

Bank Mobile will mail a refund selection kit to all registered students prior to the first day of class. The packet will arrive in a bright green envelope. Once it is received, visit www.refundselection.com, enter the unique personal code, select the preferred method to receive financial aid refunds, and complete a profile.

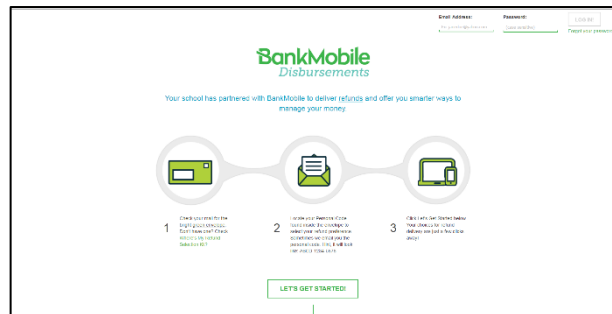

If you do not receive a packet, it can be tracked at www.refundselection.com or you may contact the EMCC Business Office to order a replacement.

It's as easy as 1, 2, 3!

One:
Check your mail for the green envelope

Two:
Go to www.refundselection.com and activate your account to make your refund selection

Three:
Wait for your money

Bank Mobile account holders get fee-free access to Allpoint Network ATMs worldwide. Locations near East Mississippi Community College can be found on the following website:
