

**MUS 1214--MUSIC THEORY I**

Study of functional harmony through analysis, part-writing, sight-singing, and ear training. This course includes lab instruction in sight-singing, ear training, and dictation. (4 semester hours credit)

**MUS 1221--MUSIC THEORY II, LAB** - Lab instruction. Sight-singing, ear training and dictation.  
(1 semester hour credit)

**MUS 1224--MUSIC THEORY II, LECTURE/LAB**

Continued study of functional harmony through analysis, part-writing, sight-singing, and ear training. This course includes lab instruction in sight-singing, ear training, and dictation.  
(4 semester hours credit)

**MUS 1811--MUSIC THEATER WORKSHOP I**

The workshop is designed to introduce and engage students in all facets of music theatre. One public performance will be given each semester. Open to music majors and non-music majors.  
(1 semester hour credit)

**MUS 1821--MUSIC THEATER WORKSHOP II**

The workshop is designed to introduce and engage students in all facets of music theatre. One public performance will be given each semester. Open to music majors and non-music majors.  
(1 semester hour credit)

**MUS 2211--MUSIC THEORY III, LAB** – Lab instruction. Sight-singing, ear training, and dictation.  
(1 semester hour credit)

**MUS 2214--MUSIC THEORY III, LECTURE/LAB**

Continuation studies of functional harmony through analysis, part-writing, sight-singing, and ear training. This course includes lab instruction in sight-singing, ear training, and dictation.  
(4 semester hours credit)

**MUS 2221--MUSIC THEORY IV, LAB** – Lab instruction. Sight-singing, ear training, and dictation.  
(1 semester hour credit)

**MUS 2224--MUSIC THEORY IV, LECTURE/LAB**

Continued study of functional harmony through analysis, part-writing, sight-singing, and ear training. This course includes lab instruction in sight-singing, ear training, and dictation.  
(4 semester hours credit)

**MUS 2313--MUSIC HISTORY I**

Study of Western music beginning in ancient Greece and continuing through the Baroque. Study includes early music, middle ages, Renaissance, Baroque and the various aspects of style analysis as exemplified in the works of the major composers of each period. (3 semester hours credit)

**MUS 2323--MUSIC HISTORY II**

Study of Western music beginning in the Classical period and continuing to present day. Study includes Classical, Romantic, and twentieth century music and the various aspects of style and genres exemplified in the works of the major composers of each period. (3 semester hours credit)

**MUS 2613--MUSIC LITERATURE**

A listening course designed to give the student a better understanding of music through the ages. It offers the non-music major as well as the music major an opportunity to explore music as an art.  
(3 semester hours credit)

**MUS 2811--MUSIC THEATER WORKSHOP III**

The workshop is designed to introduce and engage students in all facets of music theatre. One public performance will be given each semester. Open to music majors and non-music majors.  
(1 semester hour credit)

**MUS 2821--MUSIC THEATRE WORKSHOP IV**

The workshop is designed to introduce and engage students in all facets of music theatre. One public performance will be given each semester. Open to music majors and non-music majors.  
(1 semester hour credit)

**MUSIC ORGANIZATIONS**

**(Band, Small Band Groups, Stage Band, Choir, Small Singing Groups)**

**MUO 1111, 1121, 2111, 2121--BAND I, II, III, & IV**

Designed to teach the fundamental principles of playing musical instruments, explore varied levels of literature and develop the student's knowledge of performance techniques.

**MUO 1131, 1141, 2131, 2141--SMALL INSTRUMENT ENSEMBLE I, II, III, & IV**

Designed to explore varied levels of literature and develop the student's knowledge of performance technique in small ensembles and auxiliary groups.

**MUO 1151, 1161, 2151, 2161--SMALL MIXED ENSEMBLE I, II, III, & IV**

Designed to explore varied levels of literature and develop the student's knowledge of performance technique in small ensembles and auxiliary groups.

**MUO 1171, 1181, 2171, 2181--LARGE JAZZ ENSEMBLE I, II, III, & IV**

A course designed to give students the opportunity to perform jazz and a variety of music styles in a "big band" setting or similar instrumentation. Instructor permission required.

**MUO 1211, 1221, 2211, 2221--CHOIR I, II, III, & IV**

A course for music majors and non-majors focused on performing choral music from a variety of style periods.

**MUO 1241, 1251, 2241, 2251--SMALL VOICE ENSEMBLE I, II, III, & IV**

A course for select singers focused on performing from one or more genres of music.

**PHILOSOPHY AND RELIGION**

**PHI 1113--OLD TESTAMENT SURVEY**

The student will survey the Old Testament (Hebrew Bible) with regard to its worth as a literary work, along with significant dates, themes, concepts and contributions of its characters to that history and literature. (3 semester hours credit)

**PHI 1133--NEW TESTAMENT SURVEY**

A study of the New Testament covering the life of Jesus of Nazareth and the establishment of the early church as presented in the Gospels, Acts, and other New Testament books.  
(3 semester hours credit)

**PHI 1153--JESUS AND THE GOSPELS**

This course is a study of the life and ministry of Jesus of Nazareth as recorded in the four canonical gospels with specific consideration of the geographical, political, and social conditions of the 1st

century and recognition of various early interpretations of the meaning of the life and person of Jesus. (3 semester hours credit)

**PHI 1163--ACTS AND THE EPISTLES**

A survey of the work of the apostles as portrayed in the Book of Acts and the Epistles. Attention is given to the development of 1st Century Christian church and the historical background of the various Epistles. Notice is taken of the proper setting of the various Epistles. (3 semester hours credit)

**PHI 2113--INTRODUCTION TO PHILOSOPHY I**

An introduction to the major themes and history of the discipline of Philosophy with an emphasis on the development of critical thinking skills. (3 semester hours credit)

**PHI 2613--WORLD RELIGIONS I**

An introduction to the beliefs and development of Buddhism, Christianity, Hinduism, Islam, Judaism, and other religious traditions. (3 semester hours credit)

**PHYSICS**

**PHY 1114--INTRODUCTION TO ASTRONOMY**

A combined lecture and laboratory course that includes surveys of the solar system, our galaxy, and the universe. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes (3 hours lecture, 2 hours laboratory) (4 semester hours credit)

**PHY 2244--PHYSICAL SCIENCE I**

A combined lecture and laboratory course that includes studies of measurements and units, electricity, mechanics, heat, sound, light, and astronomy. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Pre/Co-requisite: MAT 1233/1234 or higher. (3 hours lecture, 2 hours lab.) (4 semester hours credit)

**PHY 2254--PHYSICAL SCIENCE II**

A combined lecture and laboratory course that includes studies of chemistry, geology and meteorology. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Pre/Co-requisite: MAT 1233/1234 or higher. (3 hours lecture, 2 hours lab) (4 semester hours credit)

**PHY 2414--GENERAL PHYSICS I**

A combined lecture and laboratory course covering mechanics and conservation laws. This is a non-calculus based course primarily for pre-professional majors. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Pre/Co-requisite: MAT 1323 or ACT Math subscore of 26 or higher. (3 semester hours lecture, 2 hours lab.) (4 semester hours credit)

**PHY 2424--GENERAL PHYSICS II**

A combined lecture and laboratory course covering electricity, magnetism, and optics. This is a non-calculus based course primarily for pre-professional majors. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: Pass PHY 2414 with a "C" or better grade. (3 hours lecture, 2 hours lab.) (4 semester hours credit)

**PHY 2514--GENERAL PHYSICS I-A**

A combined lecture and laboratory course covering mechanics and conservation laws. This is a calculus based course primarily for students of engineering, science, or mathematics. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Pre/co-requisite: MAT 1613. (3 hours lecture, 2 hours lab.) (4 semester hours credit)

**PHY 2524--GENERAL PHYSICS II-A**

A combined lecture and laboratory course covering electricity, magnetism, and optics. This is a calculus-based course primarily for students of engineering, science or mathematics. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisite: MAT 1613 and PHY 2514; Co-requisite: MAT 1623. (3 hours lecture, 2 hours lab.) (4 semester hours credit)

**POLITICAL SCIENCE**

**PSC 1113--AMERICAN NATIONAL GOVERNMENT**

Survey of the organizations, political aspects, and basis of national government. (3 semester hours credit)

**PSC 1123--AMERICAN STATE AND LOCAL GOVERNMENT**

The relationship among states, national and local governments. The organization, function, and operation of the three branches with emphasis on the state and local government. (3 semester hours credit)

**PSYCHOLOGY**

**PSY 1513--GENERAL PSYCHOLOGY**

An introduction to the scientific study of human behavior and mental processes. This includes history and theories of psychology, research methods, biological bases of behavior, the principles of learning, personality and abnormal behavior. (3 semester hours credit)

**PSY 2513--CHILD PSYCHOLOGY**

A study of the various aspects of human growth and development during childhood. Topics include physical, psychosocial and cognitive development from conception into emerging adolescence. (3 semester hours credit)

**PSY 2523--ADOLESCENT PSYCHOLOGY**

A study of human growth and development during adolescence. This includes physical, cognitive, and psychosocial development. (3 semester hours credit)

**PSY 2533--HUMAN GROWTH & DEVELOPMENT**

A study of human growth and development from conception through late adulthood, including death and dying. Topics include physical, psychosocial and cognitive development.

**PSY 2553--PSYCHOLOGY OF PERSONAL ADJUSTMENT**

A course to aid in developing an understanding of personal adjustment with emphasis placed on personal issues through life, love and relationships, wellness, and career exploration. Prerequisite: PSY 1513. (3 semester hours credit)

**SOCIAL WORK**

**SWK 1113--SOCIAL WORK: A HELPING PROFESSION**

The course exposes students to a "helping" profession that plays a central role in addressing human needs. Students are exposed to personal/lived experiences of social work clients and successes of "real" social workers in respective practices such as mental health, child welfare, disaster, corrections, faith-based, military, international relief, and industry. (3 semester hours credit)

**SOCIOLOGY**

- SOC 2113--INTRODUCTION TO SOCIOLOGY**  
This course introduces the scientific study of human society and social interaction. Social influences on individuals and groups are examined. (3 semester hours credit)
- SOC 2133--SOCIAL PROBLEMS**  
A study of the theoretical analysis, nature, scope, and effects of contemporary social problems and policy measures used to address them. (3 semester hours credit)
- SOC 2143--MARRIAGE AND FAMILY**  
A study of the development of marriage and family as cultural units in society. (3 semester hours credit)
- SOC 2513--ETHNIC RELATIONS**  
Economic, political, educational, and racial status of ethnic minorities are examined, including relations between ethnic groups. (3 semester hours credit)

### **SPEECH**

- SPT 1113--PUBLIC SPEAKING I**  
Study and practice in making speeches for a variety of public forums. Major emphasis is placed on speech preparation and delivery. Prerequisite: ACT subscore of 17 in English or successful completion of ENG 0123/0124 - Intermediate English. (3 semester hours credit)
- SPT 1233--ACTING I**  
An introduction to the training of the voice, body and imagination as the foundations of the work of an actor through the study of acting theory, vocabulary, theatrical games, and scene work. (3 semester hours credit)
- SPT 1241--DRAMA PRODUCTION I**  
Participation in college drama productions. Required for theatre majors. (1 semester hour credit)
- SPT 1251--DRAMA PRODUCTION II**  
Participation in college drama. Required for theatre majors. (1 semester hour credit)
- SPT 2173--INTERPERSONAL COMMUNICATION**  
Theory and Analysis of dyadic relationships (one-on-one interactions). The course explores topics such as perception, listening, conflict management, relationship building and maintenance, and relational power. (3 semester hours)
- SPT 2233--THEATRE APPRECIATION**  
An introduction of the cultural, historical and social aspects of drama. Class content provides an appreciation of theatre and performance art to develop audience standards through demonstration of the unique characteristics of theatre. A fine arts elective. (3 semester hours credit)
- SPT 2241--DRAMA PRODUCTION III**  
Participation in college drama. Required for theatre majors. (Individuals enrolled in drama production should be prepared to attend auditions, rehearsals, and performances at times other than regularly scheduled class meetings.) (1 semester hour credit)
- SPT 2251--DRAMA PRODUCTION IV**  
Participation in college drama. Required for theatre majors. (Individuals enrolled in drama production should be prepared to attend auditions, rehearsals, and performances at times other than regularly scheduled class meetings.) (1 semester hour credit)
- SPT 2313--PLAYWRITING**  
Practice in the fundamentals of dramatic composition. Reading, discussion, and analysis of written work, as well as an emphasis on original work. Prerequisite: ENG 1113 – English Composition I.

(3 semester hours credit)

**SPT 2323--THE HISTORY OF THEATRE**

A survey of the theatre with emphasis on the physical structure, production problems and theatrical personalities within the discipline. Additional emphases on origins into current trends in professional theatre, as well as its historical and cultural impact on society. (3 semester hours credit)

## **CAREER & TECHNICAL COURSE DESCRIPTIONS**

### **AUTOMATION AND CONTROL TECHNOLOGY**

**INT 1214--FLUID POWER**

This basic course provides instruction in hydraulics and pneumatics. The course covers actuators, accumulators, valves, pumps, motors, coolers, compression of air, control devices and circuit diagrams. Emphasis is placed on the development of control circuits and troubleshooting techniques. (4 sch: 3 hr. lecture, 2 hr. lab)

**INT 2114--CONTROL SYSTEMS I**

This is an introductory course to provide information on various instrumentation components and processes. Topics include analyzing pressure processes, temperatures, flow, and level. Prerequisite: AC Circuits (EET 1123) (4 sch: 3 hr. lecture, 2 hr. lab)

**MFT 1112--INTRODUCTION TO AUTOMATION AND CONTROLS**

Introduction to manufacturing/industrial technology with emphasis on safe work practices, manufacturing dynamics, use of test equipment, and fundamentals of automation and control technology. (2 sch: 1 hr. lecture, 2 hr. lab)

**MFT 2413--COMPUTER INTEGRATED MANUFACTURING**

This course is a study of how computers, robots, CAD/CAM, vision systems, and other automated systems can be used in computer integrated manufacturing (CIM). (3 sch: 2 hr. lecture, 2 hr. lab)

**ROT 1113--FUNDAMENTALS OF ROBOTICS**

This course is designed to introduce the student to industrial robots. Topics to be covered include robotics history, industrial robot configurations, operation, and basic programming. (3 sch: 2 hr. lecture, 2 hr. lab)

**ROT 1313--INDUSTRIAL ROBOTICS**

This course teaches the operating systems and advanced programming methods of industrial robots. Actual industrial grade robots are used to train the student in the areas of operation, maintenance, troubleshooting, service procedures, and robotics applications. (3 sch: 2 hr. lecture, 2 hr. lab)

**ROT 2413--AUTOMATED MANUFACTURING CONTROLS**

This course is designed to teach the students the integrated control systems found in automated systems. Emphasis will be placed on encoders, optical devices, servo motors, stepper motors, computerized numerical control (CNC), vision and sensing systems, lasers, programmatic controllers, motor speed controls, and other similar devices. (3 sch: 2 hr. lecture, 2 hr. lab)

**ROT 2613--MECHANICAL SYSTEMS**

This course introduces the students to mechanical components and drive systems commonly used in the industry. Emphasis is placed on installation, maintenance, and troubleshooting of these components and systems. (3 sch: 2 hr. lecture, 2 hr. lab)

**AUTOMOTIVE TECHNOLOGY**

**ATT 1124--BASIC ELECTRICAL/ELECTRONIC SYSTEMS**

A course to provide advanced skills and knowledge related to all components of the vehicle electrical system including lights, instruments, and charging components. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 1134--ADVANCED ELECTRICAL/ELECTRONIC SYSTEMS**

This is a course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including gauges, driver information systems, horn, wiper/wiper systems, and accessories. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 1214--BRAKES**

A course to provide advanced skills and knowledge related to the repair and maintenance of brake systems on automobiles. Including instruction and practice in diagnosis of braking systems problems and the repair of brake systems. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 1314--MANUAL DRIVE TRAINS/TRANSAXLES**

A course to provide advanced skills and knowledge related to the maintenance and repair of manual transmissions, transaxles and drive train components. Includes instruction in the diagnosis of drive train problems and the repair and maintenance of transmissions, transaxles, clutches, CV joints, differentials and other components. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 1424--ENGINE PERFORMANCE I**

A course to provide advanced skills and knowledge related to the maintenance and adjustment of gasoline engines for optimum performance. Includes instruction and practice in the diagnosis and correction of problems associated with poor performance. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 1715--ENGINE REPAIR**

A course to provide advanced skills and knowledge related to the repair and rebuilding of automotive-type engines. Includes instruction and practice in the diagnosis and repair of engine components including valve trains, blocks, pistons and connecting rods, crankshafts, and oil pumps. (5 sch: 2 hr. lecture, 6 hr. lab)

**ATT 1811--INTRODUCTION, SAFETY, AND EMPLOYABILITY SKILLS**

This is a course designed to provide knowledge of classroom and lab policies and procedures. Safety practices and procedures associated with the automotive program and automotive industry.(1 sch: 1hr lecture)

**ATT 2325--AUTOMATIC TRANSMISSIONS/TRANSAXLES**

This is a course designed to provide skills and knowledge related to the diagnosis of automatic transmissions and transaxles. Includes instruction and practice of testing, inspecting, and repair of

these devices. (5 sch: 2 hr. lecture, 6 hr. lab)

**ATT 2334--STEERING AND SUSPENSION SYSTEMS**

A course to provide advanced skills and knowledge related to the inspection and repair of steering and suspension systems on automobiles. Includes instruction and practice in the diagnosis of steering system problems and the repair/replacement of steering systems components. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 2434--ENGINE PERFORMANCE II**

This is a course designed to provide advanced skills and knowledge related to the ignition systems, fuel, air induction and exhaust systems. It includes instruction, diagnosis, and correction of problems associated with these areas. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 2444--ENGINE PERFORMANCE III**

This is a course designed to provide advanced skills and knowledge related to the emissions control systems and engine related service. It includes instruction, diagnosis, and correction of problems associated with in these areas. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 2614--HEATING AND AIR CONDITIONING**

This course is designed to provide advanced skills and knowledge associated with the maintenance and repair of automotive heating and air conditioning systems. It includes instruction and practice in the diagnosis and repair of heating and air conditioning system components and control systems. (4 sch: 2 hr. lecture, 4 hr. lab)

**ATT 2915--SPECIAL PROBLEMS IN AUTOMOTIVE TECHNOLOGY**

This course provides students with an opportunity to utilize skills and knowledge gained in other Automotive Technology Courses. The instructor and student(s) work closely together to select the topics and establish criteria for completion of the project(s). This course is designed to provide students with a solid and fundamental comprehensive review of the higher level tasks taught throughout the course during their final semester of the automotive Technology program. (5 sch: 2-hr lecture, 6-hour lab)

**BUSINESS AND MARKETING MANAGEMENT TECHNOLOGY**

**MMT 1113--PRINCIPLES OF MARKETING**

Study of principles and problems of marketing goods and services and methods of distribution from producer to consumer. Types, functions, and practices of wholesalers and retailers and efficient techniques in development and expansion of markets. (3 sch: 3 hr. lecture)

**MMT 1123--MARKETING MANAGEMENT**

A project based course as a continuation of MMT 1113. Prerequisite: Marketing I (MMT 1113). (3 sch: 3 hr. lecture)

**MMT 1313--PERSONAL SELLING**

Basic principles and techniques of salesmanship and their practical application. Topics include basic elements of consumer behavior, developing selling strategies, closing and servicing a sale, and developing consumer relations. (3 sch: 3 hr. lecture)

**MMT 1323--ADVERTISING**

The role of advertising as a promotional tool. Topics included are product and consumer analysis, media selection, and creation of advertising. (3 sch: 3 hr. lecture)

**MMT 1413--MERCHANDISING MATH**

Study of the mathematical calculations involved in the merchandising process. Fundamental principles and operations in buying, pricing, and inventory control. (3 sch: 3 hr. lecture)

**MMT 2113--INTERNET CONCEPTS**

Provides an inclusive review and understanding of the Internet focusing on creating web pages through various software packages and exploration of ecommerce concepts. (3 sch. 2 hr lecture, 2 hr. lab)

**MMT 2133--SOFTWARE ESSENTIAL FOR E-BUSINESS**

Introductory course for business computer graphics. Students will learn how to create and enhance digital images for business purposes. (3 sch. 2 hr lecture, 2 hr lab).

**MMT 2213--PRINCIPLES OF MANAGEMENT**

Study of the basic principles and functions of management. Special emphasis on planning, organizing, directing, staffing, and controlling. (3 sch: 3 hr. lecture)

**MMT 2233--HUMAN RESOURCE MANAGEMENT**

Objectives, organization, and functions of human resource management. Emphasis is placed on selection and placement, job evaluation, training, education, safety, health, employer-employee relationships, and employee services. (3 sch: 3 hr. lecture)

**MMT 2243--MARKETING CASE STUDIES**

The study of effective marketing management decision making through case study analysis. (3 sch: 3 hr lecture)

**MMT 2313--E-COMMERCE MARKETING**

This course introduces the fundamental opportunities and challenges associated with e-commerce activities. Topics include designing the user interface, web security, electronic payment systems, promotion, and legal issues involved in creating a functioning online business. (3 sch: 2 hr. lecture, 2 hr. lab)

**MMT 2333--MULTIMEDIA PRESENTATION FOR MARKETING**

Design and deliver multimedia marketing presentations through the use of appropriate multimedia software and tools. Topics include marketing design concepts and related marketing communication strategies. (3 sch: 2-hr lecture, 2-hr lab)

**MMT 2343--MARKETING WEB PAGE DESIGN**

Use creative marketing strategies, concepts, and techniques to design Web sites that will reach designated target markets. (3 sch: 2-hr lecture, 2-hr lab)

**MMT 2423--RETAIL MANAGEMENT**

Study of retailing processes, including functions performed, principles governing effective operation, and managerial problems resulting from current economic and social trends. (3 sch: 3 hr. lecture)

**MMT 2513--ENTREPRENEURSHIP**

Study of the development of a product or services idea and the creation of an organization to further its growth. (3 sch: 3 hr. lecture)

**MMT 2523--EVENT MANAGEMENT**

Design a plan for special events, trade and consumer shows, exhibitions, and conventions. (3 sch: 3 hr lecture)

**MMT 2613--INTERNATIONAL MARKETING**

Provide students with an overview and understanding of international marketing. This involves an analysis of world markets, their respective consumers and environments, and the marketing management required to meet the demands of constantly changing foreign markets. (3 sch: 3-hr lecture)

**BUSINESS TECHNOLOGY**

**BOT 1013--INTRODUCTION TO KEYBOARDING**

This course provides an introduction to keyboarding skill development using the touch system on the alphabetic keyboard. Course emphasis will be on speed and accuracy when keying documents and timed writings. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1213--PROFESSIONAL DEVELOPMENT**

This course emphasizes an awareness of interpersonal skills essential for job success. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1233--MICROSOFT® WORD® I**

This course focuses on improving keyboarding techniques using the touch method and on production of documents using Microsoft® Word® functions. This course was previously taught as Document Formatting (BOT 1113). Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1243--MICROSOFT® WORD® II**

This course is a continuation of Microsoft® Word® I and focuses on production of documents using Microsoft® Word®. Production with accuracy is stressed and practice is given through a variety of documents for skillbuilding. This course was previously taught as Word Processing (BOT 1143). Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1273--INTRODUCTION TO MICROSOFT® OFFICE®**

This course will introduce an operating system and word processing, spreadsheet, database management, and presentation software applications using the Microsoft® Office® suite. This course was previously taught as Microcomputer Applications (BOT 1133). (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1313--APPLIED BUSINESS MATH**

This course is designed to develop competency in mathematics for business use. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1413--RECORDS MANAGEMENT**

This course focuses on the systems approach to managing recorded information in any form. Emphasis is placed on the three categories into which records generally fall and the treatment of

these categories both physically and electronically of proper management, storage, and retrieval. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1433--BUSINESS ACCOUNTING**

This course is designed to develop an understanding of analyzing, recording, classifying, and summarizing financial information of a sole proprietorship with insight into interpreting and reporting the resulting effects upon the business. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1443--ADVANCED BUSINESS ACCOUNTING**

This course is a continuation of Business Accounting with emphasis in advanced accounting topics. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1453--INTRODUCTION TO BUSINESS MANAGEMENT**

Study of the basic principles and managerial functions of organizations management with special emphasis on planning, organizing, coordinating, commanding, and controlling. The importance of managing competitively and intelligently within a diverse environment is stressed. Situational cases are completed to reinforce decision-making in each of the function areas. The course will also consist of a series of 'mini' presentations related to each of the topics, delivered by different types of business managers and guest speakers. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1493--SOCIAL MEDIA MANAGEMENT**

This course teaches students how to develop and maintain a social media presence in a personal and professional capacity. Students will engage in community and internet-based projects with special emphasis on blogs, wikis, social networking sites, photo-sharing sites, instant messaging, videosharing sites, podcasts, widgets, virtual worlds, and more. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1613--MEDICAL TERMINOLOGY I**

This course is an introduction to medical language relating to the various body systems including human anatomy and physiology, diseases/pathology, physical conditions, procedures, clinical specialties, and abbreviations. Emphasis is placed on correct spelling and pronunciation. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1623--MEDICAL TERMINOLOGY II**

This course is a continuation of Medical Terminology I (BOT 1613), which includes medical language relating to the various body systems including human anatomy and physiology, diseases/pathology, physical conditions, procedures, clinical specialties, and abbreviations. Emphasis is placed on correct spelling and pronunciation. Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1763--COMMUNICATION ESSENTIALS**

This course focuses on the basic English competencies and communication skills necessary to be successful and effective in the workplace in addition to effectively contributing to a team while working with a diverse population. This class was previously taught as a combination of Mechanics of Communication (BOT 1713) and Business Communication (BOT 2813). (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1823--MICROSOFT® EXCEL® I**

This course focuses on application Microsoft® Excel® as an aid to management decision making. This course was previously taught as Electronic Spreadsheet (BOT 1813). (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 1853--MICROSOFT® EXCEL® II**

This course is a continuation of Microsoft® Excel® I and focuses on advanced functions and applications of the software. Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2133--DESKTOP PUBLISHING**

This course will present graphic design techniques, principles of page layout and design, and electronic publishing terminology and applications to create a variety of documents such as flyers, brochures, newsletters, and business cards using advanced features of desktop publishing software. Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2183--CAREER READINESS**

This course is designed to prepare students for employment by teaching the importance of interviewing skills, employer expectations, employability skills, work ethics, and job retention skills. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2233--HUMAN RESOURCE MANAGEMENT**

This course provides a general overview of the concepts and applications of the many parts of Human Resources (HR). Students will learn how the interdependence of the major topics in HR are created and implemented through the use of real world HR issues, community projects, and case studies. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2333--MICROSOFT® ACCESS®**

This course applies database concepts for designing and manipulating data files and formatting output as complex documents and reports using Microsoft® Access®. This course was previously taught as Database Management (BOT 2323). (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2423--INCOME TAX ACCOUNTING**

This course introduces tax accounting including federal income tax laws and report preparation. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2433--QUICKBOOKS®**

This course applies basic accounting principles using QuickBooks®. This course was previously taught as Computerized Accounting (BOT 2413). (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2463--PAYROLL ACCOUNTING**

This course provides an in-depth study of payroll accounting. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2473--COST ACCOUNTING**

This course provides an in-depth study of cost accounting for manufacturing business. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2523--MEDICAL TRANSCRIPTION I**

This course is designed to teach transcription of various medical documents. Prerequisite: Instructor Approved. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2613--ENTREPRENEURIAL PROBLEM SOLVING**

This course is designed to develop business students into entrepreneurs capable of operating their own companies and to reduce the high failure rate of starting, conducting, and expanding a business.

