

# TELEMEDICINE

East Mississippi Community College is proud to announce that we have partnered with both OCH Medical Associates AND Parson's Family Medical Clinic to provide students with access to telehealth medical appointments

## **STEP ONE: SELECT THE PROVIDER OF YOUR CHOICE**

Call 662.615.3771 to reach OCH Medical Associates or 662.615.6440 to reach Parson's Family Medical Clinic. Inform the receptionist that you are an EMCC student who needs a telemedicine appointment.

## **STEP TWO: PROVIDE THE CLINIC WITH YOUR BASIC INFORMATION**

You will be asked to provide some basic information such as your name, your EMCC student ID number, and your best contact information.

## **STEP THREE: SCHEDULE YOUR APPOINTMENT**

The receptionist will work with you to select a date and time for your appointment. After booking your appointment, or some time shortly before your appointment, you will receive an email with a link to the virtual meeting space.

## **STEP FOUR: STARTING YOUR APPOINTMENT**

Simply click on the link you were sent five minutes before your scheduled appointment. This will let you into the virtual waiting room. At the designated time, the provider will join the virtual meeting as well.

For inquiries and concerns, please contact Tony Montgomery, Dean of Students at 662.476.5062.
