**2024-2025 Student Application Packet**

Student Name: \_\_\_\_\_

Home School District \_\_\_\_\_

Thank you for considering the Golden Triangle Early College High School Program. Before completing the application, we request that you consider the information below to determine if GTECHS is the right educational environment for your student. Please make special note of the expectations you and your student will be agreeing to if he/she is accepted into the program.

- The GTECHS calendar is aligned with the EMCC calendar and will be different than the calendar in your home district
- We run a modified block schedule aligned with the EMCC schedule. Each class meets only two times each week (either Monday and Wednesday OR Tuesday and Thursday). Missing one day of class is the equivalent of missing half of the week's instruction. Students must commit to daily attendance to be successful. Fridays are dedicated to Seminar classes where students work towards earning the College and Career Readiness credit required by the MS Dept of Education.
- This application is designed to help us know more about the students who are applying. There are no right or wrong answers. We truly want to know our students and how we can best serve them. As you will see below, the final selection is made by random lottery.
- All applications will be evaluated. Class members will be notified by mail after the lottery is conducted. If your mailing address is incorrect you will not receive important selection information and risk missing enrollment deadlines. **Applications postmarked or delivered after March 4, 2024 will not be considered.**

The goal of the Golden Triangle Early College High School (GTECHS) program is to select and admit a diverse group of academically capable students who have a genuine interest in pursuing a unique and rigorous program focused on earning a high school diploma along with an associate's degree and/or career/technical certification. Each application and accompanying documentation will be reviewed by our team. All students with complete applications will be considered and **the final selection will be made by a random lottery process.** Required elements to be included in this application are as follows:

**Academic Information:** Grades, MAAP or other state test scores and other academic indicators  
**References:** Two from current teachers who have the ability to evaluate the student's potential for success  
**Application:** Well-written, thoughtful responses provided by the student and parents/guardians  
**GTECHS CONNECT:** Our team will conference individually with each applicant on Saturday, April 6, 2024.  
**Characteristics:** Intellectual curiosity, self-motivation, maturity, self-discipline, and the desire for a **non-traditional high school setting**

**Due Date:** **March 4, 2024**

Completed Applications may be mailed to:  
GTECHS  
P.O. Box 100  
Mayhew, MS 39753

2. Classroom instruction at GTECHS will be very different than what your child has experienced in the past. Students are held accountable for their own work but are often expected to work collaboratively with their peers. Initially, some students struggle with this shift in responsibility. How will you support your child as he/she make this transition?

3. Positive interactions with adults and peers are vital to student success at GTECHS. How do you plan to work with your child and the staff at GTECHS to promote respect in all situations?

**Part B: Parent Information – continued.**

4. If selected to attend GTECHS, it is understood that college courses are conducted by EMCC faculty members. Because of this, EMCC has their own set of guidelines pertaining to attendance, grades, and behavior that may differ from those at GTECHS; and it is the expectation that students, not parents, communicate with the EMCC faculty when questions arise. How do you plan to assist your child in advocating for himself/herself so that he/she can be successful in his/her college coursework?

5. What are your expectations of the Golden Triangle Early College High school program?

Sign below stating that you have read and understand the following:

4. **I understand that my child may need to devote a minimum of (2) hours each evening to completing assignments and to studying and that those hours will increase as college coursework increases.**
5. **I understand that there are no athletic, band, or ROTC programs at GTECHS; however, students will have access to clubs, student organizations, and service learning opportunities. It is allowable for GTECHS students to participate in activities in their home districts provided they do not interfere with the GTECHS school day.**
6. **I understand that GTECHS will operate on a school calendar that is different from the Noxubee County and West Point Consolidated school districts. This means that there will be a few days each year in which I must provide transportation for my child.**
7. **I understand that he/she will be afforded an opportunity to complete the Golden Triangle Early College High School and East Mississippi Community College requirements, earning both a high school diploma and a two-year associate's degree, industry certification, or transferable college credit.**
8. **High school graduation will take place on the GTECHS/EMCC campus.**
9. **I understand that he/she must comply with Golden Triangle Early College and East Mississippi Community College discipline and attendance policies at all times.**
10. **I understand that EMCC and GTECHS are separate entities. Students, not parents, are expected to communicate with EMCC instructors when questions arise about their college classes.**
11. **I understand that if my child does not make adequate academic progress, has poor attendance or has poor behavior he/she may be asked to leave GTECHS and be referred back to his/her traditional high school.**
12. **I hereby request that all school data in support of my child's application to the Golden Triangle Early College High School Program be at the disposal of GTECHS officials.