Students will gain experience in problem solving through visits to businesses, analyses of case studies, and projects and surveys of current business practices. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2623--PRINCIPLES OF BUSINESS FINANCE**

This course is designed to provide a study of how financial data are gathered, analyzed, and used by management in planning and controlling business activities. (3 sch: 2 hr. lecture, 2 hr. lab)

**BOT 2643--CPT CODING**

This course is an introduction to the field of outpatient procedural coding and requirements for insurance reimbursement. Prerequisite: Instructor Approved. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2653--ICD CODING**

This course is an introduction to the field of diagnostic and inpatient procedural coding. Prerequisite: Instructor Approved. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2663--ADVANCED CODING**

This course provides an in-depth study of coding competencies in inpatient and outpatient settings. This course also incorporates standards for national certification exams. Prerequisite: Instructor Approved. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2673--MEDICAL INSURANCE BILLING**

This course is a culmination of skills and knowledge of appropriate procedures for generating, processing, and submitting health insurance claims to private and governmental health insurance programs. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2743--MEDICAL OFFICE CONCEPTS**

This course will provide coverage and integration of medical office skills. Problem solving will be emphasized. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2753--MEDICAL INFORMATION MANAGEMENT**

This course will provide coverage of medical office practices using software simulation. (3 sch: 2hr. lecture, 2 hr. lab)

**BOT 2763--ELECTRONIC HEALTH RECORDS**

This course covers electronic health records (EHR) in the healthcare environment as they pertain to various healthcare settings. (3 sch: 2hr. lecture, 2 hr. lab)

## **COSMETOLOGY**

**COV 1122--COSMETOLOGY ORIENTATION**

This course will cover the history, career opportunities, life skills, professional image, Mississippi Cosmetology laws, rules and regulations and communicating for success in the cosmetology industry. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules and regulations involved in cosmetology practices and safety precautions associated with each.( 2 sch: 2 hr. lecture)

**COV 1245--COSMETOLOGY SCIENCES I**

This course consists of the study of bacteriology, sterilization, and sanitation. Included are

classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (5 sch: 3 hr. lecture, 6 hr. lab)

**COV 1255--COSMETOLOGY SCIENCES II**

This course consists of the study of anatomy and physiology. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (5 sch: 3 hr. lecture, 4 hr. lab)

**COV 1263--COSMETOLOGY SCIENCES III**

This course consists of the application and demonstration of chemistry, and electricity. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (3 sch: 2 hr. lecture, 3 hr. lab)

**COV 1426--HAIR CARE I**

This course consists of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (6 sch: 2 hr. lecture, 12 hr. lab)

**COV 1436--HAIR CARE II**

This course consists of the advanced study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (6 sch: 2 hr. lecture, 12 hr. lab)

**COV 1443--HAIR CARE III**

This course consists of the practical applications of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (3 sch: 9 hr. lab)

**COV 1522--NAIL CARE I**

This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**COV 1532--NAIL CARE II**

This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**COV 1542--NAIL CARE III**

This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 6 hr. lab)

**COV 1622--SKIN CARE I**

This course consists of the introduction of basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**COV 1632--SKIN CARE II**

This course consists of basic skin care services including anatomy of skin, disorders of skin, hair removal, facial, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**COV 1642--SKIN CARE III**

This course consists of advanced skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 6 hrs. lab)

**COV 1722--SALON BUSINESS I**

This course will cover preparing to operate a successful salon. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**COV 1732--SALON BUSINESS II**

This course will cover operating a successful salon and seeking employment. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. (2 sch: 1 hr. lecture, 3 hr. lab)

**DIESEL MECHANICS**

**DET 1114--FUNDAMENTALS OF EQUIPMENT MECHANICS**

Review and update of safety procedures; tools and equipment usage; handling, storing, and disposing of hazardous materials; and operating principles of diesel engines. (4 sch: 4 hr. lecture)

**DET 1223--ELECTRICAL/ELECTRONIC SYSTEMS I**

Diagnosis, service, and repair of electrical and electronic systems on diesel engines. Includes instruction in general systems diagnosis, starting and charging system. (3 sch: 2 hr. lecture, 2 hr. lab)

**DET 1263--ELECTRICAL/ELECTRONIC SYSTEMS II**

Diagnosis, service, and repair of electrical and electronic systems on diesel engines. Includes

instruction on lighting systems, gauges and warning devices, and related electrical systems. (3 sch: 1 hr. lecture, 4 hr. lab)

**DET 1364--DIESEL SYSTEMS I**

Diagnosis, service, and repair of basic engine operating principles, with an emphasis on cylinder head and valve train engine block. (4 sch: 2 hr. lecture, 4 hr. lab)

**DET 1513--HYDRAULICS I**

Basic operation and maintenance of hydraulic systems associated with diesel powered equipment, includes instruction in safety, system components, operation, and repair. (3 sch: 1 hr. lecture, 4 hr. lab)

**DET 1615--PREVENTIVE MAINTENANCE AND SERVICE**

Practice in the preventive maintenance of diesel powered equipment. Includes instruction in general preventive maintenance of vehicles and equipment. (5 sch: 2 hr. lecture, 6 hr. lab)

**DET 1713--TRANSPORTATION POWER TRAIN**

Diagnosis, service, maintenance, and repair of power train units on diesel equipment. Includes instruction on clutch, manual transmissions, drive shafts, and drive axles. (3 sch: 2 hr. lecture, 2 hr. lab)

**DET 1813--AIR CONDITIONING AND HEATING SYSTEMS**

Skills and knowledge related to the operation, maintenance, and repair of air conditioning and heating systems used in commercial equipment, includes instruction in theories and operating principles, A/C system diagnosis and repair, clutch and compressor repair, evaporator and condenser repair, and heating system repair. (3 sch: 1 hr. lecture, 4 hr. lab)

**DET 2624--ADVANCED BRAKE SYSTEMS (AIR)**

Instruction and practice in the maintenance and repair of air brake systems commonly used on commercial diesel powered equipment. Includes instruction in maintenance and repair of the air supply system, mechanical system, anti-lock braking system, and traction control system. (4 sch: 2 hr. lecture, 4 hr. lab)

## **ELECTRICAL TECHNOLOGY**

**CTE 1143--FUNDAMENTALS OF CONSTRUCTION AND MANUFACTURING**

This course includes basic safety, an introduction to construction math, an introduction to hand and power tools, an introduction to construction drawings, and employability skills and communications. (3 sch: 2 hr. lecture, 2 hr. lab)

**ELT 1113--RESIDENTIAL/LIGHT COMMERCIAL WIRING**

This course provides advanced skills related to the wiring of multi-family and small commercial buildings. This course includes instruction and practice in service entrance installation, specialized circuits, and the use of commercial raceways. Pre/Co-requisite: Fundamentals of Electricity (ELT 1193) or equivalent. (3 sch; 2 hr. lecture, 2 hr. lab)

**ELT 1123--COMMERCIAL AND INDUSTRIAL WIRING**

This course provides instruction and practice in the installation of commercial and industrial electrical

services including the types of conduit and other raceways, NEC code requirements, and three-phase distribution networks. Prerequisite: Fundamentals of Electricity (ELT 1193) or equivalent. (3 sch: 2 hr. lecture, 2 hr. lab)

**ELT 1144--AC AND DC CIRCUITS FOR ELECTRICAL TECHNOLOGY**

Principles and theories associated with AC and DC circuits used in the electrical trades. Includes the study of electrical circuits, laws and formulas, and the use of test equipment to analyze AC and DC circuits (4 sch: 2-hr lecture, 4-hr lab)

**ELT 1192--FUNDAMENTALS OF ELECTRICITY**

This is a basic course designed to provide fundamental skills associated with all electrical courses. It includes safety, basic tools, special tools, equipment, and introduction to simple AC and DC circuits. (2 sch: 1 hr. lecture, 2 hr. lab)

**ELT 1213--ELECTRICAL POWER**

This course provides skills related to electrical motors and their installation. This course includes instruction and practice in using the different types of motors, transformers, and alternators. Pre/Co-requisite: Fundamentals of Electricity (ELT 1193) or equivalent. (3 sch: 2 hr. lecture, 2 hr. lab)

**ELT 1253--BRANCH CIRCUITS AND SERVICE ENTRANCE CALCULATIONS**

This course provides experience calculating circuit sizes for all branch circuits and service entrances in residential installation. Pre/Co-requisite: Residential Wiring (ELT 1113). (3 sch: 2 hr lecture, 2 hr lab)

**ELT 1263--ELECTRICAL DRAWINGS AND SCHEMATICS**

This course introduces architectural, industrial, mechanical, and electrical symbols needed to read blueprints, schematic diagrams. Prints and drawings associated with electrical wiring will be studied. (3 sch: 2 hr lecture, 2 hr. lab.)

**ELT 1413--MOTOR CONTROL SYSTEMS**

This is a course in the installation of different motor control circuits and devices. Emphasis is placed on developing the student's ability to diagram, wire, and troubleshoot the different circuits and mechanical control devices. Prerequisite: Fundamentals of Electricity (ELT 1193) or equivalent. (3 sch: 2 hr. lecture, 2 hr. lab.)

**ELT 1513--DATA ACQUISITION AND COMMUNICATIONS**

This is a course in acquisition and communication of systems data in industrial automated applications. (3 sch: 2-hr lecture, 2-hr lab)

**ELT 2113--EQUIPMENT MAINTENANCE, TROUBLESHOOTING, AND REPAIR**

Maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. (3 sch: 1 hr. lec, 4 hr. lab)

**ELT 2424--SOLID STATE MOTOR CONTROL**

This course deals with the principles and operation of solid state motor control. This course includes instruction and practice in the design, installation, and maintenance of different solid state devices for motor control. Prerequisite: Motor Control Systems (ELT 1413). (4 sch: 2 hr. lecture, 4 hr. lab)

**ELT 2613--PROGRAMMABLE LOGIC CONTROLLERS**

This course provides instruction and practice in the use of programmable logic controllers (PLC's) in modern industrial settings. This course includes instruction in the operating principles of PLC's and practice in the programming, installation, and maintenance of PLC's. Prerequisite: Motor Control Systems (ELT 1413). (3 sch: 2 hr. lecture, 2 hr. lab)

**ELT 2623--ADVANCED PROGRAMMABLE LOGIC CONTROLLERS**

This is an advanced PLC course which provides instruction in the various operations, installations, and maintenance of electric motor controls. This course will provide information in such areas as sequencer, program control, block transfer used in analog input and output programming, and logical and conversion instructions. Prerequisites: Programmable Logic Controllers (ELT 2613) and Motor Control Systems (ELT 1413). (3 sch: 2 hr. lecture, 2 hr. lab)

**ELT 2913--SPECIAL PROJECT**

This course is designed to provide the student with practical application of skills and knowledge gained in other electronics or electronics-related technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. (3 sch: 6 hr. lab)

**ELECTRONICS TECHNOLOGY**

**CST 2113 (EET 1233)—COMPUTER SERVICING LAB I**

This course covers fundamentals of computer servicing including configuration, test equipment usage, basic disassembly and assembly methods, preliminary tests and diagnostics, schematic interpretation, and building cables (3 sch: 6-hr. lab).

**EET 1114--DC CIRCUITS**

This course is designed for students to know the principles and theories associated with DC circuits. This course includes the study of electrical circuits, law and formulae, and the use of test equipment to analyze DC circuits. (4 sch: 2 hr. lecture, 4 hr. lab)

**EET 1123--AC CIRCUITS**

This course is designed to provide students with the principles and theories associated with AC circuits. This course includes the study of electrical circuits, laws and formulae, and the use of test equipment to analyze AC circuits. Prerequisite: DC Circuits (EET 1114) or equivalent. (3 sch: 2 hr. lecture, 2 hr. lab)

**EET 1214--DIGITAL ELECTRONICS**

This course is designed to introduce the student to number systems, logic circuits, counters, registers, memory devices, combination logic circuits, Boolean algebra, and a basic computer system. (4 sch: 3 hr. lecture, 2 hr. lab)

**EET 1334--SOLID STATE DEVICES AND CIRCUITS**

This course is designed to introduce the student to active devices which include PN junction diodes, bipolar transistors, bipolar transistor circuits, and unipolar devices with emphasis on low frequency application and troubleshooting. Pre/Co-requisite: DC Circuits (EET 1114) (4 sch: 2 hr. lecture, 4. hr lab)

**EET 1324--MICROPROCESSORS**

This course is designed to provide students with skills and knowledge of microprocessor architecture,

machine and assembly language, timing, interfacing, and other hardware applications associated with microprocessor systems. Prerequisite: Digital Electronics (EET 1214). (4 sch: 2 hr. lecture, 4 hr. lab)

**EET 1613--COMPUTER FUNDAMENTALS FOR ELECTRONICS/ELECTRICITY**

This course provides students with the basic computer knowledge as used in electricity/electronics areas. Computer nomenclature, logic, numbering systems, coding, operating system commands, editing, and batch files are covered. (This course may be substituted for Fundamentals of Microcomputer Applications [CPT 1113]). (3 sch: 2 hr. lecture, 2 hr lab)

**EET 2334--LINEAR INTEGRATED CIRCUITS**

This course is designed to provide the student with skills and knowledge associated with advanced semiconductor devices and linear integrated circuits. Emphasis is placed on linear integrated circuits used with operational amplifiers, active filters, voltage regulators, timers, and phase-locked loops. Prerequisite: Solid State Devices and Circuits (EET 1314). (4 sch: 3 hr. lecture, 2 hr. lab)

**EET 2414--ELECTRONIC COMMUNICATIONS**

This course is designed to provide the student with concepts and skills related to analog and digital communications. Topics covered include amplitude and frequency modulation, transmission, and reception, data transmission formats and codes, the RS-232 interface, and modulation-demodulation of digital communications. Prerequisite: Solid State Devices and Circuits (EET 1314). (4 sch: 2 hr. lecture, 4 hr. lab)

**EET 2423--FUNDAMENTALS OF FIBER OPTICS**

Fiber Optic cable in modern industry applications. Pre/Co-requisite: Electronic Communications (EET 2414). (3 sch: 2 hr. lecture, 2 hr. lab)

**EET 2514--INTERFACING TECHNIQUES**

This course is a study of data acquisition devices and systems including their interface to microprocessors and other control systems. Prerequisite: EET 1214. (4 sch: 2 hr. lecture, 4 hr. lab)

**EMERGENCY MEDICAL TECHNICIAN**

**EMS 1118--EMT**

This course includes responsibilities of the EMT during each phase of an ambulance run, patient assessment, emergency medical conditions, appropriate emergency care, and appropriate procedures for transporting patient. (8 sch: 5 hours lecture, 4 hours lab, 3 hr. clinical) (135 clock hr - lecture and lab; 48 clock hr - clinical and field)

**PARAMEDIC**

**EMS 1122--INTRODUCTION TO EMS SYSTEMS**

This course introduces the student to the Emergency Medical Services (EMS) systems, roles and responsibilities of the paramedic, well-being of the paramedic, illness and injury prevention, medical/legal issues, ethical issues, therapeutic communications, and life span development. This course was formerly taught as Fundamentals of Pre-Hospital Care (EMT 1122). (2 sch: 1 hr. lecture, 2 hr. lab.)

**EMS 1314--AIRWAY: MANAGEMENT, RESPIRATION AND OXYGENATION**

This course will provide the student with the essential knowledge to attain an airway and manage the respiratory system using advanced techniques. This course was previously taught as Airway Management and Ventilation (EMT 1315) (4 sch: 1 hr. lecture, 6 hr. lab.)

**EMS 1414--PATIENT ASSESSMENT**

This course will teach comprehensive history taking and physical exam techniques. (4 sch: 1 hr. lecture, 6 hr. lab)

**EMS 1422--EMS SPECIAL PATIENT POPULATIONS**

This course will provide a comprehensive overview of providing care for the patient with special needs. This course was previously taught as Special Considerations (EMT 1423) (2 sch: 1 hr. lecture, 2 hr. lab)

**EMS 1513--EMS PRACTICUM I**

This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was previously taught as EMS Clinical Internship I (EMT 1513) (3 sch: 9 hr clinical)

**EMS 1525--EMS PRACTICUM II**

This course will provide training on the skills and knowledge obtained in classroom. This will be a supervised activity carried out in the clinical and field setting at approved site. This course was previously taught as EMS Clinical Internship II and now incorporates EMS Field Internship I (EMT 2552). (5 sch: 9 hr. clinical, 6 hr field clinical)

**EMS 1614--PHARMACOLOGY**

This course will teach comprehensive pharmacodynamics and pharmacokinetics. This course was formerly taught as Pre-Hospital Pharmacology (EMT 1613) (4 sch: 2hr. lecture, 4 hr. lab.)

**EMS 1825--CARDIOLOGY**

This class will teach a comprehensive approach to the care of patients with acute and complex cardiovascular compromise. This course was previously named Pre-Hospital Cardiology (EMT 1825) (5 sch: 2 hr. lecture, 6 hr. lab.

**EMS 2414--MATERNAL/CHILD EMERGENCIES**

This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in gynecological and obstetrical emergencies as well as pediatric emergencies. This course was previously divided into Pre-Hospital OB/GYN (EMT 2412) and Pre-Hospital Pediatrics (EMT 2423). (4 sch: 3 hr. lecture, 2 hr. lab.)

**EMS 2565--EMS PRACTICUM III**

This course will provide advanced clinical training in the skills and knowledge obtained in the classroom with an emphasis on leadership skills. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was previously called EMS Field Internship II (EMT 2564) (5 sch:)

**EMS 2714--TRAUMA**

This course will provide advanced instruction in the integration of pathophysiological principles and assessment findings to formulate a field impression and implement a treatment plan for a suspected

trauma patient. This course was previously called Pre-Hospital Trauma (EMT 2714). (4 sch: 2 hr. lecture, 4 hr. lab.)

**EMS 2855--MEDICAL CARE**

This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in medical emergencies involving pulmonary, allergy and anaphylaxis, gastroenterology, renal urology, and hematology. This course was previously called Pre-Hospital Medical Care (EMT 2855). (5 sch: 2 hr. lecture, 6 hr. lab.)

**EMS 2912--EMS OPERATIONS**

This course teaches leadership skills necessary to manage complex situations including patient care, management of hazardous and crime scenes, supervision, mentoring, and leading other personnel. (2 sch: 1 hr. lecture, 2 hr. lab.)

**EMS 2923--PROFESSIONAL DEVELOPMENT SEMINAR**

This course teaches the leadership skills necessary to manage complex situations including patient care, management of the hazardous and crime scenes, supervision, mentoring, and leading other personnel. (3 sch: 2 hr lecture, 2 hr lab)

**ENGINEERING TECHNOLOGY, DRAFTING AND DESIGN**

**DDT 1163--ENGINEERING GRAPHICS**

This course provides an introduction to fundamentals and principles of drafting to provide the basic background needed for all other drafting courses.. (3 sch: 1 hr. lecture, 4 hr. lab)

**DDT 1173--MECHANICAL DESIGN I**

Students will utilize techniques of modeling to create machine specific drawings. The course emphasizes methods, techniques, and procedures (in presenting screws, bolts, rivets, springs, thread types, symbols for welding, materials, finish and heat treatment notation, working order preparation, routing, and other industry procedures) used in mechanical design. Pre-requisite: Engineering Graphics (DDT-1163) and Computer Aided Design I (DDT-1313). (3 sch: 1 hr. lecture, 4 hr. lab)

**DDT 1213--CONSTRUCTION STANDARDS AND MATERIALS**

An introductory course of materials used in the construction industry. Course includes an introduction into wood products, masonry, concrete and finish materials. There is no prerequisite for this course, however, a basic knowledge of architecture or construction is helpful. (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 1313--COMPUTER AIDED DESIGN I**

This course will introduce the student to the operating system and how to perform basic drafting skills using CAD software. (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 1323--COMPUTER AIDED DESIGN II**

This course is designed as a continuation of Principles of CAD. Subject areas will include dimensioning, sectional views, and symbols. Prerequisite: Computer Aided Design I (DDT 1313). (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 1413--ELEMENTARY SURVEYING**

This is a basic surveying course that deals with principles of geometry, theory, and use of leveling instruments; calculations; the control and reduction of errors; and the understanding of land surveying

history. (3 sch: 1-hr lecture, 4-hr lab)

**DDT 1613--ARCHITECTURAL DESIGN I**

This course is a study and development of architectural design principles for a residential and/or commercial structure utilizing a 2D or 3D application. Emphasis in space planning requirements. Pre-requisite: Engineering Graphics (DDT-1163) and Computer Aided Design I (DDT-1313). (3 sch: 1 hr. lecture, 4 hr. lab)

**DDT 2153--CIVIL PLANNING AND DESIGN**

This course deals with the development of civil planning and design processes. (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 2213--STRUCTURAL DETAILING I**

Structural section, terms, and conventional abbreviations and symbols used by structural fabricators and erectors are studied. Knowledge is gained in the use of the A.I.S.C. Handbook. Problems are studied that involve structural designing and drawing of beams, columns, connections, trusses, and bracing (steel, concrete, and wood). Prerequisite: Engineering Graphics (DDT 1113) and Computer Aided Design I (DDT 1313). (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 2243--COST ESTIMATING**

Preparation of material and labor quantity surveys from actual working drawings and specifications. (3 sch: 3 hr. lecture)

**DDT 2253--STATICS AND STRENGTH OF MATERIALS**

Study of forces acting on bodies; movement of forces; stress of materials; basic machine design; beams, columns, and connections. Prerequisite: College Algebra (MAT 1313). (3 sch: 3 hr. lecture)

**DDT 2373--3D MODELING ADVANCED DESIGN**

This course will emphasize the user coordinate system and 3-D modeling. Emphasis is placed on attributes, slide shows, the user coordinate system, 3-D faces, and solid modeling, rendering and presentation. Pre-requisite: Computer Aided Design II (DDT-1323) (3 sch: 2 hr. lecture, 2 hr. lab)

**DDT 2623--ARCHITECTURAL DESIGN II**

This course emphasizes standard procedures and working drawings. Details involving architectural, mechanical, electrical, and structural drawings are covered, along with presentation of drawings and computer-aided design assignments. Prerequisites: Architectural Design I (DDT 1613) and Computer Aided Design I (DDT-1313). (3 sch: 1 hr. lecture, 4 hr. lab)

**DDT 2813--INVENTOR 3D MODEL AND ANIMATION**

This course will provide instruction on the 3D applications of Inventor. It emphasizes the development of 3D parametric models and the ability to generate 2D drawings, details and renderings from the model. This course will also provide the utilization of assembly drawings and animation of working parts.

**DDT 2823--REVIT ARCHITECTURE**

This course will provide instruction on the 3D applications of Revit Architecture. It emphasizes the development of 3D parametric models and the ability to generate 2D drawings, details and renderings from the model. This course will also provide the animation walk thru of the 3D building. (3 sch: 2 hr. lecture, 2 hr. lab)

## FORESTRY

### **AGT 1714--APPLIED SOILS-CONSERVATION AND USE**

A course to introduce students to the general principles of soil conservation and safe use. Includes instruction in the soil formation process, properties of soils, soil texture, and soil management for optimum safe use. (4 sch: 3 hr. lecture, 2 hr. lab) Note: Basic Soils (AGR 2314) may be substituted for this course.

### **FOT 1114--FOREST MEASUREMENT I**

A course covering fundamentals of forest measurements. Includes instruction in locating land on a map, applying sampling techniques, processing and summarizing field data. (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 1124--FOREST MEASUREMENT II**

A continuation of Forest Measurement I with emphasis on electronic and computer applications in forest measurement. Prerequisite: Forest Measurement I (FOT 1114). (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 1314--FOREST PROTECTION**

A course in methods and techniques for protecting forests from fire, insect, and disease damage. Includes instruction in prescribed burning procedures. (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 1414--FOREST PRODUCTS UTILIZATION**

A survey of wood and forest products processing operations. Includes instruction in principles related to forest products processing and their applications. (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 1714--APPLIED DENDROLOGY**

A study of trees including their classification and commercial uses. (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 1813--INTRODUCTION TO FORESTRY**

A survey of the current forest industry. Includes resource speakers on various topics related to the current and emerging forest industry. (3 sch: 3 hr. lecture.)

### **FOT 2124--FOREST SURVEYING AND SPATIAL APPLICATIONS**

A course to provide land surveying skills required in the forest industry. Includes instruction in interpreting legal descriptions, deeds, maps, and spatial imagery. Includes demonstration of surveying practices and spatial imagery practices and equipment. Prerequisite: None (4 sch: 2 hr. lecture, 4 hr. lab)

### **FOT 2213--APPLICATIONS OF GIS/GPS IN FORESTRY**

This course includes using remote sensing, interpretation, and application of aerial photos and other remote sensing images in forestry. This course also includes the global positioning system and other remote sensing devices used in forestry. (3 sch: 2 hr. lecture, 2 hr. lab)

### **FOT 2424--TIMBER HARVESTING**

A course dealing with harvesting practices including development of timber harvesting, regulations, harvesting plans and best management practices, and timber contracts. Includes observations of logging operations. (4 sch: 1 hr. lecture, 6 hr. lab)

**FOT 2614--SILVICULTURE I**

A course dealing with the growth and development of trees and stands. Includes instruction in principles of tree and stand growth and development, regeneration, and intermediate cuttings. (4 sch: 2 hr. lecture, 4 hr. lab)

**FOT 2624--SILVICULTURE II**

A continuation of Silviculture I with emphasis on regeneration and site preparation practices. (4 sch: 2 hr. lecture, 4 hr. lab)

**FOT 291(1-3)--WORK-BASED LEARNING IN FORESTRY TECHNOLOGY I**

This course emphasizes the development of technical, academic, and general workplace skills at a work site. A contractual agreement between each student, the employer, and the educational institution details structured, on-the-job learning experiences in the student's chosen field of study. Work experience is verified by the Work-Based Learning Coordinator. Prerequisite: Permission of instructor. (Variable credit is awarded for this class based on 45 hours of on-site experience per semester credit hour.)

**FOT 292(1-6)--SUPERVISED WORK EXPERIENCE IN FORESTRY TECHNOLOGY**

A course which is a cooperative program involving students, employers, and educational staff and is designed to integrate the student's technical studies with real world situations. Variable credit is awarded on the basis of one semester hour per 45 contact hours. (1-6 sch: 3-18 hr. externship) Prerequisite: Consent of instructor and completion of at least one semester of advanced coursework in Forestry Technology.

**FUNERAL SERVICE TECHNOLOGY**

**FST 1113--MORTUARY ANATOMY I**

This course focuses on the study of the human body with particular emphasis on those systems providing the foundation for embalming, pathology, public health, and restorative arts. (3 sch: 3 hr. lecture)

**FST 1123--MORTUARY ANATOMY II**

This course is a continuation of Mortuary Anatomy I, including all remaining body systems. Major emphasis is on the circulatory system. Prerequisite: Mortuary Anatomy I (FST 1113). (3 sch: 3 hr. lecture)

**FST 1213--EMBALMING I**

This course is a basic orientation to embalming. Included are the terminology, safety procedures, and ethical protocols in preparation of human remains, physical and chemical changes in the dying process, and a study of the chemical compositions of embalming fluid. (3 sch: 3 hr. lecture)

**FST 1223--EMBALMING II**

This course is a continuation of FST 1213 with emphasis placed on the principles and techniques of embalming. Topics covered include linear and anatomical guides, case analyses, handling special case problems, formulating chemical solutions, a complete analysis of the circulatory system, an explanation of the equipment used in the embalming process, and

methods of injection and drainage. Prerequisite: Embalming I (FST1213). (3 sch: 3 hrs. lecture)

**FST 1231--CLINICAL EMBALMING I**

Apply the theoretical principles taught in the Funeral Technology curriculum in the funeral establishment/commercial mortuary. Pre/Co-requisite: Embalming I (FST 1213). (1 sch: 3 hrs. clinical)

**FST 1241--CLINICAL EMBALMING II**

Apply the theoretical principles taught in the embalming curriculum. Pre/Co-requisite: Embalming I (FST 1213), Clinical Embalming I (FST 1231), and Embalming II (FST 1223). (1 sch: 3 hrs. clinical)

**FST 1313--FUNERAL DIRECTING**

This course is a study of the total funeral service environment, including history, duties, responsibilities, ethical obligations, and communication skills. (3 sch: 3 hrs. lecture)

**FST 1413--FUNERAL SERVICE ETHICS AND LAW**

Comprehensive review of the ethical and legal aspects involved in funeral service. (3 sch: 3 hrs. lecture)

**FST 1513--RESTORATIVE ART I**

An in-depth study of anatomical modeling, including familiarization with instruments, materials, and techniques of rebuilding human features and application of restorative techniques in the funeral setting. (3 sch: 2 hrs. lecture, 2 hrs. lab)

**FST 1533--RESTORATIVE ART II**

Describe color theory and application to restorative techniques in the funeral setting. (sch: 2 hrs. lecture, 2 hrs. lab)

**FST 2251--CLINICAL EMBALMING III**

Apply the theoretical principles taught in Funeral Service Technology curriculum in the funeral establishment/commercial mortuary. Pre/Co-requisite: Embalming I (FST1213), Clinical Embalming I (FST 1231), and Clinical Embalming II (FST 1241). (1 sch: 3 hrs. lab)

**FST 2261--CLINICAL EMBALMING IV**

Apply the theoretical principles taught in the Funeral Service Technology curriculum in the funeral establishment/commercial mortuary. Embalming I (FST 1213), Embalming II (FST 1223), Clinical Embalming I (FST 1231), Clinical Embalming II (FST 1241), and Clinical Embalming III (FST 2251). (1 sch: 3 hrs. clinical)

**FST 2273--THANATOchemistry**

This course is a survey of the principles of general, organic, biological and embalming chemistry as they relate to the embalming process. Prerequisite: Embalming I (FST1213). (3 sch: 3 hrs. lecture)

**FST 2323--FUNERAL MERCHANDISING AND MANAGEMENT**

This course is a study of merchandising and management procedures necessary to operate a successful funeral practice. (3 sch: 3 hrs. lecture)

**FST 2423--BUSINESS LAW**

This course is designed to introduce the student to the bodies of law and the judicial system as applied to day-to-day operations of a funeral home. (3 sch: 3 hrs. lecture)

**FST 2613--MICROBIOLOGY/PATHOLOGY**

This course is designed to present the basic principles of microbiology and prevention of the spread of microorganisms as related to the embalming procedure and protection of the public health. Also focuses on the study of pathological disease conditions and how they affect various parts of the body, with particular emphasis on those conditions that relate to or affect the embalming or restorative art process. Pre/Co-requisite: Mortuary Anatomy I (FST 1113). (3 sch: 3 hrs. lecture)

**FST 2713--PSYCHOSOCIAL ASPECTS OF GRIEF AND DEATH**

A study of various social groups and their relationships to the funeral, death, and disposition, this course includes psychological aspects of emotions with emphasis on counseling techniques and grief resolution. (3 sch: 3 hrs. lecture)

**FST 2813--COMPREHENSIVE REVIEW**

This course offers a review of the entire curriculum, culminating with an exam designed to prepare students for the National Board Examination. Prerequisite: To be taken during the final semester of coursework. Student must have a cumulative GPA of 2.0 or better. (3 sch: 3 hrs. lecture)

**FST 2821--CURRENT ISSUES IN FUNERAL SERVICE TECHNOLOGY**

A course that identifies contemporary trends in Funeral Service and their impact. Prerequisite: Instructor Approved. (1 sch: 1 hr. lecture)

**GOLF/RECREATIONAL TURF MANAGEMENT AND LANDSCAPE MANAGEMENT TECHNOLOGY**

**HLT 1113--PLANT MATERIALS I**

A survey of common ornamental plants used in landscaping including deciduous and evergreen trees, shrubs, vines, ground covers, and annuals and perennials. This course includes instruction in basic classification and identification procedures and in identifying characteristics, maintenance, and use of the plants in a horticulture setting. This course is designed to be offered in the fall semester. Prerequisite: None (3 sch: 1-hr. lecture, 4-hr. lab)

**HLT 1123--PLANT MATERIALS II**

A continuation of Plant Materials I with emphasis on foliage and interior and flowering plants, this course is designed to be taught in the spring semester. Prerequisite: Plant Materials I (HLT 1113) (3 sch: 1-hr. lecture, 4-hr. lab)

**HLT 1513--LANDSCAPE DESIGN I**

An introduction to the concepts, principles, and elements of landscape design, this course includes

instruction and practice in the use of drawing instruments and supplies and in conducting a site analysis. Prerequisite: None (3 sch: 1-hr. lecture, 4-hr. lab)

**HLT 1614--LANDSCAPE EQUIPMENT OPERATION AND MAINTENANCE**

This course aims to provide instruction and practice in the safe and proper operation and maintenance of landscape and turf equipment. (4 sch: 2-hr lecture, 4-hr lab)

**HLT 2113--TURFGRASS MANAGEMENT**

A course to provide instruction and practice in the identification, selection, installation, and management/maintenance of turfgrass. Prerequisite: None (3 sch: 2-hr lecture, 2-hr lab)

**HLT 2124--LANDSCAPE MAINTENANCE AND WEED CONTROL**

This course aims to provide instruction and practice in the maintenance of trees, shrubs, and other greenscape features. This course includes instruction in the use of herbicides and other weed control measures. Prerequisite: None (4 sch: 2-hr. lecture, 4-hr. lab)

**HLT 2313--LANDSCAPE BUSINESS MANAGEMENT**

This course aims to provide instruction and practice regarding the management of a landscape operation. This course includes instruction in estimating and bidding; personnel management, supervision, and development; and business practices. Prerequisite: None (3 sch: 3-hr lecture)

**HLT 2523--LANDSCAPE DESIGN II**

This course is a continuation of Landscape Design I with emphasis on planting design and preparation and presentation of landscape plans using computer-aided landscape software. Prerequisite: Landscape Design I (HLT 1513) (3 sch: 1-hr lecture, 4-hr lab)

**HLT 2713--LANDSCAPE CONSTRUCTION**

This course provides instruction and practice in the installation of a landscape plan to include site preparation, installation of site amenities, bed preparation and planting, and shrub and tree planting. Prerequisite: None (3 sch: 1-hr. lecture, 4-hr. lab)

**HLT 2813--ORNAMENTAL AND TURF PEST MANAGEMENT**

This course provides instruction and practice in the identification and control of ornamental turf pests and diseases. This course includes instruction in pest identification, pesticide use and safety, and legal aspects of pest control. Prerequisite: None (3 sch: 2-hr. lecture, 2-hr. lab)

**HLT 2824--IRRIGATION AND LIGHTING SYSTEMS**

This course is designed to investigate the types of irrigation and lighting systems. Discussion will include the installation and maintenance of these systems. Prerequisite: Landscape Design I (HLT 1513) (4 sch: 2-hr lecture, 4hr lab)

**HLT 291(1-3)--SPECIAL PROBLEM IN HORTICULTURE CLUSTER**

This course is designed to provide the student with practical application of skills and knowledge gained in other vocational-technical courses. The instructor works closely with the student to ensure that the selection of a project will enhance the student's learning experience. (1-3 sch: 2- to 6-hr lab)

**GTT 1614--GOLF COURSE EQUIPMENT OPERATION AND MAINTENANCE**

This course aims to provide instruction and practice in the safe and proper operation and maintenance of golf course equipment. Prerequisite: None (4 sch: 2-hr. lecture, 4-hr. lab)

**GTT 2313--GOLF COURSE BUSINESS MANAGEMENT**

A course to provide instruction and practice regarding the management of a golf course operation, this course includes instruction in estimating and bidding; personnel management and supervision; and business practices. Prerequisite: None (3 sch: 3-hr. lecture)

**AGR 2314--BASIC SOILS**

A general course in soils designed to give the student a basic understanding of all important phases of the subject, including soil genesis, morphology, classification, and the physical, chemical and biological aspects of soils as applied to soil fertility. Soil management, including fertilization and liming of soils, is also included.

**GTT 2813--TURFGRASS MANAGEMENT FOR GOLF COURSES**

This course aims to provide instruction and practice in the identification, selection, installation, and management/maintenance of turfgrass for golf courses. Prerequisite: None (3 sch: 2-hr. lecture, 2-hr. lab)

**GTT 2824--IRRIGATION SYSTEMS: DESIGN AND MAINTENANCE**

This course is designed to investigate the types of irrigation systems. Discussion will include the installation and maintenance of these systems. Prerequisite: None (4 sch: 2-hr. lecture, 4-hr. lab)

**DDT 1413--ELEMENTARY SURVEYING**

Basic course dealing with principles of geometry, theory, and use of instruments: mathematical calculations; and the control and reduction of errors. Pre/Co-requisites: Consent of Instructor (3 sch: 1-hr lecture, 4-hr. lab)

**HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY  
AND CULINARY ARTS**

**HRT 1114--CULINARY PRINCIPLES I**

Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Co-requisite: Sanitation and Safety (HRT 1213) or permission of instructor. (4 sch: 2 hr. lecture, 4 hr. lab).

**HRT 1123--INTRODUCTION TO THE HOSPITALITY AND TOURISM INDUSTRY**

This course is designed as an introduction to the hospitality and tourism industry. The course includes discussions and industry observations to discover the opportunities, trends, problems, and organizations in the field. Prerequisite – None. (3 sch: 3 hr. lecture.)

**CUT 1124--CULINARY PRINCIPLES II**

This course offers advanced study and application of Culinary Principles I to polish and perfect the techniques of food preparation and cookery emphasizing high standards for food preparation. Prerequisite: Culinary Principles I (HRT 1114) (4 sch: 2-hr lecture, 4-hr lab)

**CUT 1134--PRINCIPLES OF BAKING**

This course focuses on fundamentals of baking science, terminology, ingredients, weights and measures, and formula conversion and storage. Students will prepare yeast goods, pies, cakes, cookies, and quick breads and use and care for equipment. Prerequisites: Culinary Principles I (HRT 1114) or by permission of instructor (4 sch: 2-hr lecture, 4-hr lab)

**HRT 1163--CULINARY MATH**

The purpose of this course is to develop basic mathematical computation for all facets of the food service industry. Math skills learned will advance students/graduates at all levels of employment from servers and cooks to chefs and managers (3 sch: 2 hr. lecture, 2-hr lab.)

**HRT 1213--SANITATION AND SAFETY**

Basic principles of microbiology, sanitation, and safety procedures for a food service operation. Implementation of sanitation procedures, cost control, and risk reduction standards in a hospitality operation are covered. ServSafe Sanitation Certification from the National Restaurant Association or equivalent is offered as a part of this course. (3 sch: 3 hr. lecture.)

**HRT 1223--RESTAURANT AND CATERING OPERATIONS**

This course focuses on principles of organizing and managing food and beverage facilities and catering operations. Prerequisites – None (3 sch: 3 hr. lecture)

**HRT 1413--ROOMS DIVISION MANAGEMENT**

This course offers an operational approach to rooms division management in the hospitality industry including front office management and housekeeping operations. Prerequisites – None (3 sch: 3 hr. lecture)

**HRT 19(1-4)(1-6)--SUPERVISED WORK EXPERIENCE IN HOTEL & RESTAURANT MANAGEMENT**

This course is a cooperative program between industry and education and is designed to integrate the student's technical studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial hours. Prerequisite: Consent of instructor. (1-6 sch: 3- to 18-hr externship) (45 industrial contact hours)

**CUT 19(1-4)(1-6)--SUPERVISED WORK EXPERIENCE IN CULINARY ARTS**

This course is a cooperative program between industry and education and is designed to integrate the student's technical studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours

**CUT 2223--MENU PLANNING**

This course focuses on the principles and concepts of menu planning, menu formats, and layout with regard to a wide variety of eating habits and taste of the dining public. Emphasis will be on pricing, menu design, merchandising tools, nutritional considerations, schedules, and profitability. Prerequisite - None (3 sch: 3 hr. lecture)

**HRT 2233--HOSPITALITY COST CONTROL**

This course focuses on principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume-profit analysis, income and cost control, menu pricing, labor cost control, and computer applications. Prerequisite - None (3 sch: 3 hr. lecture)

**CUT 2243--DINING ROOM MANAGEMENT**

This course focuses on management of a restaurant dining room including good housekeeping technique, fine food, and efficient service. It covers French, Russian, American, and English waited table service, limited service, counter, tray, service, and catering. Emphasis will be placed on staffing, scheduling, controls and skills required to effectively supervise a dining room operation.

Prerequisite: None (3sch: 3-hr lecture)

**CUT 2314--AMERICAN REGIONAL CUISINE**

This exploration of the American Cuisine concept emphasizes freshness, seasonality, nutrition, indigenous ingredients, and presentation. It is a thorough study into the cuisine characteristics and traditions of the various regions of the United States of America. Prerequisites: Culinary Principles I (HRT 1114), or by permission of instructor (4 sch: 2-hr lecture, 4-hr lab)

**HRT 2423—HOSPITALITY SECURITY MANAGEMENT AND LAW**

This course explains issues surrounding the need for individualized security programs, examines a variety of security equipment and procedures, and discusses internal and external security for foodservice and lodging operations. This course provides awareness of the rights and responsibilities that the law grants to or imposes upon a hotelier and consequences of failure to satisfy legal obligations. Prerequisite - None (3 sch: 3 hr. lecture)

**CUT 2424--INTERNATIONAL CUISINE**

This course is a study of cuisines of the world with emphasis on use of authentic ingredients, methods, and terminology. Prerequisites: Culinary Principles I (HRT 1114), or by permission of instructor (4 sch: 2-hr lecture, 4-hr lab)

**HRT 2613--HOSPITALITY SUPERVISION**

This course focuses on supervisory skills in leadership styles, communication skills, motivational techniques, employee training techniques, and evaluation methods. Prerequisite - None (3 sch: 3 hr. lecture)

**HRT 2623--HOSPITALITY HUMAN RESOURCE MANAGEMENT**

This course is designed to explore the principles of hospitality human resource management with an emphasis placed on the study of human behavior and human relations in the hospitality industry. Prerequisite – None (3 sch: 3 hr. lecture)

**HRT 2713--MARKETING HOSPITALITY SERVICES**

This course covers the applications of marketing methodologies and terms to the hospitality and tourism industry, the use of sales techniques for selling to targeted markets, and developing marketing plans for hospitality and tourism operations. Prerequisite - None (3 sch: 3 hr. lecture). (MMT 1123 Marketing Management may be substituted for HRT 2713.)

**HRT 2853--CONVENTION AND MEETING PLANNING**

This course covers the planning, promotion, and management of meetings, conventions, expositions, and events. Prerequisite – None (3 sch: 3 hr. lecture)

**INDUSTRIAL MAINTENANCE TECHNOLOGY**

**IMM 1113--INDUSTRIAL MAINTENANCE CORE AND SAFETY**

This course includes basic tools of the trade, fasteners and anchors, oxyfuel cutting, gaskets and packing, craft-related mathematics, construction drawings, pumps and drivers, introduction to valves and test equipment, material handling, mobile and support equipment, and lubrication. (3 sch: 2 hr. lecture, 2 hr. lab)

**IMM 1154--ELECTRICAL INDUSTRIAL MAINTENANCE I**

This course includes Industrial Safety, Introduction to the National Electric Code®, Electrical Theory, Alternating Current, E&I Test Equipment, and Flow, Pressure, Level, and Temperature. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 1164--ELECTRICAL INDUSTRIAL MAINTENANCE II**

This course includes process mathematics, hand bending, tubing, clean purge, and test tubing and piping systems, instrument drawings and documents (part one), conductors and cables, and conductors terminations and splices. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 1484--INDUSTRIAL CONTROL SYSTEMS**

Instruction in the operation and function industrial control circuits and devices. Emphasis is placed on the student's ability to diagram, wire and troubleshoot a variety of circuits, control devices and actuators. (4 sch: 2hr. lecture, 4 hr. lab)

**IMM 1214--INTRODUCTION TO INDUSTRIAL MAINTENANCE**

Instruction in pre-installation checks, assembly, location and layout of equipment, preparation of foundations and anchoring procedures, rigging and hoisting, and alignment and initial setup of equipment (4 sch: 2hr. lecture, 4 hr. lab)

**IMM 1224--POWER TOOL APPLICATIONS**

Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, cut-off saws, and drill presses. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 1242--MECHANICAL INDUSTRIAL MAINTENANCE I**

This course includes advanced trade math, precision measuring tools, installing bearings, and installing couplings. (2 sch: 1hr. lecture, 2 hr. lab)

**IMM 1252--MECHANICAL INDUSTRIAL MAINTENANCE II**

This course includes advanced setting baseplates and pre-alignment, conventional alignment, installing belt and chain drives, and installing mechanical seals. (2 sch: 1hr. lecture, 2 hr. lab)

**IMM 1313--PRINCIPLES OF HYDRAULICS AND PNEUMATICS**

Instruction in basic principles of hydraulics and pneumatics and the inspection, maintenance, and repair of hydraulic and pneumatic systems. (3sch: 2 hr lecture, 2 hr. lab)

**IMM 1324--MOTOR CONTROL SYSTEMS**

This course includes the Installation of different motor control circuits and devices. Emphasis is placed on developing the student's ability to diagram, wire, and troubleshoot the different circuits and mechanical control devices. (4 sch: 2hr. lecture, 4 hr. lab)

**IMM 1474--FLUID POWER**

This basic course provides instruction in hydraulics and pneumatics. The course covers actuators, accumulators, valves, pumps, motors, coolers, compression of air, control devices and circuit diagrams. Emphasis is placed on the development of control circuits and troubleshooting techniques. (4 sch: 3 hr. lecture, 2 hr. lab)

**IMM 1734 MAINTENANCE WELDING AND METALS**

This course includes different metals and their properties and in basic SMAW welding and oxy-fuel cutting and brazing. Components of this course are adopted from the NCCER Welding Level 1 Certification. Instructors for this course must be certified as an NCCER Instructor if administering the certification.

**IMM 1814--INDUSTRIAL ELECTRICITY LEVEL I**

Instruction in terminology and basic principles of electricity, use of test equipment, safety practices for working around and with electricity, and basic electrical procedures. (3 sch: 2 hr. lecture, 2 hr. lab)

**IMM 1824--INDUSTRIAL ELECTRICITY LEVEL II**

Advanced skills and knowledge associated with electrical systems in an industrial setting. Content includes instruction in the National Electrical Code, electrical circuits, motors, and estimating expenses for a given project. (4 sch: 2-hr lecture, 4-hr lab)

**IMM 191(1-4)--SPECIAL PROJECTS IN INDUSTRIAL MAINTENANCE**

This course is designed to provide the student with practical application of skills and knowledge gained in all related technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. (1-4sch: 2-8 hr. lab)

**IMM 1935--MANUFACTURING SKILLS BASIC**

Manufacturing Skills Basic is designed to provide the student with the basic skills needed to be successful in a high-performance manufacturing environment. The topics covered include: Basic Computer Literacy, Safety and CPR, Blueprint Reading, Precision Measurement, and an introduction to manufacturing improvement methods that covers Lean Manufacturing, Quick Changeover, 5S, Teamwork and Problem-solving. (5 sch: 2 hr. lecture, 6 hr lab)

**IMM 2114--EQUIPMENT MAINTENANCE, TROUBLESHOOTING AND REPAIR**

This course includes maintenance and troubleshooting techniques, practice in the use of technical manuals and test equipment, and training in inspection/evaluation/repair of equipment. (4 sch: 1 hr. lecture, 6 hr. lab)

**IMM 2124--POWER TOOLS, MACHINING, AND MATERIALS**

This course is designed to provide fundamental skills associated with all mechanical maintenance course. This course includes safety, powered hand and stationary tools, use of a calculator, test equipment familiarization and terminology. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2214--ADVANCED ELECTRICAL INDUSTRIAL MAINTENANCE**

This course includes hazardous locations, electronic components, E & I drawings, motor controls, distribution equipment, transformer applications, and conductor selection and calculation. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2224--ADVANCED MECHANICAL INDUSTRIAL MAINTENANCE**

This course includes temporary grounding, layout and installation of tubing and piping systems, machine bending of conduit, hydraulic controls, pneumatic controls, and motor-operated valves. 4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2424—SOLID STATE MOTOR CONTROLS**

This course includes principles and operation of solid state motor control. Additionally, the course

includes the design, installation, and maintenance of different solid state devices for motor control. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2433--ELECTRONIC MOTION CONTROL**

This course explains applications and operating procedures of solid-state controls, reduced-voltage starters, and adjustable frequency drives as well as troubleshooting procedures. (3 sch: 1 hr. lecture, 4 sch lab)

**IMM 2444--NCCER PIPEFITTING LEVEL I**

Instruction on basic principles of piping and pipefitting, basic pipe fitting procedures, and basic hydro testing of pipe systems. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2513--PROGRAMMABLE LOGIC CONTROLLERS- MULTI-PLATFORM**

This course covers use of programmable logic controllers (PLCs) in modern industrial settings as well as the operating principles of PLCs and practice in the accelerated programming across multiple PLC platforms, installation and maintenance of PLCs. (3 sch: 1 hr. lecture, 4 hr. lab)

**IMM 2613--PROGRAMMABLE LOGIC CONTROLLERS**

This course includes of programmable logic controllers (PLCs) in modern industrial settings. This course also includes the operating principles of PLCs and practice in the programming, installation, and maintenance of PLCs. (3 sch: 2 hr. lecture, 2 hr. lab)

**IMM 2623—ADVANCED PROGRAMMABLE LOGIC CONTROLERS**

Advanced PLC course that provides instruction in the various operations, installations, and maintenance of electric motor controls. Also, information in such areas as sequencer, program control, introduction to function blocks, sequential function chart, introduction to HMI, and logical and conversion instructions. (3 sch: 2 hr. lecture, 2 hr. lab)

**IMM 2714--CNC/COMPUTER ASSISTED MANUFACTURING**

An introduction of computer numerical control (CNC) and computer assisted manufacturing (CAM) techniques and practices. Includes the use of the Cartesian coordinate system, programming codes and command, and tooling requirements for CNC/CAM machines. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2814--MECHATRONICS PROGRAMMING I**

This course provides a hands-on learning environment to develop and practice the techniques used in programming and sequencing mechatronics systems. (4sch: 2 hr. lecture, 4 hr. lab)

**IMM 2824-- MECHATRONICS ROBOTICS**

This course provides a hands-on learning environment to develop and practice the techniques used in programming and troubleshooting robotic systems. (3 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2833-- MECHATRONICS PROCESS CONTROL**

A study of the instruments and instrument systems used in chemical processing including terminology, primary variables, symbols, and control loops. (3 sch: 2 hr. lecture, 2 hr. lab)

**IMM 2844--MECHATRONICS PROGRAMMING II**

This course provides a hands-on learning environment to develop and practice the techniques used in advances programming and network integration of mechatronic systems. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2854--MECHATRONICS TROUBLESHOOTING AND REPAIR**

This course provides a hands-on learning environment to develop and practice the techniques used in troubleshooting complex mechatronics systems. (4 sch: 2 hr. lecture, 4 hr. lab)

**IMM 2863—DATA ACQUISITION AND INDUSTRIAL COMMUNICATIONS**

This is a course in acquisition and communication of systems data in industrial automated applications. (3 sch: 1 hr. lecture, 4 hr. lab)

**INFORMATION SYSTEMS TECHNOLOGY**

**CPT 1113--MICROSOFT COMPUTER APPLICATIONS**

This course will introduce information processing concepts including word processing, spreadsheet, and database management software. (3 sch: 2-hr lecture, 2-hr lab)

**IST 1124--IT FOUNDATIONS**

This course covers the diagnosis, troubleshooting, and maintenance of computer components and interpersonal communications for IT professionals. Topics include hardware compatibility, system architecture, memory, input devices, video displays, disk drives, modems, printers, safety and environmental issues, communication, and professional behavior (4 sch: 2 hr lecture, 4 hr lab).

**IST 1134--FUNDAMENTALS OF DATA COMMUNICATIONS**

This course presents basic concepts of telephony, local area networks, wide area networks, data transmission, and topology methods. (4 sch: 2 hr. lecture, 4 hr. lab).

**IST 1143--PRINCIPLES OF INFORMATION SECURITY**

This course is an introduction to the various technical and administrative aspects of information security and assurance. This course provides the foundation for understanding the key issues associated with protecting information assets, determining the levels of protection and response to security incidents, and designing a consistent, reasonable information security system with appropriate intrusion detection and reporting features (3sch: 2-hr lectures, 2-hr lab).

**IST 1154--WEB AND PROGRAMMING CONCEPTS**

This course is an introduction to Web site development and programming logic. Students will gain hands-on experience in the development of computer programs. Upon completion of this course, students will be able to create a Web site and post it on the Internet (4 sch: 2-hr lecture, 4-hr lab).

**IST 1163--DATABASE AND SQL CONCEPTS**

This course is an introduction to the design and manipulation of relational databases. Emphasis is placed on creation, manipulation, extraction, and display of data from existing databases. QBE and SQL are explored. (3 sch: 2-hr lecture, 2-hr lab).

**IST 1213--CLIENT INSTALLATION AND CONFIGURATION**

This course is designed to help the student install, support, and troubleshoot a current client operating system. Emphasis will be placed on common user operations as well as the network administrator's support of the client (3 sch: 2-hr lecture, 2-hr lab).

**IST 1224--NETWORK COMPONENTS**

This course presents local area network and wide area network connectivity. It focuses on architectures, topologies, protocols, and transport methods of a network. Pre-requisite: IST 1134. (3

sch: 2-hr lecture, 4-hr lab).

**IST 1244--NETWORK ADMINISTRATION USING MICROSOFT WINDOWS SERVER**

This course focuses on the management of a computer network using the Microsoft Windows Server network operating system. Emphasis will be placed on daily administrative tasks performed by a network administrator (4 sch: 2-hr lecture, 4-hr lab).

**IST 1254--NETWORK ADMINISTRATION USING LINUX**

This course focuses on the management of a computer network using the Linux operating system. Emphasis is placed on installation, configuration, implementation, and administrative tasks of a functional server (4 sch: 2-hr. lecture, 4-hr. lab).

**IST 1314--VISUAL BASIC PROGRAMMING LANGUAGE**

This introduction to the Visual BASIC programming language introduces the student to object-oriented programming and a graphical integrated development environment (4 sch: 2-hr lecture, 4-hr lab).

**IST 1424--WEB DESIGN APPLICATIONS**

This course involves the application of various professional and personal Web design techniques. Students will work with the latest WYSIWYG editors, HTML editors, animation/multimedia products, and photo editors. Pre-requisite: IST 1154 (4 sch: 2-hr lecture, 4-hr lab).

**IST 1613--COMPUTER FORENSICS**

This course is an introduction to the various technical and administrative aspects of computer forensics and laws pertaining to cybercrime. This course provides the foundation for understanding the key issues associated with computer forensic investigations, understanding the boot processes and disk structure for multiple operating systems, and understanding the processes related to data acquisition during investigations (3 sch: 2-hr lecture, 2-hr lab).

**IST 1624--NETWORK SECURITY FUNDAMENTALS**

This course provides the fundamental understanding of network security principles, implementations, and the concepts, models, and technologies involved in creating a secure network environment. Topics include, but are not limited to, authentication, types of attacks and malicious code, and best practices for securing a network environment. Prerequisites: Fundamentals of Data Communication (IST 1134); Security Principles and Policies (IST 1143) (4 sch: 2-hr lecture, 4-hr lab).

**IST 1633--WIRELESS SECURITY AND PRIVACY**

This course provides a fundamental understanding of wireless architecture, security principles, and the technologies and principles involved in creating a secure wireless computer network environment. Topics include wireless hardware, protocols, encryption, and how to prevent weaknesses in wireless technology. Prerequisite: Fundamentals of Data Communication (IST 1134); Security Principles and Policies (IST 1143) (3 sch: 2-hr lecture, 2-hr lab).

**IST 1643--NETWORK DEFENSE AND COUNTERMEASURES**

This course provides a solid foundation of network security and the understanding of the process to create a network defense and countermeasure policy to respond to intrusion detection. Topics include network address translation, packet filtering, proxy servers, firewalls, and virtual private networks used to design a network defense strategy. Prerequisites: Network Security Fundamentals (IST

1623); Fundamentals of Data Communication (IST 1134) (3 sch: 2-hr lecture, 2-hr lab).

**IST 2224--NETWORK PLANNING AND DESIGN**

This course involves applying network concepts in planning and designing a functioning network. Emphasis is placed on recognizing the need for a network, conducting an analysis, and designing a solution. Pre-requisites: IST 1224. (4 sch: 2-hr lecture, 4-hr lab)

**IST 2234--NETWORK IMPLEMENTATION**

This course is the culmination of all concepts learned in the network curriculum. Topics include planning, installation, evaluation, and maintenance of a network solution. Pre-requisite: Network Planning and Design (IST 2224) (4 sch: 2-hr lecture, 4-hr lab).

**IST 2254--ADVANCED NETWORK ADMINISTRATION USING MICROSOFT WINDOWS SERVER**

This course is a continuation of Network Administration Using Microsoft Windows Server. Emphasis is placed on installation, configuration, and implementation of a functional server. Pre-requisite: Network Administration Using Microsoft Windows Server (IST 1244) Pre-requisite: Network Administration Using Microsoft Windows Server (IST 1244) (4 sch: 2 hr. lecture, 4 hr. lab).

**IST 2264--ADVANCED NETWORK ADMINISTRATION USING LINUX**

This course is a continuation of Network Administration Using Linux. This is an advanced administration course in network services for Linux users who wish to increase their skills. Students will learn how to apply security to network users and resources, manage and compile the Linux kernel, manage network clients, and troubleshoot network processes and services. Pre-requisite: Network Administration Using Linux (IST 1254) (4 sch: 2 hr. lecture, 4 hr. lab).

**IST 2613--WINDOWS SECURITY**

This course provides the knowledge and fundamental understanding of Windows security, how to harden current Windows operating systems, and how to defend against attacks. Topics include designing Active Directory, authentication for Windows, group security and policy, service security, remote access security, planning a public key infrastructure, securing file resources, Internet Protocol Security, and additional Windows security topics. Prerequisites: Network Security Fundamentals (IST 1624); Network Administration Using Microsoft Windows Server (IST 1244) (3 sch: 2-hr lecture, 2-hr lab).

**IST 2623--LINUX/UNIX SECURITY**

This course provides the knowledge and fundamental understanding of Linux/Unix security, how to harden Linux/Unix, and how to defend against potential attacks against vulnerabilities and unused system services. Topics include how to password protect files, monitor log files, and use port scanners and network scanners, and additional Linux/Unix security topics. Prerequisites: Network Security Fundamentals (IST 1624); Advanced Network Administration Using Linux (IST 2264) (3 sch: 2 hr. lecture, 2 hr. lab).

**PRECISION MANUFACTURING AND MACHINING TECHNOLOGY**

**MST 1116--POWER MACHINERY I**

This course provides instruction of general shop safety as well as the operation of power machinery which includes instruction and practice in the safe operation of lathes, power saws, drill presses, and vertical mills. (6 sch: 2 hr. lecture, 8 hr. lab)

- MST 1125--POWER MACHINERY II**  
A continuation of Power Machinery I with emphasis on more advanced applications of lathes, mills, shapers, and precision grinders. Prerequisite: Power Machinery I (MST 1116) (5 sch: 2 hr. lecture, 6 hr. lab)
- MST 1313--MACHINE TOOL MATHEMATICS**  
An applied mathematics course designed for machinists which includes instruction and practice in algebraic and trigonometric operations. (3 sch: 2 hr. lecture, 2 hr. lab)
- MST 1413--BLUEPRINT READING**  
Plans and specifications interpretation designed for machinists. Includes instruction and practice in reading plans and applying specifications. (3 sch: 2 hr. lecture, 2 hr. lab)
- MST 1422--ADVANCED BLUEPRINT READING**  
A continuation of Blueprint Reading with emphasis on advanced features of plans and specifications. Includes instruction on the identification of various projections, views, and assembly components. Prerequisite: Blueprint Reading (MST 1413). (2 sch: 1 hr. lecture, 2 hr. lab)
- MST 1613--PRECISION LAYOUT**  
Precision layout for machining operations which includes instruction and practice in the use of layout instruments. (3 sch: 2 hr. lecture, 2 hr. lab)
- MST 2135--POWER MACHINERY III**  
A continuation of the Power Machinery II course with emphasis on safety, and advanced applications of the engine lathe, milling, and grinding machine. Prerequisite: Power Machinery II (MST 1127). (5 sch: 2 hr. lecture, 6 hr. lab)
- MST 2145--POWER MACHINERY IV**  
A continuation of Power Machinery III with emphasis on highly advanced safe operations on the radial arm drill, milling machine, engine lathe, and precision grinder. Prerequisite: Power Machinery III (MST 2135). (5 sch: 2 hr. lecture, 6 hr. lab)
- MST 2715--COMPUTER NUMERICAL CONTROL OPERATIONS I**  
An introduction of computer numerical control (CNC) and computer assisted manufacturing (CAM) techniques and practices. Includes the use of the Cartesian coordinate system, programming codes and command, and tooling requirements for CNC/CAM machines. (5 sch: 2 hr. lecture, 6 hr. lab)
- MST 2725--COMPUTER NUMERICAL CONTROL OPERATIONS II**  
A continuation of Computer Numerical Control Operations I. Includes instruction in writing and editing CNC programs, machine setup and operation, and use of CAM equipment to program and operate CNC machines. (CNC lathes, CNC mills, CNC machine centers, and wire EDM). Pre/Co-requisite: Computer Numerical Control Operations I (MST 2714). (5 sch: 2 hr. lecture, 6 hr. lab)
- MST 2733--FUNDAMENTALS OF CAD/CAM**  
This course is designed to provide the students with the fundamental knowledge and skills of Computer Aided Design Manufacturing using various CAD/CAM software packages as they relate to Machine Tool Technology. (3 sch: 2-hr lecture, 2 hr lab)

**MST 2813--METALLURGY**

Concepts of metallurgy including instruction and practice in safety, metal identification, heat treatment, and hardness testing. (3 sch: 1 hr. lecture, 4 hr. lab)

**MST 2913--SPECIAL PROBLEM IN MACHINE TOOL OPERATION/MACHINE SHOP**

A course to provide students with an opportunity to utilize skills and knowledge gained in other Machine Tool Technology courses. The instructor and student work closely together to select a topic and establish criteria for completion of the project. (3 sch: 6 hr. lab)

**ASSOCIATE DEGREE NURSING****NUR 1119--FUNDAMENTALS OF NURSING**

Within the curricular framework and across the lifespan, the focus of this competency based course is on fundamental nursing concepts related to the roles of the associate degree nurse. Nursing process, caring, communication/documentation, and teaching/learning principles are introduced. The concepts of nursing, person, society and health are explored. Introduction to pharmacology, including dosages and solution calculation, and beginning medication administration is included. An introduction to the roles of provider of care, and member of the profession is included. PRE/CO-REQUISITE: Pre-requisite: Admission to the Associate Degree Nursing Program. Co-Requisites: ENG 1113, PSY 1513. SEMESTER CREDIT HOURS: (9 semester credit hours allotted as follows: 5 hrs lecture, 4 hrs Lab/Clinical)

**NUR 1128--MEDICAL SURGICAL NURSING I**

Within the curricular framework, the focus of this competency based course is utilization of the nursing process and the art of providing culturally and ethnically sensitive care of adults experiencing low risk and chronic health needs. Caring, communication/documentation skills are reinforced and applied. Medical Surgical Nursing I provides a foundation for Medical Surgical Nursing II. The concept of nursing, person, society and health, and the principles of teaching/learning are expanded. Role development is focused primarily on provider care. Pharmacology content includes drug classification, IV therapy and blood administration. PRE/CO-REQUISITE: Pre-requisites: NUR 1119, ENG 1113, PSY 1513, FCS 1253. Co-requisites: NUR 1123, EPY 2533

SEMESTER CREDIT HOURS: (8 semester credit hours allotted as follows: 5 hours theory and 3 hours Lab/Clinical)

**NUR 1123--MATERNAL NEWBORN NURSING**

Within the curricular framework, the focus of this competency based course is utilization of the nursing process and the art of providing culturally and ethnically sensitive care to childbearing families in a variety of maternal newborn settings. Caring, communication/documentation and teaching/learning principles are utilized in the analysis of care provided. The concepts of nursing, person, society and health are adapted to the antenatal, prenatal, postnatal, and neonatal periods. Pharmacological principles are broadened to include reproductive needs. Upon completion of the course, the student will function in the role of provider and manager of care, teacher, communicator, and critical thinker. PRE/CO-REQUISITE: Pre-requisites: NUR 1119, ENG 1113, PSY 1513, FCS 1253. Co-requisites: NUR 1128, EPY 2533.

SEMESTER CREDIT HOURS: (3 semester hours allotted as follows: 2 hours theory and 1 hour Lab/Clinical)

**NUR 2218--MEDICAL SURGICAL NURSING II**

Within the curricular framework, the focus of this competency based course is utilization of the nursing

process and the art of providing culturally and ethnically sensitive care of adults experiencing high risk and complex health needs. Caring, communication/documentation, and teaching/learning principles are utilized in the analysis of care provided. The concepts of nursing, person, society and health are utilized in the provision of increasingly complex nursing. Role development is expanded to emphasize manager of care. Pharmacotherapeutics and nursing implications are applied. PRE/COREQUISITE: Pre-requisite: NUR 1119, ENG 1113, PSY 1513, FCS 1253, NUR 1128, EPY 2533. Co-requisites: NUR 2113, SPT 1113.

SEMESTER CREDIT HOURS: (8 semester credit hours allotted as follows: 4 hours theory, 4 hours Lab/Clinical)

#### **NUR 2113--MENTAL HEALTH NURSING**

Within the curricular framework, the focus of this competency based course is utilization of the nursing process and the art of providing culturally and ethnically sensitive care to individuals, families, and communities experiencing mental health needs. Caring, communication/ documentation and teaching/learning principles are utilized in the analysis of care provided. The concepts of nursing, person, society and health are utilized in the provision of mental health care. Psychopharmacological principles are applied. Upon completion of the course, the student will function in the role of provider and manager of care, teacher, communicator, and critical thinker. PRE/CO-REQUISITE: Pre-requisites: NUR 1119, ENG 1113, PSY 1513, FCS 1253, NUR 1128, NUR 1123, EPY 2533. Co-requisites: NUR 2218, SPT 1113.

SEMESTER CREDIT HOURS: (3 semester credit hours allotted as follows: 2 hours theory, 1 hour Lab/Clinical)

#### **NUR 2123--CHILD HEALTH NURSING**

Within the curricular framework, the focus of this competency based course is utilization of the nursing process and the art of providing culturally and ethnically sensitive care of children within the context of families in a variety of settings. Caring, communication/documentation and teaching/learning principles are utilized in the implementation and evaluation of care provided. The concept of nursing, person, society and health are adapted to the stages of growth and development to allow the student to plan care for both ill and well children. Pharmacological implications in the care of children are presented. Role development includes expansion of the roles of manager and provider of care, and member of the profession. PRE/CO-REQUISITE: Pre-requisites: NUR 1119, ENG 1113, PSY 1513, FCS 1253, NUR 1128, NUR 1123, EPY 2533, NUR 2218, NUR 2113, SPT 1113, SOC 2113. Co-requisites: NUR 2126 and fine arts elective.

SEMESTER CREDIT HOURS: (3 semester credit hours allotted as follows: 2 hours lecture, 1 hour Lab/Clinical)

#### **NUR 2126--INTERNSHIP: NURSING LEADERSHIP**

Within the curricular framework, the focus of this competency based course is utilization of the nursing process and the art of managing and providing culturally and ethnically sensitive care to groups of clients in a variety of settings. The student transitions from dependent and interdependent roles to independent practice. Integration and synthesis of all previously learned content occurs. Caring, communication/documentation skills are utilized in the management and evaluation of care and interventions. The concepts of nursing, person, society, and health are integrated into all aspects of nursing care. Teaching/learning principles are applied and evaluated in a variety of health care settings. Culmination of all pharmacological principles occurs. The student is able to function in the roles of manager of care, provider of care, and member of a profession at the generalist level of proficiency. PRE/CO-REQUISITE: Pre-requisites: NUR 1119, ENG 1113, PSY 1513, FCS 1253, NUR 1128, NUR 1123, EPY 2533, NUR 2218, NUR 2113, SPT 1113, SOC 2113. Co-requisites: NUR 2123,

Fine arts elective.

SEMESTER CREDIT HOURS: (6 semester credit hours allotted as follows: 3 hours lecture, 9 hours Lab/Clinical)

## **OPHTHALMIC TECHNOLOGY**

### **OPT 1113--OPHTHALMIC OPTICS I**

A study of basic principles of light. Topics covered include anatomy and physiology of the eye, visual conditions of the human eye, and appropriate lens to correct these conditions. (3 sch: 3 hr. lecture)

### **OPT 1123--OPHTHALMIC OPTICS II**

A continuation of Ophthalmic Optics I. Topics include the theory of optical instruments, positive and negative cylinders, prisms, and vertex distance, and frame selection. Pre/Co-requisite: Optics Lab Tech II (OPT 1224). (3 sch: 3 hr. lecture)

### **OPT 1214--OPTICS LABORATORY TECHNIQUES I**

This course will introduce the student to all basic equipment necessary to process the lens through the surface operation. Emphasis will be placed on basic safety, preparation, operation, and maintenance of equipment. Pre/Co-requisite: OPT 1113 – Ophthalmic Optics I, OPT 1313 - Laboratory Management & Inventory Control. (4 sch: 8 hr. lab)

### **OPT 1224--OPTICS LAB TECHNIQUES II**

Continuation of Optics Laboratory Techniques I. Emphasis will be placed on lens inspection, cutting and edging, heat treatment, lens insertion, inspection, and tinting. Pre/Co-requisites: Ophthalmic Optics II (OPT 1123), Business Management for Opticians (OPT 1323), Ophthalmic Dispensing I (OPT 1413). (4 sch: 8 hr. lab)

### **OPT 1313--LABORATORY MANAGEMENT & INVENTORY CONTROL I**

This course will serve as an introduction to supplies and materials used in the ophthalmic laboratories and an introduction to mathematical optical calculations. Laboratory safety procedures will be discussed. Laboratory inventory and management skills will be demonstrated using computer software. (3 sch: 3 hr. lecture)

### **OPT 1323--BUSINESS MANAGEMENT FOR OPTICIANS**

Continuation of Laboratory Management and Inventory Control I. Emphasis of this course will be on small business management concepts as related to an optical business. (3 sch: 3 hr. lecture)

### **OPT 1413--OPHTHALMIC DISPENSING I**

This course is a foundation course that will serve as a lecture introduction to ophthalmic dispensing and related areas. Topics include frame parts, selection, lens positioning and insertion, frame fitting, and progressive lenses. (3 sch: 3 hr. lecture)

### **OPT 2423--OPHTHALMIC DISPENSING II**

An introduction to prescription analysis and interpretation. Various types of Rx's will be discussed as to what types of lens and frames should be considered for the final product. Emphasis will be placed on the effect of the Rx as related to the patient's needs and wants. Tints, thickness factor, cosmetic considerations, and the overall utility of the final product will be discussed. Business communication skills will also be introduced. Pre/Co-requisite: Ophthalmic Dispensing I (OPT 1413). (3 sch: 3 hr. lecture)

**OPT 2433--OPHTHALMIC DISPENSING III**

A continuation of Ophthalmic Dispensing II. Emphasis will be placed on the more advanced and unusual prescription related to ophthalmic dispensing and on sales techniques. Topics to improve the ophthalmic dispenser's relationship with fellow opticians, optometrists, ophthalmologists, wholesalers, manufacturers, and employees will be discussed. Pre/Co-requisite: Ophthalmic Dispensing II (OPT 2423). (3 sch: 3 hr. lecture)

**OPT 2513--OPTICAL THEORY AND INSTRUMENTATION**

An in-depth look into the basic theoretical principles of optical theory, as related to lenses, fitting problems, and instrumentation. Such topics as reflection, refraction, magnification, and object-location will be discussed. (3 sch: 3 hr. lecture)

**OPT 2613--DISPENSING CLINIC I**

An on-campus clinical experience, operated by the Ophthalmic Dispensing students. Practical clinical procedures will be practiced and proficiency demonstrated. Pre/Co-requisites: Ophthalmic Dispensing II (OPT 2423) and Optical Theory and Instrumentation (OPT 2513). (3 sch: 6 hr. lab)

**OPT 2623--DISPENSING CLINIC II**

Continuation of Dispensing Clinic I. Continuous evaluations will be done to study the clinic operation in terms of its efficiency and effectiveness of operations. Additional adjustments and delivery will be done. Emphasis will be placed on developed cases of special Rx's and pediatric dispensing. Advanced projects such as multi-focal lens fitting will be completed. Pre/Co-requisites: Ophthalmic Dispensing III (OPT 2433) and Dispensing Clinic I (OPT 2613). (3 sch: 6 hr. lab)

**OPT 2916--EXTERNSHIP**

This course will be conducted off-campus at a clinical location. The student will be under the direct supervision of the manager or clinical director. Evaluations will be completed by the instructors and off-campus clinical participants. . Pre/Corequisites: Completion of 1st year Ophthalmic Technology courses. (6 sch: 18 hr. clinical)

**PRACTICAL NURSING**

**PNV 1213--BODY STRUCTURE AND FUNCTION COURSE**

This course is a study of body structure and function essential to safe and effective nursing care. Each system of the body is covered with applications to nursing. Prerequisite: Admission to the Practical Nursing Program. (3 sch: 3 hr. lecture)

**PNV 1426--FUNDAMENTALS OF NURSING THEORY**

This course provides the student with the basic knowledge and skills necessary to care for the individual in wellness and illness and is applicable across the life span. Co-requisites: This course requires concurrent registration in PNV 1437. A passing grade in PNV 1426 and PNV 1437 is required in order to progress in the Practical Nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admissions. (6 sch: 6 hr. lecture)

**PNV 1437--FUNDAMENTALS OF NURSING LAB/CLINICAL**

This course requires concurrent registration in PNV 1426. This course provides demonstration and supervised practice of the fundamental skills related to practical nursing. Co-requisites: This course

requires concurrent registration in PNV 1426. A passing grade in PNV 1426 and PNV 1437 is required in order to progress in the Practical Nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. (7 sch: 10 hr. lab, 6 hr. clinical)

**PNV 1524--IV THERAPY AND PHARMACOLOGY**

This course provides the student with the principles of IV therapy and pharmacology. Principles covered in this course include the administration of medication, administration of IV fluids, and administration of IV medications included in the scope of practice for the practical nurse. The expanded role of IV therapy included in this course is in accordance with the Mississippi Nursing Practical Law and Administration Code. Prerequisites: All first-semester Practical nursing courses. (4 sch: 3 hr. lecture, 2 hr. lab)

**PNV 1615--MEDICAL SURGICAL NURSING**

This course provides the student with the basic nursing theory and skills to provide safe and effective care for a client experiencing acute, chronic, or life-threatening physical health conditions in selected body systems. Pharmacological and nutritional therapy considerations for various disorders are included. The systems not covered in this course are taught in Alterations in Adult Health (PNV 1635). Pre-/Co-requisites: All first-semester courses. Concurrent registration in PNV 1622 is required. A passing grade in PNV 1615 and PNV 1622 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon readmission. (5 sch: 5-hr. lecture)

**PNV 1622--MEDICAL/SURGICAL NURSING CLINICAL**

This course includes clinical experiences for application of nursing theory and skills for safe, effective care of the adult client experiencing acute, chronic, or life-threatening physical health conditions in all body systems. Pre-/Co-requisites: All first-semester courses. Concurrent registration in PNV 1622 is required. A passing grade in PNV 1615 and PNV 1622 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon readmission. (2 sch: 6 hr. clinical)

**PNV 1635--ALTERATIONS IN ADULT HEALTH**

This course provides the student with the basic nursing theory and skills to provide safe and effective care for the adult client experiencing acute, chronic, or life-threatening physical health conditions in selected body systems. Pharmacological and nutritional therapy considerations for various disorders are included. The systems not covered in this course are taught in Medical/Surgical Nursing Theory (PNV 1615). Concurrent registration in PNV 1642 is required. A passing grade in PNV 1635 and PNV 1642 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon readmission. (5 sch: 5 hr. lecture)

**PNV 1642--ALTERATIONS IN ADULT HEALTH CLINICAL**

This course provides the student with the basic nursing theory and skills to provide safe and effective care for the adult client experiencing acute, chronic, or life-threatening physical conditions in selected body systems. Concurrent registration in PNV 1635 is required. A passing grade in PNV 1635 and PNV 1642 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon readmission. (2 sch: 6 hr. clinical)

**PNV 1714—MATERNAL-CHILD NURSING**

This course provides the student with basic knowledge and skills to promote and/or provide safe and effective care for clients and families during antepartum, intrapartum, and postpartum periods as well

as infancy through adolescence. Prerequisites: All first- and second-semester PNV courses. (4 sch: 3.7 hr. lecture, 1 hr. clinical)

**PNV 1814--MENTAL HEALTH NURSING**

This course provides the student with basic knowledge and skills to assist in the promotion of the emotional, mental, and social well-being of the client and family experiencing a mental health alteration. Prerequisites: All first semester PNV courses. (4 sch: 3.7 hr. lecture, 1 hr. clinical)

**PNV 1914--NURSING TRANSITION**

This course prepares the student for role transition and the National Council Licensure Examination (NCLEX-PN®). Prerequisites: All first- semester and second-semester PNV courses. (4 sch: 3 hr lecture, 3 hr clinical)

**SUPERVISION AND MANAGEMENT TECHNOLOGY**

**TIED 2113--BEHAVIORAL SCIENCE**

This course relates to the development of the science of humanities. Emphasis is given to the following topics: machines and the human element, the personal needs that stimulate behavior, leadership and supervision, factors Influencing attitudes, the foundation of business, employer-employee relations, and techniques for handling people. Several case studies are reviewed and discussed at length. (3 sch: 3 hr. lecture)

**TIED 2523--COUNSELING THE TROUBLED EMPLOYEE**

This course will teach supervisors how to recognize and deal with personal employee problems such as alcoholism, drug abuse, family problems, financial problems, child abuse, and absenteeism. Student will learn to recognize personality disorders and types of personality traits. (3 sch: 3 hr. lecture)

**TMGT 1213--PRINCIPLES OF MANAGEMENT I**

This course is an introduction to management thinking. It will contribute to better performance by helping participants see their problems more clearly in terms of accepted management practices. The purpose of this course is to develop in supervisors, managers, and potential supervisors the relationship among owners, managers, workers, and the public and their respective functions the understanding and development of employee relations and the knowledge of suitable and efficient internal organizations and operations. (3 sch: 3 hr. lecture)

**TMGT 1223--PRINCIPLES OF SUPERVISION**

This course presents basic and general principles of effective supervisory techniques. The course is divided into seven parts which include fundamentals of supervision, relationships of the job, communications, how to train employees, performance and job evaluation, job management, and work improvement. (3 sch: 3 hr. lecture)

**TMGT 1233--PRODUCTION AND INVENTORY CONTROL**

Purpose, methods, tools, and procedures of production control; systems used in large and small firms, analyzing material requirements, forecasting inventory needs, economics of order quantities, production scheduling, and manpower planning. (3 sch: 3 hr. lecture)

**TMGT 1243--WORK METHODS AND MOTION-TIME STUDY**

Emphasis in this course is on importance of finding more efficient ways of completing daily tasks. Each participant is given an opportunity to study and submit a proposed method improvement project. There will be problem-solving projects in material and manpower waste. (3 sch: 3 hr. lecture)

**TMGT 1253--PERSONNEL MANAGEMENT**

Objectives, functions, and organization of personnel programs. Emphasizes job evaluation, selection, and placement; education and training; safety and health; employee services; employee relationships; industrial relations; and personnel research. (3 sch: 3 hr. lecture)

**TMGT 2113--ELEMENTS OF MANAGEMENT DECISION-MAKING**

Analysis, discussion, and solution of case studies of actual situations in business and industry which require problem-solving and managerial decision-making. (3 sch: 3 hr. lecture)

**TMGT 2123--LABOR RELATIONS**

Supervised study of labor problem situations which characterize labor management relations in a free enterprise economy. Case studies will be used for solving problems involving personnel in both a union and non-union plant. (3 sch: 3 hr. lecture)

**TMGT 2213--QUALITY CONTROL**

This course stresses the importance of quality control functions in the organization, statistical sampling, incoming inspections, basic laboratory and testing analysis, quality assurance, and responsibilities of quality control. (3 sch: 3 hr. lecture)

**TSAP 1113--SAFETY AND ACCIDENT PREVENTION**

This course offers the supervisor a systematic approach to a better understanding of safety and accident-preventing problems. Attention is given to prevention safety measures and understanding the causes of accidents and injuries. It is an OSHA-approved training course. (3 sch: 3 hr. lecture)

**UTILITY LINEWORKER TECHNOLOGY**

**ULT 1122--LINEWORKER SAFETY**

This course is designed to provide fundamental safety rules and procedures needed in performing basic line worker skills. (2 sch: 2 hr. lecture)

**ULT 1152--AC and DC CIRCUITS FOR LINE WORKERS**

Principles and theories associated with AC and DC circuits used in the line worker trade. Includes the study of electrical circuits, laws and formulas, and the use of test equipment to analyze AC and DC circuits (2 sch: 1-hr lecture, 2-hr lab)

**ULT 1192--FUNDAMENTALS OF ELECTRICITY FOR LINE WORKERS**

Fundamental skills associated with all electrical courses. Safety, basic tools, special tools, equipment, and introduction to AC and DC circuits (2 sch: 1-hr lecture, 2-hr lab)

**ULT 1231--ELECTRICAL POWER AND TRANSFORMER BANKING FOR LINE WORKERS**

This course is designed to cover basic single phase operations and Delta and "Wye" Transformer Banks including hookups for 120/208—240/480—120/240—277/480 (1 sch: 1-hr lecture)

**ULT 1313--LINE WORKER TRUCK DRIVING**

This course is designed to provide a line worker with fundamental skills needed to obtain a Class A CDL (Commercial Drivers License) with air brake endorsement. (3 sch: 2-hr lecture, 2 hr. lab)

**ULT 1413--POLE CLIMBING**

This course is designed to provide a line worker with fundamental skills needed to perform basic pole climbing. (3 sch: 1-hr lecture, 4-hr lab)

**ULT 1514--OVERHEAD, UNDERGROUND & SUBSTATION CONSTRUCTION**

This course is designed to provide further fundamental training in the field of electric line work dealing with the overhead/underground line construction and substation construction. (4 sch: 2-hr lecture, 4-hr lab)

**TMA 1023--BASIC TECHNICAL MATH**

This course provides instruction in mathematical concepts found in occupational and apprenticeship programs. It includes applied arithmetic, elementary algebra and geometry. 3sch: 3 hr. lecture.

**WELDING AND FABRICATING TECHNOLOGY**

**WLT 1114--SHIELDED METAL ARC WELDING I**

This course is designed to teach students welding techniques using E-6010 electrodes. (4 sch: 1 hr. lecture, 8 hr. lab)

**WLT 112(3-4)--GAS METAL ARC WELDING**

This course is designed to give the student experience in various welding applications with the GMAW welder including short circuiting and pulsed transfer. (4 sch: 1 hr. lecture, 6 hr. lab)

**WLT 113(4-5)--GAS TUNGSTEN ARC WELDING**

This course is designed to give the student experience in various welding applications with the GTAW welder. (6 sch: 1 hr. lecture, 10 hr. lab)

**WLT 114(2-3)--FLUX CORED ARC WELDING**

This course is designed to give the student experience in FCAW. (3 sch: 1 hr. lecture, 4 hr. lab)

**WLT 1155--PIPE WELDING**

This course is designed to give the student experience in pipe welding procedures. (5 sch: 1 hr. lecture, 8 hr. lab)

**WLT 117(2-3)--INTRODUCTION TO WELDING AND SAFETY**

This course is designed to give the student an overview of the welding field its processes and safety procedures. (3 sch: 2 hr. lecture 2 hr. lab)

**WLT 1224--SHIELDED METAL ARC WELDING II**

This course is designed to teach students welding techniques using E-7018 electrodes. (4 sch: 1 hr. lecture, 8 hr. lab)

**WLT 123(1-2)--DRAWING AND WELDING SYMBOL INTERPRETATION**

This course is designed to give the student advanced experience in reading welding symbols. (2 sch:

1 hr. lecture, 2 hr. lab)

**WLT 1253--ADVANCED PIPE WELDING**

This course is designed to give the student advanced pipe welding techniques using shielded metal arc and gas tungsten arc welding processes. Prerequisite: Pipe Welding [WLT-115(4-5)]. (3 sch: 2 hr. lecture, 2 hr. lab)

**WLT 131(2-3)--CUTTING PROCESSES**

This course is designed to give the student experiences in oxyfuel cutting principles and practices, air carbon cutting and gouging, and plasma arc cutting. (3 sch: 1 hr. lecture, 4 hr. lab)

**WLT 1426--BASIC FABRICATION FOR PIPEFITTING**

This course is designed for the use of pipefitting tools and equipment, different ways of cutting and fitting pipes, methods of calculating pipe fittings, and various types of fit-ups for different types of pipe. (6 sch: 2 hr. lecture, 8 hr. lab)

**WLT 1913--SPECIAL PROBLEMS IN WELDING AND CUTTING TECHNOLOGY**

A course to provide students with an opportunity to utilize skills and knowledge gained in other Welding and Cutting Technology courses. The instructor and student work closely together to select a topic and establish criteria for completion of the project. (3 sch: 2-12 hr. lab)

**WLT 2813--WELDING METALLURGY**

This course is designed to give the student experience in the concept of metallurgy and how metals react to internal and external strains and temperature changes during various welding and heating processes. Prerequisite: Completion of Welding and Fabrication Certificate Program. (3 sch: 3 hr. lecture)

**WLT 2913--WELDING CERTIFICATION AND CODE PRACTICES**

This course is designed to give the student experience in the various welding codes and the experience in interpretation of these codes. Prerequisite: Completion of Welding and Fabrication Certificate Program. (3 sch: 3 hr. lecture)

**WORK-BASED LEARNING**

**WBL 191(1-4), 192(1-4), 291(1-4), 292(1-4), 293(1-4), 294(1-4), 295(1-4)--WORKBASED LEARNING**

Work-Based Learning (WBL) is a structured worksite learning experience in which the student, advisor, WBL director and worksite supervisor/mentor develop and implement a training agreement. WBL is designed to integrate the student's career-related skills into a work environment. WBL may include regular meetings and seminars with school personnel and employers for supplemental instruction and progress reviews. Depending upon program requirements and advisor approval, up to 8 hours may count towards graduation. Since the College cannot guarantee employment, it is not advisable to depend upon WBL College credit the last semester to meet graduation requirements. Prerequisite: Enrollment in a participating major, referred by advisor as "work ready," completion of WBL application process, and an approved education training agreement. (1-4 sch: variable)

**EAST MISSISSIPPI COMMUNITY COLLEGE**

**STUDENT HANDBOOK 2017-2018**

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) affords all students over 18 years of age certain rights with respect to the student's educational records to include students enrolled in distance learning. They are:

- The right to inspect and review the student's education records.

Students should submit to the Campus Vice President a written request that identifies the record(s) they wish to review. The Vice President will make arrangements for access and notify the student within 45 days of the day the college receives a request for access of the time and place where the records may be reviewed.

- The right to request the amendment of the student's education records that the student believes is inaccurate or misleading.

Students may ask EMCC to amend a record that they believe is inaccurate or misleading. They should write the Vice President, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If EMCC decides not to amend the record as requested by the student, EMCC will notify the student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by EMCC as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the East Mississippi Board of Trustees; or a person or company with whom EMCC has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist).

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request from officials of another school or college in which a student seeks or intends to enroll, EMCC may disclose educational records without consent. Disciplinary actions affecting **attendance** is included in the student's record.

EMCC may also disclose, without consent, directory information regarding its students. Directory information means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height or members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended. Directory information **may not** include race, gender, Social Security Number, student identification number, ethnicity, or nationality.

- The student has the right to refuse to let EMCC designate any or all types of information about the student as directory information.

The student must notify the Campus Vice President in writing within 14 days or receipt of this notice that he or she does not want any or all of those types of information about the student designated as directory information.

EMCC may disclose directory information about former students without meeting these conditions.

- A parent or guardian of a student **over the age of 18** may access the student's educational records if the **student is claimed as a dependent for Federal income tax purposes**. If the student is claimed as a dependent on one parent's Federal Income taxes, access may then be granted to both the parent who claims the student as well as the parent who is not claiming the student. The parent may review the student's record but may not act on the student's behalf except in emergency situations.

To access the student's records, the parent must complete a Parental Request for Academic Information which may be provided by the Registrar upon parental request.

- A parent may access student information if the student is over 18 years of age and the student is not being claimed by either parent for Federal income tax purposes **only if the student is willing to release the information**. The parent may review the student's record but may not act on the student's behalf except in emergency situations.

For a parent to access student information when **the student is over 18 years of age and is not being claimed by either parent on Federal Income taxes**, the student must complete a Student Consent for Release of Records which may be provided by the Registrar upon student request.

- Parents or eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue, S.W.  
Washington, D.C. 20202-46058

## **STUDENT RIGHTS AND RESPONSIBILITIES**

### **STUDENT RIGHTS**

When students choose to accept admission to EMCC, they accept the rights and responsibilities of membership in the College's academic and social community. Students are expected to uphold the College's values by maintaining a high standard of conduct. EMCC students have the same rights and protections under the Constitutions of the United States and the State of Mississippi as other citizens. As members of the EMCC community, students have the right to express their own views, but must also take responsibility for according the same right to others. Students have the right to be treated fairly and with dignity regardless of race, color, ethnicity, sex, pregnancy, religion, national origin, disability, age, sexual orientation, gender identity, genetic information, status as a U.S. veteran, or any other status protected by

state or federal law. EMCC is committed to providing students with a balanced and fair system of dispute resolution. Students are entitled to appropriate due process protections in all dispute resolutions.

## **STUDENT RESPONSIBILITIES**

Along with rights come certain responsibilities. Students at EMCC are expected to act consistently with the values of the College community and to obey all laws. Students have responsibilities to themselves, to others, and to the world around them. To uphold the shared values of the EMCC community, students are expected to:

**Embrace learning:** The faculty and staff are committed to students' academic success. In turn, they expect each student's best efforts and dedication to work, through class participation, active involvement in academic and extracurricular programs, and through the productive use of educational resources.

**Commit to civil behavior:** All members of the College are expected to respect others and their differences. Students should respect the College, its reputation, and their physical surroundings. Students need to recognize their duties as members of the EMCC campus, the EMCC district, the State of Mississippi, the United States, and the global community.

**Enhance personal development:** An EMCC education should develop students' ability to function as a contributing member of society. Service to others is a hallmark of EMCC and students are urged to enhance their own growth through volunteerism.

## **OWNERSHIP OF INTELLECTUAL PROPERTY**

This policy applies to all EMCC employees, students, and partnerships with external agencies into which the College enters. EMCC encourages the development, writing, invention, or production of intellectual property designed to improve the productivity of the College, to enhance the teaching and learning environment, and to contribute to the betterment of the community. Intellectual property includes but is not limited to intellectual and creative works that can be copyrighted or patented, such as literary, dramatic, musical and artistic works, computer software, multimedia presentations, and inventions. EMCC employees and students own all rights to copyrightable or patentable independent works created by that person without College support. Unless otherwise provided in a rights agreement, the College owns all rights to a copyrightable or patentable work created with College support.

In all cases, the EMCC Board of Trustees reserves the right to enter into contractual agreements for ownership of intellectual property at the recommendation of the President.

For further information on the guidelines related to this topic, consult the EMCC Policies and Procedures manual.

## **CAMPUS SERVICES AND RESOURCES**

### **STUDENT SERVICES AND RESOURCES**

Listed by office or department are services and resources available on each campus.

**Scooba Campus Switch Board:**  
**662-476-5000**

**Golden Triangle Switch Board:**  
**662-243-1900**

**Admissions:** (SC-Stennis Hall, 662-476-5041)  
(GT-Student Services Building, 662-243-1920)

- Admission Questions
- Admission Application

**Vice President of Athletics:** (SC-Davis Building, 662-476-5068)

- Athletic Activities

**Business Office:** (SC-Wallace Hall, 662-476- 5072)  
(GT-Student Services Building, 662-243- 1906)

- Student Accounts
- Parking Decals
- Student ID's

**Financial Aid:** (SC-Wallace Hall, 662-476-5078)  
(GT-Student Services Building, 662-243-2643)

- Loans, Grants, Aid
- Scholarships
- Work Study

## **STUDENT LIFE INFORMATION**

### **STUDENT ORGANIZATIONS**

Clubs and organizations are a vital part of the college experience, and students are encouraged to participate. Organizations promote leadership, scholarship and community involvement.

The President, College staff members, and students shall establish regulations for the operation of College-sponsored clubs and organizations that operate for the welfare and the best interest of the students and the College. College-sponsored clubs and organizations shall be under the direct control of College officials. Such clubs and organizations shall not deny or be affiliated with any organization that denies membership on the basis of race, color, ethnicity, sex, pregnancy, religion, national origin, disability, age, sexual orientation, gender identity, genetic information, status as a U.S. veteran, or any other status protected by state or federal law. In order to charter a club/organization, applicants must complete the application process and gain approval of the President of the SGA, the Dean of Students, and the President of the college before a charter is awarded.

Every College club or organization shall be sponsored by a member of the faculty/staff approved by the Dean of Students. Every organization must have the approval of the sponsor in advance for the time and place of all meetings and all social and athletic events and other activities of the organization. All regular meetings shall be held on campus, and the sponsor shall be present throughout such meetings. All other activities held outside the College or off campus must have the approval of the Dean of Students. A sponsor or substitute

sponsor approved by the Dean of Students shall be present throughout all activities. Speakers who are neither members of the student body, faculty, or administration of the College must have the approval of the sponsor and the Dean of Students. The collection or dispersal of College-sponsored club funds shall be in accordance with the regulations set forth by the College.

The steps to starting a club/organization are as follows:

Step 1: Complete a Club/Organization Application, which can be found in the Dean of Students office.

Step 2: Draft a Club/Organization Constitution in consultation with your sponsor and the "Constitutional Format Guidelines."

- Every College-sponsored club shall have a constitution approved by the Student Government and by the Dean of Students. Such constitution shall be kept on file in the College;
- The constitution shall contain a statement that all members must be students who are presently enrolled in the college;
- The constitution shall contain qualifications for membership. Such qualifications shall not deny membership because of race, color, national origin, religion, sex, age, political belief or affiliation, or disability;
- The constitution shall contain a statement of the purposes of the club. The purposes shall not be contrary to the welfare or best interests of the students or the College or in conflict with the authority or responsibilities of the Board and its employees;
- The constitution shall contain a statement that there is no affiliation with any non-College club or with any organization which denies members on the basis of race, color, national origin, religion, sex, age, political belief or affiliation or disability;
- The constitution shall provide that the collection or dispersal of College-sponsored club funds shall be in accordance with the regulations set forth by the College;
- The constitution shall provide that speakers who are neither members of the student body, faculty, or administration of the College must have the approval of the sponsor and Dean of Students.
- Every club shall act only in accordance with its constitution and shall abide by all rules and regulations of the College;
- Every College club, organization, or activity formed to foster the values inherent to ethnic cultures in an effort to recognize ethnic contributions to the American way of life shall promote a policy of open membership.

Step 3: Submit both the Application and Constitution to the Dean of Students for review.

Step 4: After review by the Dean of Students and Student Government Association, it will be determined if the purpose of the club and its constitution are in accordance with College Policy, the decision will be made on whether or not the club/organization will receive charter.

Step 5: The club's advisor will be contacted by the Dean of Students with the charter decision.

**AMATEUR RADIO CLUB:** The Amateur Radio Club, KE5HJS, operates from the Golden Triangle campus. This ham radio club was established to help students in their study of electronics and world geography. Members communicate with other operators from all over the United States. A working knowledge of how to operate ham radio equipment is valuable for casual conversations as well as communication in times of

emergency.

**ART CLUB:** The Art Clubs, on EMCC's Scooba and Golden Triangle campuses, promote creativity and artistic expression among their members. Meetings are open to all students, faculty and staff.

**ASSOCIATION OF INFORMATION TECHNOLOGY PROFESSIONALS:** AITP at EMCC's Golden Triangle campus is the community of IT knowledge focused on empowering the IT profession by evolving its members to their full potential. Its goal is to provide a community network for the members to reach their true potential by providing education programs for advancing technology and business skills, leadership development opportunities, networking, peer mentoring, knowledge sharing, and online resources.

**BAND:** The Mighty Lion Band performs concerts and halftime shows at football games and participates in many community parades, activities and competitions. The band includes musicians, a Color Guard and the Eastern Belles dance squad.

**CHEERLEADER SQUAD:** The Cheerleader Squad instills pride and commitment to excellence at the college and in the community. Auditions for the squad are held during the spring semester of each year.

**COLLEGE PUBLICATIONS:** College Publications members are students from the Scooba and Golden Triangle campuses who work to create EMCC's yearbook, The Lion.

**COLLEGIATE DECA:** The mission of Delta Epsilon Chi is to serve its diverse international membership as a professional organization, providing leadership and career opportunities to tomorrow's leaders. Members of the Golden Triangle's three chapters must maintain a strong focus in business-related areas such as marketing, management and entrepreneurship.

**CONCERT CHOIR AND REFLECTION SINGERS:** The EMCC choir is located on the Scooba campus, but performs at college and campus events through EMCC's six-county district, as well as state and regional competitions. The Concert Choir is a large performing ensemble. Reflection Singers is a smaller, more select, group. A Choir has been established on the Golden Triangle Campus as well.

**DRAMA CLUB:** This organization is for students who are enrolled in Acting or Drama Productions. Meetings consist of working together to create short vignettes. Students have the option to participate in the annual GT campus production.

**FELLOWSHIP OF CHRISTIAN ATHLETES:** Located on EMCC's Scooba campus, the Fellowship of Christian Athletes invites faculty, staff, and all students to its weekly fellowship time where members pray, worship, and study discipleship.

**FORESTRY CLUB:** The Forestry Club at EMCC's Scooba campus is made up of students in the Forestry Technology Program. Its purpose is to promote forestry and related industries.

**HEALTH OCCUPATION STUDENTS OF AMERICA:** Health Occupation Students of America (HOSA) is a national organization which sponsors competitions at the state and national levels in health related areas.

**MISSISSIPPI ORGANIZATION OF ASSOCIATE DEGREE NURSING STUDENT ASSOCIATION (MOSA):** The Mississippi Organization for Associate Degree Nursing Student Association (MOSA), on EMCC's Golden Triangle campus, strives to promote nursing at the local, state and national levels; to promote & maintain

Associate Degree Nursing as the entry level into nursing practice; and to maintain both the Registered Nurse title and the current scope of practice.

**NATIONAL TECHNICAL HONOR SOCIETY:** The National Technical Honor Society at EMCC's Golden Triangle campus is an internationally recognized program. Members must be enrolled full-time in a career or technical program, earn a 3.25 grade point average in their program coursework, and a 3.0 grade point average for their overall coursework.

**PHI BETA LAMBDA:** Phi Beta Lambda is a national college organization of students enrolled in business subjects. It seeks to develop competent, aggressive, business leadership, to increase interest and understanding in the intelligent choice of business occupations and to encourage improvement in scholarship.

**PHI THETA KAPPA:** Phi Theta Kappa is the official honor society for two-year colleges. It promotes scholarship, develops character, and provides opportunity for the developments of leadership and service skills.

**RESIDENT ASSISTANTS:** The Resident Assistant (RA) facilitates the social and personal adjustment of students to the residence hall and college. The RA develops a sense of community among residents as members of a floor, residents of a hall, and active participants in the residence life system. The RA serves as a positive role model to residents and peer staff members. The RA acts as a liaison between residents and the college administration.

**SIGMA PHI SIGMA:** A national fraternity, the Mu Chapter of Sigma Phi Sigma is open to Funeral Service Technology students at EMCC's Scooba campus. Its goals are to promote knowledge, professionalism, and fellowship among service majors.

**SkillsUSA:** SkillsUSA is a national organization made up of high school students, college students, and professional members enrolled in training programs in technical, skilled, and service occupations.

**STUDENT AMBASSADORS:** Student Ambassadors visit high schools and attend college events to encourage potential students to become EMCC Lions. They also represent EMCC at various community functions in the college's six-county district.

**STUDENT CHRISTIAN FELLOWSHIP:** The Student Christian Fellowship on the campus of East Mississippi Community College is comprised of two groups of students, the Baptist Student Union and Wesley Foundation. The BSU (Baptist Student Union) is sponsored by the Mississippi Baptist Convention. The Wesley Foundations is sponsored by the Methodist church. Students also participate in the Fellowship of Christian Athletes.

**STUDENT GOVERNMENT ASSOCIATION:** The Student Government Association enables students to be involved in making decisions that affect campus life. The SGA takes suggestions from students and interacts with the school administration to help implement new policies. In addition, they often assist EMCC with special events such as the Reality Fair.

**STUDENT PRACTICAL NURSING ASSOCIATION:** The Student Practical Nursing Association, on the Golden Triangle campus, is a student chapter of the National Federation of Licensed Practice Nurses. Its purpose is to increase awareness of nursing roles, nursing issues and medical technology through hands-on

experiences, educational conferences, guest speakers, and community services.

**STUDENT VOICES:** Participation in awareness of and advocacy for the political and financial aspects of the Mississippi community college system, includes networking with elected officials, visits to the state capitol, and representing EMCC at various functions.

### **THE CULTURE OF EMCC**

Any institution has certain aspects of its activities that make up its unique “culture” or tradition. The following are some examples:

#### **HOMECOMING**

One of the big events for the College each fall is the week of Homecoming. Activities are scheduled all week to involve students, faculty and alumni. The week is culminated with the Annual Homecoming Football Game, crowning of Homecoming royalty, Distinguished Service Award, Alumni of the Year Award, Post-game Reception for Alumni, and annual Alumni meeting.

#### **PROUD TO BE AMERICAN**

A celebration of America and America’s veterans held each November around the time of Veterans’ Day.

#### **BEAUTY REVIEW CONTEST**

Students each year compete in the Beauty Review Contest in which talent and appearance determine students chosen for the honors.

#### **PINE GROVE FESTIVAL**

Each spring, EMCC celebrates the “Pine Grove Festival,” including arts and crafts shows, musical entertainment, and assorted other activities that involve the students, faculty and community in a celebration of the Arts.

#### **BLACK HISTORY WEEK**

Students need an appreciation of where their heritage may originate and how cultural and societal forces make them “who they are.” African American heritage is celebrated in College-wide activities during the week.

#### **INTRAMURALS**

The intramural sports program at EMCC is designed to allow students the opportunity to participate in a variety of activities oriented to physical exercise and appreciation of sports. The programs are voluntary and open to all students at the Scooba Campus. Areas such as flag football, volley ball, basketball, board games, softball, and other sports are represented. For additional information, contact the Director of Wellness, Student Activities/Intramurals.

#### **ATHLETICS**

Athletics should be educationally centered, committed to the College mission and used to promote school morale. Athletics are often a focal point for comparison with other institutions and should promote togetherness within the student body. At East Mississippi Community College, football, men and women's basketball, baseball, golf, men and women's soccer and women's softball teams participate on an intercollegiate basis.

### **ANNOUNCEMENTS & ACTIVITIES**

**Scooba Campus** - On the Scooba campus, important announcements and planned activities are posted on bulletin boards in the Food Court, Student Center, Hawkins Career-Technical Building, Gilbert-Anderson Hall, Women's Honors Dorm, and John C. Stennis Hall.

**Golden Triangle Campus** - At the Golden Triangle Campus, announcements are posted on the bulletin boards in the main hallways and the marquee at the campus entrance.

**Announcements may be sent via Leo, the EMCC internal information website portal.**

**Note: Any items posted on bulletin boards must be approved by the administration.**

### **CLUB COMPETITION - FIELD TRIPS**

During the school year, students are given the opportunity to leave the school campus for field trips or to represent the school in club competitions, intercollegiate sports, or other activities. Students are expected to abide by all regulations while on campus and while representing the College at off-campus activities. Additional program guidelines must be adhered to if applicable.

## **COUNSELING SERVICES**

The counseling services of East Mississippi Community College are dedicated to the purpose of providing assistance to all students in making educational, career-technical, and personal decisions related to their educational goals. Counseling services are available to all students, full-time or part-time. Counseling Center hours are from 8:00 a.m. until 4:30 p.m. Monday through Friday.

### **INSTRUCTIONAL COUNSELING**

Counselors offer assistance in the areas of academic advisement, academic difficulty, transcript evaluation, and transfer information to four-year institutions. Additionally, students are assigned academic faculty advisors based on their area of study. Counselors assist students with program and career advisement, career information and assessment. Career interest inventories are available to all students (career/technical and academic). Instructors assist with program specific advisement and placement. Students interested in Work Based Learning and Job Placement opportunities are encouraged to contact Melanie Sanders at 662-243-1904 on the Golden Triangle Campus and Maggie Dale at 662-476-5048 on the Scooba Campus.

### **PERSONAL COUNSELING**

Referral lists are available in the counseling offices for students in need of personal and/or professional counseling. Additionally, educational materials on a variety of personal health (mental, emotional, physical) issues are available to students.

## **CAFB, MNAS and ONLINE**

CAFB and MNAS students are provided academic advisement by the professional staff at their extension and may participate in the other counseling services at the Scooba and Golden Triangle campuses. Online students are afforded all the counseling services through the traditional avenue and are encouraged to make an appointment with the appropriate counselor and/or visit the counseling centers when on campus.

## **TRANSFER AND JOB PLACEMENT FAIRS**

During the fall semester a Transfer Fair is held on the Scooba and Golden Triangle campuses. Students are provided the opportunity to receive first-hand information from the state's four-year universities and colleges. The Job Placement Fair is held each spring semester on the Golden Triangle campus. This allows businesses and students the opportunity to interact concerning job and career opportunities. Additionally, four-year colleges and universities participate.

## **DISABILITY SERVICES**

East Mississippi Community College seeks to comply with the letter, intent and spirit of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. Section 504 and ADA require institutions not to discriminate against students with disabilities and to make all offerings and programs of the College accessible. East Mississippi Community College provides reasonable accommodations for students with disabilities through Disability Support Services (DSS). DSS verifies eligibility for accommodations and works with eligible students who have self-identified and provided current documentation.

Students should schedule an appointment with the designated DSS staff member on their respective campus to establish a plan for reasonable accommodations and services.

Scooba Campus: Maggie Dale (662) 476-5048 or (662) 476-5000

Golden Triangle Campus: Cathy Kemp (662) 243-1979 or (662) 243-1900

## **HEALTH SERVICES**

### **SCOوبا CAMPUS**

Student Health Care Services are made available to all students through an agreement for services between EMCC and the Scooba Family Medical Clinic, located in Scooba, MS. A pre-paid health fee will entitle a student of East Mississippi Community College to the following services at the Scooba Family Medical Clinic:

- Unlimited office visits at no cost during the semester.
- Prescribed injections (patient's own meds) at no cost.
- All lab procedures such as injection from clinic stock, suturing, blood work, etc. will be charged to the patient on a sliding fee scale, if they are not covered under any insurance, CHIPs, Medicaid/Medicare program.

- If the patient has insurance, CHIPs, Medicare/Medicaid coverage, claims will be filed as a courtesy and that patient will be removed from participation in this program.
- Nursing Students and athletes' physicals will be provided, or assistance given, at no cost (except when lab fees are incurred, sliding scale will apply).

East Mississippi Community College will collect a \$30.00 Health fee at registration each semester. The Health Fee will be mandatory for all residence hall students and optional for all commuting students. This plan can only be joined and paid for during registration.

**In case of minor injuries** first aid services/supplies are available in the Academic Dean's Office - Stennis Hall; Business Office - Wallace Hall; President's Office - Administration Building; Asst. Director's Office - Hawkins Career-Tech Building; Residence Hall Supervisors' apartments; and Security Department's Office. In the event of an emergency, students should contact the College staff available or the nearest administrative office. If it is determined by College officials that the situation needs emergency professional care, College officials will contact appropriate emergency services to transport the injured party to the nearest hospital.

#### **Emergency Telephone Numbers:**

|                                     |                                  |
|-------------------------------------|----------------------------------|
| Scooba Campus                       | (662) 386-8011 or (662) 476-5000 |
| GT Campus                           | (662) 418-9487 or (662) 243-1900 |
| Ambulance/Sheriff/Police/Fire Dept. | 911                              |

#### **GOLDEN TRIANGLE CAMPUS**

**In case of minor injuries**, first aid service/supplies can be found in all shops and in the administrative offices. In the event of a serious injury, the instructor or office manager should contact the administrative office, the Student Services Department, or someone at the emergency numbers listed below. The injured person should never be moved or left alone if at all possible.

If administration or appropriate staff determines the situation needs emergency professional care, the injured party should be taken to Baptist Memorial Hospital - Golden Triangle in Columbus as soon as possible. If the need for an ambulance arises, Baptist Memorial Regional Medical Center should be called.

#### **Emergency Telephone Numbers: (Golden Triangle Campus)**

|                                     |                |
|-------------------------------------|----------------|
| Switchboard                         | 243-1900       |
| Campus Police                       | 243-1990, 1900 |
| Ambulance/Sheriff/Police/Fire Dept. | 911            |

### **TITLE II OF PUBLIC LAW 101-542** **CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990**

#### **CAMPUS POLICE**

The Campus Police Department is the unit or department responsible for law enforcement, security and emergency response at EMCC. The office is located in the two story building next to the President's House on the Scooba Campus and at the main campus entrance on the GT Campus. To report a crime or

emergency, call the Campus Police Department at (662) 386-8011 or (662) 476-5000. The Golden Triangle number to report a crime or emergency is (662) 243-1900 ext. 1979, 1956, or 1957.

The law enforcement officers of the Campus Police Department receive their police authority via the provisions of 37-29-275 of the State Statute of Mississippi Code.

The primary duty of the Campus Police of East Mississippi Community College is to protect the students, staff, visitors and their property. At the same time, officers must monitor the student body and ensure compliance with the rules and regulations set forth by East Mississippi Community College.

The Campus Police Department maintains a close working relationship with the Kemper County Sheriff's Office, local, state and federal law enforcement agencies and all appropriate elements of the Criminal Justice System. The Campus Police Department provides twenty-four (24) hours a day patrol to the Scooba Campus and GT Campus and security in the residence halls. Campus Police officers are responsible for a full range of public safety services, including all crime reports, investigations, medical emergencies, fire emergencies, traffic accidents, enforcement of federal and state laws, rules and regulations of the College and all other incidents requiring security assistance.

Potential criminal actions and other emergencies on campus can be reported directly by any student, faculty, or staff member. For Scooba Campus emergencies call: 662) 386-8011. Golden Triangle Campus emergencies call (662) 243-1900 Ext. 1990, 1979.

Numerous efforts are made to inform members of the campus community on a timely basis about campus crime and crime related problems. These efforts include the following:

- **Annual Report:** A comprehensive annual report of crime related information is compiled and available to any member of the campus community upon request.
- **Special Alerts:** If circumstances warrant it, special printed crime alerts are prepared and distributed either selectively or throughout the campus.

A copy of the Crime Awareness and Campus Security Report is available upon request from the Campus Police Department.

### **BOOKSTORE**

**SCOوبا CAMPUS** - The bookstore is located in the F.R. Young Student Union. The Scooba Campus Bookstore normal operating hours are 7:30 a.m. to 4:00 p.m. Mon - Thur and 7:30 - 3:00 on Friday.

**GOLDEN TRIANGLE** - The bookstore is located in the rear of the Aaron Langston Student Center. Normal hours of operation are 7:30 a.m. - 6:00 p.m., Mon. - Thur., 7:30 a.m. - 3:00 p.m., Friday.

All necessary books and most supplies may be purchased during and after registration. In order to purchase books students must have a current EMCC ID and class schedule or MSVCC student profile.

During the first week of each semester, students have three (3) days from the first day of class to return a book provided the book is still in the plastic wrap and the student has the receipt. Books purchased after that time can only be returned within three days from the date the book was purchased provided the book is still in the plastic wrap and the student has the receipt.

Used hardback and paperback books in good condition may be purchased from students at the **END OF EACH SEMESTER ONLY** for one half the original purchase price provided the books will be used again as textbooks. Workbooks are excluded.

## **FOOD SERVICES**

### **Scooba Campus**

The Cafeteria in the F.R. Young Student Union serves nineteen meals per week on an all you can eat basis. The meal plan is required of all resident students. Commuter students can purchase meals on an individual basis. The Cafeteria is also open to the general public for all meals. Hours will be posted each semester.

### **Golden Triangle Campus Food Service Fees, Policies, and Procedures**

#### **Declining Balance Account**

All full-time students (no less than 12 semester credit hours on campus) enrolled at the Golden Triangle Campus will be assessed a required Food Service Fee in the amount of \$150 each Fall Term (August – December) and each Spring Term (January – May). This fee is eligible to be paid from Financial Aid funds that have been appropriately awarded to the student or may be paid directly by the student, as with other fees and tuition payments. Once this fee has been paid, the student will be able to use the entire amount of the fee to purchase food and beverages from the two food service operations in the GT Student Union (the full-service cafeteria and the coffee shop/sandwich shop) by using the college-issued student ID card as a declining balance card, which works similar to a debit card. The amounts deducted for purchases will be based on the current door price for a meal at the cafeteria and the current a la carte pricing of items sold in the coffee shop/sandwich shop.

The automatic assessment of the Food Service Fee will occur again at the beginning of the next Fall or Spring Term in which the student is enrolled full-time. The automatic assessment of the Food Service Fee will not occur during the Summer Term. A student's DBA will remain active from the first date of the Fall Term, or the date which the fee is paid, whichever is the latest date, through the last date of the subsequent full Summer Term (one full academic year). However, full-time or part-time enrollment is also required in order for a student's DBA to be active during any enrollment term. Any funds that remain unspent in a student's DBA as of the last date of the full Summer Term will be removed and the DBA will become inactive until the next enrollment term. Unused balances will not be refunded to the student.

At any time during an enrollment term, a student may re-load their declining balance account (DBA) in increments of \$50 by paying this amount to their student account. Likewise, at any time during an enrollment term, a part-time student (11 semester credit hours or less) may open or reload a DBA in increments of \$50. Only when a request to re-load or open a DBA is prior to the Financial Aid reimbursement date (the date FA refunds first begin), and the student's account shows a refund balance sufficient to cover the amount, will a student be able to use Financial Aid for the purpose of re-loading or opening an account. Otherwise, the student will have to make a direct payment to their account to re-load or open their DBA for that enrollment term. As stated above, any funds that remain unspent in a student's DBA as of the last date of the full Summer Term will be removed and the DBA will become inactive until the next enrollment term. Unused balances will not be refunded to the student.

#### **Meal Plans**

The full service cafeteria will offer a wide variety of meal selections, including traditional and southern cooking favorites; pizza, burgers, grilled sandwiches, and deli specials; soup and salad bars, dessert bars, and soft-serve ice cream; a large variety of beverages; and much more. The dining format is pay-one-price, so the customer gets complete access to all the food stations and bars for one low price. The standard per person door rate for all visitors, as well as students using their DBA for purchases in the cafeteria or students not participating in a pre-paid meal plan, will be \$7.25. This is a great dining value for any customer. However, in addition to the convenience and portability of the DBA, students will be able to maximize their buying power in the full-service cafeteria by purchasing one of three pre-paid meal plans. Choosing one of three pre-paid meal plans will save a student from 8% – 21% per meal, depending on which plan is selected. See the table below for a list of pre-paid meal plan options and the savings per meal for each plan.

### **Meal Plan Options**

| <b>Pre-paid DBA Plans</b>                           | <b>Cost to Student</b>         | <b>Approximate Cost Per Meal</b>   |
|---|--------------------------------|--|
| <b>Food Service Fee (Automatic for FT students)</b> | <b>\$150</b>                   | <b>\$7.25 (approx. 20 meals in cafeteria or dollar for dollar on coffee shop menu)</b> |
| <b>Standard DBA</b>                                 | <b>\$150 (minimum to open)</b> | <b>\$7.25 (same as above)</b>  |
| <b>Pre-paid Meal Plans</b>                          | <b>Cost to Student</b>         | <b>Approximate Savings Per Meal</b>  |
| <b>Plan A – 105 meals</b>                           | <b>\$600</b>                   | <b>\$5.71 (save 21% per meal)</b>  |
| <b>Plan B – 75 meals</b>                            | <b>\$450</b>                   | <b>\$6.00 (save 17% per meal)</b>  |
| <b>Plan C – 45 meals</b>                            | <b>\$300</b>                   | <b>\$6.66 (save 8% per meal)</b>   |

When a student who has purchased a pre-paid meal plan visits the full-service cafeteria, he or she may swipe their college issued ID card at one of the quick-entry gates or present their card to the cashier for swiping at the cash register. Each swipe of the card deducts 1 meal from their meal plan count. As with the DBA, only when a request to purchase a pre-paid meal plan is prior to the Financial Aid reimbursement date, and the student's account shows a refund balance sufficient to cover the amount, will a student be able to use Financial Aid for the purpose of purchasing a pre-paid meal plan. Otherwise, the student will have to make a direct payment to their account to purchase a pre-paid meal plan for that enrollment term. Any meals remaining in a student's meal plan at the end of the enrollment term will be forfeited and no longer available for use, regardless of when the plan was purchased.

### **LIBRARY**

The East Mississippi Community College libraries contain a wide selection of reference materials and other traditional library holdings necessary to complement the educational program. They are closed on official school holidays.

Normal hours of operation for the **Scooba Campus Library** are:

8:00 a.m. - 9:00 p.m.

8:00 a.m. - 4:30 p.m.

3:00 p.m. - 9:00 p.m.

Monday - Thursday

Friday

Sunday

Normal hours of operation for the **Golden Triangle Campus Library** are:

7:30 a.m. - 9:00 p.m.

7:30 a.m. - 4:30 p.m.

Monday - Thursday

Friday

**COMPUTER LAB** - Students must have a current ID to be able to use the lab. All students must open their own accounts and remember their passwords.

**CIRCULATION** - Students, faculty, and staff may check out books for a two-week period. A fine of twenty-five cents per day is assessed for each day that a book is overdue. Renewal is permitted provided that the book is returned to the circulation desk.

**RESERVES** - Reserve books may not be removed from the library. EMCC Library Web Page address is as follows: <http://www.eastms.edu/students/library>

**AGREEMENTS WITH OTHER AREA LIBRARIES** - The EMCC Libraries are members of the Mississippi State University-led Mississippi Library Partnership. Current students may check out from any of the Consortium libraries in person or by computer. Student library accounts can be accessed through the EMCC Libraries' online catalog by entering their student ID.

**FOOD, DRINKS, TOBACCO PRODUCTS, AND THE USE OF CELL PHONES ARE PROHIBITED IN THE LIBRARY. SCHOOL-RELATED WORK TAKES PRIORITY OVER SOCIALIZING AND ENTERTAINING IN ALL AREAS OF THE LIBRARY, INCLUDING THE COMPUTER LAB.**

**AUDIO/VISUAL MATERIALS AND EQUIPMENT** - These materials are available for student and faculty use. Students must use these materials in the library.

**ONLINE DATABASES** - Access to databases is through the EMCC Libraries' home page. If a student is using online databases from off-campus, a password is required. There are numerous handouts on the use of the databases, and students may also telephone or email the library for further assistance.

**LOST AND DAMAGED BOOKS** - Reporting a book lost does not relieve the borrower of the responsibility for that book. The borrower is charged the cost of replacing the book plus a \$4 processing fee, and any accrued fines, not to exceed \$10 per book. Any book damaged to such an extent that the binding and pages are completely ruined is considered a loss to the library because it cannot be rebound. The borrower is assessed the cost of replacing the damaged book plus a \$4 processing fee, and any accrued fines, not to exceed \$10 per book. If the book is damaged, but can be rebound, the borrower is assessed the cost of rebinding.

**CONDUCT** - The library is a place for reading and study. Students should conduct themselves in a manner which is conducive to quiet study. Violators may be instructed to leave the library. For more serious or repeated infractions, a student may be required to surrender his/her College Identification Card.

### **STUDENT MAIL**

**Scooba Campus** - Resident students will pick up mail at the Davis Administration Switchboard. Address for students is:

Name of Student  
EMCC Student Mail  
P.O. Box 158  
1512 Kemper Street  
Davis Administration Building  
Scooba, MS 39358

### **STUDENT CENTERS**

**Scooba Campus** - Hours are ordinarily 8:00 a.m.-10:00 p.m. weekdays, and Sundays 3:00 p.m.-10:00 p.m.

**Golden Triangle Campus** - Hours are from 8:00 a.m.-9:00 p.m. M-Th and 8 a.m. - 3:00 p.m. on Fridays.

### **STUDENT ACTIVITIES CENTER**

Scooba Campus -The Student Activities Center is open for monitored student activity use from 11:00 a.m. to 1:00 p.m. and 5:00 p.m. to 9:00 p.m., Monday - Thursday. These times and days are subject to change. Any modifications of the scheduled times and days will be posted.

### **TRAFFIC REGULATIONS**

Students operating motorized vehicles on school premises shall do so in accordance with Mississippi traffic laws and such rules and regulations as may be formulated by College officials. All students, faculty, administration, and staff must register and purchase a decal for vehicle operation on campus at the time of school registration. The student decal is to be affixed to the left rear window.

Decal cost is \$15 per school year and decals are non-transferable. **Each vehicle must have a separate decal.** Temporary decals are free but are valid for only two weeks in a semester.

Regulations:

1. Failure to register a vehicle will result in issuance of a ticket to the offending party.
2. Parking is not permitted:
  - on any sidewalk
  - on any grassed area (including road side areas unless designated for parking)
  - in a loading/unloading zone
  - in any driveway
  - in any designated no-parking zone
  - in a double or multiple manner
  - in any manner that obstructs traffic
  - in areas designated for staff and faculty without proper decal
  - in Disabled Parking areas without Disabled tag, hanging decal, proper documentation
3. Vehicles should not be driven in excess of 15 mph on the Scooba Campus and 10 mph on the Golden Triangle Campus.
4. Pedestrians have the right-of-way on campus; however, they must exercise caution when crossing high traffic areas.
5. Driving in a reckless manner is prohibited. All traffic signs on campus are to be obeyed.
6. Registered students are responsible for their vehicles on campus.
7. All accidents should be reported immediately to Campus Police. All accident report forms must be

completed by Campus Police. Failure to report accidents may result in loss of privilege to make a claim on the student's accident insurance program and also may result in disciplinary action.

8. If a vehicle is to be left on the Golden Triangle campus after normal hours, Campus Police must be notified.
9. Music volume must be adjusted so that it can only be heard by the occupants of the vehicle.
10. EMCC reserves the right to remove, impound and/or immobilize any illegally parked (pursuant to traffic regulation #2) or abandoned vehicle on campus (a vehicle shall be deemed abandoned after it remains in a location four consecutive weeks). In such cases the registered owner will be responsible for all costs involved, and EMCC will not be liable for damages to the vehicle occurring during the removal, impoundment, or immobilization.
11. Any damages to a vehicle caused by passing over speed-breakers will result in no liability to EMCC.
12. Residential students may not drive to class during the day.
13. Access to the campus will be limited during closed campus hours and during emergencies. Between 11:00 p.m. and 6:00 a.m. anyone must enter and exit the Scooba Campus using the Highway 16 entrance under the archway. Failure to enter/exit campus using the Highway 16 entrance between the hours of 11:00 p.m. - 6:00 a.m. will result in disciplinary action. For the GT Campus, check-in at the Guardhouse on Highway 182 is required.

### **PROCEDURES FOR PAYING TICKETS**

1. Tickets are to be paid in the College Business Office.
2. Students with outstanding tickets will suffer the following penalties:
  - a. Students will not receive diplomas.
  - b. Students' transcripts will be held.
  - c. Students will not be allowed to register until account is cleared.

### **STUDENT CODE OF CONDUCT**

Enrollment at EMCC entails an obligation on the part of the student to be a responsible member of the College community. It is the responsibility of the College to inform students of their rights and responsibilities, to define reasonable standards of behavior, and to assure students of substantive and procedural due process. It is the student's responsibility to be aware of this published and readily available code of conduct. All members (students, faculty/staff, administrator, etc) of the College community are expected to contribute to a positive campus environment conducive to the educational goals and objects. To be successful, all members of the College community must abide by the following:

1. Cooperate with the College employees in the performance of duties and authorized activities.
2. Refrain from obstructing educational activities.
3. Meet all financial obligations to the College.
4. Obey all local, state and federal laws and regulations and all East Mississippi Community College policies.
5. Give accurate and complete information for all official records required by the College.
6. Have the College Student Identification card at all times while on College property. A student enrolled in East Mississippi Community College assumes responsibility for conduct compatible with the functions and the processes of the College as an educational institution. While the College is dedicated to the rights and freedoms afforded individuals, some actions are considered inappropriate in an institution of higher education.

### **INAPPROPRIATE CONDUCT INCLUDES:**

1. Obstruction or disturbance of teaching, administration of the College or other College activities on or off College properties.
2. Failure to comply with the directives of College officials acting in the performance of duties.
3. Forgery, alteration, misuse of and/or theft of College documents, records, means of identification, e-mail and other electronic information.
4. Physical abuse of any person on College-owned or controlled property at College-sponsored or supervised functions that threatens or endangers the health or safety of any such person.
5. Psychological abuse of any person on College-owned or controlled property or supervised functions. This includes threats, harassment, stalking and use of social media or e-mail to intimidate, harass, terrify, annoy or offend.
6. Theft or damage of property of the College or to the property of a member of the college while said property is on the College property.
7. Violation of copyright laws associated with print, audio/video and computer software materials.
8. Possession or use of firearms, explosives, dangerous chemicals, substances, instruments or other weapons with the intent of bodily harm on any individual or damage of a building or grounds of College property.
9. Use, possession or distribution of illegal drugs, alcohol and other substances on campus or at any College or at any College-sponsored activity (home or away). No tobacco use in class.
10. Unauthorized use of the computers for the purpose of compromising computer systems or network security.
11. Plagiarism or behavior involving academic dishonesty.
12. Profanity, gambling, loitering and other behaviors deemed as inappropriate are not allowed on campus.
13. Any attempt to tamper with or falsely activate fire alarms or other protective equipment is strictly prohibited and may include criminal charges.
14. Pets on campus are strictly prohibited.
15. Public display of affection is strictly prohibited on campus and at any activity of the College.
16. Unauthorized tampering or entry into any building, vehicle, or private property of the College, students, faculty/staff or authorized visitors is prohibited.
17. The use of tobacco and smoking products is not permitted in/on any EMCC buildings, grounds, parking areas, walkways, recreational and sporting facilities, and college-owned vehicles. The use of all forms of tobacco is banned, including cigarettes, cigars, pipes, dip and snuff, as well as e-cigarettes, vapor-emitting products and "synthetic substances other than tobacco."
18. Electronic devices (cell phones & others) used without permission in classrooms is strictly prohibited.
19. During fire or tornado alarms, all students must leave their rooms. During a fire alarm all students must leave the building. During a tornado alarm, all students must relocate to the designated safe area for each building.

While the above list includes the types of behaviors and activities deemed to be in violation of the Code of Conduct, **the list is not intended to be all inclusive.** Students failing to abide by the Student Code of Conduct are subject to disciplinary action. **It is the responsibility of the student to know and abide by the code of conduct.**

Disciplinary action imposed on students in violation of the Code of Conduct is based on the severity of the infraction.

**Disciplinary action may include one or more of the following:**

- **Disciplinary Probation**
- **Monetary fines**

- Dismissal from a class or program
- Expulsion

### **MISUSAGE OF ELECTRONIC DEVICES IN CLASSROOMS POLICY**

Electronic devices can be used in classrooms if it is in the best interest of the class to do so (e.g. sections with e-textbooks). Such usage shall be at the instructor's discretion. If used in this fashion, all devices should be set to silent and only used for class purposes.

Otherwise, such usage is a violation of the Student Code of Conduct and will be penalized in the following manner:

- 1<sup>ST</sup> offense - Student should be given a warning by instructor and the warning should be submitted to the Dean of Students.
- 2<sup>nd</sup> offense - Student will be referred to the Dean of Students and will be fined.
- 3<sup>rd</sup> offense - Student will be referred to the Dean of Students and the fine will be increased.
- 4<sup>th</sup> offense - Student will be administratively withdrawn from the class with current grade expressed with the appropriate "W".

### **PLAGIARISM AND CHEATING POLICY**

- 1<sup>ST</sup> offense while enrolled at EMCC- Student should be given a zero for the assignment and the documents should be forwarded to the appropriate Associate/Assistant Dean of Instruction where the student will be placed on instructional probation.
- 2<sup>nd</sup> offense while enrolled at EMCC- Documentation should be forwarded to the appropriate Associate/Assistant Dean of Instruction. The Associate/Assistant Dean of Instruction will forward both offenses to the Dean of Students and the student will be administratively withdrawn from the course for that semester in cases of a repeat offense in that course.
- 3<sup>rd</sup> offense while enrolled at EMCC- Student will be referred to the Dean of Students and student will be dismissed from EMCC.

Using an electronic device or other materials without permission during an exam will be considered cheating regardless of intent. Other forms of cheating will include, but are not limited to: having information available in any non-approved form, such as papers, books, notes, materials hidden in apparel, written on self or desks, tabbing out to another computer screen, looking at other students' work, communicating with other students in any manner.

### **DUE PROCESS FOR STUDENTS**

Students have the right to appeal following the Judicial Process. Students will receive a written verification of their violation and the disciplinary action to be imposed. The student has the right to appeal the disciplinary action to the Judicial Council. A standing Judicial Council for each campus is appointed by the College President. The Council is comprised of 5 members of the administration/faculty and 2 students.

The steps are:

1. The student must file a written request with the appropriate administrator as designated in their disciplinary letter within 3 days of receiving written notice, stating the grounds for the appeal.
2. The appropriate administrator will notify the student forty-eight hours in advance as to the time and

- place of the appeal hearing.
3. The Judicial Council will conduct the appeal by parliamentary procedures with the following policies, procedures and rights in effect for all cases.
    - a) Minutes of the proceeding will be taken. A tape recorder may also be used. The minutes are on file in the appropriate administrative office on each campus.
    - b) The chairperson in the presence of the student will present the charges and evidence to support the charges.
    - c) The student may present their case with the aid of witnesses.
    - d) The student may be accompanied by an advocate. If the advocate is an attorney, the VP of Student Services must be notified 48 hours prior to the hearing.
    - e) The student, not the advisor, is responsible for presenting their case.
    - f) All individuals appearing at the hearing will be asked to sign a statement attesting to the truth of their statement.
    - g) The Council will be responsible for deciding on the guilt or innocence of the accused and if the disciplinary action imposed was appropriate. The decision is based solely on the facts presented; the committee will not have advanced notice of any facts (only the chairman).
    - h) After hearing all evidence, the Council will deliberate in executive session. All decisions are by majority vote and the chairman only votes if there is a deadlock.
    - i) The decision of the Council will be given to the student in writing.
    - j) All hearings will be closed to the public.
  4. The student has the option of accepting the Council's decision or appealing to the Office of the President. An appeal to the President must be a written request within three (3) days of the Council's notice stating the grounds for the appeal.
  5. The President's review of the student's appeal will be on the record alone, the student has no right of appearance or presentation.
  6. The decision of the President will be the final appeal at EMCC. The student will be notified of the decision in writing.

### **ADMITTANCE OF STUDENTS**

#### **PREVIOUSLY DISMISSED FROM EMCC FOR DISCIPLINARY REASONS**

Students who previously attended EMCC and were dismissed from EMCC and/or student housing for disciplinary reasons must be approved by a special review committee for re-admittance to the College.

### **DRESS CODE**

Students are to dress appropriately during regular class hours and on visits to the library, food court, student center and any College sponsored event. Appropriate dress is shirt and long pants or modest shorts for male students and long pants (or modest shorts) with shirts or blouses for female students. Students are not to wear pants where the waistband falls below the waist and under garments are visible. This policy applies to all occasions other than when activity shorts are required class attire. Shoes must be worn at all times other than in the resident hall or the immediate area surrounding the resident hall. Students wearing clothing deemed inappropriate or offensive will be asked to change to more appropriate wear. This includes but is not limited to tank tops, pajamas, clothing that exposes the midriff or portions of the chest or back, and any clothing that promotes the use or consumption of alcohol and/or any illegal substance. In the above cases, the Dean of Students is the final authority for compliance with the Dress Code.

Additional requirements may apply to CT students due to safety requirements or identifications requirements in clinical settings.

### **NON-STUDENTS ON CAMPUS**

Any and all persons with no legitimate reason for being on College property are subject to relevant local, state and Federal laws.

EMCC students are responsible for the actions of any one visiting them on campus.

Children left unattended in personal vehicles or on College property are considered endangered and the appropriate local legal and/or protective agencies will be contacted.

### **CONDUCT WHEN REPRESENTING THE COLLEGE**

All rules and regulations of the school shall remain in effect during the entire time that students are away from the campus and participating in any College-sponsored activity. During this time, students are representing this institution and will act accordingly. Any infraction of the rules and regulations as set forth in the Student Handbook, and those deemed necessary by the instructors/advisors, will be grounds for immediate disciplinary action.

Depending on the severity of the infraction, the student may be suspended from that function and be subject to disciplinary action. Upon securing the most economical transportation to the home campus for said student, the instructors/advisors will no longer be held liable or responsible for said student.

Upon returning to the campus, that student may be dismissed from that class or course with the option for termination once due process has been afforded the student.

### **STUDENT I.D. CARD**

An ID card is issued to each student as part of the registration process. No charge is made for the first card issued. The replacement cost is \$5. The ID card must be surrendered to any College official upon request and upon withdrawal from school. **The ID must be worn on a visible location of one's person at all times when on college property.** Students without a visible ID card will be subject to \$25 fine.

The card is needed for the following purposes:

1. For proof that you are a current student.
2. Admission to on-campus College sponsored activities.
3. Admission to on-campus athletic events and out-of-town athletic events of the Mississippi Community & Junior College Conference at student rates.
4. Identification at Business Office, Campus Bookstore, Campus Security Office, Financial Aid Office, Campus residence hall, Library, and Food Court.

### **ALCOHOL AND DRUG POLICY STATEMENT**

EMCC is greatly concerned with the health and well-being of its students. EMCC is committed to providing and maintaining for its students an environment in which they may flourish, excel, and attain their individual goals and standards of achievement. It is the position of EMCC that the use and/or abuse of alcohol or illegal drugs by its students on EMCC owned or controlled property or in association with EMCC related activities is inconsistent and incompatible with the purpose and mission of EMCC. Therefore, it is the policy of EMCC that any possession, consumption, manufacture, or distribution of alcohol or illegal drugs is prohibited.

If students of EMCC should experience problems or crises that are alcohol or drug related, they are encouraged to seek confidential assistance through a local community counseling center. For more information on available counseling services, contact the counseling center.

Any student failing to observe the EMCC Alcohol and Drug Policy will be subject to the imposition by EMCC of sanctions in accordance with local, Mississippi, and federal law. For EMCC students, these sanctions may include suspension or expulsion. In addition to sanctions, any EMCC student found in violation of the EMCC Alcohol and Drug Policy may be referred to the appropriate authorities for prosecution.

The following acts of conduct constitute grounds for sanctions against EMCC students:

1. Use, possession, under the influence of, manufacture or distribution of alcoholic beverages, barbiturates, narcotics, or other illegal drug substances such as marijuana or LSD, on EMCC owned or EMCC controlled property or in association with EMCC related activities;
2. Disorderly, licentious, obscene, lewd, or indecent behavior or expression performed on EMCC owned or controlled property or in association with EMCC related activities;
3. Any violation of local, Mississippi, or federal laws regarding illegal drugs or alcohol.

EMCC Administration personnel have the authority to review and investigate any allegations made against an EMCC student concerning alcohol or drug possession, manufacture, or use/abuse. If an EMCC student is determined to have possessed, manufactured, or used/abused alcohol or illegal drugs, that individual will be subject to disciplinary or administrative hearings, and that individual will be required to submit to an alcohol or drug treatment program, or to specialized counseling. Medical expenses, lab fees, and further treatments costs will be the responsibility of the student.

If a student is suspended or expelled, he/she will be considered for readmission following counseling and/or appropriate treatment. An appeals process is available to any student who desires additional consideration of an action taken against him/her. (Note: Federal law states that students found guilty of engaging in the unlawful manufacturing, distribution, dispensation, possession or use of a controlled substance during the period covered by all Title IV funds [financial and] will lose the right to obtain any future Title IV funds.

Students suspended or expelled under the EMCC Alcohol and Drug Policy may be eligible for re-admittance at the discretion of EMCC.

Rooms, vehicles and persons are subject to search while on EMCC property. Drug dogs may be used in searches of EMCC property including parking lots.

## **NON-DISCRIMINATION POLICY -- ANTI-HARASSMENT POLICY -- GRIEVANCE PROCEDURES**

### **General statement of policy**

East Mississippi Community is committed to providing all students and adults with a safe and supportive school environment. Members of the college community are expected to treat each other with mutual respect.

It is hereby the policy of East Mississippi Community to oppose and prohibit discrimination based on age, race, color, religion, national origin, marital status, sex or disability. Harassment is also a form of unlawful discrimination as well as disrespectful behavior, which will not be tolerated. Any discrimination or harassment of a member of the college community by another member of the college community is a violation of this policy.

East Mississippi Community College shall investigate all complaints of discrimination and/or harassment; formal or informal, verbal or written, and to discipline or take other appropriate action against any member of the school community who is found to have violated this policy.

Procedure to file a grievance based on discrimination or harassment is as follows:

Complaints should be addressed to the Director of Human Resources/Payroll, P.O. Box 158, Scooba, MS 39358, telephone (662) 476-5000, who has been designated to coordinate such compliance efforts.

1. A complaint should be filed in writing or verbally, contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.
2. A complaint must be filed within ten (10) working days after complainant becomes aware of the alleged violation. (Processing of allegations of discrimination which occurred before this grievance procedure was in place will be considered on a case-by-case basis.)
3. An investigation, as may be appropriate, shall follow a filing of complaint. The investigation shall be conducted by a person designated by the President. These rules contemplate informal but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint.
4. A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the person so designated in No.3 and a copy forwarded to the complainant no later than twenty (20) working days after its filing.
5. The coordinator shall maintain the files and records of East Mississippi Community College relating to the complaints filed.
6. The complainant can request a reconsideration of the case in instances where he or she is dissatisfied with the resolution. The request for reconsideration must be made within five (5) working days to the coordinator who will remand the complaint to a grievance committee made up of five (5) faculty/staff members and is assigned at the beginning of the year by the Campus Vice President.
7. The right of a person to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies such as the filing of an ADA (Americans with Disabilities Act) complaint with the responsible federal department or agency. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies.
8. These rules shall be construed to protect the substantive rights of interested persons to meet

appropriate due process standards and to assure that East Mississippi Community College complies with and implements the appropriate regulations.

### **Retaliation**

It is a separate and distinct violation of this policy for any member of East Mississippi Community College's community of faculty, staff and students to retaliate against any person who reports alleged discrimination or harassment. Further it is also a violation of this policy to retaliate against any person who testifies, assists or participates in an investigation, proceeding or hearing relating to such discrimination or harassment. It is possible to have violated this anti-retaliation provision even if the underlying complaint of discrimination or harassment is not found to be a violation of this policy. Retaliation includes, but is not limited to any form of intimidation or reprisal and may be addressed through application of the same reporting, investigation, and enforcement procedures as for discrimination and/or harassment. In addition, a person who knowingly makes a false report may be subject to the same action that East Mississippi Community may take against any other individual who violated this policy. The term false report refers only to those made in bad faith and does not include a complaint that could not be corroborated or which did not rise to the level of discrimination or unlawful harassment.

### **Consequences**

Any college employee or student who is found to have violated the discrimination, harassment, or retaliation policy may be subject to action including, but not limited to, warning, remedial training, education or counseling, suspension, expulsion, transfer, termination or discharge.

### **Reporting**

Any college employee, who observes, overhears or otherwise witnesses discrimination or harassment, which may be unlawful, or to whom such discrimination or harassment is reported, must take prompt and appropriate action to prevent its reoccurrence.

## **Sexual Misconduct/Title IX/Campus SaVE Act**

Under Title IX, and as standard for the Student Code of Conduct, East Mississippi Community College (EMCC) will not tolerate and prohibits sexual assault and all forms of sexual misconduct including intimate partner violence, stalking, dating violence, sexual violence, sexual harassment, and domestic violence offenses. These acts are against Mississippi State Law.

In publishing this policy, the College is not intending to substitute or supersede related civil and/or criminal law. It should be clearly understood that there is a fundamental difference between the nature and purpose of student discipline and criminal law. Criminal law considers gross sexual assault and unlawful sexual contact to be serious crimes that are punishable by imprisonment in jail and/or probation. It also involves creation of a criminal record and may include a monetary fine.

All students, faculty, and staff, as well as members of the public participating in College activities have the right to an environment free from sexual or physical intimidation that would prevent a reasonable person from attaining educational goals or living and working in a safe environment.

If there is reason to believe that EMCC campus regulations prohibiting sexual misconduct in any form have been violated, on or off-campus, the administration will pursue disciplinary action through the appropriate College procedures. Moreover, this policy does not differentiate the types of offenses based on the kind of relationship between the individuals. EMCC complies with its obligation to investigate and resolve concerns of all forms of sexual misconduct regardless of whether or not a formal complaint is filed, in order to maintain

a non-discriminatory and respectful educational environment.

This policy is intended to provide more detailed information about how EMCC handles these matters and is not intended to replace the EMCC Student Code of Conduct or EMCC Sexual Harassment Policy.

***Students and members of the faculty and staff who report violations included in this policy will be given a copy of this document and will be advised of all options available to them. EMCC officials will respect the student's right to confidentiality to the extent permitted under college and legal regulations. This document can also be found on the college's website at [www.eastms.edu](http://www.eastms.edu).***

## **I. DEFINITION OF VARIOUS TERMS OF SEXUAL MISCONDUCT**

### **A. Sexual Assault:**

Sexual assault is a general term which covers a range of crimes. For the purposes of this statement by the College, "sexual assault" includes, but is not limited to rape, acquaintance rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery or threat of sexual assault. Rape is generally defined as forced or nonconsensual sexual intercourse. Non-consensual sexual intercourse may take many forms including, but not limited to, rape by a stranger, an acquaintance, while on a date; rape by multiple perpetrators (often referred to as "gang rape"), and may occur both on and off campus. Rape may be accomplished by fear, threats of harm, and/or actual physical force. Rape may also include situations in which penetration is accomplished when the victim is unable to give consent, or is prevented from resisting, due to being intoxicated, drugged, unconscious, or asleep. It also includes various types of unwanted sexual touching or penetration without consent. Sexual assault includes forced sodomy, forced oral copulation, rape by a foreign object, and sexual battery, the unwanted touching of an intimate part of another person for the purpose of sexual arousal.

### **B. Intimate Partner Violence:**

This term is defined to mean any physical, sexual, or psychological harm against an individual by a current or former partner or spouse of the individual. It would include rape, acquaintance rape, stalking, dating violence, sexual violence, or domestic violence.

### **C. Sexual Harassment:**

Sexual harassment is a form of sex discrimination and a violation of title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972. Sexual harassment has two key categories: quid pro quo (loosely translated as "this for that") and hostile environment. Often sexual harassment involves relationships of unequal power and contains elements of coercion, as when compliance with requests for sexual favors becomes a criterion for granting work, study, or grading benefits. However, sexual harassment may also involve relationships among equals, as when repeated sexual advances or demeaning verbal behaviors have a harmful effect on a person's ability to study or work in an academic setting.

In compliance with federal and state law, EMCC defines sexual harassment as follows:

*"Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:*

- *Submission to such conduct is made either explicitly or implicitly as a term or condition of instruction, employment, or participation in other College activity;*
- *Submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting an individual; or*
- *Such conduct has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating, hostile, or offensive College environment."*

**D. Sexual Exploitation:**

Sexual Exploitation occurs when a person takes non-consensual, unfair, or abusive sexual advantage of another for his/her own advantage or benefit; or to benefit or advantage anyone other than the one being exploited. This behavior must not otherwise constitute a violation of sexual assault or sexual harassment. Examples of sexual exploitation include, but are not limited to, prostituting another student, non-consensual video or audio-taping of sexual activity, presentation or unauthorized viewing of such recordings, going beyond the boundaries of consent (such as letting your friends watch you having consensual sex without the knowledge or consent of your sexual partner), engaging in peeping tommy, and knowingly transmitting an STD or HIV to another student.

**E. Stalking**

Stalking is a criminal activity consisting of the repeated following and harassing of another person. It is a distinctive form of criminal activity composed of a series of actions that taken individually might constitute legal behavior. For example, sending flowers, writing love notes, and waiting for someone outside of his/her workplace or classroom are actions that, on their own, are not criminal. When these actions are coupled with intent to instill fear or injury, however, they may constitute a pattern of behavior that is illegal. A person who intentionally and repeatedly follows or harasses another person and who makes credible threat, either expressed or implied, with the intent to place that person in reasonable fear of death or serious bodily harm is guilty of the crime of stalking.

**F. Consent:**

Consent must be informed, freely and actively given, and consist of a mutually agreeable and understandable exchange of words or actions. Any consent that is given is invalid when the exchange involves unwanted physical force, coercion, intimidation, and/or threats. If an individual is mentally or physically incapacitated or impaired such that one cannot understand the fact, nature or extent of sexual situation, and the incapacitation or impairment is known or should be known to reasonable person, there is no consent. This includes conditions resulting from alcohol or drug consumption, or being asleep or unconscious.

**G. Sexual Violence:**

A term that is used to refer to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

**H. Stranger Rape:**

Stranger rape is defined as a sexual assault by an assailant upon a person he or she does not know or a rape in which the victim does not know the rapist.

**I. Acquaintance Rape:**

The most prevalent form of sexual assault on a college campus is between two people who know each other. The acquaintance may be a date, partner, or someone known casually from a residence hall, class, club, or through mutual friends.

**J. Bystander Intervention:**

A course of action that may be carried out by an individual to prevent harm or intervene where there is a risk or an act of violence.

**III. WHAT TO DO IF YOU ARE VICTIM OF SEXUAL MISCONDUCT**

Any individual who is a victim of sexual misconduct should follow these procedures immediately:

- Go to a safe place.
- Do not hesitate. If on campus, contact appropriate authorities and if during off hours, contact campus police at 662-386-8011, any security guard located in the female residence halls, or dial 911.
- Call a friend, a Campus Security Agent (CSA), a family member, or someone else you trust and ask her or him to stay with you.
- It is important for the victim to preserve the evidence if she/he intends to pursue criminal charges.
- Do not shower, bathe, douche, or brush his/her teeth, and save all clothing worn at the time of the assault.
- Place each item of clothing in a separate paper bag. Do not use plastic bags.
- Do not disturb anything in the area where the assault occurred.
- Go immediately to see medical personnel.

*The following clinics or hospitals will be able to assist you:*

Scooba Clinic-Scooba, MS (During normal hours of operation)  
 John C. Stennis Hospital-DeKalb, MS  
 Rush Foundation Hospital-Meridian, MS  
 Anderson Regional Medical Center-Meridian, MS  
 Baptist Memorial Hospital-Columbus, MS  
 Oktibbeha County Hospital-Starkville, MS  
 North Mississippi Medical Center-West Point, MS

- If you suspect that you may have been given a rape drug, ask the hospital or clinic where you receive medical care to take a urine sample. The urine sample should be preserved as evidence. Rape drugs, such as Rohypnol and GHB, are more likely to be detected in urine than in blood.
- If the student has not seen the medical personnel at the time of the complaint, the student will be immediately advised to do so. The College will provide transportation to the hospital, if needed.
- Write down as much as you can remember about the circumstances of the assault, including a description of the assailant.
- Talk with a counselor who is trained to assist rape victims about the emotional and physical impacts of the assault. You can call a hotline, a rape crisis center, or a counseling agency to find someone who understands the trauma of rape and knows how to help.

#### **IV. VICTIM'S REPORTING OPTIONS**

EMCC strongly encourages individuals to report all incidents and violations of this nature to the Office of Dean of Students, law enforcement officials, and/or appropriate College officials in order for these incidents to be properly addressed and for victims to avail themselves of all the services and rights to which they are entitled. Any member of the EMCC community can file a report with an appropriate College official. If a victim shares an incident of sexual misconduct with an appropriate College official, he/she needs to know that it is the College official's responsibility to notify the Dean of Students office of this incident immediately. In addition, it is the victim's rights to notify law enforcement and to be assisted by College officials in doing so. Thus, it is the victim's right to decide whether or not to involve law enforcement. Declining the involvement of law enforcement does not prevent the victim from receiving assistance from the College. A victim also has the right to use the College's procedures in addition to filing a criminal complaint.

##### **Reporting Timeframe:**

Any individual may file a complaint of sexual misconduct at any time. Early reporting is encouraged to preserve evidence and provide the victim with information regarding rights, options, and resources available to them by this policy and federal/state laws.

## **Reporting Options:**

### **1. Official Reporting**

All EMCC students are strongly encouraged to make an official report of any incident of sexual misconduct to the Dean of Students office whether the incident occurred on or off campus. Official reporting initiates a course of immediate action and the College's Student Conduct process.

The complaint can be filed directly to the Dean of Students via a written statement or an appointment. Once a complaint has been submitted, the Dean of Students, a designee by the Dean, or a campus police officer will conduct intake interviews and fact-finding interviews with appropriate parties involved and follow the processes outlined in the Student Conduct process. Each complaint will be investigated promptly and appropriate corrective actions will be taken.

### **2. Confidential Disclosure**

EMCC also offers confidential reporting through Counseling Services to

- A. Weigh options and associated risks
- B. Discuss possible next steps, and
- C. Obtain information about available resources and services.

*No one is expected or required to pursue a specific course of action with this option.*

## **Sexual Misconduct Amnesty Clause:**

The Dean of Students office offers immunity (Amnesty) to students who may have violated the Student Code of Conduct's Alcohol or Drug Policy at the same time of the incident when he or she became a victim of or is reporting of sexual misconduct. Therefore, no alcohol or drug charges are applied to a student who reports that he or she was under the influence of alcohol and/or drugs at the time of a sexual misconduct.

The purpose of this clause is to encourage reporting. Victims or bystanders (witnesses) should not let his or her use of alcohol or drugs be a deterrent to reporting an incident. When conducting the investigation, the College's primary focus will be on addressing the sexual misconduct violation and not on alcohol/drug violations that may be discovered or disclosed. However, the College may provide referrals to counseling and may require educational options, rather than disciplinary sanctions, in such cases.

## **Bystander Intervention:**

The same above mentioned reporting options are available for bystanders as well. These are safe and positive options for bystanders who intervened during an incident in order to prevent harm when there was a risk or an act of violence. EMCC strongly encourages bystanders to step up on behalf of another person's well-being and safety.

### **V. VICTIM'S RIGHTS PROVISIONS**

It is EMCC's responsibility to assure students who report an incident of sexual misconduct that:

- Victims will have the opportunity to request prompt proceedings and that a fair and impartial investigation and resolution will occur.
- College officials will treat the incident seriously and that the incident will be investigated and adjudicated by appropriate criminal and/or College officials. Proceedings shall be conducted by officials trained on sexual assault and other intimate partner violence issues. And shall use preponderance of the evidence standard (which is "more likely than not" and the standard used by civil courts in the United States).
- Victims will be treated with dignity, respect, and in a non-judgmental manner.
- College officials will inform victims of their option to notify appropriate law enforcement authorities,

including campus police and local police, and offer assistance in notifying proper authorities when an individual discloses an incident of sexual misconduct.

- College personnel will not discourage anyone from reporting, nor encourage them to under-report or report the incident as a lesser crime.
- College personnel will cooperate in obtaining, securing and maintaining evidence (including a medical examination) necessary in legal/criminal proceedings.
- College officials will prohibit retaliation and will not only take steps to prevent retaliation but also take strong responsive action if it occurs. They will also follow up with complaints to determine whether any retaliation or new incidents of harassment have occurred.
- Victims will be provided with written notification of on and off campus available services for mental health, victim advocacy, legal assistance, and other available community resources.
- Victims will honor and can obtain no contact/restraining orders no contact/restraining orders or enforce an order already in existence to prevent unnecessary or unwanted contact or proximity to an alleged perpetrator when reasonably available.
- Victims will be afforded the opportunity to request immediate on-campus housing relocation or other steps to prevent unnecessary or unwanted contact or proximity to an alleged perpetrator when reasonably available.
- Victims are informed that he/she is entitled to be accompanied to any related meeting or proceeding by an advisor of their choice, knowing that the respondent also has the same opportunity to have others present during any proceeding (neither the victim's advisor nor the advisor for the respondent can speak for or defend either party).
- Victims are informed that he/she is entitled to receive, in writing, of the final results within one business day of such outcome begin reached.

## **VI. RIGHTS OF THE PERSON ACCUSED OF SEXUAL MISCONDUCT**

The student accused of sexual misconduct (the respondent) may be assured that:

- All sexual misconduct cases will be treated seriously.
- The respondent will be treated with dignity, respect, and in a non-judgmental manner.
- The respondent will be advised of on- and off-campus organizations and services that may be of assistance.
- College personnel will cooperate in investigating the case fully for legal and Student Conduct proceedings.
- The respondent will be informed of available counseling and psychological services.
- Respondents are informed that he/she is entitled to be accompanied to any related meeting or proceeding by an advisor of their choice, knowing that the victim also is provided with the same opportunity to have others present during any proceeding (neither the victim's advisor nor the advisor for the respondent can speak for or defend either party).
- Respondents are informed that he/she is entitled to receive, in writing, of the final results within one business day of such outcome being reached.

## **VII. DISCIPLINARY PROCEDURE**

**It is the victim's rights to notify law enforcement and to be assisted by College officials in doing so.**

**Thus, it is the victim's right to decide whether or not to involve law enforcement. Declining the involvement of law enforcement does not prevent the victim from receiving assistance from the College. A victim also has the right to use the College's procedures in addition to filing a criminal complaint.**

A student charged with sexual misconduct may be prosecuted under the Mississippi Criminal Justice System and disciplined through EMCC Student Conduct and Due Process. Even if the criminal justice authorities choose not to prosecute, the accused may be subject to College disciplinary action.

EMCC Student Conduct and Due Process procedures should be considered distinct and independent of any and all criminal procedures. Student Conduct and Due Process procedure may precede, occur simultaneously, or follow court action. IN the event that the College's Student Conduct and Due Process procedures follow court action, the court proceedings and/or verdict may be considered in the Student Conduct and Due Process proceeding. Proceedings shall be conducted by officials trained on all forms of sexual misconduct. Moreover, they shall use the preponderance of evidence standard (which is "more likely than not" and the standard used by civil courts in the United States). When necessary, temporary action may be taken by the College in the form of summarily suspending or summarily restricting the accused, or officially requesting no contact between the complainant and the respondent. Relocation or removal from the residence halls may also occur. Any of these measures may result in the accused student's restricted access to the College and/or participation in College events, such as attendance at classes and residing on campus.

#### **A. Disciplinary Action:**

Any student found by the Dean of Students office to have committed sexual misconduct may be subject to severe disciplinary sanctions, including suspension or dismissal from the College. For information regarding the range of possible sanctions that may be imposed following an institutional disciplinary procedure, please refer to the EMCC Student Code of Conduct found in the College Catalog and Student Handbook.

The College recognizes that violations of sexual misconduct are not the fault of the individual filing the complaint. The College intends to encourage the report of sexual misconduct and therefore the College generally does not intend to hold complainants accountable for student code of conduct violations that may have occurred along with violations of sexual misconduct. The College administration will use discretion to ensure the rights of the complainant are preserved.

#### **B. Appeals:**

IN the case the complainant decides to appeal the decision via the College's Appeal Process, the complainant may request reasonable accommodations be made during the hearing procedures, such as special seating arrangements in the hearing room in order to conduct a fair, orderly hearing.

- He/she has the right to remain present during the entire hearing except during the deliberations.
- He/she has the right not to have his or her sexual history discussed during the hearing.
- He/she has the right to make an "impact statement".
- He/she has the right to be informed concurrent with notice to the accused (respondent) of the decision of the Dean of Students and/or the Board regarding the alleged sexual assault violation and any sanction(s) imposed. The complainant and the respondent must respect the privacy of all involved.

### **VIII. SAFETY AND SECURITY INFORMATION REPORT**

Under the Campus Save Act, an addendum to the Clery Act, EMCC will provide annual statistics on incidents of campus crimes, including incidents of sexual misconduct occurring on campus and

reported to campus authorities and/or local police. Additionally, EMCC will comply with all mandatory reporting requirements that include a broader range of sexual misconduct incidents occurring on campus including domestic violence, dating violence, and stalking.

*Nothing in this policy should be interpreted as precluding enforcement of the laws and regulation of the United States of America, the State of Mississippi, any locality in the state of Mississippi, or the College's Student Code of Conduct.*

### **FIREARMS AND WEAPONRY POSSESSION POLICY**

East Mississippi Community College recognizes that the possession of firearms (including handguns) or other weapons on school premises or at school functions by other than duly authorized law enforcement officials create unreasonable and unwarranted risk of injury or death to EMCC employees, students, visitors, and guests, and also creates an unreasonable and unwarranted risk of injury or death to EMCC employees, students, visitors, and guests, and also creates an unreasonable and unwarranted risk of damage to properties of EMCC, employees, students, visitors, and guests. Therefore, EMCC prohibits the possession of firearms or weapons in any form by any person other than duly authorized law enforcement officials on school premises or at school functions, regardless of whether the possessor of the weapon has a valid permit to carry the weapon.

### **HOUSING**

The College maintains six residence halls and thirty cottages on the Scooba Campus which house approximately 600 students. These residence halls are air conditioned and equipped with furniture and utilities essential for comfortable living. Students must provide their own linens, pillows, and toilet articles. A person desiring residence hall accommodations must submit a \$100.00 room deposit with the Application for Student Housing to the Student Services Office at the College. The deposit is used to guarantee the student dorm room reservation. The deposit is **non-refundable** should the student not attend after securing a reservation. After moving into the residence halls, the deposit will remain on file until the student discontinues participation in campus housing. The student will be refunded the entire room deposit, provided there are no charges for damages or other debts to the College and providing the student completes a Housing Withdrawal Form with the residence hall supervisor, Director of Student Housing or the Vice President of Student Services. Request for refund is made to the Director of Student Housing or the Vice President of Student Services Office.

To apply for student housing, a student must obtain a Housing Application Form from the Director of Student Housing and pay the proper fees to the Business Office. No student will be allowed to reside in College housing for more than six semesters without approval of the Residence Hall Appeals Committee.

In the event of limited residence hall space, Mississippi residents will be given first preference. A limited number of out-of-state residence hall spaces will be reserved to coincide with scholarship limits for non-residents as established by the MACJC.

### **ACADEMIC REQUIREMENTS FOR RESIDENCE HALL STUDENTS**

All students must be enrolled in and maintain a minimum of 12 semester hours of traditional face-to-face courses to live in the residence hall. Other combinations of traditional face-to-face and online loads equal to 12 hours or more will be considered as appropriate.

Students will be placed on Housing Probation when a regular semester GPA falls below the following criteria:

| EMCC Hours Attempted: | Required GPA |
|-----------------------|--------------|
| 0-31                  | 1.50         |
| 32 or higher          | 2.00         |

Student will be placed on Housing Suspension when a regular semester GPA fails to meet the above criteria while on Housing Probation. A regular semester is defined as a fall or spring semester.

Students who are on a Housing Suspension status cannot reside in the residence halls for one semester following their suspension. Summer semesters can be counted for this purpose.

All resident hall students who are in non-compliance with these GPA standards at mid-term (9 weeks) will be sent a written warning of their residence hall status. Notification of non-compliance of these regulations will be made by the Director of Student Housing. Any student in non-compliance with the GPA requirements at mid-term will be required to attend counseling and study aid programs two nights a week under the direction of assigned staff. The study aid program schedule will be given to the students once they meet with the Dean of Student Affairs/Housing to discuss and sign the study hall agreement. Students attending the study aid programs will be allowed a maximum of two unexcused absences. Any student exceeding two unexcused absences will immediately lose housing privileges. The Dean of Student Services will determine if an absence is excused or unexcused. While attending the study aid programs, any student who is disruptive and/or presents a disciplinary problem will immediately lose housing privileges and may receive additional sanctions depending on the violation(s). Any person may appeal dismissal from campus housing by doing so in writing to the Director of Student Housing or the Dean of Student Services. Any appeal by a student not meeting these requirements will be directed to the Residence Hall Appeals Committee which will be designated by the President.

### **GENERAL HOUSING GUIDELINES & REGULATIONS**

In order to protect the rights of each individual and to ensure protection of College property, there must be certain guidelines for all to follow. **FAILURE TO COMPLY WITH THESE GUIDELINES WILL RESULT IN DISCIPLINARY ACTION WHICH MAY INCLUDE: DISCIPLINARY PROBATION, MONETARY FINES, DISMISSAL FROM RESIDENCE HALL, AND EXPULSION.**

1. Residents of the College residence halls must be enrolled in at least 12 hours of traditional face-to-face courses to live in the residence hall. Other combinations of traditional face-to-face and online loads equal to 12 hours or more will be considered as appropriate. All resident students of the college must maintain at least 12 semester hours throughout the entire semester.
2. Each resident is responsible for the College property assigned to them. Neither furniture nor equipment should be removed from your room without first securing permission from the Director of Student Housing or the Vice President of the Scooba Campus. Each room occupant will be held accountable for all room furniture and fixtures and all suite occupants will be held accountable for all common areas.
3. All residents must attend any residence hall meetings and will be held responsible for all information set forth.
4. Costs of repairing damage or replacing losses to a residence hall room will be charged to each room

occupant unless the party directly responsible is known. Costs of repairing damage to bath and restroom areas will be charged to each suite occupant sharing the restroom area unless the party directly responsible is known. Costs of repairing lounge areas, hallways, and/or the residence hall itself will be charged to all residence hall occupants unless the party directly responsible is known. DAMAGE TO ANY COLLEGE PROPERTY IS CONSIDERED A SERIOUS OFFENSE.

5. The College reserves the right to inspect any living quarters at any time the administration deems it necessary.
6. Possession or use of intoxicating beverages and dangerous drugs is prohibited. Any student who is under the influence of an alcoholic beverage, or has alcoholic beverage in his/her possession, or who has alcoholic beverage containers in his/her room or trash can will receive disciplinary action, possibly be disallowed housing privileges, or may receive the maximum penalty of dismissal from the College.
7. Smoking is not allowed in any residence hall at any time.
8. The College is not responsible for loss or damage of valuables, money, or other personal property. If loss or damage does occur, the residence hall supervisor, Director of Student Housing, security, or the Vice President of Student Services should be notified immediately. Students are strongly encouraged to have their parents check with their home owners insurance regarding renter insurance.
9. Residents are expected to abide by all Federal, State, and Local Laws.
10. Students are responsible for maintaining the cleanliness of their room, restroom, and bath areas. There will be a systematic room inspection each week and/or as needed of all residence halls at which time rooms must be clean, neat and attractive. Failure to maintain rooms, restrooms, and bath areas in a clean and orderly condition may result disciplinary actions.
11. Aluminum foil is not allowed in the residence hall windows. Students must use appropriate curtains or blinds.
12. Permanent fasteners or connectors on the walls, doors, or fixtures are prohibited without the permission of the Residence Hall Supervisor or the Director of Student Housing.
13. Offensive, inappropriate, or obscene materials to include alcohol and drug related material may not be visible anywhere in the residence hall.
14. DECALS are not permitted on any room walls or furniture.
15. Pets are not allowed in the residence halls.
16. Fire alarms, fire extinguishers and other protective equipment are in place for the safety of all students. Any attempt to tamper or abuse such devices is strictly prohibited and will result in disciplinary action.
17. No person should sit on guard rails, in open windows, or hazardous areas of any kind.
18. Students should not carry on conversations with other students through the residence hall windows. Visitation is limited to rooms, the lobby or outside the residence hall.

19. UNAUTHORIZED VISITATION OF MALES IN THE FEMALE RESIDENCE HALL OR FEMALES IN THE MALE RESIDENCE HALLS IS PROHIBITED AND WILL RESULT IN DISCIPLINARY ACTION.
20. Male students are allowed to enter the lounge area in Gilbert-Anderson Hall only under those guidelines specified. Females are not allowed to enter any male residence halls due to the absence of proper supervision.
21. Visiting hours are Sunday-Saturday at 8:00 a.m. till 11:00 p.m. you are responsible for your guest and will be held liable for the actions of your guest. All guests must sign-in with the security guard located in the lobby area of the residence halls. There will be NO visitors under the age of 16 allowed past the front lobby unless accompanied by a parent.
22. Loitering in and around the residence halls is prohibited.
23. Overnight visitors in the residence halls must be of the same sex as the room occupant and must be approved 24 hours in advance by the Residence Hall Supervisor or the Director of Student Housing. Overnight guest must be at least 18 years old and are only allowed on Thursday, Friday, and Saturday nights. All visitors are expected to conduct themselves appropriately and comply with the rules of the institution.
24. Only residents will be permitted to enter the residence halls during school hours unless the residence hall supervisor grants permission. Any visitors should be accompanied by a building resident and have the supervisor's approval.
25. CLOSED CAMPUS HOURS will be observed beginning at 11:00 p.m. until 7:00 a.m. for the entire campus, unless noted otherwise (example - "dead week"). With exception of participation in school sponsored functions, all students on campus should be in their assigned residence hall by 11:00 p.m. All visitors will be required to leave the campus at this time. Students arriving after 11:00 p.m. should go directly to their assigned residence hall. After this hour, all loud noise should be eliminated.  
  
**NOTE:** The doors to Gilbert-Anderson Hall and Women's Honors Residence Hall will be locked at 11:00 p.m. on Sunday through Thursday for security purposes. Security personnel will be stationed at the main entrance of Gilbert-Anderson Hall to allow residents to enter and exit the residence hall. On Fridays and Saturdays there will be limited access to enter and exit the residence hall. The weekend time schedule will be posted by the Residence Hall Supervisor.
26. Housing Withdrawal Procedure: A student should contact the residence hall supervisor, fill out a Housing Withdrawal Form, allow the supervisor to sign the withdrawal form and then turn in keys to residence hall supervisor. A student should turn in the student I.D. card to the Business Office. **DO NOT MOVE OUT OF THE RESIDENCE HALL WITHOUT FIRST OFFICIALLY WITHDRAWING.** Charges for your room and meals will continue until the withdrawal process has been completed. Keys not turned in will result in forfeiture of the room deposit. **NO REFUNDS WILL BE GRANTED UNTIL A STUDENT HAS OFFICIALLY COMPLETED THE WITHDRAWAL PROCESS.**
27. Lost Key - Any time a key is lost, a \$45.00 charge will be levied. The lock will be changed to protect the property of all occupants of that room.
28. Grilling or barbecuing is not allowed on campus except for EMCC designated events and faculty/staff supervised functions.

## **CONSUMER DISCLOSURE**

### **In accordance with the request of the Arkansas Department of Higher Education**

Arkansas Higher Education Coordinating Board certification does not constitute an endorsement of any institution, course or degree program. Such certification merely indicates that certain minimum standards have been met under the rules and regulations of institutional certification as defined in Arkansas Code 6-61-301.

The student should be aware that these degree programs may not transfer. The transfer of course/degree credit is determined by the receiving institution.

### **Maryland Residents:**

If you are a prospective student who will not reside in Mississippi while enrolled in East Mississippi Community College online courses, please be aware that many states have prescribed an “authorization” process for out-of-state institutions delivering online programs to its state residents. Through such processes, states strive to ensure quality postsecondary education, to preserve the integrity of an academic degree and to instill greater consumer protection for its student citizens. East Mississippi Community College and the Mississippi Virtual Community College have taken steps to protect its students and have been granted authorizations, exemptions and waivers from many states. However, due to authorization and review processes associated with some states, we may be limited in our ability to accept some distance learning course enrollments. East Mississippi Community College is NOT seeking authorizations, exemptions, or waivers in Maryland; therefore, we are unable to offer distance education programs to students residing in this state.

### **Out-of-State Distance Learning Students:**

EMCC reserves the right to not allow residents of other states who are currently not residing in Mississippi to register for online classes, especially if no authorization currently exists between EMCC, the State of Mississippi, and the student's state of residence.
